*Representatives to General Court from Fourth  
Norfolk Representative District*

Josiah Babcock, Milton, Mass.; Roy C. Smith, Holbrook, Mass.

*Representatives to Congress from Thirteenth  
Congressional District*

Richard B. Wigglesworth, Milton, Mass.

## REPORT OF THE SELECTMEN AND OVERSEERS OF PUBLIC WELFARE

In accordance with the mandate of the Annual Town Meeting the Kinney property, adjacent to the Devine School Property, was purchased at a cost of \$8,100.00, which was \$1,900.00 lower than the appropriation. In conjunction with this purchase, Messrs., Arthur L. Doody, John E. Lynch, and Eugene L. McAuliffe, local real estate brokers, appraised this property without cost to the Town, for which this Board expresses their appreciation for their cooperation.

The site for the new fire station on North Main Street was purchased for the sum of \$850.00, according to the vote of the Annual Town Meeting.

As instructed, a petition was filed in the Legislature for Non-Partisan Town Elections. This act was passed by the General Court and will be voted upon on the ballot in the March Election.

At the request of the Commonwealth of Massachusetts a Civil Defense Program has been organized with Col. Ralph E. MacLeod as Director. We are fortunate in having secured a director with such a vast knowledge of Military affairs. Under his leadership our Civil Defense Organization is well underway and we urge all Citizens to cooperate with this program by enrollment.

The final approval was given by Public Works Commissioner William F. Callahan and the widening of North Main Street, from Crawford Square to Depot Street has been accomplished. The Commonwealth allocated over \$140,000.00 for this project and Randolph's share of the expense will be approximately \$5,400.00 which includes legal expense, the replacing of underground conduits and the land damages.

In behalf of the Town, we take this opportunity of

## TOWN OF RANDOLPH, MASS.

expressing appreciation to the following owners who gave their land frontage to the Town for the sums of \$1.00: Michael J. Diauto, Edward A. Kane and Maurice Perlstein, Trinity Episcopal Church, Randolph Cooperative Bank, Masonic Realty Company, Thomas M. Good and Walter J. Good. The home owners on the land effected received a nominal sum for their property and in all instances also cooperated to the end that the project could be accomplished. As soon as the weather permits, cement sidewalks on both sides of the street will be constructed and a bituminous surface will be applied from curb to curb to the present road.

We, in Randolph, have no voice in Federal and State expenditures that increase taxes on our incomes, but our local government expenditures are decided upon at Town Meetings. Already Real Estate owners share too great a burden of taxation and we urge that careful scrutiny be given all appropriations at the Town Meeting, to the end that extravagant and unnecessary appropriations be eliminated.

We wish to take this opportunity to thank the members of all committees, department heads, and town officials for the splendid cooperation they have given us during the year.

RALPH H. HUTCHINSON,  
Chairman,  
ORRIN B. WHITE, Clerk,  
THEODORE S. LUDDINGTON.

## ADJOURNED ANNUAL TOWN MEETING — 1950

March 20, 1950

---

Article 11. VOTED UNANIMOUSLY: That the Town amend Article 1 of the By-Laws of the Town by striking out Section 1 thereof and substituting therefor the following: Section 1 — The annual town meeting for the transaction of business shall be held on the evening of the third Monday of March at 7:30 P.M., and the annual meeting for election of officers shall be held on the first Monday of March at 8:00 A.M., and shall close at 8:00 P.M. (Approved by Francis E. Kelly, Attorney General)

Article 1. VOTED UNANIMOUSLY: That the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1950, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, of the General Laws.

Article 2. VOTED: That the Town raise and appropriate money for the following Unpaid Bills of previous years:

Tree Department — Equipment and Repairs	\$ 67.34
School Department — Books and Supplies	632.83
School Department — Maintenance of Buildings	442.00
School Department — Vocational Service	286.37
School Department — General Expense	187.37
Police Department — Gas and Oil	219.71
Veterans' Benefits	824.39

---

\$2,660.01

## TOWN OF RANDOLPH, MASS.

Article 3. VOTED: That the Town raise and appropriate the sum of \$3500.00 for the employment of district nurses, as provided for by Section 5, Chapter 40, General Laws, as amended by Section 1, Chapter 371, Acts of 1921.

Article 4. VOTED: That the sum of \$1.15 per hour be paid to regular Town Laborers, specifically the two men in the Water Department and the six in the Highway Department and that the sum of \$1.00 per hour be paid to others hired by the day or hour.

---

## SPECIAL TOWN MEETING

*March 20, 1950*

Article 1. VOTED: That the sum of \$1,305,000.00 be raised and appropriated for the purpose of constructing a Junior-Senior High School on the land owned by the Town and for originally furnishing and equipping said building and that to meet said appropriation the sum of \$55,000.00 be appropriated from available funds in the treasury and that the Treasurer with the approval of the Selectmen be and hereby is authorized to borrow the sum of \$250,000.00 under authority of Chapter 44 of the General Laws and \$1,000,000.00 under authority of Chapter 228 of the acts of 1950 and to issue bonds or notes of the Town therefor payable in accordance with the provisions of Chapter 44 of the General Laws so that the whole loan shall be paid in not more than 20 years from the date of issue of the first bond or note. It is further voted that the present School Planning and Building Committee be authorized and instructed for the purposes above set forth, for and in the name of the Town to enter into such contracts as in the judgment of the Committee may be necessary.

Affirmative	153	Negative	7
-------------	-----	----------	---

## ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

Article 2. VOTED: That the Town raise and appropriate the sum of \$800.00 for the purpose of surfacing the sidewalk from Canton Street to the Boston School for the Deaf.

Article 3. No action.

Article 4. No action.

---

### ADJOURNED ANNUAL TOWN MEETING CONTINUED

*March 20, 1950*

Article 5. VOTED: That the Town transfer to surplus in the Treasury the following unexpended balances:

Edwin St. Water Extension	10.74

---

\$ 452.86

Article 6. VOTED: That the Moderator appoint a Town Manager Committee, to look into the advisability of a Town Manager for the Town of Randolph, Committee to be comprised of 10 citizens from various sections of the town and that the Committee be a non-partisan committee.

VOTED: That the Moderator appoint a committee

## TOWN OF RANDOLPH, MASS.

of 5 citizens of the Town to prepare rules and regulations regarding electrical wiring in the Town of Randolph according to the National Code and to report their recommendations at the next Town Meeting.

VOTED: That a committee to be known as the "Randolph Parking Meter Committee" be appointed to look into the advisability of the Town installing parking meters in our business center, this committee to report its findings at the next Town Meeting and that the Committee be composed of the following citizens:

C. Lloyd Claff	Martin E. Young
Michael Diauto	John Hannon
Arthur Conrad	Patrick T. McDonnell
Francis Belcher	Ralph H. Hutchinson
John Baldner	Orrin B. White
George H. White	Theodore S. Luddington

VOTED: That a committee of five citizens be appointed by the Moderator to work with the Planning Board. This committee to be known as the Zoning By-Laws Committee and that they review the zoning by-laws and present such recommendations or revisions as they find necessary with particular reference to Business Districts.

Article 7. VOTED: That the Town authorize the Water Commissioners to appoint one of their members to another office or position under their control, and fix the salary of such person in accordance with the provisions of Chapter 36, Acts of 1929, or take any action relative thereto.

Article 8. VOTED: That the Town raise and appropriate the sum of \$20.00 for the maintenance and lighting of the clock in the tower of the First Congregational Church.

Article 9. VOTED: That the Town raise and appropriate the sum of \$20.00 for the maintenance and lighting of the clock in the tower of the First Baptist Church.

## ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

Article 10. VOTED: That the sum of \$2,000.00 be raised and appropriated from current taxation and the sum of \$525.00 be transferred from the interest account of the Stetson Fund for the maintenance and up-keep of the Town Hall.

Article 11. Taken up at the beginning of Adjourned Annual Town Meeting.

Article 12. VOTED: No action.

Article 13. VOTED: No action.

Article 14. VOTED: That this article be laid over to the end of the meeting and that the sponsors of this article bring in at that time copies of the nine sections so that the members can vote on it after studying it.

Article 15. VOTED: No action.

Article 16. VOTED: That the Town accept the provisions of Section 97A of Chapter 41 of the General Laws (Ter. Ed.) as inserted by Chapter 595 of the Acts of 1948, which provides generally for the establishment of a police department to be under the supervision of a chief of police who shall be in immediate control of property used by said department and of the police officers whom he shall assign to their respective duties and who shall obey his orders.

Article 17. VOTED: That the Town authorize the Selectmen to execute and deliver to Jesse E. Taber and/or Mildred B. Taber a deed of a parcel of land situated on the westerly side of North Main Street, in said Town of Randolph, measuring some forty feet in width by approximately 150 feet in depth, being the northerly forty feet of the land recently conveyed by the said Tabers to the Town, IN EXCHANGE for a parcel of land by Francis Borbeau, a distance of approximately 165 feet, adjoining the southerly side of the land so conveyed, or take any action relative thereto.

TOWN OF RANDOLPH, MASS.

Article 18. VOTED: That the Town amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: That the area at the junction of North, Liberty and Allen Streets, title for which is in the name of Ralph P. and Ruth M. Condlin, be included in the Business District.

Article 19. VOTED: That the Town amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: That the area at the junction of Lafayette and High Streets, title for which is in the name of Thomas H. and Arlene V. Wrigley, be included in the Business District.

Article 20. VOTED: That the Town amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: That the area, title for which is in the name of Jesse E. and Mildred Taber, on the west side of North Main Street, between the fire station lot owned by the Town and the business zone at the corner of Canton Street and North Main Street, with a frontage of about two hundred and ninety-five (295) feet, be included as a business district.

Article 25. VOTED: That the existing Zoning Laws be amended so that no Trailer Camp or Camps be permitted in Randolph. A Trailer Camp or Court is defined as more than one (1) Trailer.

Article 21. This article not legal due to action of Article 25.

Article 22. This Article not legal due to action on Article 25.

Article 23. VOTED: No action.

Article 24. VOTED: That the Town amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: That the area at 388 South Main Street, title for which is in the name of Otto H. Stein, be included

ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

in the Business District.

Article 26. VOTED: That the Selectmen be authorized to acquire by gift, purchase or to take by right of eminent domain in fee or otherwise for all purposes of a public street or highway the land in said Randolph located on the westerly side of North Main Street between Crawford Square and Depot Street the land abutting the present location and lay-out and extending westerly therefrom the distance required by the Massachusetts Department of Public Works for the widening of said North Main Street, said land and the parcels comprising the same being more specifically described as follows:

- Approximately 1500 square feet assessed to Michael J. Diauto;
- Approximately 1235 square feet occupied by the Randolph Amusement Co., Inc.;
- Approximately 1725 square feet assessed to Edward A. Kane et al;
- Approximately 2790 square feet assessed to Jennie C. Brennan;
- Approximately 2160 square feet occupied by the Trinity Episcopal Church;

*NOTICE*

The attention of parents is called to the law relating to the registering of births. The present requirement is as follows:

Chapter 29, Sec. 6, of the Revised Laws. Parents within forty days after the birth of a child....shall cause notice thereof to be given to the clerk of the town or city in which such child is born.

Section 8. A parent....who neglects to do so for ten days after the time limited therefor....shall forfeit not more than five dollars for each offense.

Attention of PHYSICIANS and MIDWIVES is called to Chapter 280, Section 1, Acts of 1912: Section 1. Physicians and midwives shall, within forty-eight hours after the birth of every child in cases of which they are in charge, mail or deliver to the clerk or registrar of the city or town in which the birth occurred, a notice stating the date and place of the birth, giving the street number, if any, the number of the ward in a city and the family name. Failure to mail or deliver the said notice shall be punished by a fine not exceeding twenty-five dollars for each offense.

In accordance with the provisions of the law, the Town Clerk is prepared to furnish parents, physicians, and midwives applying therefor, blanks for return of births as required by law.

## REPORT OF BOARD OF HEALTH

The Board of Health respectfully submits its Annual Report for the year ending December 31, 1950.

Our Dental Clinic was conducted by Dr. William F. Maguire, assisted by Miss Helen F. Conlon, School Nurse, and the Diphtheria Clinic conducted by Dr. Charles E. Wells, School Physician. Miss Beatrice Scannell and Mrs. Signa Heath, our District Health Nurses have answered many calls during the past year and have always been very co-operative.

Due to the increased amount of new home building in Randolph during 1950, the Board has been called upon to make many inspections of cesspools, etc. and many more permits have been issued.

Our Plumbing Inspector, Mr. Thomas O'Riley, has reported that due to the volume of new homes being erected in this town, he has collected a larger amount of fees.

Communicable diseases for year 1950 were as follows: Dog Bites 26; Scarlet Fever 8; Whooping Cough 12; Measles 8; Mumps 7; Pulmonary Tuberculosis 5; and Polio 4.

Respectfully submitted,

FRED A. DIAUTO, Chairman.

RALPH W. CARTWRIGHT, JR., Secretary.

SETH W. SWAIN, Associate.

TOWN OF RANDOLPH, MASS.

REPORT OF INSPECTOR OF PLUMBING

---

To the Board of Health,  
Town of Randolph:

Sirs:

I hereby submit my report for the year ending  
December 31, 1950.

Over three hundred permits for installation of plumbing in old and new homes have been granted during that period.

Three hundred thirty toilets, 316 sinks, 298 bath tubs, 35 showers, 179 tankless heaters, 78 pressure boilers, 10 garbage disposals, 3 soda fountains, 6 floor drainers, 3 grease traps, 24 wash trays were installed.

Upon a complaint made to the Board of Health a home owner of Randolph was found guilty in Quincy Court of illegally installing plumbing in his home, and was ordered to make restitution. The work was then done legally by a registered plumber under my supervision.

Permits for plumbing may be obtained at my home, 138 Druid Hill Avenue any week day between 8:00 A.M. and 5:00 P.M.

Respectfully submitted,

THOMAS O'RILEY,  
Plumbing Inspector.

## REPORT OF INSPECTOR OF WIRING

*January 8, 1951*

To the Honorable Board of Selectmen  
Randolph, Massachusetts

I hereby wish to submit my initial report at the conclusion of my first year as Inspector of Wiring for the Town of Randolph. Conditions in general throughout the town were found to be in a condition over which much interest should be manifest and a constant watch should be maintained, from this point forward to rigidly maintain the ordinances as set up by our laws.

The older homes in the town are for the most part below par, but I can report that where repairs are made in any manner, the wiring is fast being brought up to meet the specifications as set forth.

Much work has been needed and many miles traveled to insure the town in general a rigid overall inspection, resulting in a form of insurance to the Town, the Owner, the Builder, and all concerned in the construction of homes and business establishments.

I submit a breakdown of my activities from January 24, 1950, the date of my appointment to December 31, 1950.

After setting the necessary machinery in order, I started issuing permits on February 17, 1950.

### " A "

Number of permits issued	556
New Homes Inspected	280
Remodel Jobs Inspected	107
Oil Burners Inspected	327
Electric Stoves	110

# TOWN OF RANDOLPH, MASS.

Water Heaters	34
New Services	60
Electric Signs	12
Gasoline Pumps	18
Motors	22
Stores	11

## " B "

Halls	1
Number of calls	1116
Number of miles (by car)	3556

Amount of money collected for fees and deposited with Town Treasurer	\$646.50
--	----------

Total expenses allowed for the year were	175.00
--	--------

Money spent for printing and notices	79.75
--------------------------------------	-------

It is now necessary to apply for a permit to be granted by the Inspector of Wires to the Electrical Contractor, who must be a licensed electrician. The first inspection is called a rough inspection, prior to plaster and a final inspection when the structure is completed. (Each permit necessitates two complete inspections).

I feel that through the efforts of this Department, inefficient wiring for the Town of Randolph, is a thing of the past.

Respectfully submitted,

ALTON F. LABRECQUE,

Inspector of Wiring.

## NORTH RANDOLPH FIRE STATION COMMITTEE

---

The new fire station will be ready for occupancy about February 15, 1951.

It will be necessary to complete final gradings, seeding and planting next spring after which, it is expected that this committee's work will be completed and the fire station formally turned over to the town.

We are pleased to report that this committee had been able to agree to a transfer of two thousand dollars (\$2,000) from this account at a special town meeting held November, 1950.

This committee would like to recommend that a committee be appointed to survey the needs of our fire department.

JAMES ROBERTS

EDWARD ROYCROFT

## REPORT OF TREE WARDEN

---

I hereby submit the following report of the work of your Tree Department for the year 1950.

In addition to the regular program of tree work laid out by the Tree Department a great deal of extra work was made necessary because of the number of storms and high winds during 1950. In spite of this additional work, 27 dead trees were removed during the year and a great many were pruned. These trees should be replaced where possible with new ones. 30 new trees were planted during the year.

Every informed taxpayer of the town knows by now that we have again been attacked by the Dutch Elm disease. To combat this condition your tree warden has taken samples of all elm trees and submitted them to the Shade Tree Laboratory at Amherst College. Their report shows that ten trees in the town are affected by this disease and orders from the State Department of Conservation demand that these trees be removed and all branches and bark burned.

No definite cure for remaining trees is known at this moment although science and research are making every effort to discover a cure. Our only means of control right now is to keep the remaining elms:

1. As healthy as possible by constant care in pruning and spraying.
2. Immediate removal and destruction of every condemned tree,
3. Destroy all elm wood of any description, trimming, branches or cord wood lying on ground.

Last year also a great deal of work was done removing shrubs and bushes from the side of the road and this

ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

work will have to be continued until this condition has been cleared up.

Through spraying, 51 less cases of Poison Ivy have been reported during the past year, and this control will be continued.

At this time I wish to express my thanks to the citizens and officials of the town for their kind cooperation given me throughout the past year.

Especially I wish to express my appreciation to Fire Chief Harold L. Bailey for his assistance and use of equipment during the storms of 1950.

Respectfully submitted,

JOSEPH J. HART.

## REPORT OF MOTH SUPERINTENDENT

---

To the Honorable Board of Selectmen  
Citizens of the Town of Randolph.

I submit the following report of the Moth Department  
for the year of 1950.

Moth conditions in the town have shown an improvement during the past year due to the constant spraying and destroying of nests, also during the winter season creosoting of egg clusters is carried out.

The Commonwealth of Massachusetts, through its Insect Pest Control Department has notified this Department that our liability for Gypsy Moth work for the coming year is \$3372.85 and have recommended that this Department ask for an appropriation of \$3500.00 to be expended solely for control work against those insects specified in Section 11, as public nuisances.

A special Article has been inserted in this year's Warrant for the control of the Dutch elm disease as set forth by Section, Chapter 761, Acts of 1949.

The funds called for in this Article applies to the constant program of removing and destroying all dead and dying elm wood as well as the prescribed removal and destruction of all condemned elm trees.

Respectfully submitted,

JOSEPH J. HART,

Moth Superintendent.

# SEALER OF WEIGHTS AND MEASURES

*December 14, 1950*

Board of Selectmen,  
Town of Randolph,  
Randolph, Mass.

Gentlemen:

ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

REPORT OF THE FIRE DEPARTMENT

---

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report of the Fire Department for the year ending December 31, 1950.

The department responded to 237 calls classified as follows:

Number of calls	237
Building Fires	46
Automobiles	25
False Alarms	7
Inhalator calls	5
Miscellaneous	5
Brush and Grass	149
American Legion Ambulance calls	164
Feet of hose used—10,000-2½., 7350-1½., 1350-1½., 23,450-Booster.	
Feet of ladders used	218
Assessed value of property damaged by fire	\$37,050.00
Insurance on property damaged	87,150.00
Damage to property	6,361.21
Insurance paid on damage	5,161.21
Loss not covered	1,200.00
Value of contents involved	30,094.00
Insurance on contents	16,100.00
Damage to contents	3,501.00
Insurance paid on damage	1,657.00
Loss not covered	1,844.00

The 1929 Seagrave ladder truck is in poor condition and parts for the motor are no longer obtainable as the model has been discarded by the manufacturer.

TOWN OF RANDOLPH, MASS.

The logical replacement would be a Junior Aerial truck and the present Central Fire Station is not large enough to accommodate it.

I offer these facts for your consideration.

Respectfully submitted,

HAROLD L. BAILEY,

Chief of Department.

# ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

## REPORT OF INSPECTOR OF ANIMALS

Honorable Board of Selectmen:

I hereby submit my report as Inspector of Animals for the year ending 1950.

I have quarantined 28 dogs and have inspected the barns and found that there are:

Cows	85
Pigs	1,573
Horses	56
Goat	1

Respectfully submitted,

JAMES J. TRUELSON,  
Inspector of Animals.

---

## REPORT OF INSPECTOR OF SLAUGHTERING

To the Board of Health of Randolph:  
Gentlemen:

---

\*Some arrests and summonses were served for out of town police.

\*\*Of the 16 cases dismissed for want of prosecution the police were complaintant on 8.

\*\*\*Of the 17 cases released, 9 were juveniles and were turned over to their parents.

---

I wish to take this opportunity to thank the Town Officials, the Finance Committee and the citizens of the town for their assistance and cooperation during the past year, and to express my appreciation to the members of the regular police department and the Special Officers for their fine work and cooperation in the affairs of the department.

Respectfully submitted,

PATRICK T. MC DONNELL,  
Chief of Police.

## TOWN OF RANDOLPH, MASS.

# REPORT OF HIGHWAY SURVEYOR

---

To the Citizens of the Town of Randolph:

### GENERAL MAINTENANCE

A great deal of work was completed during 1950 in regard to surface treatment on our black roads. The streets treated were Highland Avenue, West Street, Cole Terrace, High Street, Silver Street, Chestnut Street, Old Street, Grove Street, Orchard Street, Allen Street, Lafayette Street, Russ Street, Gold Street, Wilmarth Road, Pleasant Street, Park Street and Wales Avenue. The amount of tar and asphalt used was over 20,000 gallons. The Department also used calcium chloride on most of our dirt roads. Other work completed was sweeping, patching, grading, gravel hauled on dirt roads, cleaning brooks, catch basins and man-holes.

### CHAPTER "90"

The following work under Chapter "90" was completed under the supervision of our State Engineers; North Street, resurfacing consisted of 18,750 square yards of asphalt and treated one half inch ( $\frac{1}{2}$ ") stone rolled with twelve (12) ton roller. The work was approved by the Department of Public Works.

### WOODLAWN ROAD

The work completed on Woodlawn Road was finished as voted by the Town. About 2500 square yards of black top highway, consisting of a three inch (3") crushed stone base penetrated with two (2) gallons of asphalt per square yard rolled with a heavy roller, then topped with one inch (1") of Type I bituminous concrete, also brush cutting and gravel was placed on the east side of black top highway.

### CENTER STREET WALL

The wall on Center Street was pointed up and stones

# ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

replaced. The project being satisfactorily completed.

## SNOW AND ICE 1950

A complete list of storms that required work are listed here:

16	Snow	Sanding	1	4
21	Heavy Snow	Plowing, sanding, hauling	9½	29
28	Freezing Rain	Sanding		5
Mar. 11	Snow	Sanding	1	4
13	Snow	Plowing, sanding, hauling	5½	17
18	Snow	Sanding	2	7
Dec. 15	Light Snow			9
21	Snow	Sanding	½	5
22	Snow	Sanding	2	6
26	Snow	Sanding	3	11
29	Freezing Rain	Sanding	½	8
31	Snow	Sanding	2	6
18	Storms	Totals	53	219

I wish to thank the Town Officials and Citizens for their fine cooperation in the past year.

Respectfully submitted,

JOHN A. FREDERICKSON,  
Highway Surveyor.

TOWN OF RANDOLPH, MASS.

**REPORT OF PLANNING BOARD  
AND BOARD OF SURVEY**

---

The Planning Board have adopted a plan for a Business Area to be Bounded by North Main, Warren Streets, Highland Avenue and Memorial Parkway (proposed road to New Junior and Senior High School).

Hearings were held for proposed changes of Zoning on Warren and North Main Streets and Mill Street.

The Board of Survey approved Plans for the following Streets.

Fairway Park	—	off Canton Street
Ox Bow Lane	—	off Canton Street
Webster Street	—	off Oak Street
Beverly Circle	—	off Vesey Road
Vesey Road Ext.	—	off Vesey Road
Alfred Terrace	—	off Mill Street
Lind Terrace	—	off Mill Street
Kings Crest Terrace	—	off Mill Street
Curran Terrace	—	off Mill Street
Tucker Terrace	—	off Mill Street
Milton Terrace	—	off Mill Street
Brookside Terrace	—	near Martin Terrace
Hamilton Terrace	—	near Martin Terrace
Beverly Terrace	—	near Martin Terrace

The plans of the above are on File in the Town Clerk's office with exception of Hamilton and Beverly Terrace.

Respectfully yours,

The Randolph Planning and Survey Board.

GEORGE H. WHITE, Chairman  
EDWARD J. ROYCROFT, Secretary  
CARROLL F. PAINE  
ERNEST H. HYLEN  
THOMAS F. SCANNELL

## ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

### REPORT OF REAL ESTATE SURVEY

---

The J.M. Clemenshaw Co. of Cleveland, Ohio were awarded the contract to conduct this Real Estate Survey at a cost of \$13,500.00.

Although at the time of this report the work was not completed we have been advised by the Company that the total Real Estate value of the town has been increased to about \$15,000,000.—This amount is made up of about 3,000 parcels of developed property and some 2,000 parcels of undeveloped land.

A period of informal review was conducted the week of January 15th at which time the tax payer was given an opportunity to check on the value set on their property.

The valuations were figured on a 1941 replacement basis and a large part of the increase in value was due to adjustment in land values and new construction. A large number of Industrial and Commercial properties as well as private homes were also revalued at a much higher value than 1949.

As a result of the new valuation the tax rate for 1951 would be reduced to about \$33.00. Any additional expenditures in 1951 over 1950 would add to this rate \$1.00 for every \$15,000 appropriated.

There are no available funds to print the results of this Survey, but there is an article in the 1951 Warrant to cover same.

We wish to thank the citizens for their splendid co-operation and assure them that in our judgement the J.M. Clemenshaw Co. have given the citizens a true and fair Real Estate Survey.

Respectfully submitted,

CHARLES F. PREBLE,  
Chairman

FRANK F. TEED,  
Co-Chairman, Assessor

ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

**REPORT OF TRUSTEES  
OF TURNER FREE LIBRARY**

TRUSTEES

Frederick E. Knebel	President
Benjamin P. Crowell	Vice-President
Joseph D. Wales	Secretary-Treasurer
Ralph H. Hutchinson, Theodore S. Luddington, Orrin B .White	

(Selectmen of Randolph, Ex-Officii)

Mrs. Sallie W. Crawford	Roland H. Marden
Carl S. Gove	Raymond L. Mason
Arthur H. Holbrook	Lawrence Shurtleff
Mrs. Mollie F. Howard	Albert C. Wilde
Frank P. Yundt	

To the Citizens of Randolph:

Pursuant to the provisions of Article 3 of the By-Laws of the Turner Free Library, this Report for the calendar year 1950 and being the seventy-fifth report is submitted showing the condition of the Trust consisting of the building library and funds, together with the Librarian and of the Treasurer, and so much of reports submitted to the Trustees by the various committees as seem to be of general interest

The Library Committee reports that the books, charts and furnishings are in good condition and that all books owned by the Library are accounted for by the Librarian.

The Building Committee reports the removal of the chimney on the westerly side; slate being laid to cover the portion previously occupied by the chimney; new slates were laid on the easterly side of the second floor front of the building. The bulkhead on the south side was repaired and the door leading to the basement from the bulkhead was also repaired and strengthened; an outside light was installed for Dr. Hickey's quarters; all outside trim, doors windows, conductors etc. were painted; a new night control thermostat for the oil-burner was installed in the mail room of the library. During the early part of the street

## TOWN OF RANDOLPH, MASS.

construction a section of the stained glass window on the southerly side of the main room crashed and fell, the replacement of which cost \$75.00.

The appropriation in the amount of \$2650.00 voted by the Town was expended in its entirety. The principal project proposed by the Trustees for 1951 is the cleaning and redecoration of the main room of the library consisting of the walls, ceiling, shelves, book-cases and floor for which we have received a bid of \$1,000.00. The Trustees, therefore are requesting an appropriation from the Town of \$2700.00 to meet the foregoing expense as well as other general repairs of the building, furnishings and fixtures and for the general purposes of the Library.

Steps have been taken recently by the Trustees to preserve on microfilm the library's copies of Randolph's earliest newspaper—the Randolph Transcript and Norfolk County Advertiser, first published nearly a hundred years ago (editions are dated from March, 1857 to September, 1865), these newspapers have been on the library's reference shelves for many years and long have been regarded as valuable documents for historical and genealogical research. Micro filming now is considered the best possible means of preserving important records indefinitely into the future. The process consists of photographing the material on 16 mm film. This provides a photographic "negative" from which "positive" film is made. When this positive film is placed in a special projector, the photographed material is reproduced on a screen clearly and enlarged in size. At the present time, the Turner Library is not equipped with a microfilm projector. Special arrangements, however, have been made with another nearby library whereby anyone wishing to use the Turner Library's microfilm may take it there for viewing. Detailed arrangements may be made through Mrs. Martin or Miss Massie.

Preliminary arrangements have been made with the vendor who is to furnish the electrical lighting equipment for the new school building, for the storing of this equipment in the basement of the library, pending the construction.

A copy of each of the following reports is hereunto appended: Report of the Librarian, Report of the Treasurer showing receipts and expenditures of the Library and the

## ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

### Report of the Finance Committee.

The Trustees wish to express their appreciation to all those who have contributed in any manner to the Library during the past year.

Respectfully submitted,

FREDERICK E. KNEBEL,  
President.

January 8, 1951.

---

### REPORT OF LIBRARIAN

To the Trustees of the Turner Free Library:

I have the honor to submit the annual report of the Librarian for the year ending December 31, 1950.

The Library hours are: Monday, Wednesday and Saturday afternoons from 2:00 to 4:30; every evening from 7:00 to 9:00 except Sundays and holidays. During July and August we are open evenings only.

Number of books added — 226.

Books loaned, 12,976 — Fiction, 8200; Juvenile, 2480; General, 2296.

Due to the condition of the Main street and of so many people having televisions there has been a drop in our circulation of books.

Number of magazines loaned — 334.

Borrowers' cards issued — 522.

New applicants — 352; renewals — 170.

Magazines available for use in the Reading Room:

American Home  
American Magazine  
Atlantic

Our Dumb Animals  
Popular Mechanics  
Popular Science

Boy's Life	Open Road for Boys

There were nine sessions of the Children's Story Hour:

July 8th the attendance was 19; July 15th, 30; July 22nd, 37; July 29th, 27; Aug. 5th, 30; Aug. 12th, 56; Aug. 19th, 24; Aug. 26th, 44.

Average attendance 33 $\frac{3}{8}$ %.

On November 18th in observance of Book Week we had a story hour with 45 children present. Mrs. Alberta Komich and Mrs. Dorothy Clark were in charge of the Story Hour and helped at vacation time.

Many books have been borrowed through the Inter-Library Loan for college students and teachers as well as GI's.

Much reference work has been done by Junior and Stetson High students.

The Librarian wishes to thank Miss Massie, Mrs. Komich and Mrs. Clark for their assistance and the Trustees for their cooperation.

Respectfully submitted,

EUNICE B. MARTIN,  
Librarian.

January 2, 1951.

**REPORT OF COMMITTEE TO MAKE  
RECOMMENDATIONS ON ESTABLISHING  
PLANNING BOARD**

---

To the Selectmen,  
Town of Randolph,  
Dear Sirs:

Please be advised that the committee appointed by you to study and make recommendations relative to establishing a Planning Board under the provisions of Chapter 41, Section 81-A of the General Laws have this day met with six members present.

A motion was made and seconded that this committee finds that the article as written is not sufficient to establish a Planning Board.

Respectfully submitted,

JOHN H. BEAGAN,  
Secretary.

## REPORT OF THE SCHOOL COMMITTEE

---

To the Citizens of the Town of Randolph:

Your Randolph School Committee submits herewith the annual report of the year 1950.

Randolph, entering its third year with its own Superintendent, has continued its march to a more active and progressive school system by advancing its curriculum to a higher degree and supplementing it with more courses

The Student Driver-Training program has gone along exceeding expectations—100% or 62 children receiving their drivers licenses this past year. We are indebted to Billingham Brothers Garage for furnishing us with a new car.

Physical Education has been extended so that it now includes all grades, going along with the old and true axiom that sound bodies build sound minds.

The athletic program has been enlarged and is developing into a most important and smooth-running program for the benefit of the children willing and able to participate therein.

A dental survey by the Commonwealth of Massachusetts, Department of Public Health, was held in Randolph for the first time. The town of Westwood is the only other town in the Commonwealth to have this survey. All parents were notified of results and a copy of the report is on file in the School Committee office for your information and guidance.

Your School Department appointed Mr. Myron F. Thomas as full-time Director of Music in the schools and his work has been most gratifying. Your junior high school band and your Stetson High School band both received the top grade, Superior Rating, at the Music Festival in Attleboro in State-wide competition.

The Evening Practical Arts classes for adults was continued for the benefit of the townspeople.

Thirty-one teachers have secured further in-service

## TOWN OF RANDOLPH, MASS.

training by attending conventions and classes and completing courses held for them. In fact, some teachers have received their bachelor's degree and some have received their master's degree this past year.

Teachers' and principals' meetings are continuing in order to consolidate further the teaching methods, programs and facilities. The testing program and the remedial reading program is doing much in informing us of and advancing the few slower students.

Police protection has been expanded to include all dangerous street crossings to and from schools.

The transportation program has come a long way toward perfection. We now have two busses and we feel that normal conditions are in the very near future regarding this situation.

All the members of the School Committee are continuing to serve on the Building and Planning Committee in the interest of securing adequate facilities for the children.

A new furnace was installed in the Pauline Street School replacing the condemned one in use for many years.

Painting within and without the buildings has been done and necessary repairs have been and are being accomplished daily. Your Committee feels the dire need of a maintenance program and is working toward this aim—that maintenance is much cheaper than replacement.

The playing areas in the school yards have been doubled with much grading and asphaltting having been done. This program has only begun, however, and much more shall be done this year. All business that was transacted by your Committee was done on a bid basis so that we could take advantage of lowest prices. We feel that we have done well from the standpoint of economy.

The school enrollment at the end of this year was 2015, the largest in our history and growing with each succeeding day.

We appointed Mr. Irvin D. Reade, Jr. as assistant to the Superintendent and we have found that this move has been most beneficial to the entire school system.

## ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

Your Committee is concerned entirely with benefitting the education of the children in our schools. We try to make concrete suggestions for improving classroom technique, a more modern course of study and a shifting of emphasis to bring our schools more up to date in every way. It would be foolish to claim that there is no room for improvement. Your Committee deems it an honor to have worked for the best interests of the town and sincerely extends an invitation to you to visit your schools whenever you can. We welcome any suggestion and/or criticism that may serve as a guide for better educating your children.

JOSEPH J. SEMENSI,  
Chairman,

HAROLD L. WHITE,  
Clerk

MURRAY LEWIS

DR. WILLIAM F. MAGUIRE

MRS. ALICE M. MARTIN

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the Randolph School Committee,  
Chairman, Mr. Joseph Semensi and Members:

This is my third annual school report submitted to you for your approval.

The writer is of the opinion that our schools are doing a very creditable piece of work. Teachers are whole heartedly in this service. Such accomplishments are based upon your cooperation, understanding and efficient administration and points definitely to a public school education which will serve all our children and develop in them known and potential abilities for good, useful citizens.

### THE NEW JUNIOR AND SENIOR HIGH SCHOOL

This new school plant is, in a great measure, an answer to the above lines. The citizens of the town responded to your appeal and voted the large sum of \$1,305,000.00 for a building of modern construction and equipment. Contractors for the erection of this school are now at work under the supervision of the Randolph Planning and Building Committee of which your committee and the writer are voting members. A large model of the new school attracted considerable interest. It was displayed in local store windows and is now in the office of the Assistant School House Commission, Boston. To complete this building with modern furniture, technical and administrative facilities for best operating results, Dr. Jesse B. Davis of Boston University was employed to serve as educational consultant. Dr. Davis has been most cooperative and has had a number of conferences and round-table talks to which he has conferred with principals and teachers on numerous subjects.

### IN-SERVICE TRAINING

In response to the challenging educational investment, the high school teachers in a body through the leadership of Principal Gilgan volunteered to take an extension course for the purposes of orientation and study of newer and expanded subjects and teaching methods as advocated for

public school instruction in our day. This plan was wholeheartedly adopted and supported by principals Mr. Reader, Mrs. Chatfield and Mr. Haley for junior high school grades. By vote of this group, Dr. Roy O. Billett of Boston University was employed. Dr. Billett is a well-known authority on public school education and its many problems. His course is now in session and will terminate in May. The investment will cost the teachers approximately \$700.00. Credits may be earned with completion of work and assignments. The names of the teachers are listed below under subject-groups.

### WORKSHOP GROUPS

Miss O'Neil	

### SCHOOL ENROLLMENT

Our school registration on October 1, 1950 was 198 an increase of 80 over last year. A few months later it grew to 2015. This necessitated the adoption of a two-plateau system for four eighth-grade classes held in the present high school. By removing all eighth grade pupils from the

## TOWN OF RANDOLPH, MASS.

Prescott and Devine schools left more room for the lower grades in or near the schools where children live. Again may I thank the many parents for their patience and cooperation in this necessary adjustment of classes and schools. This same expression of thanks is extended to Mr. Hart, our bus driver, who also serves and waits patiently for the new school to simplify his transportation problems.

### DEVINE SCHOOL ADDITION

Our building program, though heavy at this time, must begin to formulate some definite plans of construction for this school in this fast growing section of Randolph. At the present rate of growth the removal of grades seven and eight from this building will serve for only two years at the most, perhaps three. The remodeling of the Devine school should absorb the two-room Pauline St. school and should therefore provide for the following:

12 Regular class rooms.

1 Gymnasium-Cafeteria-Auditorium unit.

The grading of the newly acquired land for play area and Physical Ed. program.

### PHYSICAL EDUCATION PROGRAM

It is most encouraging to report a definite and progressive program for physical education for all pupils in all schools. Mr. Zapustas and his assistant Miss Lappen have organized with principals and teachers, a very comprehensive program of physical and health training for all classes. There is need of more equipment for which your budget has provided including equipment for players as well as articles and supplies necessary for safe conduct of game and health activities.

In compliance with recent health laws, X-Ray service was given in Randolph last December for all teachers, janitors, and school personnel. Aside from a few absentees and those who planned to have the health tests taken elsewhere, it is safe to say at this date all school employees have been examined. In my last year's report when a similar X-Ray service was made available to the citizens of the town, the writer inadvertently omitted the name of Col. Lloyd Claff, who, with Mr. John Lynch, completed a most efficient health round-up in town.

## GIFTS AND AWARDS

The recognition which our local organizations bestow upon us by their awards to worthy pupils is always a source of inspiration. It takes away, as it were, the lonesomeness which we so often experience in our service. It adds value to our teaching, and sort of humanizes our efforts and endeavors by this evaluation of social and professional contacts outside the schools.

Randolph Bankers  
Randolph Amvets

Accept my thanks for your help and cooperation in this task of building better schools with better instruction for better and lasting results to the end that our graduates shall become strong, useful, happy members in our American way of life.

Respectfully submitted,

ADOLPH O. CHRISTIANSEN,  
Superintendent of Schools.

## REPORT OF THE PRINCIPAL OF STETSON HIGH SCHOOL

HUBERT F. GILGAN, PRINCIPAL.

There are many problems found in the administration of the educational program which in varying degrees affect the satisfactory carrying out of this program, and it is the writer's belief that the most important problem is concerned with the attitude of the pupil toward his school work. We believe the individual pupil's apathy toward school work and his failure to apply can be placed squarely on the individual rather than on the system or the teacher. This lethargy is doubtless due to the failure of the pupil to realize the demands which will be made upon him by schools of higher learning, by business or by employers in general, and this in spite of efforts of teachers and advisors to make young people realize what they will have to face when their schooling is over. A fast changing world means more competition; this calls for more and specialized training. Entrance to many fields of endeavor therefore is more difficult because of keener competition. This obviously means more and better training and preparation. Many of our courses at Stetson prepare specifically for employment in business and industry, for entrance to college and other schools—nursing, technical, teacher training, among others. Much of the scholastic difficulty in which far too many of our pupils find themselves is due not so much to lack of opportunity or inherent deficiencies, but rather a lack of application to the tasks at hand. Too many young people put off until tomorrow what they should do today, and somehow that tomorrow never seems to arrive—they seem to assume that there will always be another opportunity to take the place of the one they have allowed to slip by. Life is full of instances showing (or demonstrating) that opportunity seldom knocks twice. Many of our pupils go on to success and bring satisfaction to themselves and to us. However, all too often this feeling is overshadowed by the disappointment which comes from those who do not take full advantage of their opportunities but are satisfied merely to get by, those who do less than their best.

Since the authorization by the townspeople of the erection of a new school, the writer has had many opportunities to visit other schools, large and small, and we have returned firmly convinced that Randolph has as good schools and teachers as can be found anywhere and, in fact, better than some. We are convinced that the Randolph teaching staff is well equipped and qualified to help pupils reach their desired goals. The only difference which could be found was that the general public in other communities were great boosters of their schools; they were builders and this constructive and wholesome attitude could not help being reflected in the enthusiasm and spirit in the schools themselves. Randolph is now entering a new era of school construction—an excellent time to build all these other things which go into the making of good schools—mutual confidence and faith, each in the other between the school and the public. We believe it will pay dividends to the young people in our schools. Tear down and we have nothing left but debris and ruin. Build on the foundation of fine teachers who are doing a fine job and Randolph schools will take their place at the top with the best of them—where Randolph belongs.

As you know the eighth grades from all over town are now holding sessions on double shift in the high school building. This two-platoon system is never satisfactory but often necessary because of crowded conditions. Although this is working as well as possible it is encouraging to know that relief is in sight from the new six year high school building.

All high and junior high teachers are currently taking a course under the direction of Dr. Billett of Boston University, School of Education. It is expected that because of this course dealing in modern secondary education we will all be better equipped to make fuller use of our new building and its enlarged facilities.

---

## TESTING AND GUIDANCE DIRECTOR

JOSEPH W. DALY — DIRECTOR

During the past year all Freshman and Junior

## TOWN OF RANDOLPH, MASS.

were interviewed twice and all Sophomores and Seniors once. During these interviews an attempt was made to solve occupational and related problems.

The Boston University Battery of Educational Diagnostic Tests proved an aid in discovering abilities in reading, spelling arithmetic and English. They helped to show if individual achievement was commensurate with ability, students in need of special help, etc. This group of tests was given to members of the Freshman Class.

The Vocational Battery for Juniors was of great assistance in discovering occupational interests and aptitudes. By these tests it was possible to discover the percentile rating of verbal, manipulative, and computational interests. In this group mechanical and clerical aptitude tests were given which helped to show if a student had ability for office work, mechanics, engineering, etc.

An interesting college day was held at Thayer Academy in cooperation with high schools in the district. Twelve of our Seniors attended and it was possible to meet the Directors of Admission of nearly any college in the East. Information on Scholarship opportunities, subject requirements, etc., was available for each institution.

A series of career days was held covering such fields as medicine, nursing, business, bookkeeping, engineering, office work, agriculture, forestry, advertising, and merchandising. Also included in the series was a preview of the employment market for high school graduates and summer employment opportunities.

---

## DRIVER EDUCATION REPORT

PAUL J. LEHTINEN, INSTRUCTOR

During the school term 1949-1950 the Safe-driving class enabled 36 pupils to get their drivers licenses.

In September, 1950, a car was again made available to Stetson High School which will enable us to prepare pupils to pass the Massachusetts Registry of Motor Vehicles license examination.

Four classes of 4 pupils each started the Safe-driving course and nine have already obtained their licenses.

It is hoped that during the year some 40 pupils will pass the Registry test.

---

## **REPORT OF THE SUPERVISOR OF TESTING**

### **I. D. READE — SUPERVISOR**

It is with pleasure that I submit this report on testing in the Randolph Schools.

A general achievement test and a group intelligence test were given to all pupils in Grades 1 through 8.

A comparison of last year's results with this year's results shows that in general the classes have made a full year's growth. Although some subjects, particularly reading, are still below grade placement, the improvement over last year is more than satisfactory in most cases.

Now that a general foundation has been established it seems advisable to stagger the achievement and intelligence testing on an alternate yearly basis, and devote the available time and funds to the discovery of the causes of weaknesses through diagnostic testing.

I wish to thank all in the school system for their cooperation and assistance during the past year.

---

## **REPORT OF THE ART SUPERVISOR**

### **ETHEL B. ATWOOD**

The Art Supervisor reviews the past twelve months and submits the following accounting:

During the year visits have been made regularly to all the elementary and Junior High School grades in all schools. Classes have been held two days each week in freehand and mechanical drawing at the Stetson High School.

## TOWN OF RANDOLPH, MASS.

In the elementary and Junior High School grades she has given a lesson in each classroom, on the days scheduled for visits, and also left instructions for follow-up work with the grade teacher. She has also been responsible for the entire effort in both freehand and mechanical drawing at the High School.

She has found those with whom she has been associated in the school system understanding and co-operative at all times.

It has been her aim to make the art program a vital part of the school curriculum. . . . a practical and pleasurable experience for every pupil. . . . and one which correlates with other school studies and offers opportunity for individual self-expression.

The highlight of the year is the Annual Exhibition of all school work. This year an effort was made to simplify the arrangement of the work displayed and to portray certain chosen themes. With the prospective Junior-Senior High School in mind an interesting mural, depicting the story of "Progress in Education", was developed by the High School Art Classes.

High School students also made a backdrop for the stage at Stetson Hall. This was created for the presentation of the operetta, "The Mikado" and served a useful purpose as background for other programs held later in the Town Hall.

At present it is difficult to achieve the results desired in our Junior High classes where the classes are too large, the allotted time too short, and, the choice of media necessarily limited. Therefore we are looking forward eagerly to the better working possibilities in the new building.

Unlike books which can be used by several classes for several years art supplies diminish when put to use and require frequent replenishing. The challenge is to make art practicable. Art itself is the ability to do whatever needs to be done in the best possible way. It is the responsibility of the Art Department to accept this challenge.

In closing this report your Supervisor wishes to say that she is sincerely grateful to those who have so kindly and generously cooperated with her in her efforts to make art in Randolph worthwhile.

## REPORT OF REMEDIAL READING

MARY CHRISTINE GAUGHEN, SUPERVISOR

It is with pleasure and a feeling of accomplishment that I submit this report on Remedial Reading in the Public Schools in Randolph.

At present there are 212 pupils in the second, third, and fourth grades receiving help in Remedial Reading twice each week. I feel the need for remedial work to be greatest in these grades.

Each pupil starts remedial work at his present level of Reading Achievement, and progresses according to his growth in comprehension and oral reading. This is no easy task, because to many slow learners Reading Achievement remains on a plateau a long time before progress becomes noticeable.

The teachers have been most co-operative in following my suggestions and work plans for these pupils. I am sure the Achievement Test given this year will show progress for all.

---

## REPORT OF THE MUSIC DIRECTOR

MYRON B. THOMAS

I herewith submit my first annual report as Director of Music in the schools of Randolph.

Our new music program is now well underway.

My method is intended primarily to teach *every child in school* that music is something he can enjoy and that it can enrich his entire life. Not every boy and girl is musically "talented" but each and every child can benefit from the opportunity that school music gives him to create. I think I can safely say that in the past few months we have introduced music in a new light and the students are discovering, some of them to their amazement, that singing can be fun! The new method of theory is already beginning to show results and some of the technical defects are being

## TOWN OF RANDOLPH, MASS.

remedied although this will take time. I am grateful for the assistance of Miss Quimby in the grades, who is carrying out my theory to the letter. Also, I can not emphasize strongly enough the importance of the grade teacher in the music program. It is she who carries out the actual "practice" of the theory and her work is vital.

The twice-weekly rehearsals of the high school band are devoted to general band training and practice of program music. The band's appearances last year included the annual concert, high school graduation, assemblies etc. Due to inclement weather the band did not march in the annual Memorial Day parade. Four band members were selected to participate in the all-New England Concert Festival band at Springfield in April. Both the high school band and the junior band received outstanding ratings at the State Competition Festival held at Attleboro in May.

The Junior band rehearses once a week at Prescott School. The time is devoted to development of performing techniques. They learn to march and play, improve tone and pitch, learn to interpret the technique of the baton, etc. Their performances the past year included the annual concert, Jr. High graduation and several P.T.A. meetings.

The beginners' instrumental department numbers 50 this year—the largest class yet. Instruction in all instruments is available at all schools.

The High School Mixer Chorus meets during seventh period on Thursdays. This group sang at the annual concert and gave a program at a special assembly in May.

The Girls' Chorus rehearses on Mondays and is at present working on tone drills and rehearsing program numbers. They provided music for the high school Christmas assembly.

It is my intention, in addition to the high school vocal groups, to form a glee club in the eighth grades to give this group special vocal practice which they are in need of and to stimulate interest in special voice work, especially among the boys. Through this medium I hope to prepare a larger number of male voices for chorus work in high school.

Although not much of a result can be expected from the first year's work with the vocal program, I am confident that the situation is well in hand and within a few years' time we should begin to see high school groups that can compete with the best. With the vocal and instrumental programs integrated the possibilities are unlimited and with the finest high school in our vicinity there is no reason why we cannot have a splendid music department to go with it.

The entire school organization is of service to the music department at one time or another and I wish to thank you all for your cooperation.

---

## **REPORT OF THE PHYSICAL EDUCATION SUPERVISOR**

MILDRED J. LAPPEN

A physical education program for the elementary schools in Randolph has been organized and implemented since September 1950.

The aim of this program is centered upon the development of the whole child through big-muscle activity as well as the development of organic vitality. Not only will the child develop many neuro-muscular skills, but also will form proper attitudes toward physical activity and better habits of conduct.

Each week I teach lessons in the elementary classes based on these aims, and leave a program for the teachers to conduct during recess. This organized play is replacing the former free play period. The activities for the lower grades consist of mimetics, rhythemics, story plays, and hunting games. In the upper grades, more highly organized games like volleyball are played, which requires cooperation in competitive situations. In addition, they will be taught folk dancing, square dancing, and rhythemics. However, this whole program must be limited because of inadequate play areas. By providing playground balls, rhythmic records, and folk dance records, the school department has facilitated this program.

## TOWN OF RANDOLPH, MASS.

It is satisfying to observe the children's enthusiastic response which proves that this program is a step toward the fulfilment of an educational need.

In the high school the two periods per week required of all girls consists of instruction in hockey, soccer, basketball and volleyball techniques as well as square dancing, social dancing, and modern dancing.

This year softball and field hockey have been added to our extra-curricula activities for girls. According to this plan the girls are coached for competition with teams in the surrounding towns.

I appreciate the cooperation I have received from the school department, the principals, and the teachers who have aided me in carrying out this program.

---

### REPORT OF THE DIRECTOR OF PHYSICAL EDUCATION

JOSEPH J. ZAPUSTAS

Recreation projects are now mushrooming all over the land. No longer are they confined to large cities and industrial organizations.

The idea is basically sound; since boys and girls are going to find some form of activity, why not give them a good program that is well supervised and organized.

The type of activities incorporated into the program depends upon the size of the community and the available facilities.

With the advent of the new Junior-Senior High School, the road is open for a grand opportunity for the Physical Education and Health Program.

The High School maintains the present competitive sports of Football, Basketball and Baseball for boys and Field-Hockey, Basketball and Softball for girls offers a grand chance for any youngster to compete in any or all of them.

## ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

Next school year the intention is to reach the Junior High School boys and girls and induct them into the various sports, conducted by the High School. These various teams are to be handled by competent people.

The Physical Education and Health program has been inaugurated this year by Miss Lappen for the grade schools and will be further advanced next year.

The cooperation by all concerned toward the Physical Education and Health Program has been wonderful and it is a great pleasure to look forward toward the future.

---

### REPORT OF THE SUPERVISOR OF ATTENDANCE

STEPHEN J. HART

The past year has been quite busy as far as investigations are concerned.

It was necessary to take a few cases to the Probation Office for informal hearings.

It was also my unpleasant duty to make four court appearances due to habitual absentees.

Truancy is not increasing, but is holding about the same.

The personnel of the School Department has been very cooperative during the year.

TOWN OF RANDOLPH, MASS.

**REPORT OF THE PLAYGROUND DIRECTOR**

JOSEPH J. ZAPUSTAS

I am sending you my complete report of the summer play ground program.

	A.M.	P.M.	TOTAL	DAILY AVERAGE
McNeil	2967	3770	6737	173
Stetson	2696	1175	3871	99
Devine	1414	1437	2851	73

The activities at the playground consisted of the following:

McNeill — Handicraft work, games, hikes, swimming, pet show, soft ball games and a play presented by the group at a parents gathering.

Stetson — Softball games, consisting of six teams in a league. Baseball games against a Stoughton playground, volleyball, horseshoe pitching, tennis, hike, swimming and golf.

Devine — Handicraft work, games, hike, swimming, pet show, weenie roast, and soft ball games.

On August 31, three bus loads of youngsters went to see the Boston Red Sox game.

A huge field day was conducted September 3rd at Stetson field with fifteen events taking place, including races, pie eating, and watermelon eating contests, and the championship softball game winding up the playground program.

I wish to express my thanks to the instructors Miss Alice Walsh, Mrs. Grace Welch and Mr. William Killoran for their fine co-operation, and to the school committee for their part in this fine project.

---

**REPORT OF THE SCHOOL NURSE**

HELEN F. CONLON, R.N.

I herewith submit my report for the year 1950.

## ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

The children in all grades were inspected and those showing evidence of contagious skin infections, pediculosis or communicable disease were recommended for exclusion. There are several stubborn cases of pediculosis which make it necessary to inspect some grades more often than others.

During the year talks on health, nutrition, dental care and personal cleanliness were given. The children in grades one through eight were weighed twice and the Senior High School pupils were weighed once during the year.

Dr. Wells has completed the health examinations in grades one through nine with the exception of the afternoon session of grade eight and several grades in the Prescott Primary and Tower Hill schools. He will continue the examinations until all the children have been examined. Physical defects found will be brought to the attention of the parents.

A special examination of students in the upper grades who were entering competitive sports, was given early in the fall.

Five children in grades one through twelve whose physical condition did not permit them to attend school received instructions in their home from visiting teachers.

Diphtheria prevention clinics under direction of the Board of Health were held in April and May in the Prescott and Devine schools. Thirty-four children received three doses of toxoid and 125 children were given a booster shot of toxoid. Eighteen children did not complete the series.

The dental clinic for school children sponsored by the Board of Health was continued after the Town meeting. Thirty-eight children were given dental treatments by Dr. Maguire.

184 children who failed the vision test given by their teacher were tested on a Keystone Telebinocular. Fifty-five children failed this test. Seventy-three children had their hearing tested on a Pure Tone audiometer. Parents of children showing a vision or hearing defect were notified.

In December the Norfolk County Chest X-ray clinic was held in the Stetson High School. There were 177 X-

## TOWN OF RANDOLPH, MASS.

rayed including eighty-seven Seniors, five students who help in the cafeteria, and eighty-five school personnel.

In closing I wish to thank the school committee, the superintendent, teachers, and parents for their cooperation in the health program.

— : —

### REPORT OF THE SCHOOL PHYSICIAN

CHARLES E. WELLS, M.D.

During the past year there have been fewer absences from school due to sickness than for several years, and we have had no epidemics to contend with. It has become understood that absence for other reasons than sickness is a matter of school discipline which does not require medical attention but only a note of explanation from a parent to the school principal. However, the rule requiring a physician's permit for the return to school after three days absence because of illness is still in force and doubtless serves to reduce the spread of colds and other more serious contagious diseases in the schools.

More time has been devoted to the routine physical examinations, by cooperation of the school nurse, so that every child will have been examined by the middle of the school year, and all athletic teams before the beginning of their contests. Very few defects have been found but all are attended to in some way, usually by the parents to whose attention they are called.

Accidents occurring on school playgrounds or during games are attended to—and I attended all home football games—where my services have been required only by members of the visiting teams.

Office hours for issuing school certificates:

2:00 to 3:00                      7:00 to 8:00

Saturdays, 2:00 to 3:00.

No office hours on Sunday.

## ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

### SCHOOL CALENDAR, 1951-1952

Open Jan. 2, 1951      Close Feb. 16, 1951  
Open Feb. 26, 1951      Close Apr. 13, 1951  
Open Apr. 23, 1951      \*Close June 15, 1951 for grades 1 to 7  
                                 \*Close June 20, 1951 for high school  
                                 and grade 8

### SUMMER VACATION

Open Sept. 4, 1951      Close Dec. 20, 1951 at noon.  
Open Jan. 2, 1952      Close Feb. 15, 1952  
Open Feb. 25, 1952      Close Apr. 18, 1952  
Open Apr. 28, 1952      \*Close June 13, 1952 for grades 1 to 6  
                                 \*Close June 20, 1952 for senior and  
                                 junior high schools, grades 7 to 12

Schools will also close on the following days: Good Friday, Mar. 23; Memorial Day, May 30; Columbus Day, Oct. 12; Armistice Day, Nov. 12; and closing at noon, Nov. 21 for Thanksgiving Day and the day following, Nov. 22 and 23.

### NO-SCHOOL SIGNALS

By courtesy of the Randolph Fire Department, three blows repeated three times will be sounded at:

6:45 A.M. — No session for Senior and Junior High Schools.

7:15 A.M. — No morning session for the first six grades.

11:30 A.M. — No afternoon session for the first six grades.

By courtesy of the WNAC, WBET and WJDA Broadcasting Stations, no-school announcement will be given by radio as near to the local hours as is convenient and possible

## TOWN OF RANDOLPH, MASS.

for the station announcer.

There will be days when schools are in session because conditions are not severe enough to cause complete shutdown of all activities. On such days, parents, as in former years, determine whether their children shall report to school. No excuse will be required of pupils for absence on such days, unless the parent so wishes. Consideration will be given pupils striving for perfect attendance.

---

\*It is essential that we keep in mind that State Law requires that the High School shall be in session at least 180 days of each school year and for the grade schools, 160 days.

TOWN OF RANDOLPH, MASS.

REPORT OF WATER COMMISSIONERS

---

To the Citizens of the Town of Randolph:

We take pleasure in presenting the sixty-fifth annual report of the Board of Water Commissioners, covering activities for the year ending December 31, 1950. You are urged to analyze the entire report which gives complete data relative to collections, pumping, purification, metering, maintenance, new construction, etc.

Organization of the Board was as follows:

Frederick D. Driscoll	Chairman
Martin E. Young	Clerk
William J. Almond	Associate

APPOINTMENTS BY BOARD

Marion L. Bailey	Clerk-Collector
William J. Almond	Superintendent

DEPARTMENT MAINTENANCE

During the calendar year 1950 the department received applications for and installed three hundred fourteen new services. Forty-three service leaks were repaired, thirty-six of these were renewed from main to stop; four additional services were relocated; three frozen services were thawed out by electricity; eight services were pumped out and cleaned; eleven service boxes found broken were replaced.

In the meter department seventy meters were removed; forty-six not registering; seven for test; three to be junked and fourteen frozen and burst. Sixty-four were reset and one hundred two new meters were added to the system.

In connection with the widening of North Main Street the department renewed forty-six old services from the main to the new curb line, with copper tubing. Nineteen new gate boxes were set and five hydrants were relocated to new curb. One of these found faulty was replaced by a new hydrant.

## ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

### MAIN BREAKS

Edwin Street	(2 inch) pulled out by power shovel
Mitchell Street	(2 inch) pulled out by power shovel
North Main Street	(14 inch) blown joint
Union Street	(12 inch) cracked pipe

During the year the department had eight broken hydrants, seven of these by autos. The town has been reimbursed, through insurance, for some of these. One hydrant was relocated and one new one was installed. One new six inch fire service was also added to the system. Most of the hydrants were inspected for faulty operation and about 50% of the hydrants were repainted.

### NEW CONSTRUCTION

#### NEW MAINS AND EXTENSIONS

##### CEDAR DRIVE — CEDAR CIRCLE

1000 ft. of 6" C.I. pipe, with necessary gates and 2 hydrants were installed by the department. In addition, approximately 300 ft. of 2 " was extended by the developer.

##### PARK STREET

An existing 1" line was replaced by 450 ft. of 6" C. I. Pipe with necessary gates and one hydrant. All services were renewed and connected to new main.

##### MAITLAND AVENUE

600 ft. of 6" C. I. pipe was laid, to replace old 1" line, together with the necessary gates and one hydrant. All services were renewed with copper tubing and connected to new line.

##### COLE TERRACE

600 ft. of 6" C. I. pipe was laid to replace old 1½" line and to provide for further extension. An additional 800 ft. of 6" C. I. pipe, with gates and one hydrant was installed by the developer.

##### STEVENS TERRACE

An extension of 210 ft. of 6" "Century" pipe was made under the supervision of this department. All costs incidental to the work were borne by the developer.

##### MARTIN TERRACE (WEST)

## TOWN OF RANDOLPH, MASS.

An extension of 130 ft. of 6" C. I. pipe was made, also under the supervision of the department. All costs were paid by the developer.

### VESEY ROAD — BEVERLY CIRCLE

Approximately 250 ft. of 6" pipe was installed by the department on the previous unpiped section of Vesey Road, as accepted, to make possible the further extension of approximately 700 ft. of 6" "Transite" pipe by the developer on Vesey Road, as extended, in addition to approximately 850 ft. of 6" "Transite" main on Beverly Circle. The entire costs of these extensions were also paid for by the developer.

### WEBSTER STREET

Approximately 600 ft. of 6" "Century" pipe, together with necessary gates and one hydrant were installed. All costs borne by the developer.

### LIND TERRACE

Approximately 700 ft. of 6" "Transite" pipe, with gates and hydrant, plus 300 ft. of 2" main, was installed. All costs were paid by developer.

### ALFRED TERRACE

Approximately 700 ft. of 6" "Transite" pipe, with gates and hydrant, plus 300 ft. of 2" main, was installed. All costs were paid for by the developer.

### KING CREST TERRACE

Approximately 350 ft. of 2" main was installed. All costs were paid by developer. This installation was made to provide a "loop" between Alfred Terrace and Lind Terrace.

### OX BOW LANE

A 6" cut-in was made by the department and a new hydrant was installed at the head of this street. Approximately 600 ft. of 2" main was extended by the developer.

### WHITE LANE

Approximately 200 ft. of 2" main was installed. All work done by the developer.

### SARAH STREET

Approximately 300 ft. of 2" main installed. All work done by the developer.

### MITCHELL STREET

## ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

Approximately 300 ft. of 2" main was installed. All work done by the developer.

### WESTLAND AVENUE

Approximately 250 ft. of 2" main was installed. All work done by the developer.

### ROYAL STREET

Approximately 700 ft. of 2" main was installed. All work done by the developer.

The department regrets its inability to fully complete the 1950 construction program but a greatly expanded work schedule, very much above that anticipated, has left the 6" main installation of Saratoga Street still on the calendar. However, all materials and supplies for this work are on hand and the department intends to complete this work at the earliest possible spring date in 1951.

## NEW EQUIPMENT

We would like to call your attention to two proposed purchases of new equipment as set up in our budget requests, namely, a portable generator for lighting equipment and a sizeable portable centrifugal pump. The need for these two pieces of equipment was sorely reflected in the major main break of December 24th and 25th. But for the close cooperation of our Fire Department in loaning its lighting equipment, this work could not have been handled at all. We urge your consideration.

The Board would like to call your attention to the article in the Town Warrant sponsored by the joint Water Boards of Randolph and Holbrook, wherein a request is made for consideration of new pumping equipment at the Pumping Station, in addition to a complete change-over from coal to oil fired boilers. Due to the greatly increased consumption, both industrial and domestic, the present Epping-Carpenter Pump is operating at peak capacity. Any breakdown of this pump would require the use of our standby pump, a Moore steam turbine driven centrifugal pump with a capacity of only 1000 G.P.M. This is of much too small a capacity to supply the present average daily consumption, and, in addition, is of a design not conducive to steam economy and is termed by our engineer at the plant a "steam eater". The Joint Board proposed to replace this turbine

## TOWN OF RANDOLPH, MASS.

and use the replacement as our regular pumping unit, using the Epping-Carpenter as the stand-by.

The estimated cost of the new engine.....\$35,000.

Randolph \$17,500.—Holbrook \$17,500.

The estimated cost of conversion to oil... ..\$15,000.

Randolph \$7500.—Holbrook \$7500.

Total cost to each town.....\$25,000.

The Town of Holbrook, which has but 30% of the number of Randolph consumers, is prepared to go ahead with the proposal as soon as the Town of Randolph sees fit to meet its share of the obligation.

Your water board feels that if these expenditures are not made, sooner or later the service of the system must suffer through lack of corrective measures, inferior operation and increased operating and maintenance expense. In fact, it is putting off the day of reckoning until major improvements are required to prevent a complete breakdown of service.

Respectfully submitted,

WILLIAM J. ALMOND,

Superintendent.

ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

CHANGE OF WATER RATES AND REGULATIONS

EFFECTIVE JANUARY 1, 1951

All applicants for the introduction of service pipes to premises are required to make written application at the office of the Water Commissioners.

And in no case will the main be tapped more than once for the same premises, unless the additional expense is borne by the owner.

No service tap will be made to the Water Department's main for any purpose, for less than \$25.00, payment to be made at the time of application.

The following water meter rates are established until further notice:

For not over 133 cubic feet average per day, per 100 cubic feet	.32
For over 133 cubic feet and not exceeding 266 cubic feet average per day, per 100 cubic feet	.27
For over 266 cubic feet average per day	.21

Provided that in no case where a meter is used shall the annual charge be less than \$8.00

Meters shall be supplied by the Water Commissioners for which annual rental will be charged as follows:

Size $\frac{5}{8}$ inch.....	\$1.00 per year
Size $\frac{3}{4}$ inch....	1.00 per year
Size 1 inch.....	4.00 per year
Size 2 inch.....	6.00 per year

All needed repairs, damages by frost and heat excepted, will be made at the expense of the town.

WILLIAM J. ALMOND  
FREDERICK D. DRISCOLL  
MARTIN E. YOUNG

Water Commissioners

## REPORT OF STATE AUDIT

---

To the Board of Selectmen

Mr. Ralph H. Hutchinson, Chairman  
Randolph, Massachusetts

Gentlemen :

I submit herewith my report of an audit of the books and accounts of the town of Randolph for the fiscal year 1949, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

FRANCIS X. LANG

Director of Accounts

FXL : GBS

Mr. Francis X. Lang  
Director of Accounts  
Department of Corporations and Taxation  
State House, Boston

Sir :

In accordance with your instructions, I have made an audit of the books and accounts of the town of Randolph for the fiscal year 1949, and report thereon as follows :

The books and accounts in the town accountant's office were examined, checked, and compared with the records of the several departments in which money is collected or bills are committed for collection and with the records of the town treasurer.

The general and appropriation accounts in the ledger were analyzed, the appropriations being compared with the town clerk's record of financial votes passed in town meet-

## ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

ings. The necessary adjusting entries were made, a trial balance was taken off proving the accounts to be in balance, and a balance sheet showing the financial condition of the town on December 31, 1949 was prepared and is appended to this report.

The books and accounts of the town treasurer were examined and checked in detail. The cash book was footed throughout, the recorded receipts were analyzed and compared with the departmental records of payments to the treasurer and with other sources from which money was paid into the town treasury, while the disbursements were compared with the accountant's books and with the treasury warrants.

The treasurer's cash balance on February 14, 1950 was proved by actual count of the cash in the office and by reconciliation of the bank balances with statements received from the banks in which town funds are deposited.

It is again recommended that all checks drawn by the treasurer be either distributed by him to the payees or mailed by him whenever personal delivery is impracticable, since no person other than the treasurer or his duly appointed assistant has the legal authority to make payments in behalf of the town.

The recorded payments on account of maturing debt and interest were checked with the amounts falling due and with the cancelled securities on file.

The securities and savings bank books representing the investment of the trust funds in the custody of the town treasurer, the treasurer of the trustees of the Stetson School Fund, and the treasurer and trustees of the Turner Library Funds were examined and listed. The income was proved and the disbursements were verified.

The records of tax titles held by the town were examined and reconciled with the tax collector's books and with the accountant's ledger, while the redemptions were checked with the treasurer's cash book. The tax possessions were examined and listed, the additions as a result of tax title foreclosures being proved and the sales being compared with the treasurer's recorded receipts. The tax title and tax possession transactions were further verified by

## TOWN OF RANDOLPH, MASS.

comparison with the records in the Registry of Deeds.

The books and accounts of the tax collector were examined and checked in detail. The tax and motor vehicle and trailer excise accounts outstanding at the time of the previous examination and all subsequent commitment lists were proved to the warrants issued for their collection. The recorded receipts were checked with the payments to the treasurer and with the accountant's books, the abatements as recorded were compared with the assessors' record of abatements granted, and the outstanding accounts were listed and reconciled with the accountant's ledger accounts.

The commitments of departmental and water charges were examined and checked. The recorded payments to the treasurer were compared with the treasurer's cash book, the abatements were verified and the outstanding accounts were listed and reconciled with the accountant's ledger.

The outstanding tax, motor vehicle and trailer excise, departmental, and water accounts were verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town, and from the replies received thereto it appears that the accounts, as listed, are correct.

The records of the Selectmen, the town clerk, and the police and health departments for licenses and permits issued were examined and checked. The payments to the State were compared with the receipts on file and the payments to the town treasurer were checked to the treasurer's cash book.

The surety bonds of the officials bonded for the faithful performance of their duties were examined and found to be in proper form.

The records of the sealer of weights and measures, as well as of all other departments collecting money for the town or committing bills for collection, were examined and reconciled with the town treasurer's and the town accountant's books.

There are appended to this report, in addition to the balance sheet, tables showing a reconciliation of the several cash accounts, summaries of the tax, motor vehicle

ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

and trailer excise, tax title, tax possession, departmental, and water accounts, together with tables showing the condition and transactions of the trust funds.

While engaged in making the audit, cooperation was received from the officials of the town, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

HERMAN B. DINE,

Assistant Director of Accounts

Article 3. To see if the Town will vote to raise and appropriate money for Unpaid Bills of previous years in various departments.

Article 4. To see what action the Town will take in regard to raising and appropriating money for the employment of district nurses, as provided for by Section 5, Chapter 40, General Laws, as amended by Section 1, Chapter 371, Acts 1921, as petitioned for.

Article 5. To see what action the Town will take in regard to the pay of Town Laborers and others hired by the day or hour.

Article 6. To hear and act on reports of Town Officers.

Article 7. To hear and act on the report of any committee and choose any committee the Town may think proper.

Article 8. To see if the Town will authorize the Water Commissioners to appoint one of their members to another office or position under their control, and fix the salary of such person in accordance with the provisions of Chapter 36, Acts of 1929, or take any other action relative thereto.

Article 9. To see if the Town will appropriate the sum of \$20.00 for the maintenance and lighting of the clock in the tower of the First Congregational Church.

Article 10. To see if the Town will appropriate the sum of \$20.00 for the maintenance and lighting of the clock in the tower of the First Baptist Church.

Article 11. To see if the Town will vote to raise and appropriate a sum of money to compensate the Call Firemen for injuries sustained in the line of duty in accordance with Chapter 41 of the General Laws.

## ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

Article 12. To see if the Town will vote to raise and appropriate a sum of money for the maintenance and upkeep of the Town Hall, as petitioned for by the Trustees of the Stetson School Fund.

Article 13. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the Civilian Defense Program under the acts of 1950 Chapter 639.

Article 14. To see if the Town will vote to acquire by gift, purchase or eminent domain, an easement for drainage purposes over lands now or formerly owned by one Perlstein and by one Brennan, or others, in connection with the use of the property acquired by the Town for High-School purposes; and to raise and appropriate a sum of money therefor.

Article 15. To see if the Town will instruct the Selectmen to purchase or take by eminent domain the following described parcel of land for School purposes:

Beginning at a point on Adams Street, at the northeast corner of the present Tower Hill School lot, then running east along Adams Street until it reaches a distance of fifty feet, then turning and running about one hundred forty (140) feet parallel to the present school line until it reaches the land now or formerly owned by Agnes M. and Ashton Worswick, then turning and running about fifty feet west by said Worswick land to the present school lot, thence turning and running north by said school lot, to the point of beginning; and raise and appropriate money or transfer from the E. and D. Account.

Article 16. To see if the Town will instruct the Selectmen to purchase or take by eminent domain the following described parcel of land, for School Purposes:

Bounded West by the Tower Hill School lot; North by land now or formerly of George K. and Adeline Farley, and the east line to be one hundred twenty (120) feet distance from and parallel to the west line of Lafayette Street, and south by land now or formerly of Ralph W. and Evelyn L. Marshall, and to raise and appropriate or transfer money from the E. and D. Account therefor.

Article 17. To see if the Town will vote to raise and appropriate money to complete the present Tower Hill

## TOWN OF RANDOLPH, MASS.

School grounds.

Article 18. To see if the Town will vote to raise and appropriate or transfer from the E. and D. Account the sum of \$1500.00 for preliminary sketches for an addition to the Devine School.

Article 19. To see if the Town will vote to raise and appropriate a sum of money for the purpose of altering, repairing and furnishing the present Stetson High School to accommodate grammar school children, and to determine if the money shall be raised by taxation, by borrowing under Chapter 44 of the General Laws, or by transfer from available funds, or take any other action in relation thereto.

Article 20. To see if the Town will authorize the Selectmen to enter into an agreement for the acquisition, installation, maintenance and operation of parking meters in the Town, or any part thereof, as they deem proper and expedient for the control of parking on the highways and to raise and appropriate money therefor, or take any action relative thereto.

Article 21. To see if the Town will vote to instruct the Chief of the Fire Department to appoint two additional permanent men, according to Chapter 48, Section 42, of the General Laws and raise and appropriate money for the same.

Article 22. To see if the Town will vote to purchase a new motor pumping engine of not less than five hundred gallons capacity for the Fire Department and raise and appropriate money therefor.

Article 23. To see if the Town will vote to authorize the Board of Selectmen to sell a tractor now the property of the School Board or take any other action thereto.

Article 24. To see if the Town will vote to raise and appropriate the sum of \$200.00 for a Playground Supervisor at Belcher Park, during July and August, 1951.

Article 25. To see if the Town will vote to raise and appropriate the sum of \$1200.00 for the control, care and eradication of the Dutch Elm Disease in the Town of Randolph under Chapter 761 General Laws, Acts of 1949

## ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

(effective August 27, 1949). This appropriation must be voted on as a Special item at the Annual Town Meeting.

Article 26. To see if the Town will vote to raise and appropriate the sum of \$750.00 for the purpose of purchasing a sprayer for Poison Ivy and road-side bush killing as requested by the Tree Warden.

Article 27. To see if the Town will raise and appropriate the sum of \$483.00 for repairs to the town barn where the equipment of the Moth and Tree Departments is stored.

Article 28. To see if the Town will vote to establish a Planning Board under the provision of Chapter 41, Section 81A of the General Laws.

Article 29. To see what action the Town Meeting Members will take in accepting the first nine sections of Chapter 80 of the General Laws:

1. Assessment of Cost of Public Improvements.
2. Order plan and estimate.
3. Surrender of Land Assessed.
4. Collection.
5. Petition for abatement.
6. Extention of time for filing petition.
7. Appeal to Supreme Court.
8. Death of person entitled to petition for abatement.
9. Procedure.

Article 30. To see if the Town will vote to accept Chapter 98 of the General Laws, an act prohibiting or regulating the removal of soil, loam, sand or gravel from land not in public use in the whole or in specified districts of the town.

Article 31. To see if the Town will vote to raise and appropriate the sum of \$350.00 to Land Court property at 664 North Street owned by the Town.

Article 32. To see if the Town will vote to instruct the Selectmen to sell the buildings situated on the recently acquired property adjacent to the Devine School or take any other action thereto.

Article 33. To see if the Town will vote to instruct

## TOWN OF RANDOLPH, MASS.

the Selectmen to sell the building known as Fire Station No. 2, which is located on the Riley property or take any other action thereto.

Article 34. To see if the Town will vote to amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: That the area at the southeast corner of Highland Avenue and Warren Street, title for which is in the name of Elmer and Ruth Whynot, be included in the business district.

Article 35. To see if the Town will vote to amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: That the area at 107 Mill Street, title for which is in the name of Richard F. and Dorothy A. Smith, be included in the business district.

Article 36. To see if the Town will vote to amend the Zoning By-Laws by adding thereto the following: The premises at the junction of North Main Street and Warren Street, lying west of North Main Street and north of Warren Street bounded and described as follows:

Parcel of land at the northerly corner of Warren and North Main Streets bounded and described as follows:

Easterly on North Main Street one hundred forty-six (146) feet more or less; Northerly, Easterly and Northerly by land of Conlon on three courses measuring respectively one hundred fifty (150) feet, seventy and  $43/100$  (70.43) feet and seventy (70) feet; Easterly again eighty-six (86) feet more or less on land formerly of C. D. Hill; Northerly by the stonewall and land formerly of Foye one hundred thirty-two and  $10/100$  (132.10) feet; Westerly by land formerly of Clark one hundred four and  $64/100$  (104.64) feet; Southerly sixty-six (66) feet and Westerly again by land formerly of Frank F. Teed seventy-five (75) feet; Southerly again, and again Westerly by land formerly of Diauto, on two courses measuring respectively sixty-six (66) and ninety (90) feet; Southerly again by Warren Street two hundred thirty-eight (238) feet more or less to the curve at the corner of Warren and North Main Streets; and Southeasterly by said curve to North Main Street; shall be included in the business district or zone. Buildings erected on said premises may be erected bounding on the adjoining street lines, without set back.

## ONE HUNDRED AND FIFTEENTH ANNUAL REPORT

Article 37. To see if the Town will vote to raise and appropriate or transfer from the E. and D. Account a sum of money to compile and publish the valuations as appraised by the Cleminshaw Company.

Article 38. To see if the Town will vote to have all non-budgetary items precede budgetary items in the Town Warrant.

### STREET LAYOUTS

Article 39. To see if the Town will vote to layout in the proper legal manner, Himoor Circle in lieu of Himoor Lane and Fairview Lane and to raise and appropriate the sum of \$500.00 for same.

Article 40. To see if the Town will vote to layout Hall Street from Mitchell Street to High Street as petitioned for.

## ANNUAL TOWN MEETING—1951

March 19, 1951

Article 1. VOTED UNANIMOUSLY: That the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1951, and to issue a note or notes therefor, payable within year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 2. VOTED: That Article 2 be considered item by item as recommended by the Finance Committee.

VOTED. That the Town raise and appropriate the following amounts to defray the General Town Expenses for the current year under the following headings:

Article 19. VOTED: That the sum of \$50,000.00 be transferred from the E. & D. Account for the purpose of altering the present Stetson High School building to accommodate grammar school children and that this money be spent under the supervision of the School Planning and Building Committee.

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

Article 20. VOTED: That the Selectmen together with the Chairman of the Randolph Parking Meter Committee, C. Lloyd Claff, Chief of Police Patrick T. McDonnell, Arthur E. Conrad, Michael J. Diauto, Theodore S. Luddington and Martin E. Young enter into an agreement for the acquisition, installation, and maintenance and operation of Parking Meters in the Town or any part thereof as they deem proper and expedient for the control of parking on the highways and to raise and appropriate money therefor or take any action relative thereto.

Article 21. VOTED: That the Town instruct the Chief of the Fire Department to appoint two additional permanent men, according to Chapter 48, Section 42, of the General Laws and raise and appropriate the sum of \$4,650.00 for the same.

Article 22. VOTED: That the Town transfer the sum of \$8,800.00 from the E. & D. Account to be used for the purchase of a new motor pumping engine of not less than five hundred gallons capacity for the Fire Department. This money to be spent under the direction of the Board of Selectmen on the recommendations of the Fire Chief.

Article 23. VOTED: No Action.

Article 24. VOTED: That the sum of \$200.00 be raised and appropriated from the Belcher Park Fund for the purpose of employment of a Playground Supervisor at Belcher Park, under the direction of the Park Commissioners during July and August, 1951.

Article 25. VOTED: That the Town raise and appropriate the sum of \$1,000.00 for the control, care and

TOWN OF RANDOLPH, MASS.

eradication of the Dutch Elm Disease in the Town of Randolph under Chapter 761, General Laws, Acts of 1949 (effective August 27, 1949).

Article 26. VOTED: No action.

Article 27. VOTED: That the Town raise and appropriate the sum of \$483.00 for repairs to the town barn where the equipment of the Moth and Tree Department is stored and that this money be expended under the supervision of the Board of Selectmen.

Article 28. VOTED: That the Town accept Chapter 41, Sections 81A to 81Y of the General Laws and that the present Planning Board be held in office until Annual Town Election of 1952.

Article 29. VOTED: That the Town accept the first nine sections of Chapter 80 of the General Laws:

1. Assessment of cost of public improvements.
2. Order plan and estimate.
3. Surrender of land assessed.
4. Collection.
5. Petition for abatement.
6. Extension of time for filing petition.
7. Appeal to Supreme Court.
8. Death of person entitled to petition for abatement.
9. Procedure.

Article 30. VOTED UNANIMOUSLY: That the Town accept Chapter 98 of the General Laws, and act prohibiting or regulating the removal of soil, loam, sand or gravel from land not in public use in the whole or in specified districts of the Town.

ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

Article 31. VOTED UNANIMOUSLY: That the Town raise and appropriate the sum of \$350.00 to land court property at 664 North Street owned by the Town and to be spent under the direction of the Town Treasurer.

Article 32. VOTED: That the Town instruct the Selectmen to sell the buildings situated on the recently acquired property adjacent to the Devine School or take any other action thereto.

Article 33. VOTED: That the Town instruct the Selectmen to turn over the building known as Fire Station No. 2 which is located on the Riley property to Mrs. Riley for the sum of \$1.00.

Article 34 VOTED UNANIMOUSLY: That the Town amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: That the area at the southeast corner of Highland Avenue and Warren Street, 40 foot frontage and 100 foot depth, title for which is in the name of Elmer and Ruth Whynot, be included in the business district.

Article 35. VOTED: That the Town amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: That the area at 107 Mill Street, 150 foot frontage by 100 feet depth, title for which is in the name of Richard F. and Dorothy A. Smith, be included in the business district.

Article 36. VOTED: That the Town amend the Zoning By-Laws by adding thereto the following: The premises at the junction of North Main Street and Warren Street, lying west of North Main Street and north of Warren Street bounded and described as follows: Parcel of land at the northerly corner of Warren and North Main

## TOWN OF RANDOLPH, MASS.

Streets bounded and described as follows: Easterly on North Main Street, one hundred and forty-six (146) feet more or less; Northerly, Easterly and Northerly by land of Conlon on three courses measuring respectively one hundred fifty (150 feet) seventy and  $43/100$  (70.43) feet and seventy (70) feet; Easterly again eighty-six (86) feet more or less on land formerly of C. D. Hill; Northerly by the stone wall and land formerly of Foye one hundred thirty-two and  $10/100$  (132.10) feet; Westerly by land formerly of Clark one hundred four and  $64/100$  (104.64) feet; Southerly sixty-six (66) feet and Westerly again by land formerly of Frank F. Teed seventy-five (75) feet; Southerly again, and again Westerly by land formerly of Diauto, one two courses measuring respectively sixty-six (66) and ninety (90) feet; Southerly again by Warren Street two hundred thirty-eight (238) feet more or less to the curve at the corner of Warren and North Main Streets; and Southeasterly by said curve to North Main Street; shall be included in the business district or zone. Buildings erected on said premises may be erected bounding on the adjoining street lines, without set back and that there be a twenty-five (25) foot set back from Dr. Zase's property line.

Article 37. VOTED: That the Town raise and appropriate the sum of \$1,000.00 to compile and publish the valuations as appraised by the Cleminshaw Company and this money to be spent under the direction of Assessment Survey Committee.

## NOTICE

The attention of parents is called to law relating to the registering of births. The present requirement is as follows:

Chapter 29, Sec. 6, of the Revised Laws. Parents within forty days after the birth of a child . . . shall cause notice thereof to be given to the clerk of the town or city in which such child is born.

Section 8. A parent . . . who neglects to do so for ten days after the time limited therefor . . . shall forfeit not more than five dollars for each offense.

Attention of PHYSICIANS and MIDWIVES is called to Chapter 280, Section 1, Acts of 1912: Section 1. Physicians and midwives shall, within forty-eight hours after the birth of every child in cases of which they are in charge, mail or deliver to the clerk or registrar of the city or town in which the birth occurred, a notice stating the date and place of the birth, giving the street number, if any, the number of the ward in a city and the family name. Failure to mail or deliver the said notice shall be punished by a fine not exceeding twenty-five dollars for each offense.

In accordance with the provisions of the law, the Town Clerk is prepared to furnish parents, physicians, and midwives applying therefor, blanks for return of births as required by law.

# Civil Defense Agency

---

To the Board of Selectmen  
Randolph, Massachusetts.

Herewith submitted is the report of the Civil Defense Agency organized under authority of Chapter 639 of the General Laws of Massachusetts, known as "An Act to Provide for the Safety of the Commonwealth during the existence of an emergency, resulting from disaster or from hostile action."

Chapter 13 of this Act authorized establishment of a Local Defense organization; the Director to be appointed by the Board of Selectmen, having direct responsibility for organization, administration, and operation of such agency, subject to the direction and control of such appointing authority.

The Director of the Civil Defense Agency was appointed June 30, 1950, under this Act known as an "Emergency Law."

After considerable research, attendance at State level conferences, and study of much literature from National and State Headquarters, the following organization was set up as the Civil Defense Agency for Randolph:

I—PUBLIC AFFAIRS DIVISION: Supervised by a Deputy Director, and consisting of three units, each in charge of an Assistant Director, who will be responsible for the training and operation of his unit as follows:

## TOWN OF RANDOLPH, MASS.

### MEDICAL AND HEALTH UNIT:

Radiological Treatment, Chemical Determination, Blood Bank, First Aid, Medical Supplies, Hospital Facilities, Water Supply Control, Food Inspection, Environmental Sanitation, Communicable Diseases and Mortuary Services.

### COMMUNICATIONS UNIT:

Air Raid Warning, and Operational Communications.

### WARDENS UNIT:

Individual Self Protection, Extended Self Protection.

II—OPERATIONS DIVISION: Supervised by a Deputy Director, consisting of four units, each in charge of an Assistant Director who will be responsible for the training and operation of his unit as follows:

### RESCUE—ENGINEERING—PUBLIC WORKS UNIT:

Shelter Protection, Rescue Teams, Mobile Support Units.

### POLICE:

Plant Protection, Damaged Area Protection, Criminal Investigation, Auxiliary Police and Bomb Reconnaissance.

### UTILITIES:

Electrical Resources, Gas Resources, Water Power Resources.

### ADMINISTRATION:

Training Services, Supply, Finance, Personnel, Records, Clerical.

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

III—LEGAL AFFAIRS DIVISION: Supervised by a Deputy Director, consisting of three units, each in charge of an Assistant Director who will be responsible for the training and operation of his unit as follows:

### TRANSPORTATION—EVACUATION UNIT:

Automobile Resources, Evacuation Resources, Traffic Control, Evacuation Centers.

### FIRE UNIT:

Fire Fighting Procedures, Fire Fighting Equipment, Auxiliary Firemen.

### CIVILIAN WAR AID UNIT:

Shelters, Feeding, Clothing, Evacuee Registration, Financial Assistance, Re-employment, Re-building.

Several meetings have been held and plans discussed for the procurement of volunteer personnel to make this organization effective. Progress has been slow.

Every family in Randolph has been furnished by mail, a copy of a pamphlet titled "Protection from the Atomic Bomb." Talks on the subject "Civil Defense" have been given at PTA meetings at the Daniel J. McNeill School and the Charles G. Devine School, Tower Hill Improvement Association, also at a meeting of the Holy Name Society at St. Mary's Hall, and the Men's Club of the Randolph Congregational Church, and at a Rotary Club luncheon. Other talks are scheduled for future dates.

Steam and compressed-air whistles have been procured and are strategically located where they may be heard throughout Randolph by all its people. They should be ready for test within a few days.

Plans are in process for a Civil Defense Exercise to coordinate with nearby cities.

## TOWN OF RANDOLPH, MASS.

The Director of Civil Defense has also been appointed as Coordinator of an Air Raid Warning System for Randolph, known as the "Ground Observation Corps." This appointment required the organization of a Randolph Observation Corps. At present twenty-six members have been enrolled, and are active. They have attended schools of instruction.

The Ground Observation Corps, although an Air Force responsibility and part of the Eastern Air Defense Force has the common objective with Civil Defense of alerting our people to enemy attack. It is composed of a Supervisor, a Chief Observer, an Assistant Chief Observer and Observers. In Randolph this Observation Post is one of 8,500 throughout the country. To date we have held several "Communications Tests Alerts" (In a matter of minutes Filter Centers located in 18 States were alerted). Tests have been held as follows: 4, 5 November, 1950 (9:00 a.m. to 6:00 p.m. both days). 10, 11 February, 1951 (9:00 a.m. to 6:00 p.m. both days). 22, 24 June, 1951 (continuous from 9:00 a.m. through Saturday night to 5:00 p.m. Sunday) and Saturday, 1 December, 1951, from 8:00 a.m. to 5:00 p.m.

Note: The expenses incidental to these tests were provided by your Director of Civil Defense at no cost to the Town.

It is believed that this Ground Observation Corps Unit should consist of at least fifty men and fifty women to provide adequate continuous 24-hour warning service, should this become necessary. The Registrar of Motor Vehicles for Massachusetts, through your Director for Civil Defense, will provide automobile wind shield stickers for its members. No car without a sticker will be permitted on roads during an emergency.

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

The costs in developing the Civil Defense Agency have been kept to a minimum. Present expenditures have been for necessary postage, printing and \$45.00 for reconditioning the three whistles. The whistles valued at about \$60.00 each have cost the Town nothing. However, it is believed that upon completion of the personnel requirements for the Civil Defense program, it will be necessary to provide identification insignia for vehicles, arm bands, printing and incidentals for the fire and auxiliary police units.

In conclusion I will make the comment that although we are in a state of emergency, proclaimed by the President of the United States, and also by the Governor of the Commonwealth, there is a general lack of interest shown by our people, to make our Civil Defense Agency an efficient organization. It is desirable that we combine our efforts in the interest of the welfare of the Town of Randolph, which after all becomes the individual responsibility of each and every one of us. We should not wait until the enemy comes like a thief in the night to destroy our homes, our utilities, and our lives.

RALPH E. MacLEOD,  
Director.

Sealer of Weights & Measures

# Report of The Committee on A Manager Form of Town Government

---

To the Citizens of Randolph:

The committee appointed, by the Moderator, to study the advisability of adopting the manager form of town government respectfully submits its' final report.

During the past two years your committee has spent considerable time investigating charters adopted by the several towns in Massachusetts now functioning under the manager form of government. It has had the benefit of the experiences of a former manager of several cities and towns in and out of Massachusetts, and also of the present managers of Saugus, Stoughton, Medford and Cambridge. A public hearing on a proposed charter for the town of Swampscott was attended by a number of the members of the committee in an effort to obtain such information as might assist them in making the best possible recommendation to the citizens of Randolph.

From the information obtained and carefully evaluated, together with many expressions of local public interest, your committee believes that it would be advantageous to the Town of Randolph if it should adopt the manager form of government. It is not claimed that there would be any financial benefits immediately by the acceptance of this change in the town government, however a more orderly approach to the present and future problems of a rapidly growing community could be expected,

TOWN OF RANDOLPH, MASS.

if the **strong** manager type of charter were to be adopted and a manager with proper training were selected. It is becoming increasingly apparent that it is necessary to coordinate the activities of the various departments of the town government under one administrative head if the maximum economies and services are to be expected for the tax dollar. The committee, by vote of eleven in favor, and one not voting, is of the opinion that it would be advisable to adopt by the proper procedures, the manager form for the town government.

Respectfully submitted,

GEORGE F. CULLEN, Chairman  
PERLEY R. EVANS, Clerk  
HAROLD W. MACAULEY  
THOMAS H. GOOD  
CHARLES E. PREBLE  
EDWARD F. CONNORS  
CHARLES W. ROWE  
EDWARD L. BAILEY  
FRANCIS A. LYONS  
JOHN E. SCANNELL  
RAYMOND L. MASON

# Report of Tree Warden and Moth Superintendent

---

To Honorable Board of Selectmen and  
Citizens of Randolph:

The Dutch Elm Disease is increasing each year. There is no doubt but what the disease is here to stay. We are making every effort to keep it a minimum. No definite cure for remaining Elm Trees is known at the moment, although, science and research are making every effort to discover a cure. Our only means of control right now is to keep the remaining Elms as healthy as possible by constant care in pruning and spraying. Great deal of extra work was necessary because of the number of storms and high winds during 1951. Thirty-two dead trees were removed during the year and a great many pruned. These trees were replaced where possible with new ones.

The Commonwealth of Massachusetts, through its Insect Pest control Department has notified this department that our liability for Gypsy Moth work for the coming year is \$3,330.00 and have recommended that this department ask for an appropriation of \$3,330.00 to be expended solely for control against those insects specified in Section 11 as public nuisances.

All areas where children pass to and from school, and all school yards, and thickly settled areas throughout Randolph where Poison Ivy is present, I have sprayed and remedied this situation to the best of my ability.

TOWN OF RANDOLPH, MASS.

Home owners are again urged more than ever to plant trees on their properties, not only for shade and beauty but for property value.

The never ceasing work of eliminating bushes which, because of view obstruction constitutes a dangerous menace to car drivers, has been carried on this year and as a result five miles have been taken care of.

At this time I wish to thank the Town Department and Citizens of Randolph that have cooperated with me during the year.

Respectfully submitted,

JOSEPH J. HART  
Tree Warden & Moth Superintendent

**SPECIAL COMMITTEE APPOINTED UNDER ARTICLE  
7 OF THE ANNUAL ADJOURNED TOWN  
MEETING OF APRIL 2, 1951**

**COMMITTEE MEMBERS**

William A. Almond, Board of Water Commissioners  
Paul D. Auchter, Committee Clerk  
William J. Coughlin  
Walter A. Curley  
John A. Frederickson, Highway Surveyor  
Arthur E. Hoeg, Planning Board  
Ralph Hutchinson, Selectman  
Ernest H. Hylen, Planning Board  
Anthony A. Iskra  
Fabian J. Lionetti, Committee Chairman  
Roger A. Lutz, Selectman  
Robert E. Ozman  
Carroll L. Paine, Planning Board  
Henry J. Rota, Board of Health  
Edward J. Roycroft, Planning Board  
F. William Schultz  
Walter F. Stephens, Town Counsel  
George H. White, Planning Board  
Orrin B. White, Selectman  
Frank A. Young

To the Selectmen  
Town of Randolph  
Sirs:

This is the report of the above named committee, appointed by the Moderator for the specific purpose as follows:

“— to assist the Planning Board in drawing up for publication a set of laws, in accordance with the General Laws of Massachusetts, governing the selection of build-

## TOWN OF RANDOLPH, MASS.

ing sites, the laying out of land, the laying of roads, the installation of drainage systems and the installation of sewage systems."

This committee met once a week beginning May 28th for thirteen weeks. In addition, much of the spare time of these members was spent in research for the good of the Town and its citizens.

Each idea considered for inclusion in this new set of Rules and Regulations for the Planning Board was carefully considered as to its worth and then formulated on the basis of the following three points:

1. Its effect on the Town.
2. Its effect on the prospective abutter.
3. Its effect on the contractor.

Where pecuniary decisions were necessary, decisions were rendered in favor of the contractor wherever possible, insofar as a hardship would not be caused the prospective abutter, and it was deemed favorable to the future of the Town.

The committee desires to express their appreciation to Raymond T. Wall, Registered Land Surveyor and a citizen of Randolph, for giving of his time to draw up the Cross Sections and Profile for this new publication.

The Rules and Regulations undoubtedly seem rather severe at first reading, but after a careful study, it is felt the reader will arrive at the conclusion that the committee has been equally favorable to the Town, the prospective abutter and the contractor.

Upon the unanimous vote for acceptance by the Planning Board on August 20th, these Rules and Regulations became law.

Respectfully submitted,

PAUL D. AUCHTER,  
Committee Clerk.

# Turner Free Library

---

To the Trustees of the Turner Free Library:

Your committee on Finances submits the following report:

The committee has audited the accounts of the Treasurer for the year 1951 and found them to be correct. All monies have been accounted for as received, and no money has been paid out except on vouchers properly approved.

The committee has examined also the securities representing the investment of the funds of the Library and has found them to be intact and as represented.

The only change in the investment portfolio this year has been the addition of 20 shares of First National Bank of Boston which was purchased through subscription using rights of the First National Bank of Boston.

Respectfully submitted

RAYMOND L MASON,

Chairman

Report of Finance Committee

January 7, 1952

## REPORT OF THE LIBRARIAN

To the Trustees of the Turner Free Library:

I have the honor to submit the Annual Report of the Librarian for the year ending December 31, 1951.

Library hours are: Monday, Wednesday and Saturday afternoon from 2:00 to 4:30.

Every evening from 7.00 to 9.00 except Sundays and Holidays. During July and August we are open evenings only.

Books loaned—Total 13,042; Fiction 7564; Juvenile 2757; General 2721.

March had the largest circulation 1547 books having been loaned.

Number of magazines loaned 305.

290 books were added to our shelves the past year.

Borrowers cards issued, 552; renewals, 189; new applicants, 363.

There were seven Story Hours during the summer. One in observance of Children's Book Week and one at Christmas time, average attendance 29.

Mrs. Frances Davison told the stories at the summer sessions and Mrs. Alberta Komich presided at the November and December sessions. Through the Inter-Library Loan, books have been borrowed for teachers, students and others. The reference room has been used for study by Junior High, Stetson High and College students.

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

The Librarian wishes to thank Mrs. Komich and Mrs. Davison for their excellent work and Mrs. Louise Skoglund for her help at vacation time. Also Miss Massie and the Trustees for their cooperation.

EUNICE B. MARTIN, Librarian

---

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

To the Citizens of Randolph:

Pursuant to the provisions of Article 3 of the By-Laws of the Turner Free Library, this Report for the calendar year 1951 and being the seventy-sixth report is submitted, showing the condition of the Trust consisting of the building, library and funds, together with the report of the Librarian and of the Treasurer, and so much of reports submitted to the Trustees by the various committees as seem to be of general interest.

The Library Committee reports that the books, charts and furnishings are in good condition and that all books owned by the Library are accounted for by the Librarian.

The Building Committee reports the completion of the cleaning and re-decoration of the ceiling, walls, shelves and book-cases in the main room of the Library at a cost of \$1,000.

On April 18th and 22nd, 1951 there were two fires of incendiary origin, which damaged the two large doors and door frames, leading to the basement, on the westerly side of the building. This was covered by insurance.

The appropriation in the amount of \$2,150.00 voted by the Town for 1951 was expended in its entirety for necessary repairs and expenses.

For the year 1952 the Trustees are requesting an appropriation of \$2,410 for the general repairs of the building, furnishings and fixtures and for the general purposes of the Library.

A copy of each of the following reports is hereunto subjoined: Report of the Librarian, Report of the Treas-

TOWN OF RANDOLPH, MASS.

urer showing receipts and expenditures, and the Report of the Finance Committee.

The Trustees wish to express their appreciation to all those who have contributed in any manner to the Library during the past year.

Respectfully submitted,

FREDERICK E. KNEBEL,  
President

# Report of The Water Commissioners

---

To the Citizens of the Town of Randolph:

The sixty-sixth annual report of the Board of Water Commissioners is herewith submitted, covering activities of the Department for the year ending December 31, 1951.

Organization of the Board was as follows:

Frederick D. Driscoll . . . . . Chairman  
Martin E. Young . . . . . Clerk

Appointments by Board

Marion L. Bailey . . . . . Clerk-Collector

During the calendar year one hundred ninety-six applications were filed for new services. Of these one hundred eighty-five have been installed.

Fifty-six service leaks were repaired, thirty-six services were renewed, one service discontinued, two were relocated and seven were cleaned out. Twenty-one service boxes found broken were replaced.

In the meter department seventy-four meters were removed, forty-nine not registering, two for test, six frozen and burst, seven to be junked and ten for various other reasons. Eighty-three meters removed previously were reset. The department purchased two hundred fifty-three new meters during the year, two hundred twenty-seven were set on new services and the balance were set as replacements.

## TOWN OF RANDOLPH, MASS.

Fourteen hydrants were broken by auto collisions. Of these the town has been reimbursed, through insurance, for eight, two are pending payment and the balance were hit and run. Two hydrants were relocated for state road widening and one other was raised three feet to new road grade.

In conjunction with the proposed new roadway on Liberty Street thirty services were renewed from main to property line. There are twenty-one additional services to be renewed this spring for this same job.

### MAIN BREAKS

No. Main St.	14"	(broken by contractor)
Cole Terrace	6"	(blown joint)
High Street	6"	(cracked pipe)
So. Main St.	12"	(blown joint)
Vesey Road	6"	(cracked pipe)
Bossi Avenue	6"	(cracked pipe)
Upham Street	2"	(pulled out by contractor's shovel)
Sarah Street	2"	(broken)

### NEW CONSTRUCTION

#### NEW MAINS AND EXTENSIONS

##### MEMORIAL DRIVE

Approximately 1650 ft. 6" C. I. pipe, six gates, two hydrants.

##### REED STREET

..

Approximately 1500 ft. 6" C. I. pipe, three gates, two hydrants.

##### SARATOGA STREET

325 ft. 6" C. I. pipe, two gates, one hydrant.

##### BOSSI AVENUE

850 ft. 6" C. I. pipe, two gates, one hydrant.

ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

WALDO STREET

800 ft. 6" J. M. transite pipe, two gates, one hydrant.

LINDEN PARK

600 ft. 6" J. M. transite pipe, one gate, one hydrant.

CURRAN TERRACE

750 ft. 6" J. M. transite pipe, two gates, one hydrant.

DENNIS ROAD

450 ft. 6" C. I. pipe, one gate.

WEBSTER STREET

500 ft. of J. M. transite pipe, two gates, one hydrant.

MILTON TERRACE

700 ft. 6" J. M. transite pipe, four gates, one hydrant.

LAMBERT ROAD

625 ft. 6" J. M. transite pipe.

GARREN TERRACE

600 ft. 6" C. I. pipe, two gates, one hydrant.

TUCKER TERRACE

250 ft. 6" J. M. transite pipe, one gate.

HIGH STREET

150 ft. of C. I. pipe, two gates.

With an overcrowded work calendar the new main installation approved for Himoor Circle had to be delayed. However, all materials for the job are on hand and the department intends to complete this project early in 1952.

TOWN OF RANDOLPH, MASS.

PROGRESS REPORT ON ALTERATIONS AND IMPROVEMENTS TO THE POND STREET PUMP-  
ING STATION, RANDOLPH, MASS.

January 4, 1952

The Joint Board of Water Commissioners of the Towns of Randolph and Holbrook, Massachusetts, engaged the services of Alonzo B. Reed, Incorporated, Consulting Engineers, of Boston, Massachusetts, May 11, 1951, for the purpose of submitting a detailed report on improvement for pumping facilities and conversion of boilers to oil burning at the Pond Street Pumping Station.

On July 6, 1951, a report was submitted to the Joint Board making recommendations for improvement of pumping facilities and boiler conversion. After conferences with the Board and engineers it was decided that due to rise in costs the amount of money appropriated during 1950 could not cover the cost of improving the pumping facilities, as well as converting the boilers from coal firing to oil burning; the more critical condition of improving pumping facilities was to be completed first.

The decision arrived at the Joint Board Meeting was acted upon immediately. Orders for all pertinent equipment were placed early in September. Due to the pressure on industry for defense orders and priorities, deliveries on equipment and equipment drawings were held up and for this reason preparation of drawings and specifications for this project were delayed.

Late in November the engineers had received all the information required for the preparation of plans and specifications and proceeded with the plans and specifications. On December 17, 1951, the Joint Board of Water Commisisoners received plans and specifications from the

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

engineers for approval. At a meeting the evening of December 17, 1951, at the Water Commissioners' office at Randolph, the layout of the new equipment and alterations to the pumping station were explained to the Board by the engineers in detail.

Deliveries on all equipment are due at the Pumping Station on or about June 15, 1952. It is expected that with the approval of the plans by the Joint Board of Water Commissioners it is possible to have bids for erection of pumping equipment, new foundations and floor, and all necessary piping, electrical, and instrumentation not later than February 1, 1952.

Letting the contract at this date will give the contractor ample time to procure all necessary pipe, fittings, steel and other materials in order to complete his contract in a minimum length of time. It is not expected to have any of the work started until all equipment and building materials are at the job site, as it is not advisable to dismantle the existing pump until the new equipment is on site, because the new pump must occupy the same space as the existing unit.

The work to be included at the Pumping Station consists of replacing the obsolete turbine driven pump with a more efficient and larger capacity engine driven pump and auxiliaries. A new meter for metering all water pumped is to be installed and the existing floor in the pump room is to be repaired and new flooring installed.

Respectfully submitted,

BOARD OF WATER COMMISSIONERS

# Report of Inspector of Animals

---

December 17, 1951

Honorable Board of Selectmen:

I hereby submit my report for the year of 1951, as Inspector of Animals.

There has been 13 dogs quarantined, one of which I sent in its head to the Wassermen's Laboratory for check up.

There are:

Goats	2
Cattle	98
Swine	1502
Horses	61
Donkey	1

in the Town of which I know of.

Sincerely,

JAMES J. TRUELSON.

Inspector of Animals.

# Report of Board of Health

---

The Board of Health respectfully submits its Annual Report for the year ending December 31, 1951.

Due to increased amount of new home building in this Town during 1951, the Board has been called upon to make many inspections of cesspools, etc. and many more permits have been issued. Beginning August 1, 1951, the cost of these permits is \$1.00 each.

Our District Health nurses, Miss Beatrice Scannell and Mrs. Signa Heath are kept busy answering many calls and have been most helpful and co-operative.

The Dental Clinic was conducted by Dr. William F. Magure, assisted by our School Nurse, Miss Helen F. Conlon, and the Diptheria Clinic conducted by Dr. Charles E. Wells, School Physician.

There has been a large amount of fees collected by our Plumbing Inspector, Mr. Thomas O'Riley, according to his report, and this is due to increased number of homes being erected in this Town.

Communicable diseases for year 1951 were as follows: Scarlet Fever 10; Whooping Cough 5; Measles 10; Chicken Pox 14; Mumps 5; Pulmonary Tuberculosis 4; Dog Bites 23; and Polio 2.

Respectfully submitted,

FRED A. DIAUTO, Chairman

HENRY J. ROTA, Secretary

SETH W. SWAIN, Associate

# Report of Inspector of Plumbing

---

January 28, 1952

Board of Health

Randolph, Mass.

Gentlemen:

I hereby submit my report for the year ending Dec. 31st, 1951.

Two hundred permits were issued for plumbing installations by my office during that period.

The following fixtures were installed; two hundred forty water closets, seventy-four sinks, two hundred thirty-five wash bowls, one hundred eighty-two bath tubs, forty-eight showers, nineteen wash trays, thirty-seven urinals, ten slop sinks, forty-eight pressure boilers, twenty-one tankless heaters, nine drinking fountains, one soda fountain, and two dish washers.

Respectfully submitted,

THOMAS O'RILEY,

Plumbing Inspector

# Report of Inspector of Milk

---

To the Town of Randolph:

Report of the Milk Inspector for the year ending  
December 31, 1951:

2 Pasteurization Permits	\$20.00
37 Store Licenses	18.50
22 Vehicle Licenses	11.00
20 Oleomargarine Registrations	10.00
	<hr/>
Total	\$59.50
Number of Butterfat Tests Made.	

HENRY MERRILL,  
Milk Inspector

# Report of Inspector of Slaughtering

---

Randolph, January 18th 1952

To the Board of Health of Randolph.

Gentlemen:

I hereby submit my report for the year of 1951.

Total number inspected: Hogs 51; Calves 6; Sheep 4; Cattle 3—64; none condemned at Truelsons.

At Wm. Pintleton at North St.: Hogs 77; Calves 2; Sheep 3; Cattle 6—88 none condemned.

Total for year 152.

WESTON L. MANN,  
Inspector of Slaughtering

# Report of Fire Department

---

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report of the Fire Department for the year ending December 31, 1951.

The department responded to 260 calls classified as follows:

Number of calls	260
Building Fires	47
Automobiles	18
False Alarms	19
Inhalator calls	5
Miscellaneous	17
Brush and grass	153
Aid calls out of town	1
American Legion Ambulance calls	202
Inspections made	197

Feet of hose used 6750-2½, 2750-1½, 650-1½  
22,450-Booster.

Feet of ladders used	248
Assessed value of property damaged by fire	\$75,390.00
Insurance on property damaged	179,150.00
Damage to property	16,511.56
Insurance paid on damage	15,511.56
Loss not covered	1,000.00
Value of contents involved	\$279,010.39
Insurance on contents	274,500.00
Damage to contents	22,067.00
Insurance paid on damage	17,592.00
Loss not covered	4,475.00

ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

Several new fire alarm boxes have been added to the alarm system during the past two years, but we feel that the system is at present loaded very near to capacity.

The Seagrave ladder truck is in poor condition, and the logical replacement would be a Junior Aerial ladder truck, which could be needed at most any time.

I offer these facts for your consideration.

Respectively submitted,

Chief Harold L. Bailey

# Report of Building Inspector

---

To the Board of Selectmen, Town of Randolph:

I herewith submit my report as **Building Inspector**  
for the year ending December 31, 1951.

Permits issued:

New Residences	150
Garages	20
Stores	3
Alterations	26
Offices	2
<hr/>	
Total permits issued	201

Respcetfully submitted,

**FRANK F. TEED,**

**Building Inspector**

# Report of Electrical Wiring Regulations Committee

---

JANUARY 1, 1952

To the Citizens of the Town of Randolph:

Your Committee has met and has unanimously approved the following rules governing wiring installations for the Town. We hope that they will be approved by the Citizens of Randolph.

Respectfully submitted,

ERNEST C. MARTIN

PAUL V. SCALLY

JOHN F. GRIFFIN

HOWARD D. WILBUR

ALTON F. LaBRECQUE

## **RULES GOVERNING ELECTRICAL INSTALLATIONS**

**for the Town of Randolph**

### **SERVICE**

1. Top of Service pipe or cable shall not be less than 18 feet above the ground, unless eaves at point of entrance are less than 18 feet, in which case the pipe or cable must be to the eaves, within at least 2 feet of the corner of the house, and 2 feet of wire for Service connection.
2. All services shall be three wire with not less than 60 ampere switch.

## TOWN OF RANDOLPH, MASS.

3. Meters shall be located outside of building whenever possible, except in the case of underground service.
4. Service switches on load side of service shall not be allowed in coal bins or any inaccessible place.
5. All meter loops (where more than one is installed) shall be marked indicating the part of service to be registered.
6. Service cable shall be supported by approved clips at intervals not exceeding 24 inches.
7. Service cable shall not enter building through cement or cinder block walls.
8. All industrial and commercial service entrances shall be in rigid conduit.
9. Grounding wire shall enter service switch through a connector to bond equipment.

### GROUNDING OR SERVICE BONDING

10. The ground wire from the service switch to street side of water meter shut-off shall be run in  $\frac{1}{2}$  inch conduit, bonded at both ends using not less than No. 8 ground wire. No. 8 armored cable or bare No. 6 wire, if protected against mechanical injury, may be used.

### GENERAL RULES

11. Special attention shall be given to the mechanical execution of work, and must be securely fastened.
12. Outlet, switch, junction boxes and cutout cabinets shall be of galvanized or other non-corrosive material and shall be securely fastened with screws, unless otherwise permitted by the inspector.
13. Two wires under one screw shall not be permitted.

ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

14. Four inch outlet boxes with fixture studs shall be used in ceiling outlets in concealed work in new buildings.
15. In private residences and apartments, not more than 10 outlets on one circuit shall be permitted.
16. All fixtures must be grounded and all sockets shall be polarized.
17. Hot water heaters shall be wired with not less than No. 12 wire.
18. Type S fuses shall be used on all new work.
19. Kitchen, dining room and pantry outlets shall not be less than No. 12 wire, with not more than 2 outlets on a circuit.
20. Oil burner emergency switch shall not be located in stairwell. It must be installed in kitchen or on wall near stairway.
21. All bathroom lights shall be controlled by switch outside bathroom. Pull chains shall not be approved.
22. Used or second hand cable shall not be approved.
23. All cable shall be stapled within 12 inches of all boxes.
24. At least 6 inches of wire shall be left at all boxes for splicing.
25. Either 2 wire BX or 3 wire Romex cable, for bonding, shall be used. 2 wire Romex may be used only with special permission.
26. Oil burner wiring around boiler shall be in rigid conduit or E. M. tubing, using type RH wire or equivalent.
27. Kitchen receptacles shall have 20 ampere rating.

TOWN OF RANDOLPH, MASS.

28. Number of conductors in a box shall be in agreement with Section 3709 of National Electric Code.
29. Bell transformers of approved type and separate circuit shall be used.
30. Either rigid conduit or steel tubing of 3 phase up to 250 volts, above 250 volts, rigid conduit shall be used.
31. In garages, basements, cellars and other buildings, all BX or Romex must be run parallel with timbers or when run crosswise to timbers shall be fastened to backboards, unless otherwise permitted by the inspector.
32. Bell wire shall be rubber covered or equivalent.

# Report of Inspector of Wiring

---

January 5, 1952

To the Honorable Board of Selectmen

Randolph, Massachusetts

I hereby submit my report for the year of 1951 as Inspector of Wiring.

A total of four hundred permits were issued and the sum of \$973.00 dollars deposited with the Town Treasurer.

Number of Permits Issued	400
New Homes Inspected	180
Remodel Work Inspected	105
Oil Burners Inspected	219
Electric Stoves	118
Water Heaters (Electric)	37
New Services	56
Signs	13
Gasoline Pumps	8
Motors	25
Stores	19
Garages	6
Trailers	1
Apartments Inspected	6
Foundry	1
School	1
Electric Clothes Dryer	6
Number of Calls	612
Number of Miles traveled by car	2938

Respectfully submitted,

ALTON F. LaBRECQUE

ROBERT S. CUTTING,

Tax Collector

# Report of The Highway Surveyor

---

To the Citizens of the Town of Randolph:

## GENERAL MAINTENANCE

The Department started the usual Spring work that consisted as follows: sweeping, patching, grading, gravel on dirt roads, cleaning brooks and catch basins. Fences were repaired and painted on Canton, Pond, Warren, North and Union Streets. The following list of streets received surface treatment: Hills, Woodland Parkway, Fitch Terrace, Highland Avenue, Martin Terrace, Stevens Terrace, Maitland Avenue, Druid Hill Avenue, Belcher Street, Linden Road, Thomas Street, Forest Street, Gordon Street, Intervale Terrace, High Street, Overlook Road, Short Street, School Street, Ward Street, Moulton Street, Adams Street, Center Street, Mill Street, Oak Street, Norroway Avenue, Depot Street, Norfolk Road, Fairview Avenue, Fairmount Street, Maple Street, Cole Terrace, Vine Street, Woodlawn Street, Cottage Street, Roel Street, Park and Abbey Streets. The gravel highways were given calcium chloride as a dust layer.

## CHAPTER 90

The following work was completed on North Street, 7500 square yards of asphalt and treated  $\frac{1}{2}$  inch stone rolled with a twelve ton roller. Canton Street was treated with T 5 and sand cover honed for a distance of 5200 feet, also other ordinary maintenance work. All work under Chapter 90 was approved by the State Department of Public Works.

# ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

## SNOW REMOVAL

Ice and snow work was about normal during the winter months of 1951. There was a considerable amount of freezing rain and sleet that required sanding. Many times the weather was so cold that the abrasives did not anchor to the ice thereby requiring many sand applications. Also due to the added number of streets, much more snow work is being done.

In fairness to our men that work plowing snow, I wish to request the owners of cars to keep them off the streets during snow storms. It will be of great help to keep our streets open.

## STORMS IN 1951

## SPECIAL APPROPRIATIONS

Completed projects were Woodlawn Road, Canton Street wall, Martin Terrace drain, North Main Street

## TOWN OF RANDOLPH, MASS.

sidewalk. Bossi Avenue will be completed as soon as weather permits.

Warren Street will be advertised for bids by the State Department of Public Works some time in February. Liberty Street is under construction at the present time and is supervised by State Engineers.

### PLANNING FUTURE PROJECTS

With the cooperation of the Board of Selectmen, the following is being done. The County Engineers are laying out South and Center Streets. Also a petition will be acted on in regard to Warren Street to be relocated at it's intersections with Highland Avenue, Depot Street, Silver Street, Warren Avenue and Fowler Street.

The State Department of Public Works have agreed to build a sidewalk with curbing from Old Street to Mitchell Street on the west side of North Main Street, providing we finish the sidewalk with bituminous concrete.

I wish to thank the Town Officials and Citizens for their fine cooperation in the past year.

Respectfully submitted,

JOHN A. FREDERICKSON,  
Highway Surveyor.

# 1952 Town Meeting Warrant

---

Commonwealth of Massachusetts.

Norfolk, ss.

To Either of the Constables of the Town of Randolph, in  
said County,

Greetings:

In the name of the Commonwealth of Massachusetts,

**THE POLLS WILL BE OPENED AT EIGHT O'CLOCK IN THE FORENOON AND WILL BE CLOSED AT EIGHT O'CLOCK IN THE EVENING.**

You are directed to notify and warn the inhabitants qualified to vote as aforesaid to meet at the Town Hall in said Randolph on

**MONDAY, THE SEVENTEENTH DAY OF MARCH, 1952**

**At 7:45 o'clock in the evening,**

and then and there to act on the following articles:

Article 1. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1952, and to issue a note or notes therefor, payable within year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 2. To see if the Town will vote to raise and appropriate money to defray the General Town Expenses for the current year, as recommended by the Selectmen and the Heads of the various Departments.

TOWN OF RANDOLPH, MASS.

Article 3. To see if the Town will vote to raise and appropriate money for Unpaid Bills of previous years in various departments.

Article 4. To see what action the Town will take in regard to raising and appropriating money for the employment of district nurses, as provided for by Section 5, Chapter 40, General Laws, as amended by Section 1, Chapter 371, Acts 1921, as petitioned for.

Article 5. To see what action the Town will take in regard to the pay of Town Laborers and others hired by the day or hour.

Article 6. To hear and act on reports of Town Officers.

Article 7. To hear and act on the report of any committee and choose any committee the Town may think proper.

Article 8. To see if the Town will authorize the Water Commissioners to appoint one of their members to another office or position under their control, and fix the salary of such person in accordance with the provisions of Chapter 36, Acts of 1929, or take any other action relative thereto.

Article 9. To see if the Town will appropriate the sum of \$35.00 for the maintenance and lighting of the clock in the tower of the First Congregational Church.

Article 10. To see if the Town will appropriate the sum of \$35.00 for the maintenance and lighting of the clock in the tower of the First Baptist Church.

Article 11. To see if the Town will vote to raise and appropriate a sum of money for the maintenance and up-keep of the Town Hall, as petitioned for by the Trustees of the Stetson School Fund.

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

Article 12. To see if the Town will vote to amend Article 5 of the Town By-Laws to increase the members of the Finance Committee from nine (9) to fifteen (15) members.

Article 13. To see if the Town will vote to set aside a parcel of land owned by the Town and described as follows: Beginning at the boundary line of the Turner Library property on North Main Street and running along North Main Street in a northerly direction for a distance of fifty-nine (59) feet then turning and running a distance of seventy-five (75) feet in a westerly direction, then turning and running in a southerly direction for a distance of fifty-nine (59) feet to the lot line of the Turner Library property, then running in an easterly direction for a distance of seventy-five (75) feet to the starting point. Said plot to be used exclusively for the construction and maintenance of a permanent War Memorial for the Veterans of All Wars in which the United States has been engaged. Said War Memorial shall be erected by the Randolph Veterans' Council who represent the Lt. John D. Crawford Post #3389 V. F. W., Amvets Post #51 and the Lt. Thomas W. Desmond Post #169 American Legion, all of Randolph.

Article 14. To see what action the Town will take relative to the Election of Selectmen for terms of three years, pursuant to the provision of the General Laws.

Article 15. To see if the Town will vote to have a committee of seven, consisting of the Trustees of the Stetson Fund and four others to be appointed by the Moderator, make a survey of necessary alterations to the Town Hall to provide more office space for the several departments and to report back at a subsequent town meeting.

## TOWN OF RANDOLPH, MASS.

Article 16. To see if the Town will vote to instruct the Moderator to appoint a committee to draw up and present a charter to the Massachusetts Legislature regulating the adoption of the town management plan of government for the Town of Randolph. It is hereby suggested the committee be composed of members of the committee currently studying the advisability of the plan for the Town and that the Town Counsel be made available to the committee.

Article 17. To see if the Town will vote to permit the Linwood Memorial Park, a cemetery corporation, to operate a non-sectarian cemetery on a parcel of land comprising about eighty (80) acres adjoining lands of the Central Cemetery Corporation in accordance with the laws of the Commonwealth, as approved by the Board of Health, such permit being the same as previously granted by the Town to the Blue Hill Sand and Gravel Company at a Special Town Meeting held October 24, 1949 and the said Blue Hill Sand and Gravel Company being desirous of transferring its right under said vote to the Linwood Memorial Park.

Article 18. To see if the Town will vote, under the provisions of Section 81R of Chapter 41 of the General Laws to provide for a Board of Appeals.

Article 19. To see if the Town will vote to acquire by gift, purchase, or eminent domain, the following described properties: the northerly portion of Plot #86 on assessors plan 500, in the amount of 182,000 square feet, more or less; and the northerly portion of Plot #87 on assessors plan 400, in the amount of 70,000 square feet, more or less, on Canton Street, Randolph, Massachusetts, adjoining land now owned by the Town of Randolph, and raise and appropriate money for the same.

Article 20. To see if the Town will vote to raise and appropriate a sum of money for the purpose of com-

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

pleting the furnishing and site development of the new Junior-Senior High School, and to determine if the money shall be raised by taxation, by borrowing under Chapter 44 of the General Laws, or by transfer from available funds, or take any other action in relation thereto.

Article 21. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing an addition to the Devine School, including furnishings and site development, and to determine if the money shall be raised by taxation, by borrowing under Chapter 44 of the General Laws and any special act of the Legislature that may be enacted in the current year, or by transfer from available funds, or take any other action relative thereto.

Article 22. To see if the Town will vote to accept Chapter 593 of the Acts of 1951, enacted by the General Court of the Commonwealth of Massachusetts entitled "An Act authorizing the Town of Randolph to pay a pension to Adolph O. Christiansen, a former Superintendent of Schools in said Town," and raise and appropriate a sum of money therefor.

Article 23. To see if the Town will vote to raise and appropriate the sum of \$850.00 for Memorial Day Expenses, to be expended under the supervision of the Randolph Veterans Council.

Article 24. To see if the Town will vote to raise and appropriate a sum of money for the purpose of purchasing a sprayer for poison ivy and road-side brush killing as requested by the Tree Warden.

Article 25. To see if the Town will vote to raise and appropriate the sum of \$1,686.43 for the control, care and eradication of the Dutch Elm Disease in the Town of Randolph under Chapter 761 of the General Laws, Acts of 1949 (Effective August 27, 1949). This appropriation

TOWN OF RANDOLPH, MASS.

must be voted on as a special item at the annual town meeting.

Article 26. To see what action the Town will take relative to street numbering and raise and appropriate money therefor.

Article 27. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase land on Adams Street as voted at the Annual Town Meeting, March 1951.

Article 28. To see if the Town will vote to amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: That the area on the north side of Memorial Drive from a point 141 feet west of North Main Street to Highland Avenue with 100 foot depth, be included in the business district.

Article 29. To see if the Town will vote to amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: That the area at 671 North Street, title for which is in the name of James H. and Marilyn Allen, be included in the business district.

Article 30. To see if the Town will vote to instruct the Board of Selectmen to sell to William C. Sloane a parcel of land approximately 110 feet in depth and approximately 48 feet in width, which is Town owned, property in the rear of the residence of said William C. Sloane, at 15 South Main Street, or take any other action thereto.

Article 31. To see if the Town will vote to sell a parcel of land now owned by the Town on the northerly side of Memorial Drive adjacent to the U. S. Post Office, containing approximately 6650 square feet, bounded as follows: Beginning at Memorial Drive and running northerly along the line of land of M. J. Diauto a distance of 35.06 feet, thence westerly by land of M. J. Diauto a

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

distance of 238.61 feet, thence southerly by land of Town of Randolph a distance of 21.06 feet, thence easterly along line of Memorial Drive to point of beginning a distance of 248.56 feet, as per plan by Lawrence W. DeCelle, Surveyor, on file with the Board of Selectmen, or take any other action in relation thereto.

Article 32. To see if the Town will vote to accept the rules Governing the installation of wires in the Town of Randolph, as set up by the committee appointed by the Moderator.

Article 33. To see if the Town will vote to raise and appropriate the sum of \$100.00 dollars for the purchase of a G. E. or (equivalent) clamp on Voltage and Ammeter.

Article 34. To see if the Town will vote to raise and appropriate the sum of \$300.00 for the purchase of an insulation tester (a megger).

Article 35. To see if the Town will raise and appropriate the sum of \$500.00 for the purchase of a flouridating machine; a like amount to be appropriated by the Holbrook Water Department.

Article 36. To see if the Town will raise and appropriate a sum of money for the purchase of a billing machine to be used in the Water Department, Assessors' Department and Tax Collector's Department.

Article 37. To see if the Town will raise and appropriate the sum of \$6,000.00 for the purchase and installation of oil burners and equipment in the Pumping Station, in conjunction with the new pump now being installed, a like amount to be appropriated by the Holbrook Water Department.

## TOWN OF RANDOLPH, MASS.

Article 38. To see if the Town will vote to transfer a sum of money from the Parking Meter Fees to the Parking Meter Expense Account.

### STREET CONSTRUCTION

Article 39. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury a sum of money for Chapter 90 Highway Maintenance, or take any action in relation thereto.

Article 40. To see if the Town will vote to raise and appropriate a sum of money to complete Warren Street under Chapter 90.

Article 41. To see if the Town will vote to raise and appropriate a sum of money to complete Liberty Street under Chapter 90.

Article 42. To see if the Town will vote to raise and appropriate a sum of money to construct a sidewalk on North Main Street, running northerly on the west side from Old Street.

Article 43. To see if the Town will vote to raise and appropriate a sum of money to construct Highland Avenue between Woodlawn Street and Memorial Drive.

Article 44. To see if the Town will vote to raise and appropriate a sum of money to construct a sidewalk on the easterly side of South Main Street running northerly from the Avon Line.

Article 45. To see if the Town will vote to raise and appropriate the sum of \$4,500.00 for the completion of the construction of Himoor Circle under Chapter 80 of the General Laws. This sum is to be added to the sum similarly appropriated under Article 66 of the Town Warrant of March, 1951.

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

Article 46. To see if the Town will vote to raise and appropriate a sum of money to lay out, grade and construct Morse Street, from Ryan Street to Pond Street, as and for a Town Way, under the provisions of law authorizing the assessment of betterments, as petitioned for.

Article 47. To see if the Town will vote to raise and appropriate a sum of money to lay out, grade and construct Ryan Street, from Oliver Street to Morse Street, as and for a Town Way, under the provisions of law authorizing the assessment of betterments, as petitioned for.

Article 48. To see if the Town will vote to raise and appropriate a sum of money to lay out, grade and construct Hall Street, from Mitchell Street to High Street, as and for a Town Way, under the provisions of law authorizing the assessment of betterments, as petitioned for.

Article 49. To see if the Town will vote to raise and appropriate a sum of money to lay out, grade and construct Mitchell Street, from North Main Street to Sarah Street, as and for a Town Way, under the provisions of law authorizing the assessment of betterments, as petitioned for.

Article 50. To see if the Town will vote to raise and appropriate the sum of \$20,000 to rebuild Howard Street, as petitioned for.

Article 51. To see if the Town will vote to raise and appropriate a sum of money to purchase heavy duty Highway Equipment.

## DRAINAGE

Article 52. To see if the Town will vote to raise and appropriate a sum of money to install drainage on Cedar Circle, as petitioned for.

## TOWN OF RANDOLPH, MASS.

Article 53. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for the construction of a drainage system on Himoor Circle.

Article 54. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system at the corner of Old and North Main Streets and running up Stacy Street near to the property of Norman Jacobson.

## WATER MAINS

Article 55. To see if the Town will vote to raise and appropriate the sum of \$1,050.00 for the relocation and renewal of services in connection with the continued widening of Liberty Street.

Article 56. To see if the Town will vote to raise and appropriate the sum of \$600.00 for the relocation and renewal of services in connection with the continued widening of North Main Street.

Article 57. To see if the Town will vote to raise and appropriate the sum of \$3,250.00 for the relocation and renewal of services in connection with the resurfacing of Warren Street.

Article 58. To see if the Town will vote to instruct the Board of Water Commissioners to install a 6" water main on Jane Street for a distance of 650 feet.

Article 59. To see if the Town will vote to instruct the Board of Water Commissioners to install a 6" water main on Morse Street from Pond Street to Fitzgerald Street, with necessary gates and hydrants and raise and appropriate money for same.

Article 60. To see if the Town will vote to instruct the Board of Water Commissioners to install a 6" water

main on Mitchell Street a distance of 910 feet from North Main Street to Sarah Street, and to raise and appropriate money for same.

### STREET ACCEPTANCES

Article 61. To see if the Town will vote to accept Curran Terrace from Mill Street as laid out by the Board of Survey for a distance of 841 feet.

Article 62. To see if the Town will vote to accept Charlotte Lane as laid out by the Board of Survey.

Article 63. To see if the Town will vote to accept Byron Street as laid out by the Board of Survey.

Article 64. To see if the Town will vote to accept Stoughton Street as laid out by the Board of Survey.

Article 65. To see if the Town will vote to accept Selwyn Road as laid out by the Board of Survey.

Article 66. To see if the Town will vote to accept Cummings Circle as laid out by the Board of Survey.

Article 67. To see if the Town will vote to accept Beverly Circle as laid out by the Board of Survey.

Article 68. To see if the Town will vote to accept Vesey Road as laid out by the Board of Survey.

Article 69. To see if the Town will vote to accept that part of Edwin Street that is not now a Town Way under Chapter 80 of the General Laws.

Article 70. To see if the Town will vote to instruct the Board of Selectmen to dispose of the Prescott Primary School Building.

Article 71. To see if the Town will vote to authorize and instruct the Board of Selectmen to release to Michael

W. Lach any easement or right the Town may have in certain land situated on the westerly side of the highway known as North Street, by virtue of an easement grant dated September 22, 1934, recorded with Norfolk Deeds, Book 2050, Page 494, from Andrew Kaminiski to the Town of Randolph, said release to be given by the said Town only as to those water drains not now in existence but in no way releasing the Town's right to drains now being utilized by the said Town.

Article 72. To see if the Town will vote to eliminate or strike out from the Zoning By-Laws the last part of the first paragraph of Section 5, Part A. reading as follows:

The foregoing provision shall not apply to lots recorded as such with Norfolk Deeds or registered as such in Norfolk Registry District on the effective date of this By-Law.

So that Section 5, Part A, the first paragraph as amended shall read:

Section 5. Area Regulations.

A. Minimum Lot Area.

In a Residential district or zone, no dwelling shall be erected or maintained except on lots containing not less than 7,500 square feet each and having a frontage of not less than 75 feet and not more than one dwelling shall be erected on each such lot.

And you are directed to serve this Warrant by posting attested copies thereof at the Town Hall, at the Town Clerk's Office, at the Post Office and at six other public places in the Town, seven days at least, before the day and hour of said meeting.

ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

Hereof, fail not, and make return of this Warrant, with your doings thereon, to the Town Clerk, on or before the day and hour appointed for holding said meeting.

Given under our hands at Randolph, this fourteenth day of January A. D. 1952.

ORRIN B. WHITE,

ROGER A. LUTZ,

RALPH H. HUTCHINSON,

Board of Selectmen.

# Report of State Audit

---

May 21, 1951.

To the Board of Selectmen  
Mr. Orrin B. White, Chairman  
Randolph, Massachusetts.

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Randolph for the year ending December 31, 1950, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

FRANCIS X. LANG,  
Director of Accounts.

FXL:JRB

Mr. Francis X. Lang  
Director of Accounts  
Department of Corporations and Taxation  
State House, Boston

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Randolph for the year ending December 31, 1950, the following report being submitted thereon:

The records of financial transactions of the several departments receiving or disbursing money for the town, or committing bills for collection, were examined, checked, and verified by comparison with the records of the town accountant.

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

The books and accounts of the town accountant were examined and checked in detail. The recorded receipts were checked with the treasurer's records and with the records of other departments collecting money for the town or committing bills for collection, while the recorded payments were compared with the selectmen's warrants to the treasurer. The appropriations and loan authorizations, as listed from the town clerk's record of town meetings proceedings, were checked with the ledger accounts.

The ledger accounts were analyzed, the necessary adjusting entries were made, a trial balance was taken off proving the accounts to be in balance, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on December 31, 1950.

Overlay deficits aggregating \$3,799.90, as shown on the balance sheet, should be raised by the assessors in accordance with the provisions of Section 23, Chapter 59, General Laws.

The books and accounts of the town treasurer were examined and checked. The cash book footings were proved and the recorded receipts were analyzed and compared with the town accountant's books, with the records of the departments making payments to the treasurer, and with the other sources from which money was paid to the town. The payments as recorded were checked with the warrants issued by the selectmen authorizing the treasurer to disburse town funds.

The cash balance on March 20, 1951, was proved by reconciliation of the bank balances with statements furnished by the banks in which town funds are deposited and by verification of the cash in the office.

The recorded payments on account of maturing debt and interest were proved with the amounts falling due

## TOWN OF RANDOLPH, MASS.

and checked with the cancelled securities and coupons on file.

The securities and savings bank books representing the investment of the trust funds in the custody of the town treasurer, the treasurer of the trustees of the Stetson School Funds, and the treasurer of the trustees of the Turner Library Funds, were examined and listed, the income being proved and the disbursements being verified.

The records of tax titles and tax possessions held by the town were examined and checked. The amounts transferred to the tax title accounts were compared with the collector's records, the tax titles redeemed and the tax titles and tax possessions sold were checked with the receipts as recorded on the treasurer's cash book, the foreclosures and disclaimers were verified, and the tax titles and tax possessions on hand were listed, reconciled with the accountant's ledger, and checked with the records in the Registry of Deeds.

The books and accounts of the tax collector were examined and checked in detail. The taxes and motor vehicle and trailer excise outstanding at the time of the previous examination and all subsequent commitments were audited and compared with the assessors' warrants issued for their collection. The recorded collections were checked with the payments to the treasurer as recorded on the treasurer's cash book, the abatements were checked with the assessors' records of abatements granted, the taxes transferred to the tax title account were compared with the treasurer's records, and the outstanding accounts were listed and reconciled with the accountant's ledger.

The records of departmental accounts receivable were examined and checked in detail. The commitments were proved, the payments to the treasurer were com-

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

pard with the treasurer's cash book, and the outstanding accounts were listed and reconciled with the accountant's ledger.

The books and accounts of the water department were examined and checked. The commitments were proved and compared with the water commissioners' warrants issued for their collection, the collections were compared with the payments to the treasurer, the recorded abatements were checked to the water commissioners records of abatements granted, and the outstanding accounts were listed and reconciled with the accountant's ledger.

The outstanding tax, motor vehicle and trailer excise, departmental, and water accounts were verified by mailing notices to a large number of persons whose names appeared on the books as owing money to the town, and from the replies received it appears that the accounts, as listed, are correct.

The records of licenses and permits issued by the selectmen and by the police and health departments were examined, and the payments to the treasurer were verified.

The town clerk's records of dog licenses issued for the county and of sporting licenses issued for the State were examined, and the recorded payments to the State and to the town treasurer were verified.

The surety bonds filed by the officials required by law to furnish them for the faithful performance of their duties were examined and found to be in proper form.

In addition to the departments and accounts mentioned, the records of all other departments collecting money for the town or committing bills for collection were examined and verified.

TOWN OF RANDOLPH, MASS.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the several cash accounts, summaries of the tax, motor vehicle and trailer excise, tax title, tax possession, departmental, and water accounts, together with tables showing the transactions and condition of the trust funds.

For the cooperation extended by the town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE,

Assistant Director of Accounts.

HBD:JRB

# Report of the Selectmen and Overseers of Public Welfare

During the past year, we have encountered the same problems which have confronted other towns of rapid growth. Abnormal increases in population necessitated the expanding of many public services in the towns to meet the needs and demands of a fast growing community.

Public improvements which were initiated when a majority of the present board were in office and which were due largely to their efforts, have been completed. Plans for future expansion of these services have been promulgated by the present Board of Selectmen. Much favorable comment has been expressed, not only by our citizens, but by those who have occasion to do business here, or who merely pass through, on the progress the Town has made and the "new Look" it presents, to the observer.

Some of the accomplishments which have been witnessed during this year are such as,

The completion of the widening of North Main St., at a minimum cost to the Town.

Improved street lighting on Main Street and the new street leading westerly therefrom.

The purchase of a new fire-truck for Station 2.

Installation of new Mercury Vapor lights at main intersections, such as Pond, Old, Canton, Oak, Chestnut and Main Street, also Liberty, Grove and Main Street.

## TOWN OF RANDOLPH, MASS.

Improved street lighting on various side streets.

Awarding of the contract for the widening of the bridge on North Main Street.

In all this we have sought and received the cooperation of State and County Officials, which has resulted in economies to the Town.

With the active cooperation of the Highway Surveyor and County Officials, improvements are to be made in the near future in various sections of the town, particularly on Old, Canton, High, Oak and Chestnut Streets.

The widening of Warren street and its intersections.

The construction of sidewalks on South Main Street and in North Randolph.

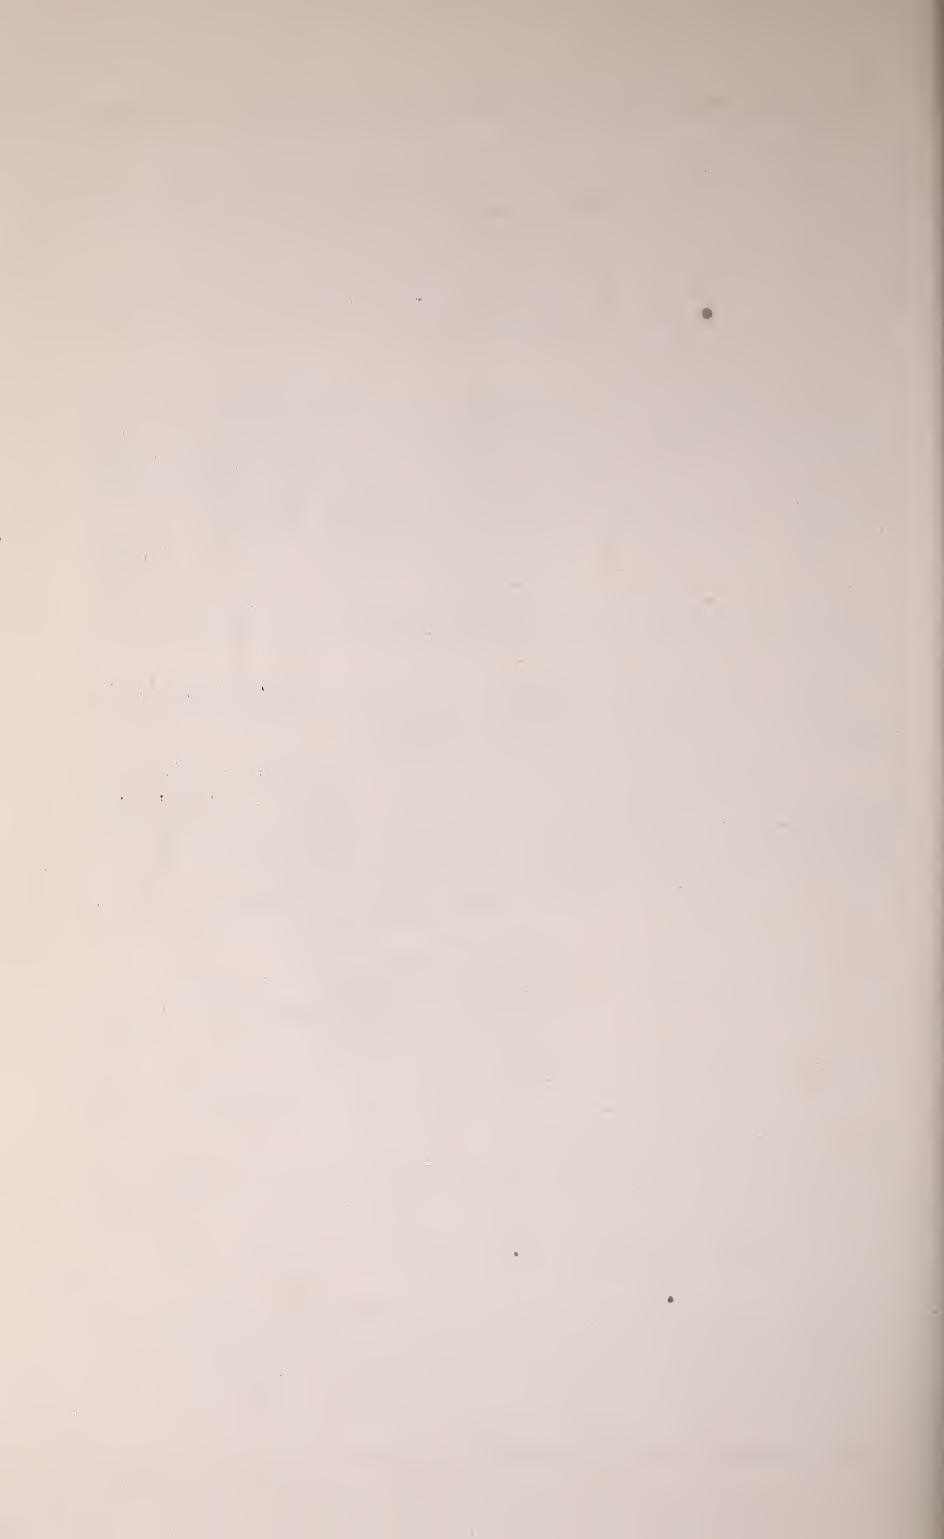

Your attention is called to the report of the Highway Surveyor for a more detailed summary.

In conclusion we feel that we have met the challenge of the times adequately and progressively, particularly when we take into consideration our limited resources.

Orrin B. White, Chairman

Roger A. Lutz, Clerk

Ralph H. Hutchinson

to 1948.

# ANNUAL REPORT

*of the*

## SCHOOL DEPARTMENT

*of the*

## TOWN OF RANDOLPH

For the Year Ending December 31st

# 1951

# Report of The School Committee

To the Citizens of the Town of Randolph:

The Randolph School Committee submits herewith the annual report of the year 1951.

The resignation of Mr. Adolph O. Christiansen, Superintendent of Schools, was accepted with reluctance and deep regret by the Committee during this past year. Mr. Christiansen's services to the Town of Randolph as a Union Superintendent from 1921 to 1948, and as a full-time Superintendent from 1948 to June, 1951, were marked over this long period with worthy contributions by his educational and administrative accomplishments during that span of years.

Your Committee acknowledges with sincere gratification the progress being made in the construction of our new six-year high school. The limited space in this report restricts us from commenting by a full report on this new addition to our educational system. It is hoped that a separate brochure will be available to the citizens of the town, giving a word and picture story of our new high school.

Reports by the heads of the various departments, including the annual report of the Superintendent of Schools, will give the citizens of the town a complete picture of the activities and progress made in your schools during the year.

Your Committee has been cognizant of the many changes as it affects the education of the student, and are making every effort to keep abreast of these changes.

Mr. I. D. Reade was appointed Superintendent of Schools to fill the vacancy caused by the resignation of Mr. A. O. Christiansen. Mr. Reade joined the school

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

system September, 1948, as Principal of the Prescott School, and was later appointed as Assistant to the Superintendent. His perseverance, diligent efforts and alertness to the principles of education and administration gave assurance to the Committee of his high qualifications to serve as our Superintendent.

The School Committee extends to all a hearty welcome to visit the schools at your convenience, and welcomes any suggestions or criticism that may in the end serve as a guide for better education for our children.

Congratulations are extended to all teachers, administrators and custodians for their sincere efforts during the past year.

HAROLD L. WHITE, Chairman

DR. WILLIAM F. MAGUIRE, Clerk

CLARK W. FREEMAN

MURRAY LEWIS

JOSEPH J. SEMENSI

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Randolph School Committee,

Chairman, Mr. Harold L. White and Members:

In making my annual report of the Randolph Public Schools, I first wish to pay tribute to Mr. A. O. Christiansen who retired because of ill health after serving nearly thirty years as Superintendent of Schools in Randolph. During that time his strong conviction as to the values of the Public School, his understanding of the needs of boys and girls, and his close attention to pupil development have all been outstanding. I know that he carries with him in his retirement the best wishes of all who have been privileged to work with him.

On the following pages are reported some of the achievements of our school program. I recommend to you the reading of the High School Principal's report and all others contained in the department. It would be difficult to mention all the important developments, and it is not presumed that we have. The diligence and devotion of the members of the department to the task of better education has made possible an excellent and rewarding year.

The interest of our boys and girls has been stimulated. Opportunity for every child and education for the whole child have been the goal of our department. The children moving at a normal rate have had every opportunity to learn useful skills, proper attitudes, and to acquire the fundamental of the art of living.

The interest, help and cooperation of the parents and citizens is deeply appreciated. We shall continue our program to make Randolph's educational system serve the boys and girls in the best possible manner.

Respectfully submitted,

I. D. READE,

Superintendent of Schools.

# ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

## REPORT OF THE GUIDANCE DIRECTOR

Joseph W. Daly, Director

During the past year our guidance progress expanded to a full time scale similar to surrounding towns.

Group Guidance Work is being done during the first half of the year with the Freshmen, Sophomore, Juniors, and Seniors. In the Freshmen Group, study habits, use of leisure time, manners and school spirit were discussed. In the Sophomore year topics such as selecting a career, how to apply for a job, and how to make good on the job were covered. Job areas including the professions, office work, and industry were analyzed. In the Junior year problems such as getting along with others, desire for approval and success were treated. In the Senior year manners and personality constituted the main areas.

Interviews are being held once or twice during the year with every student in the school. At these conferences along with vocational and personal problems results of various reading and vocational aptitude tests were explained.

An accumulative guidance record card has been introduced this year and gives a complete record from the seventh grade through high school.

During the year conferences were arranged for students with many Eastern College Representatives and nursing school directors. Also a number of seniors were taken to Thayer Academy for the annual College Day at which the Deans of forty Eastern Colleges were present.

Our commercial counselor Miss Brennan has placed a number of girls in various Boston offices for part time work. Many other boys and girls were placed in part time employment in manufacturing plants, stores, farms, and homes in Randolph, Milton, Boston and Brockton. This

placement enabled our students to secure a total of many thousands of dollars for help at home or for further education.

I wish to express my thanks to our Junior High Counselors Miss Good and Mr. Clarke and our Senior High Counselors, Miss Brennan and Miss Galvin, for their cooperation and assistance. I also wish to express my appreciation to Mr. Gilgan, Mr. Reade, and the School Committee, for their aid and close cooperation.

---

## REPORT OF THE PRINCIPAL OF STETSON HIGH SCHOOL

Hubert F. Gilgan, Principal

It was our hope that this report would cover our entrance into the new high school building but due to unforeseen difficulties the new building was not ready and we had to unpack to return to our old building. This was a severe blow to all concerned because pupils and teachers alike were keyed up to occupying the new school. We had offered to the pupils new subjects with additional teachers, all assignments had been made for the new plant, all of which had to be undone to fit the facilities of the old building. It is common knowledge that the present high school building is now operating on two shifts, with grades nine to twelve in session from 8:00 a.m. to 12:15 p.m., while grades seven and eight attend from 12:30 p.m. to 4:30 p.m. It is not probable that the average layman can fully appreciate the difficulties of such a plan of operation but it was necessary to accommodate the large increase in enrollment throughout the system. I believe the youngsters are to be highly complimented for the way they swallowed their keen disappointment and buckled down to make the best of a

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

bad situation. Last year, grade eight only was on two shifts and in spite of shortened hours, they made a surprisingly good academic response to the situation. There is no question that the six grades which are working under the same handicaps this year will have the same struggle for results but we are hoping that with the help of the pupils, parents, and teachers any loss will be reduced to a minimum. \*The situation now existing is worsened when we realize it might have been avoided. Several years ago, the School Committee, the Superintendent and I, after a study of local conditions, recommended to the town in our annual report a new 1,200 pupil Junior-Senior High School and selected the spot for its erection. Nothing came of it until a few years later a professional survey was made of the school system by an out-of-town agency. This survey recommended a new 1,200 pupil Junior-Senior High School on the same site which the school department had previously suggested. If the new school had been started when originally suggested by local school authorities, we might not be in our present overcrowded situation and the savings to the town in building costs would have been considerable.

A start has been made to enlarge the scope of our athletic program. Our record in sports over the past few years has been quite unsuccessful, to say the least, but it is a situation which a few wins will resolve. Schools with successful teams start the youngsters playing in the seventh and eighth grades with proper coaching and supervision. In our new building, Randolph youth will have this opportunity because in all sports we plan to have varsity, freshman and junior teams so that in the near future our teams can compete with those from other schools on an even footing. In connection with the expansion of our athletic program, immediate thought should be given to the size of our athletic field. It is our humble opinion that the present field will not be large enough

## TOWN OF RANDOLPH, MASS.

adequately to care for our future program, which by the way, should include track. It is our recommendation that the land to the west of our present field, already owned by the town, be readied for use, and a start made on fencing in the athletic field.

During the past year, it occurred to us that the townspeople might like to help us equip the new school library, so we wrote to each organization and asked them to underwrite the cost of an annual subscription to a magazine to be used by the pupils in the library. The response has been good and so the magazines authorized will be ordered and made available for September, 1952. When the list of donors is complete, we intend to publish the names of the organizations who have so generously helped us. Speaking of the library, we wonder if the public realizes that we will have a large, spacious shelf area in the new library with but a few books to put on these shelves. According to a national library bureau, a school as large as our new one should have about five thousand books and an annual budget of fifteen hundred dollars. We do not, of course, expect anything like that amount but we do expect help each year in building up our library.

During the past year, all teachers and supervisors at the high and junior high levels took a course under Dr. Roy O. Billett of Boston University. Our purpose was to increase our knowledge of modern secondary educational practices so that we may better and more effectively utilize the facilities of our new building. It was a worthwhile experience.

We here at the high school were saddened during the year by the retirement of our superintendent, Mr. A. O. Christiansen. We are always aware that the end of the road always comes for all of us but for so many years Mr. Christiansen had been with us we felt that for him

there was no end of the road, that he was a prop and a mainstay who would always be with us to help us and guide the destinies of the Randolph schools. We will always remember him as the pupils' friend, as we know of many instances where a pat on the head, a word of encouragement helped many a youngster over a rough spot. We teachers do not have to be told of his worth—he proved it day in and day out—as many young teachers starting in under his patient guidance have matured into capable and successful teachers. We want Mr. Christensen to know he will be remembered through the years by all who knew him and worked with him for we realize that even in his retirement he has the welfare and interest of the Randolph schools and the pupils uppermost in his mind. We hope sincerely that his remaining years will be happy and pleasant ones.

To our new superintendent Mr. I. D. Reade, may we say that we at the high school pledge you our loyalty and cooperation, we are ready to follow your leadership and to help you in any way we can for the betterment of the schools of Randolph.

---

## DRIVER EDUCATION REPORT

Paul J. Lehtinen, Instructor

The Safe-Driving Course at the Stetson High School during the year 1950-1951 enabled 32 pupils to obtain their driver's licenses.

As in previous years a car was made available to the School Department in September, 1951.

It is the purpose and goal of this Safe-Driving Course to prepare as many pupils as possible to pass the test required by the Massachusetts Registry of Motor Vehicles.

## REPORT OF THE ART SUPERVISOR

Ethel B. Atwood

It is the purpose of your art supervisor to provide, through various art experiences, a basic knowledge which will have permanent and practical value for the individual.

Increased enrollment, shortened work periods, over-large classes at the present time, prevent the accomplishment of certain desired results. In spite of this it has been evident that art principles were absorbed and art enjoyed.

During the year the supervisor has arranged a course of study for all grades from I through XII, and, in the High School, given instruction in Mechanical Drawing, also. All grades have been visited regularly; lessons given and instructions for the Grade teacher left in the art folio.

Through the Art Department, the Annual Spring Exhibition of School Work was assembled and arranged. This year's exhibit was based upon the theme, "Through the Years." Paper sculpture panels, one for each month of the year, were an innovation and showed creative skill at the High School level. High School art groups provided original spatter work designs for all grade work folios. Holidays and historic events "Through the Years" were expressed by the art work of elementary pupils.

The back-drop for the stage in Town Hall, with its "Show Boat" so well carried out in composition and color by three boys from the Stetson freehand drawing group could well be termed the highlight of the year. In this way art became a part of the Music Department, serving as background for its concert, which featured selections from "Show Boat."

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

Since September—there have been 41 elementary classes; ten Junior High classes; and the usual freehand and mechanical drawing classes in the High School . . . to be provided for.

Principals and teachers have at all times been very helpful, and the Superintendent and School Committee have given sympathetic understanding of the present challenging problems in the art field. I am grateful to all who have worked so co-operatively with me.

---

### REPORT OF REMEDIAL READING

Mary Christine Gaughen, Supervisor

I respectfully submit my third report as Supervisor of Remedial Reading.

At the beginning of the school year all the pupils in grade one were given the Metropolitan Readiness Test. We found, as a result of the test, fifty-six pupils were not ready to learn to read. Reading is not a natural activity of young children. Not all children are equally well prepared to learn to read when they enter grade one. The teachers will continue prereading instructions with these pupils until they feel they are ready to learn to read.

There are 220 pupils receiving help in Reading. This number includes the slow learners as well as the remedial pupils. Special emphases are placed on the mechanics of Reading, with special stress on few or no lip or head movements during silent reading, normal left-to-right eye progression, wider visual and eye-voice spans, and a minimum of regressive eye movements, and no pointing with the finger.

All pupils are given instructions on their level of achievement. They are given phonic training in word rec-

## TOWN OF RANDOLPH, MASS.

ognition. They receive instructions in word meaning, phrase reading, pronunciation, and enunciation. All these are necessary steps in reaching the goal of all reading—**COMPREHENSION.**

---

### **REPORT OF THE SUPERVISOR OF ATTENDANCE**

Stephen J. Hart

The year 1951 was very busy in comparison to the year 1950.

My visits to the Probation Office increased nearly 50 per cent.

My court appearances increased also the extent of twelve cases. Five of these cases were disposed of by sending them to the Youth Service Board for future disposition.

Strictly truant cases are not increasing by any means, and I would say are under control.

I wish to thank the school personnel and also the parents for their cooperation during the year 1951.

---

### **REPORT OF DIRECTOR OF PHYSICAL EDUCATION AND HEALTH**

Joseph J. Zapustas

An effective health program must start at the beginning of life and continue throughout its duration. This, school health is not a separate entity, but it is a part of a complete public health program. On the one hand it is dependent upon the care which the child receives in the home through the intelligence and cooperation of the parents. On the other hand, it is dependent upon the health facilities offered by the community. It involves many people, children, parents, superintendents of schools,

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

health officers, principals, teachers, physicians, nurses, dentists, health educators, physical educators, custodians, public and private organizations. These varied elements must be welded into a team which will produce a balanced program.

Here in Randolph we have been fortunate in securing additional personnel to sponsor physical education and health not only to the high school grades but to the elementary grades as well.

With the assistance of Mrs. Dorothy Poehlman, Mr. Eugene Savard and Miss Mildred Lappen, every class in the school system has received instruction once a week.

Our program has been further aided by the organized play period which is carried on during recess by the elementary classroom teachers. Under this set-up the children are taught additional activities and are then given the opportunity to conduct these activities under their own leadership. Without the full cooperation of these classroom teachers this work could not have been accomplished.

I am looking forward to the time when every pupil in the Randolph School System will be guided not only mentally but physically as well for the betterment of the entire community. I am grateful to the School Committee for their trust in me to oversee this program.

---

### REPORT OF THE MUSIC DIRECTOR

Myron B. Thomas

I herewith submit my annual report of the Music Department of Randolph schools for 1951.

The annual instrument demonstration was presented in September to all students in grades four through six.

## TOWN OF RANDOLPH, MASS.

The response of the pupils was most gratifying and we have at present forty new instrumentalists in the system. This brings the total to 125 pupils participating in the instrumental program.

We now have 26 school-owned instruments which helps us to maintain better band balance by affording the opportunity of music participation to many students who are unable to secure an instrument of their own.

The Junior High School band is composed of pupils in grades five through eight and meets once each week for rehearsal. Material for practice consists of music suitable to the age and development of this group. The junior band is a very important phase of the school program because the success of the high school band depends largely upon the training and development of the junior group. For this reason the music department recommends early instrumental training to insure the success of the high school band in future years. The present enrollment is 35. The high school band meets twice weekly for rehearsal. We are most grateful for the several new instruments secured for the band this year. We are beginning to show very good instrumentation for a group of this size and the better the instrumentation, the more interesting and varied programs we can present to the town.

Selected members of the high school band participated in the all-New England Concert Festival held in Auburn, Maine, last Spring.

The tenth annual Spring concert was presented in the Town Hall on May 4th. The high school band was assisted in the program by the Junior band, High School chorus, Girls' Glee Club, the Twirling Corps and soloists.

On May 11th the Senior and Junior bands auditioned

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

and paraded at the Southeastern Massachusetts Music Festival at Weymouth.

The High School Band has played for the school assemblies, graduation, home football games, driver-training presentation and for several municipal events, such as: inauguration of the new Post Office, Belcher Park Field Day, dedication of Imrie Square and the Crusade for Freedom Rally.

The High School Chorus of 60 selected voices meets one period per week at the high school. Choral music is rehearsed for the annual Spring Concert and graduation.

The High School Girls' Glee Club of 43 selected voices rehearses once per week and material is prepared for the annual Spring Concert.

The Seventh and Eighth Grade General Music Classes meet one period per week. The vitally important subject of the changing voice is dealt with in these classes and individual attention is given to the voices of the boys experiencing this change. Class discussions of the various band and orchestral instruments are held and other subjects treated are voice production, breath control and music theory.

Each of the first six grades is visited once a week by Miss Frances Quimby, the Elementary Supervisor. Also daily music periods are conducted by the classroom teacher. Along with the singing of many songs, first lessons in music reading are begun in the first grade and are supplemented each year. Two part music is introduced in the fourth grade and increases in difficulty in preparation for three part music which is begun in the sixth or seventh grade. This music reading program is extremely essential in enabling the children to learn new songs. It helps the instrumental program, lays the foundation for

## TOWN OF RANDOLPH, MASS.

the choral work in the Junior High and High Schools, and prepares them to be able to contribute to all the music in the community after finishing school.

I wish to thank the entire school department for their cooperation during the past year.

---

### REPORT OF THE PLAYGROUND DIRECTOR

Joseph J. Zapustas

The Summer Playground activities consisted of various types of handicraft work, hikes, picnics, swimming at the Montelio Pool under supervision, various games sponsored by the instructors, and the softball league won by Devine.

I would recommend a dire necessity for swings, see-saws and a slide at each playground.

I express my sincere thanks to the instructors, Patricia Copeland, Claire Mahoney, and Frances McGrory for their cooperation with the children at the playground.

Statistics for the season are as follows:

Total Days 42

Total Attendance:

High School .....	3106
McNeill School .....	4250
Devine School .....	2760

Average Daily Attendance

High School .....	73
McNeill School .....	101
Devine School .....	65

ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

REPORT OF THE SCHOOL NURSE

Helen F. Conlon, R.N.

During the year of 1951 health appraisals were made by the school physician in grades one, four, seven and eleven. Findings were recorded on the child's Physical record card and parents were notified of defects needing correction.

A large part of the nurse's time is spent in guiding and encouraging parents in their efforts to get their children's defects corrected or to provide the best possible condition for their healthy development.

As in other years the children in the first eight grades were weighed and measured in the Fall and in the Spring. The pupils in the senior high school were weighed once during the year. Height and weight were recorded on the record card and follow-up work was done on those who had not gained in weight or showed a loss in weight.

Inspections were done in classes where children were ill with a communicable or infectious disease and on all pupils referred by teachers. Exclusions were recommended when found necessary.

The Diphtheria-Tetanus Immunization clinic sponsored by the Board of Health was held during April and May. 150 children were treated at the clinic.

37 children had 3 doses of the double antigen

110 children had a booster dose.

3 children did not complete the series of three doses of toxoid.

Arrangements were made for five children who were physically unable to attend school to have a visiting teacher and for three children to attend the Child Guidance clinic held in the Brockton high school.

## TOWN OF RANDOLPH, MASS.

The dental clinic sponsored by the Board of Health was continued during the year. Through the efforts of Dr. William Maguire the children in grades two and five were given three Fluoride applications as a preventive measure to reduce the amount of new tooth decay. This work was done by a group of workers from the Federal Security Agency in cooperation with the State Health Department, Dental Division.

Sixty eight students in the Senior class were X-Rayed in October. Three pupils who were absent on that day were taken to the Norfolk County Hospital in November and were X-Rayed. The X-Rays showed no evidence of pulmonary disease.

In grades 4-5-6, one hundred and twenty one children who were tested by the teachers were found to have a partial vision defect. These children were tested by the nurse on a Keystone Telebinocular and 77 children failed this test. These children were given a second test on the Telebinocular and 49 failed this test. Parents were notified of the children's condition and advised to take their children to an eye specialist.

In closing this report I wish to thank all in the school department for their cooperation in the past year.

---

### REPORT OF THE SCHOOL PHYSICIAN

Charles E. Wells, M.D.

During the year 1950 729 medical certificates were issued pupils who had been absent for three or more days on account of sickness—fewer than for either of the two preceding school years. Any attending physician may issue such a health certificate, but they are usually written by the School Physician. For absence for other reasons

## ONE HUNDRED AND SIXTEENTH ANNUAL REPORT

than illness, the pupil should present a note of explanation from his parents.

The candidates for athletic teams were given a careful physical examination before being allowed to take part in competitive sports, and health examinations were given in all the schools as advised by school health authorities. No severe or unusual health conditions were found. It was noted that the average condition of teeth has improved during the past several years, showing that greater attention has been given to dental care than formerly. In fact, there seems to be an improvement in the health of the pupils generally, due largely to the constant attention given to the health of pupils in all grades by Miss Helen F. Conlon, R.N., the School Nurse. Her assistance in all phases of the school health program is invaluable and is greatly appreciated by pupils, teachers and parents alike.

As in previous years, I have attended all home football games where, I am glad to report, my services were never required.

Office hours for issuing school certificates:

2:00 to 3:00 and 7:00 to 8:00 on school days

2:00 to 3:00 on Saturdays

No hours on Sunday

ARTICLE 5. VOTED: No action as Section 108 of Chapter 41 of the General Laws provides that the compensation of all employees other than those elected shall be fixed by the head of the department employing them.

ARTICLE 6. VOTED: To hear and act on reports of Town Officers.

ARTICLE 7. VOTED: To hear and act on the report of any committee and choose any committee the Town may think proper.

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

VOTED: That the No. Randolph Fire Station Committee Report be accepted and that the Committee be discharged, and that the sum of \$1404.20 be transferred back to the E. & D. Account.

VOTED: That the Moderator be instructed to appoint a Committee to be known as the General Zoning Committee to make a complete study of Zoning and to make its recommendations in the form of Article at the next Annual Town Meeting.

VOTED: That the Town authorize the Moderator to appoint a Committee to study the drainage problems. This committee to consist of the Board of Selectmen, Planning Board, Board of Health, Highway Surveyor, and three taxpayers not holding offices in the Town. The committee is to make recommendations for Town consideration at the next Town Meeting. The Committee is to be known as the Drainage Problem Committee.

VOTED: That the School Planning and Building Committee Report be accepted as being progressive and that two new members, John L. Porter, 84 South Main St., and James H. MacDonald, 66 West St., be appointed to fill two vacancies that exist.

VOTED: That the Electric Light Rates Committee Report be accepted and the Committee be dissolved.

VOTED: That the Moderator appoint a Committee to study the advisability of the construction of a combination Police and Fire Station on Memorial Parkway and to report back at the next annual Town Meeting; The Committee is to consist of the following members; Robert Curran, Harold Whitehouse, Carl Gove, Chief Patrick McDonnell, Chief Harold Bailey, Michael Diauto, William Condon, Charles Russell and Leslie Claff.

VOTED: To accept the Report of the Revaluation Committee which was appointed to study the findings of the

## TOWN OF RANDOLPH, MASS.

Cleminshaw Company, and to extend the Committee which will report back at the next Town Meeting.

VOTED: To instruct the Moderator to appoint a Committee to re-write the rules and regulations of the Board of Health. The committee to consist of the following members. The three members of the present Board of Health, 5 members of the Planning Board and five citizens not holding town offices, also the Highway Surveyor.

VOTED: To accept the Report of the Committee which was appointed to look into the advisability of Town Manager for the Town. This is to be final report.

ARTICLE 8. VOTED: To authorize the Water Commissioners to appoint one of their members to another office or position under their control, and to fix the salary of such person in accordance with the provisions of Chapter 36, Acts of 1929, or to take any other action relative thereto.

ARTICLE 9. VOTED: That the Town raise and appropriate the sum of \$35.00 for the maintenance and lighting of the clock in the tower of the First Congregational Church.

ARTICLE 10. VOTED: That the Town raise and appropriate the sum of \$35.00 for the maintenance and lighting of the clock in the tower of the First Baptist Church.

ARTICLE 11. VOTED: That the Town raise and appropriate the sum of \$2,820.00 for the maintenance and upkeep of the Town Hall, as petitioned for by the Trustees of the Stetson School Fund.

ARTICLE 12. VOTED: Indefinite Postponement relative to the amending of Article 5 of the Town By-Laws to increase the members of the Finance Committee.

ARTICLE 13. VOTED: That the Town set aside a parcel of land owned by the Town and described as follows: Beginning at the boundary line of the Turner Library

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

property on North Main Street and running along North Main Street in a northerly direction for a distance of fifty-nine (59) feet then turning and running a distance of seventy-five (75) feet in a westerly direction, then turning and running in a southerly direction for a distance of fifty-nine (59) feet to the lot line of the Turner Library property, then running in an easterly direction for a distance of seventy-five (75) feet to the starting point. Said plot to be used exclusively for the construction and maintenance of a permanent War Memorial for the Veterans of All Wars in which which the United States has been engaged. Said War Memorial shall be erected by the Randolph Veterans' Council who represent the Lt. John D. Crawford Post No. 3389, V. F. W.; Amvets Post No. 51 and the Lt. Thomas W. Desmond Post No. 169 American Legion, all of Randolph; provided title to land remains vested in the Town.

ARTICLE 14. VOTED: No action to be taken relative to the Election of Selectmen for terms of three years.

ARTICLE 15. VOTED: That the Town vote to have a committee of seven (7) consisting of the Trustees of the Stetson Fund and four others to be appointed by the Moderator, to make a survey of necessary alterations and to report back at a subsequent town meeting.

ARTICLE 16. VOTED: That the Town instruct the Moderator to appoint a committee to draw up and present a charter to the Massachusetts Legislature regulating the adoption of the town management plan of government for the Town of Randolph. It is hereby suggested the committee be composed of members of the committee currently studying the advisability of the plan for the Town and that the Town Counsel be made available to the Committee.

Hand Vote: Yes 61 — No. 58

TOWN OF RANDOLPH, MASS.

ADJOURNED ANNUAL TOWN MEETING

*March 18, 1952*

ARTICLE 17. VOTED: That the Town will not permit the Linwood Memorial Park, a cemetery corporation, to operate a non-sectarian cemetery on a parcel of land comprising about 80 acres adjoining lands of the Central Cemetery Corporation in accordance with the laws of the Commonwealth, as approved by the Board of Health.

Hand vote — Yes: 38 — No: 56

ARTICLE 18. VOTED UNANIMOUSLY: That the Town by-laws be amended to allow the Board of Selectmen to appoint a Board of Appeals for the Planning Board in conformance with Chapter 81R of Chapter 41.

ARTICLE 19. VOTED UNANIMOUSLY: That the Town raise and appropriate the sum of \$1,000.00 for the purchase of the following described property: The northerly portion of Plot No. 87 on Assessors Plan 400, in the amount of 70,000 square feet, more or less, on Canton Street, Randolph, Massachusetts, adjoining land now owned by the Town of Randolph.

ARTICLE 20. VOTED: That the Town raise and appropriate the sum of \$89,000.00 for the purpose of completing the furnishings and site development for the New Junior-Senior High School, and to meet said appropriation that the sum of \$5,000.00 be raised by current taxation, and that the sum of \$5,000.00 be transferred from the Excess and Deficiency Fund, and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$79,000.00 under authority of Chapter 44, of the General Laws, and to issue bonds or notes of the Town therefor in accordance with the provisions of Chapter 44, so that the loan shall be repaid in not more than 20 years from the date of issue of the first bond or note.

Hand Vote — Yes: 83 — No: 30

ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

ARTICLE 21. VOTED UNANIMOUSLY: That the Town raise and appropriate the sum of \$450,000.00 for the purpose of constructing an addition to the Devine School and for originally equipping and furnishing said addition to the Devine School, and to meet said appropriation the sum of \$5,000.00 be raised by current taxation and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$445,000.00 under authority of Chapter 44, of the General Laws, and to issue bonds or notes of the Town thereof in accordance with the provisions of Chapter 44, so that the loan shall be repaid in not more than 20 years; and that the School Planning & Building Committee be authorized to expend this money.

ARTICLE 22. VOTED: That the Town accept Chapter 593 of the Acts of 1951, enacted by the General Court of the Commonwealth of Massachusetts and that the sum of \$2,500.00 be raised and appropriated to pay a pension to Adolph O. Christiansen, a former Superintendent of Schools in said Town.

ARTICLE 23. VOTED: That the Town raise and appropriate the sum of \$850.00 for Memorial Day Expenses, to be expended under the supervision of the Randolph Veterans' Council.

ARTICLE 24. VOTED: That the sum of \$495.00 be raised and appropriated to purchase a gasoline power sprayer for the use in elimination and control of poison-ivy undergrowth and brush on side of roads.

ARTICLE 25. VOTED: That the sum of \$1,000.00 be raised and appropriated for the control, care and eradication of the Dutch Elm Disease in the Town of Randolph under Chapter 761 of the General Laws, Acts of 1949, (Effective August 27, 1949).

ARTICLE 26. VOTED: That no action be taken on article relative to street numbering.

TOWN OF RANDOLPH, MASS.

ARTICLE 27. VOTED: That the sum of \$150.00 be raised and appropriated to purchase land on Adams Street as voted at the Annual Town Meeting, March 1951.

ARTICLE 28. VOTED: That the Town vote to amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: That the area on the north side of Memorial Drive from a point 141 feet west of North Main Street to Highland Avenue with 100 foot depth, be included in the business district.

ARTICLE 29. VOTED: That the Town will not amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: The area at 671 North Street, title for which is in the name of James H. and Marilyn Allen, be included in the business district.

ARTICLE 30. VOTED: That the Town instruct the Board of Selectmen to sell to William C. Sloane a parcel of land approximately 110 feet in depth and approximately 48 feet in width, which is Town owned, property in the rear of the residence of said William C. Sloane, at 15 S. Main Street, for the sum of \$50.00.

ARTICLE 31. VOTED UNANIMOUSLY: That the Town sell a parcel of land now owned by the Town on the northerly side of Memorial Parkway adjacent to the U. S. Post Office, containing approximately 6650 square feet, bounded as follows: Beginning at Memorial Parkway and running northerly along the line of land of M. J. Diauto a distance of 35.06 feet, thence westerly by land of M. J. Diauto a distance of 238.61 feet, thence southerly by land of Town of Randolph a distance of 21.06 feet, thence easterly along line of Memorial Drive to a point of beginning a distance of 248.56 feet, as per plan by Lawrence W. DeCelle, Surveyor, on file with the Board of Selectmen at a sale price of \$1034.00.

ARTICLE 32. VOTED: No Action.

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

ARTICLE 33. VOTED: That the Town vote to raise and appropriate the sum of \$100.00 for the purchase of a G. E. or (equivalent) clamp on Voltage and Ammeter.

ARTICLE 34. VOTED: That the Town raise and appropriate the sum of \$300.00 for the purchase of an insulation tester (a megger).

ARTICLE 35. VOTED: That the Town transfer the sum of \$500.00 from the E. & D. Account for the purchase of a flouridating machine; a like amount to be appropriated by the Holbrook Water Department.

ARTICLE 36. VOTED: That the Town transfer the sum of \$4,000.00 from the E. & D. Account for the purchase of a billing machine to be used in the Water Department, Assessors' Department and Tax Collector's Department.

ARTICLE 37. VOTED: That the Town transfer the sum of \$6,000.00 from the E. & D. Account for the purchase and installation of oil burners and equipment in the Pumping Station, in conjunction with the new pump now being installed, a like amount to be appropriated by the Holbrook Water Department.

ARTICLE 38. VOTED: That the Town transfer a sum of money, \$611.04, the Parking Meter Fees to the Parking Meter Expense Account.

## STREET CONSTRUCTION

ARTICLE 39. VOTED: No action as this article is provided for under Article 2.

ARTICLE 40. VOTED: No action.

ARTICLE 41. VOTED: That the Town raise and appropriate the sum of \$6500.00 to complete Liberty Street under Chapter 90.

ARTICLE 42. VOTED: That the Town raise and ap-

## TOWN OF RANDOLPH, MASS.

appropriate the sum of \$3200.00 to construct a sidewalk on North Main Street, running northerly on the west side from Old Street.

ARTICLE 43. VOTED: No action.

ARTICLE 44. VOTED: That the Town transfer the sum of \$3200.00 from the E. & D. Account to construct a sidewalk on the easterly side of South Main Street, running northerly from the Avon Line, to supplement work done in this area by the State Highway Department.

ARTICLE 45. VOTED: That this article be taken up in conjunction with Article 53.

ARTICLE 46. VOTED: No action at this time, and that this petition be referred to the Planning Board.

ARTICLE 47. VOTED: No action be taken at this time, and that this petition be referred to the Planning Board.

ARTICLE 48. VOTED: That the Town raise and appropriate the sum of \$11,700.00 to lay out, grade and construct Hall Street, from Mitchell Street to High Street, as and for a Town Way, under the provisions of law authorizing the assessment of betterments.

ARTICLE 49. VOTED: That the sum of \$12,700.00 be transferred from the Excess and Deficiency Fund to construct Mitchell Street, including sidewalks, from North Main Street to Sarah Street, subject to the installation of a 6" water main, said construction to be done under the Betterment Act.

ARTICLE 50. VOTED: That the Town repair Howard Street, as petitioned for.

ARTICLE 51. VOTED UNANIMOUSLY: That the Town raise and appropriate the sum of \$29,000.00 to purchase heavy-duty equipment for the Highway Department and to meet said appropriation that the sum of \$5,000.00 be

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

raised by current taxation, and that the Treasurer, with the approval of the Board of Selectmen, be and hereby is authorized to borrow the sum of \$24,000.00 under authority of Chapter 44 of the General Laws, and to issue bonds or notes of the Town therefor in accordance with the provisions of Chapter 44, so that the loan shall be repaid in not more than 10 years from the date of issue of the first bond or note. Old equipment to be traded in.

### ADJOURNED ANNUAL TOWN MEETING

*March 24, 1952*

ARTICLE 52. VOTED UNANIMOUSLY: That the Town transfer the sum of \$5,550.00 from the E. & D. Account to install drainage on Cedar Circle.

ARTICLE 53. VOTED: That the Town transfer the sum of \$4,000.00 from the E. & D. Account to construct drainage on Himoor Circle.

ARTICLE 45. VOTED: That the Town raise and appropriate the sum of \$4,500.00, to be added to the balance of \$4,299.47 remaining from appropriation under Article 66 of the 1951 Annual Town Meeting, making a total of \$8,799.47 to construct Himoor Circle under the Betterment Act.

ARTICLE 54. VOTED: That the matter of constructing a drainage system at the corner of Old and North Main Streets and running up Stacy Street near the property of Norman Jacobson be referred to the Highway Department, Planning Board, Board of Health, School Committee and the Board of Selectmen.

### WATER MAINS

ARTICLE 55. VOTED: That the Town transfer the sum of \$1,050.00 from the Excess and Deficiency Fund for

## TOWN OF RANDOLPH, MASS.

the relocation and renewal of services in connection with the continued widening of Liberty Street.

ARTICLE 56. VOTED: That the Town transfer the sum of \$600.00 from the Excess and Deficiency Fund for the relocation and renewal of services in connection with the continued widening of North Main Street.

ARTICLE 57. VOTED: That the Town transfer the sum of \$3,250.00 from the Excess and Deficiency Fund for the relocation and renewal of services in connection with the resurfacing of Warren Street.

ARTICLE 58. VOTED: That the Town transfer the sum of \$2,800.00 from the Excess and Deficiency Fund to install a 6" water main on Jane Street for a distance of 650 feet.

ARTICLE 59. VOTED: No Action.

ARTICLE 60. VOTED: That the Town transfer the sum of \$4,000.00 from the Excess and Deficiency Fund for the installation of a 6" water main on Mitchell Street a distance of 910 feet from North Main Street to Sarah Street.

## STREET ACCEPTANCES

ARTICLE 61. VOTED: That the Town accept Curran Terrace from Mill Street, as laid out by the Board of Survey, for a distance of 841 feet.

ARTICLE 62. VOTED: No Action.

ARTICLE 63. VOTED: No Action.

ARTICLE 64. VOTED: That the Town accept Stough-on Street as laid out by the Board of Survey.

ARTICLE 65. VOTED: That the Town accept Selwyn Road as laid out by the Board of Survey.

ARTICLE 66. VOTED: That the Town accept Cummings Circle as laid out by the Board of Survey.

ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

ARTICLE 67. VOTED: That the Town accept Bever's Circle as laid out by the Board of Survey.

ARTICLE 68. VOTED: That the Town accept Vesey Road as laid out by the Board of Survey.

ARTICLE 69. VOTED: That the Town refer this matter to the Highway Surveyor and the Planning Board.

ARTICLE 70. VOTED: That the Town instruct the Board of Selectmen to dispose of the Prescott Primary School Building.

ARTICLE 71. VOTED UNANIMOUSLY: That the Town authorize and instruct the Board of Selectmen to release to Michael W. Lach any easement or right the Town may have in certain land situated on the westerly side of the highway known as North Street, by virtue of an easement grant dated September 22, 1934, recorded with Norfolk Deeds, Book 2050, Page 494, from Andrew Kaminiski to the Town of Randolph, said release to be given by the said Town only as to those water drains not now in existence but in no way releasing the Town's right to drains now being utilized by the said Town.

ARTICLE 72. VOTED: No action.

VOTED: Not to reconsider Article 17.

VOTED: Not to reconsider Article 2.

VOTED: To reconsider Article 16.

Hand vote: Yes: 83 — No: 71

VOTED: That the Town will not reaffirm the action as previously voted on Article 16.

Hand vote: Yes: 69 — No: 71

Standing vote: Yes: 67 — No: 72

A true Copy of the Record,

Attest:

WALDO E. MANN

Town Clerk.

## SPECIAL TOWN MEETING

*JULY 21, 1952*

ARTICLE 1. VOTED UNANIMOUSLY: That the Town raise and appropriate the sum of \$450,000.00 for the purpose of constructing an addition to the Devine School and for originally equipping and furnishing said addition to the Devine School, and to meet said appropriation the sum of \$5,000.00 be raised by current taxation and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$445,000.00 under authority of Chapter 44 of the General Laws, and to issue bonds or notes of the Town thereof in accordance with the provisions of Chapter 44, so that the loan shall be repaid in not more than 20 years; and that the School Planning & Building Committee be authorized to expend this money.

ARTICLE 2. VOTED UNANIMOUSLY: That the Town raise and appropriate the sum of \$4,000.00 for Board of Health Hospitalization.

## TOWN OF RANDOLPH, MASS.

ARTICLE 3. VOTED UNANIMOUSLY: That the reading of the report of the Selectmen on laying out Memorial Parkway from Highland Avenue to Main Street in the Town as a Public Way be dispensed with, the report having been duly filed with the Town Clerk.

VOTED UNANIMOUSLY: That the report of the Selectmen on laying out Memorial Parkway from Highland Avenue to Main Street as a Public Way, as shown on the plan on file in the Town Clerk's Office be accepted, and that said Memorial Parkway, as laid out as aforesaid, and as thereby established, be approved and allowed.

#### *(Part 2)*

If it is voted to place the position of Laborers in the Water Department within the classified Civil Service, shall the Town of Randolph vote to provide for the continuance in said positions of John Camelio, Americo Cozzatti, William

TOWN OF RANDOLPH, MASS.

Finnegan, John Handrahan, the present incumbents thereof, after passing a qualifying examination?

Yes . . . . . No . . . . .

**THE POLLS WILL BE OPEN AT EIGHT O'CLOCK IN THE FORENOON AND WILL BE CLOSED AT EIGHT O'CLOCK IN THE EVENING.**

You are directed to notify and warn the inhabitants qualified to vote as aforesaid to meet at the Randolph High School Auditorium, Memorial Parkway, in said Randolph on Monday, the sixteenth day of March 1953, at 7:45 o'clock in the evening, and then and there to act on the following articles:

Article 1. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1953, and to issue a note or notes therefor, payable within year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 2. To see if the Town will vote to raise and appropriate money to defray the General Town Expenses for the current year, as recommended by the Selectmen and the Heads of the various Departments.

Article 3. To see if the Town will vote to raise and appropriate money for unpaid bills of previous years in various departments.

Article 4. To see what action the Town will take in regard to raising and appropriating money for the employment of district nurses, as provided for by Section 5, Chapter 40, General Laws, as amended by Section 1, Chapter 371, Acts 1921, as petitioned for.

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

Article 5. To see if the Town will vote to accept Chapter 624 of the Acts of 1952 which provides for an increase in the amounts of pensions, retirement allowances and annuities payable to certain former public employees.

Article 6. To hear and act on reports of Town Officers.

Article 7. To hear and act on the report of any committee and choose any committee the Town may think proper.

Article 8. To see if the Town will authorize the Water Commissioners to appoint one of their members to another office or position under their control, and fix the salary of such person in accordance with the provisions of Chapter 36, Acts of 1929, or take any other action relative thereto.

Article 9. To see if the Town will appropriate the sum of \$35.00 for the maintenance and lighting of the clock in the tower of the First Congregational Church.

Article 10. To see if the Town will appropriate the sum of \$35.00 for the maintenance and lighting of the clock in the tower of the First Baptist Church.

Article 11. To see if the Town will vote to raise and appropriate a sum of money for the maintenance and upkeep of the Town Hall, as petitioned for by the Trustees of the Stetson School Fund.

Article 12. To see if the Town will vote to transfer a sum of money from the Parking Meter Fees to the Parking Meter Expense Account.

Article 13. To see if the Town will vote to accept a gift of one thousand dollars (\$1000.00) from M. B. Claff & Sons, Inc., to be used to purchase books, under the direction of the Superintendent of Schools, for the Library of the new High School.

Article 14. To see if the Town will transfer the care, custody, management and control of a parcel of land on the

## TOWN OF RANDOLPH, MASS.

southerly side of Memorial Parkway, adjacent to the Turner Free Library and running westerly approximately two hundred (200) feet, and thence southerly approximately two hundred (200) feet, to the Board of Selectmen for the purpose of constructing a combination Police and Fire Station, upon notification by the School Committee that said land is no longer needed for school purposes.

Article 15. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing, furnishing and equipping a new combination fire and police station on land owned by the Town of Radolph, on the southerly side of Memorial Parkway, adjacent to the Turner Free Library and running westerly approximately 200 feet, and thence southerly 200 feet, and to determine if the money shall be raised by taxation, by borrowing under Chapter 44 of the General Laws, or by transfer from available funds, or take any other action relative thereto, and to appoint a committee to be known as the Building Committee for the Fire and Police Station, consisting of the Chief of Police, the Chief of the Fire Department and seven other citizens.

Article 16. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a new ladder truck for the Fire Department, and to determine if the money shall be raised by taxation, by borrowing under Chapter 44 of the General Laws, or by transfer from available funds, the money to be expended by the Board of Selectmen upon recommendation of the Fire Chief, or take any other action in relation thereto.

Article 17. To see if the Town will vote to raise and appropriate the sum of \$550.00 for a new chain saw.

Article 18. To see if the Town will vote to raise and appropriate a sum of money for the purpose of purchasing a 35MT Bean Royal Sprayer complete with starter, generator, and battery for the sum of \$2,300.00 (two thousand

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

three hundred dollars) ; 250 feet hose for \$240.00 (two hundred forty dollars) ; 1 fig. 785 Gun for \$37.50 (thirty-seven dollars and fifty cents) ; making a total amount of \$2,577.50.

Article 19. To see if the Town will vote to raise and appropriate the sum of \$1,686.43 for the control, care and eradication of the Dutch Elm Disease in the Town of Randolph under Chapter 761 of the General Laws, Acts of 1949 (Effective August 27, 1949).

Article 20. To see if the Town will vote to raise and appropriate a sum of money for the control and eradication of mosquitoes by two applications of aircraft spraying.

Article 21. To see if the Town will vote to raise and appropriate a sum of money to build an addition to the Town Highway Barn.

Article 22. To see if the Town will vote to have name changed on permit held by Blue Hill Sand and Gravel Company, Inc., to Linwood Memorial Park. Said permit was previously granted to Blue Hill Sand and Gravel Company Inc., at a Special Town Meeting held October 24, 1949 and approved by the Randolph Board of Health to operate a non-sectarian cemetery on a parcel of land comprising about eighty (80 acres, adjoining lands of the Central Cemetery Corporation in accordance with the laws of the Commonwealth.

Article 23. To see if the Town will vote to petition the Massachusetts State Legislature to authorize the Town of Randolph to employ a Town Manager. It is further petitioned to see if the Town of Randolph will vote to petition the legislature for permission to operate under a charter similar to that of the Town of Saugus. If approved, the Moderator shall appoint a committee to draw up the Charter consisting of members of the Planning Board, the Moderator, and the Chairman of the 1950 Town Committee on the manager form of Town Government.

TOWN OF RANDOLPH, MASS.

Article 24. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, a sum of money to be used to bring the Sewerage Study and Survey of 1938 up to date.

Article 25. To see if the Town will vote to include in the record of each Town Meeting, in the Annual Town Report, the names of those Town Meeting Members and Town Officials, absent from such Town Meetings.

Article 26. To see if the Town will vote to purchase or take by eminent domain, a parcel of land to be used by the Townspeople as a Town Dump, or take any other action relative thereto.

Article 27. To see if the Town will vote to accept as a gift, free and clear, when it is deemed completed by the Board of Selectmen, the Building erected under the sponsorship of the Civic Improvement League of Randolph, on Town property in Belcher Park.

Article 28. To see if the Town will vote to set up a Special Parking Area Fund to be used only for the purpose of construction and maintenance of an off street parking area in Randolph Centre and require that all monies in the Parking Meter Fees Account be allocated to this Fund.

Article 29. To see if the Town will vote to raise and appropriate the sum of \$225.00 from the Belcher Park Fund for a Playground Supervisor at Belcher Park during July and August 1953.

Article 30. To see what action the Town will take on Article 2 of the Special Town Meeting, March 1947.

Article 31. To see if the Town will vote to raise and appropriate a sum of money for the purpose of purchasing in fee, for municipal purposes, the land, with the buildings thereon, situated on the easterly side of North Main Street, Randolph, Norfolk County, Massachusetts, bounded and described as follows:

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

Westerly by North Main Street, 45.17 feet;

Northerly by land now or formerly of Baker, 70.22 feet;

Easterly 7.25 feet;

Northerly again, 8.24 feet;

Easterly again, 48.90 feet, by land now or formerly of James J. Hurley;

Southerly, 29.50 feet, by land now or formerly of James J. Hurley;

Easterly again, 1 feet, by land now or formerly of James J. Hurley;

Southerly again, 37.87 feet, by land now or formerly of James J. Hurley.

Together with the benefit of the rights, easements and reservations contained in deed of Norfolk Realty Company to James J. Quirk dated June 28, 1915, and recorded with Norfolk Deeds, Book 1315, Page 134, and together with all other easements and rights of record and subject to all other rights, reservations and easements of record.

Being the premises shown as Lots A. and C. on "Plan of Land in Randolph, Norfolk County, Mass.," dated March 8, 1949, revised Nov. 29, 1949, drawn by Schuyler Clapp Company, Civil Engineers, and recorded in Book 2880, Page 246, Norfolk Registry of Deeds.

And to determine if the money shall be raised by taxation, by borrowing under Chapter 44 of the General Laws and any special act of the Legislature that may be enacted in the current year, or by transfer from available funds, or take any other action relative thereto.

Article 32. To see if the Town will vote to instruct the Selectmen to dispose of the parcel of land on which the Prescott Primary School Building is situated.

Article 33. To see if the Town will vote to instruct the Selectmen to appoint four (4) additional Police Officers, according to the Civil Service Rules and Regulations, and raise and appropriate money for same, as petitioned for.

## TOWN OF RANDOLPH, MASS.

Article 34. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a power shovel and to determine if the money shall be raised by taxation or by transfer from available funds, or take any other action relative thereto.

## ZONING AND BY-LAWS

Article 35. To see if the Town will vote to amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: To extend the present Industrial Area on the westerly side of Highland Avenue at Warren Street, to a point 800 feet more or less, beyond the south boundary line of the Lucy M. Young property, with a depth of approximately 1250 feet.

Article 36. To see if the Town will vote to amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: That the area at 671 North Street, title for which is in the name of James H. and Marilyn Allen, be included in the business district, for the purpose of opening a small variety store.

Article 37. To see if the Town will vote to Zone the following described area from residential to industrial, this property is a piece of property which is to the east and south side of Machine Shop and Foundry on Pleasant Street and is described as follows: Date Recorded: November 19, 1947, 1:52 P. M.; Book 2723, Page 287; from Assunta Puzone to Walter J. Good, Trustee;

Description: Land in Randolph, Norfolk County, Massachusetts, being part of that shown on a plan entitled "Plan of Land in Randolph, Massachusetts, March, 1924, Hartley L. White, Civil Engineer," said plan being recorded with Norfolk Deeds, Book 1768, Page 444, and said parcel being bounded:

Northerly, by Pleasant Street 104.62 feet as shown on said plan:

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

Westerly, by land now or formerly on the Randolph Foundary Company, 258.17 feet, and by a straight line which is a continuation of the westerly boundary, 97.23 feet more or less to a brook:

Southerly by said brook and by a stone wall which is in part the northerly boundary of land now or formerly of John Everett, 356 feet more or less to a corner of said stone wall:

Easterly by said stone wall by two courses one of 191.09 feet, and the other 69.05 feet, both as shown on said plan:

Northerly again by land now or formerly of Madden, Mahoney and DeCota, 311 feet:

Easterly again by land now or formerly of Madden 125.93 feet as shown on said plan.

Article 38. To see if the Town will vote to amend the Zoning By-Laws, adopted March 1938 by making the following additions and revisions:

### Section 2 B (2)

To the business zone at (a) add: the east side of North Main Street from Billings Street extended south to Russ Street, a depth of 150 feet from the sideline;

The west side of North Main Street from Billings Street south to Mitchell Street a depth of 150 feet from the sideline;

To the business zones at (b) and (c) add: the east side of North Main Street from (b) to (c) a depth of 150 feet from the sideline;

The west side of North Main Street from (b) to (c) a depth of 150 feet from the sideline;

To the business zone at (c) and (d) add: The east side of North Main Street from Vesey Road, south to (d) a depth of 150 feet from the sideline;

To the business zone between (d) and (f) add: The east side of North Main Street from the south side of Mount Pleasant Square south to Pleasant Street for a depth of 150 feet from the sideline; The west side of North Main Street from the south side of Wales

TOWN OF RANDOLPH, MASS.

Avenue, south to West Street, a depth of 150 feet from the sideline;

Section 2 B (3)

Add: (c) The area bounded by Vine, Lafayette, and West Streets, west to the Stoughton Line;

Section 5 paragraph 1 (a) Change "(7500) square feet" to 12,000 square feet, and change "75 feet" to 100 feet. Delete the final sentence of Section 5 a, paragraph 1, and insert the following: one year from the adoption of the amendment said amendment shall apply to all lots recorded as such with Norfolk Deeds or registered as such in Norfolk Registry District.

Paragraph 2: Change "60 feet" to 75 feet.

Section 5 B (1) Change "25 feet" to 40 feet.

Section 5 B (1) (a) Change "45 feet" to 60 feet.

Section 5 B (2) Change "15 feet" to 40 feet.

Section 2 B (3) (continued from page 1 of article) Add:

(d) the area bounded by High Street, the Stoughton line, and a line drawn parallel and 100 feet south of Gold Street.

Article 39. To see if the Town will vote to amend the Zoning By-Laws of the Town, having to do with zoning, to change the Zoning Map (which by the provision of Section 2B is declared a part of this By-Law) so that the area described substantially as set forth below shall be changed from Residential District or zone, to Business District or Zone;

Beginning at the northerly end of curve at the northerly junction of Russ Street and North Main Street and running northerly by the easterly sideline of North Main Street, 1131 feet;

Thence running northeasterly 216 feet;

Thence running southerly 1267 feet to the northerly sideline of Russ Street;

Thence running westerly 148 feet by the northerly sideline of Russ Street;

Thence running northwesterly 7739 feet by a radius of

ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

50 feet forming the northerly junction of Russ Street at North Main Street to the point of beginning.

Article 40. To see if the Town will vote to Zone for Industry the following premises: Beginning at a point 200 feet easterly of North Main Street and 100 feet north of Martindale Road and thence running northerly on a line parallel to North Main Street, 390 feet to the northerly side of the lane at land now of Ignazio DiPasqua, trustee, formerly of Charles G. Maguire, thence running easterly by the northerly side of said lane and said DiPasqua land as the wall or foundation thereon now stands about 670 feet to a corner, thence running northerly and somewhat westerly by said DiPasqua land about 229 feet more or less to Blue Hill River; thence on Blue Hill River in a general easterly direction indicated on a plan of a part of the homestead of Joseph Hunt situated in Randolph and Quincy; Royal Turner, Surveyor, recorded with Norfolk Deeds, Plan Book 69, Plan 3304; thence running in a southerly direction from said point designated on said plan as "supposed line" to a point on said line extended 617 feet; thence turning and running at right angles to land indicated on said plan as "Woodland, Joshua Hunt" 564 feet to a corner; thence northwesterly along a straight line 200 feet to a point parallel to Martindale Road and 100 feet north of Martindale Road; thence running westerly 850 feet along a straight line parallel to Martindale Road to the point of beginning.

Article 41. To see if the Town will vote to amend the Zoning By-Laws by the addition of the following amendment to Section 5A Paragraph 1: In the case of any lot below the minimum area, building permits must be accompanied by a deed showing that the lot was recorded at the Registry of Deeds prior to the effective date of this By-Law.

Article 42. To see if the Town will vote to amend the Zoning By-Laws by the addition of the following amendment to Section 3 Part A Use Regulations: Erecting or

ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

TOWN OF RANDOLPH, MASS.

NOTICE

The attention of parents is called to law relating to the registering of births. The present requirement is as follows:

Chapter 29, Sec. 6, of the Revised Laws. Parents within forty days after the birth of a child . . . shall cause notice thereof to be given to the clerk of the town or city in which such child is born.

Section 8. A parent . . . who neglects to do so for ten days after the time limited therefor . . . shall forfeit not more than five dollars for each offense.

Attention of PHYSICIANS and MIDWIVES is called to Chapter 280, Section 1, Acts of 1912: Section 1. Physicians and midwives shall, within forty-eight hours after the birth of every child in cases of which they are in charge, mail or deliver to the clerk or registrar of the city or town in which the birth occurred, a notice stating the date and place of the birth, giving the street number, if any, the number of the ward in a city and the family name. Failure to mail or deliver the said notice shall be punished by a fine not exceeding twenty-five dollars for each offense.

In accordance with the provisions of the law, the Town Clerk is prepared to furnish parents, physicians, and midwives applying therefor, blanks for return of births as required by law.

*In Memoriam*

James Henry Dunphy, Esq.

Born - April 20, 1883 - Randolph, Mass.

Died - December 28, 1952 - Randolph, Mass.

Served as Selectman the following  
years:

1911 - 1913 - 1914 - 1915 - 1916  
1918

Served on Board of Health - 1911

Served on Board of Assessors - 1914

Served on Board of Registrars -  
1947 - 1952

Was a Town Meeting Member 1949 - 1952

---

TOWN OF RANDOLPH, MASS.

**REPORT OF  
THE BOARD OF REGISTRARS**

During the past year, the Board of Registrars held sessions on January 15, 23, 28 and February 12, in the Town Hall, Belcher School and Devine School, when 365 new voters were registered.

March 28, they registered 103 and during April, May and June, 84 were registered. At the pre-primary registration in August, 345 were registered and at the registration sessions previous to the state election, 724, making a total of 1616 new voters. This included a number that were registered by the town clerk, Waldo E. Mann, outside of the regular registration sessions.

After correcting the voting list, removing names of persons who had died and of those who had left town, the total number of registered voters at the present time is 5952.

We have on file, 7000 cards of persons 20 years of age and over, whether they are citizens or not, that were listed the first of the year. With the many new houses being erected, we expect to have many more new listings and new voters the coming year.

James H. Dunphy, one of the registrars who passed away in December, 1952. served with the board the past six years.

Board of Registrars  
Helen C. Sullivan, Chm.  
Elizabeth R. Cunningham

## CIVIL DEFENSE AGENCY

To the Board of Selectmen

Randolph, Massachusetts.

Herewith submitted is the second annual report of the Civil Defense Agency, organized under the authority of Chapter 639 of the General Laws of Massachusetts, known as "An Act to Provide for the Safety of the Commonwealth during the existence of an emergency, resulting from disaster or from hostile action."

An Amendment was made to Chapter 639 of the Act of 1950, effective May 13, 1952, in Section 22, extending the effectiveness of this Act to July first, nineteen hundred and fifty three.

Protection has been provided to Civil Defense volunteers in this Act, by the following insertion as follows:

(Extract from Section 11A-) Every person appointed under paragraph (a) of section eleven of this act who, while participating in training, or performing duty, in the city or town in which he is appointed or in another city or town in this commonwealth or in another state under or pursuant to any provision of this act or any mutual arrangement or interstate compact made under authority, thereof, shall without fault or neglect on his part sustain loss of or damage to his property by reason of such participation in training or performance of duty, shall be indemnified by the commonwealth for such loss or damage; but said indemnification shall not exceed fifty dollars for any one accident. Every such person, who while so participating in training or performing duty, shall by reason thereof without fault or neglect on his part sustain personal injury, shall be indemnified by the commonwealth for the reasonable hospital, medical and surgical expenses incurred by him, or in his behalf by reason of such injury, and also for his loss of earning capacity, if any; but such indemnification for loss of earning

shall not exceed for any one week a sum equal to thirty dollars plus two dollars and fifty cents for each person wholly dependent on such person within the meaning of section thirty-five A of chapter one hundred and fifty-two of the General Laws. Every person who, while so participating in training or performing duty, shall by reason thereof without fault or neglect on his part receive any of the injuries specified in section thirty-six of said chapter one hundred and fifty-two shall be indemnified by the commonwealth at the rate and for the period specified in said section thirty-six except that any determination required by said section to be made by the industrial accident board shall be made by the civil defense claims board.

If any such person is killed while, and by reason of, so participating in training or performing duty, or if any such person dies from injuries received, or a natural and proximate result of undergoing a hazard, while and by reason of, so participating in training or performing duty, the reasonable expense of his burial, not exceeding five hundred dollars, shall be paid the commonwealth, which shall also pay to his dependents the following annuities: To the widow, so long as she remains unmarried, an annuity not exceeding fifteen hundred dollars a year, increased by not exceeding three hundred and twelve dollars for each child of such person during such time as such child is under the age of eighteen or over said age and physically or mentally incapacitated from earning; and, if there is any such child and no widow or the widow later dies, such an annuity as would have been payable to the widow had there been one or had she lived, to or for the benefit of such child, or of such children in equal shares, during the time aforesaid; and, if there is any such child and the widow remarries, in lieu of the aforesaid annuity to her, an annuity not exceeding five hundred and twenty dollars to or for the benefit each of such child during the time aforesaid; and, if there is no widow and no such child, an annuity not exceeding one thousand dollars to or for the benefit of the father or mother of the deceased, or

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

to or for the benefit of an unmarried or widowed sister of the deceased with whom he was living at the time of his death, if such **father, mother or sister** was dependent upon him for support at the time of his death, during such time as such beneficiary is unable to support himself or herself and does not marry.

Since submission of the 1951 annual report, personnel in the Civil Defense Agency has been increased from 108 to 350 for all departments. When oaths have been completed to volunteers now in process of becoming volunteer members, this figure will be doubled.

Organization development has been progressing slowly, but surely. Local patriotic and social organizations in Randolph are becoming interested, and accepting responsibility in organizing facilities of Randolph, for self defense. Merchants and business manufacturing concerns, and construction and machine companies have cooperated in interesting personnel of their establishments in the advantages of becoming conscious of the obligation of each individual, in protection of himself, his home, and his town, should an emergency occur.

The Alarm System is about ready to cover the entire area, which will be heard by every inhabitant.

Shelter signs have been ordered, and after a survey made by members of the American Legion is completed, will be posted throughout the town.

Members of the American Veterans Auxiliary, and the Junior Ladies Library, are prepared to assist in operation of Evacuee Registration at the High School, and other selected points.

The Veterans of Foreign Wars are prepared to extend training, and information for individual self protection, and extended self protection to all citizens of Randolph, in case of emergency.

## TOWN OF RANDOLPH, MASS.

A First Aid class starts Monday February 2nd at the High School, for the Police and Fire Departments, and their auxiliaries. Too much emphasis cannot be placed on the importance of this activity.

A Communications Test is conducted by Region 5 the first Monday of each month, in which members of the Randolph Civil Defense organization participate.

In conjunction with the activities of this Agency, the operation of the Ground Observer Corps of the Air Force has become an integral part.

On round-the-clock duty, twenty-four hours each day, this unit becomes increasingly important in the defense plans of our country. The strength has increased since the last annual report from twenty-four (24) to eighty (80). We need at least a hundred more personnel. At present volunteers come from Braintree, Holbrook and North Easton, in addition to volunteer residents of Randolph. Personnel in this group has the same protection afforded Civil Defense volunteers, in case of accident in line of duty.

According to reports from the Air Force there are insufficient round-the-clock Observation Posts operating on a full time basis to give complete warning of air attack. The stations, approximately eight miles apart, blanket the eastern seaboard. Accordingly, there are blank areas through which enemy air planes can reach our shores, without detection. This duty is without glamour, which may account for the lack of interest. Many persons have joined this group, but do not indicate by their absence, the importance that should attach in case of a second Pearl Harbor.

In conclusion, may it be said, that Randolph is not sufficiently prepared to meet an emergency that can happen here. This report is written with the thought that we are all concerned, and should an all-out war be averted, we have gained by whatever training we may have been exposed to - remembering that:

ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

Wisdom is knowing what to do.

Knowledge is knowing how to do it.

Virtue is doing it.

Ralph E. MacLeod

TOWN OF RANDOLPH, MASS.

**REPORT OF  
INSPECTOR OF WIRES**

January 6, 1953

To the Honorable Board of Selectmen:

Randolph, Massachusetts.

I hereby submit my report for the year of 1952 as Inspector of Wires.

A total of 409 permits were issued and the sum of \$823.75 deposited with the town treasurer.

Number of permits issued	409

School	1
Factory	1
New Office	1

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

Club	1
Railroad Station	1

A total of 712 calls were made and 3,816 miles were traveled by car.

A considerable amount of time was spent on the New High School to assure the town of the best possible job.

A permit is required before any electric work or additional work is started.

Respectfully Submitted,

Alton F. La Brecque

Inspector of Wires.

## TOWN OF RANDOLPH, MASS.

### REPORT OF THE HIGHWAY SURVEYOR

To the Citizens of the Town of Randolph:

The Highway Department completed the usual Spring work consisting of sweeping, patching gravel on dirt roads, cleaning brooks, drain lines, catch basins, painting and repairing street signs, also sidewalk repairs.

The list of streets that received surface treatment were Stoughton Street, Selwyn Road, Cummings Circle, Cedar Circle, Rockefeller Street, Marion Street, Overlook Road, Wales Avenue, Fairfield Road, Tileston Road, Fencourt Avenue, Wilmarth Road, Howard Street, Plain Street, Pauline Street, Old Street, Chestnut Street, Vesey Road, Grove Street, Mill Street, Orchard Street, Bartlett Road, Edwin Street, Amelian Road, Cole Terrace, Junior Terrace, Stevens Terrace, Patterson Avenue, South Street between Center and Holbrook Line, Pleasant Street. Also treated with  $\frac{1}{2}$  inch stone and R. C. 5 were Cottage, Depot and Short Streets.

The gravel highways were given Calcium Chloride treatment as a dust layer.

#### *CHAPTER 90 MAINTENANCE*

The work completed under Chapter 90 was surface treatment on Pond Street, Canton Street from North Main Street to Irving Road, also catch basins were cleaned, brush cutting, sweeping, repairing shoulders, and patching.

#### *SPECIAL APPROPRIATION*

Projects that were completed under the Betterment Act were Himor Circle, Bossi Avenue, Mitchell and Hall Streets.

#### *CHAPTER 90 CONSTRUCTION*

Liberty Street was completed under State and Town

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

supervision, as was Warren Street from North Main Street to Highland Avenue.

### *DRAINAGE*

One section of Cedar Circle was completed and has taken care of some severe flood conditions.

### *ENGINEERING APPROPRIATION*

I wish to report that careful inspection has been given to new Highway construction and drainage in all areas, and under the new Planning Board rules, the Town has been able to proceed in the right direction. The appropriation was an asset to the Town as it has enabled us to plan future drainage, Highways and a check up on new developments and betterment act projects.

### *SIDEWALKS*

Appropriations made for completion of sidewalks on North Main Street and South Main Street were delayed due to the fact that the State Department of Public Works was not able to start work on curbing and excavation until last November. I have contacted the State to see if construction will proceed early in the spring, so we will be able to complete our part of the work.

### *NEW EQUIPMENT*

The appropriation for new equipment was of great value to the Town, we have purchased a 100 horse power road grader, one Hough Loader, and a 10 - 14 ton roller. This equipment will give us more and better service, both winter and summer.

During the year of 152, snow removal, plowing and sanding was about normal with the exception of the month of February when we had three northeast storms that hit hard within a period of ten days. These storms kept our snow workers very busy plowing, sanding and hauling snow.

# TOWN OF RANDOLPH, MASS.

and keeping our catch basins operative.

A clipping from one of the Boston news papers quotes these lines "The month of February 1952 turned out to be the toughest of the past seven years, February total fall of 19.1 was the heaviest of any preceding February since that of 1945 when a total of 26.3 snow fell here". You will note that Randolph had 26 inches during the month of February 1952.

## THE LIST OF STORMS IN 1952 ARE AS FOLLOWS

Date	Plowing	Sanding	Depth
Jan. 3	Yes	Yes	5"
Jan. 6	Yes	Yes	5"
Jan. 7	No	Yes	1/2"
Jan. 10	Yes	Yes	4"
Jan. 28	Yes	Yes	4"
Feb. 7	No	Yes	2"
Feb. 17	Yes	Yes	10"
Feb. 21	Yes	Yes	5"
Feb. 27	Yes	Yes	9"
Mar. 1	No	Yes	1 1/2"
Mar. 5	No	Yes	1"
Dec. 22	Yes	Yes	5"
Dec. 31	No	Yes	2 1/2"
Total fall			54 1/2 inches

I wish to thank the Town Officials and Citizens for the fine cooperation given to the Highway Department.

Respectfully submitted,

John A. Frederickson,  
Highway Surveyor.

ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

**REPORT OF BOARD OF HEALTH**

The Board of Health respectfully submits its annual report for the year ending December 31, 1952.

Our district health nurses, Miss Beatrice Scannell and Mrs. Signe Heath are kept busy answering many calls and have been most helpful and co-operative.

The Dental Clinic was conducted by Dr. William F. Maguire, assisted by our school nurse Miss Helen F. Conlon and the diptheria clinic conducted by Dr. Charles E. Wells, school physician.

There has been a large amount of fees collected by our plumbing inspector, Mr. Thomas O'Riley, according to his report.

Permits for 177 cesspools have been issued, some of which have not been started.

Communicable diseases for the year 1952 were as follows; Scarlet Fever 6; Measles 47; Chicken Pox 7; Mumps 1; Polio 1; and Dog Bites 38.

Respectfully submitted,

HENRY J. ROTA

FREDRICK DIAUTO

SETH SWAIN

TOWN OF RANDOLPH, MASS.

**REPORT OF  
INSPECTOR OF PLUMBING**

Honorable Board of Selectmen

Randolph, Mass.

I hereby submit my report for the year ending Dec. 31, 1952. One hundred fifty eight permits were granted during the year.

Over five hundred calls were made for water tests, final inspections, and interviews. The new High school was completed and the plumbing was installed by C. H. Cronin Co. of Boston and many calls were made by me to inspect each individual line as the roughing work on each line was completed.

Upon completion of the building I made a final inspection of the plumbing and found the work done there in accordance to the plumbing code of Randolph.

After conferring with Board of Health and upon the advice of Town Council I requested the Board of Health to increase the plumbing fees to correspond with the fees of the surrounding towns. The fee is now two dollars for first fixture and one dollar for each fixture thereafter instead of the original five dollars for each permit. This will not only bring in more revenue to the town but will also benefit the home owners who wish to replace fixtures.

Several projects are in process of building now throughout the town, and the year 1953 should be a busy year for the plumbing inspector.

Respectfully submitted,

THOMAS O'RILEY

Plumbing inspector

**REPORT OF  
INSPECTOR OF SLAUGHTERING**

To the Board of Health of Randolph.

Gentlemen;

I hereby submit my report for the year of 1952.

Total number inspected; Swine 41; Cattle 8; and  
Calves 1.

Total for the year 50.

--------------------------------	----

Henry Merrill

Milk Inspector

ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT  
*REPORT OF THE COMMITTEE FORMED TO STUDY  
AND ADVISE ON ZONING IN THE TOWN*

The committee met on successive Thursdays for three months in order to study the existing zoning laws, determine needed revisions, and to suggest the extension of the commercial and manufacturing zones to allow for a regular and well ordered expansion of Town business. The zoning laws in several neighboring towns were examined, the Planning board was extensively consulted, and several collective and individual field trips were made. The opinion was formed that the business district is presently inadequate and in need of enlargement. It appears inevitable that the entire Main Street from Quincy to Avon will eventually be classified as a business zone. However, such an expansion should be made in a succession of extensions of the business zones as the need arises. It is the opinion of the working nucleus of this committee that the existing zoning law and corresponding map adopted at the Town meetings in March 1938 was carefully planned and well constructed, but has suffered from neglect of its enforcement. This can readily be seen by counting over twenty business establishments on the Main Street alone which are operating in residential zones. Consultation of the zoning map will show in addition that virtually all businesses not fronting Main Street are located in residential zones with the exception of these in existence before the zoning law was adopted and a dozen or so which have since been rezoned at Town meetings. Accordingly, it is the first recommendation of this committee that the existing zoning law be properly enforced.

Recommendations of the committee requiring adoption by the Town have been submitted in the form of articles for the Warrant. These seek the acceptance of minimum lot sizes of 12,000 square feet in residential zones with provision for adequate setbacks. Extensions of the business zones are provided. Examination of the land currently zoned for

## TOWN OF RANDOLPH, MASS.

manufacturing led to the conclusion that it was unsuitable in a number of respects. Therefore an increase in land available for such purposes is advised and additional manufacturing area is specified in the submitted articles.

It is hoped the Town will empower the committee to continue its activities for an additional year to study ways and means to extend the business zone in the Town center and to include a municipal parking area.

The committeemen undersigned are those responsible for its proposals and should be credited or held accountable for its actions.

Cordially submitted

Fabian Lionetti (chairman), Edgar B. Cole, Robert B. Fraser, Ralph J. Warren, Perley R. Evans.

---

## SPECIAL COMMITTEE REPORT

The Committee to study the advisability of the construction of a combination Police and Fire Station on Memorial Drive held ten meetings at the Town Hall, also inspected the station at Needham and went to Walpole to look at plans for a new station on which construction had just started.

It is the opinion of this committee that a combination Police and Fire Station is not only desirable but an actual necessity for the Town of Randolph.

Articles appearing elsewhere in the warrant outline the opinion of the committee and afford the Town Meeting members an opportunity to do whatever they deem best for the welfare of the town.

TOWN OF RANDOLPH, MASS.

**REPORT OF  
THE DEPARTMENT OF VETERANS SERVICES**

To the Honorable Board of Selectmen:

The Department of Veterans Services takes pleasure in submitting to you a summary of service rendered to the veteran and his dependents, of the town of Randolph, for the past year.

This office has processed and developed 77 cases for veterans benefits which were authorized by the Commonwealth under Chapter 115 as amended by Chapter 584 of the Acts of 1946, granting qualified veterans and dependents financial aid when in need, also 12 cases which were disallowed because no need was shown; had 2 cases for War Allowance under Chapter 797, Acts of 1950 of which one was authorized by the Commonwealth, one was disallowed because dependency was not proven, making a total of 91 cases for benefits handled by this office during the past year. The town is reimbursed 50% for all qualified Randolph Settled Cases and 100% for State Settled and War Allowance cases. After application is filed by veteran or dependent of veteran for veterans benefits, a rigid investigation, to determine if need is shown, must be made by agent, if case does qualify, case must be investigated periodically, for any change in status.

As Director of Veterans' Services, this office covers every form of advisory and contact work with all federal and state departments for the veteran and his dependents, such as processing and developing claims for war service connected disabilities; Non-service connected disabilities, Widow's pension, burial allowance, dependent parent pensions, application for hospital care for all veterans; out-patient treatment for medical or dental, on the job training and education for W. W. II veterans under Public Law 16 and 346; on the job training and education for Korean veterans under Public Law 894 and 550, also information regarding

# ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

real estate and business loans for W. W. II and Korean veterans.

The above covers the major part of service to the veteran and his dependents as carried on by this office.

The following is an enumeration of the claims for services handled and processed by this office ending December 31, 1952:

Number of Claims for burial allowance	6
Number of Claims for burial allowance awarded	6
Number of Claims for widow's pension	6
Number of Claims for widow's pension awarded	6
Number of Claims for dependent parent pension	2
Number of Claims for dependent parent awarded	2
Number of Claims for service connected disability	107
Number of Claims for service connected disability awarded	67
Number of Claims for service connected disability pending	36
Number of Claims for non-service connected disability	30
Number of Claims for non-service connected disability awarded	19
Number of Claims for non-service connected disability pending	7
W. W. II — Number of Claims for on the job & education under Public Law 16 & 346	31
W. W. II — Number of Claims for on the job & education under Public Law 16 & 346 awarded	22
W. W. II — Number of Claims for on the job & education under Public Law 16 & 346 pending	6
Korean W. — Number of Claims for on the job & education under Public Law 550 & 894	16
Korean W. — Number of Claims for on the job & education under Public Law 550 & 894 awarded	16

TOWN OF RANDOLPH, MASS.

Korean W. — Number of Claims for on the job & education under Public Law 550 & 894 pending	7
Number of Veterans sent for outpatient treatment to Soldiers Home and Veterans Administration Hospitals	62
Number of Veterans admitted to Soldiers Home and Veterans Administration Hospitals	53
Total value of pensions awarded to Randolph Veterans of all wars	\$12,669.32

Total number of applications filed for compensation and pensions 198; plus 118 claims for hospital care and outpatient treatment for medical and dental, making a total of 306 applications ending December 31, 1952.

In conclusion, I would take this opportunity to thank you, the Board of Selectmen, the veterans organizations of the town and the local doctors for their cooperation, without it, the services rendered to the veteran and his dependent, by this office, would not be possible.

Respectfully submitted,

William S. Cole

Agent and Director

## REPORT OF THE PLANNING BOARD

Formally organized March 4, 1952 in accordance with provisions of Chapter 41, Section 81A thru 81Y of the General Laws and as voted by the Town Meeting March 1951, Edward J. Roycroft was elected Chairman, Charles E. Preble Secretary, Carroll L. Paine, Treasurer, with Randolph Boothby and Frank Young completing the five man Board elected.

The duties of the Planning Board as provided in this Chapter are numerous and it is needless to say that they could not all be covered in the period of one year. Lack of proper planning in the past has made the work of this Board even more difficult. Meetings have been held with the Board of Health Building Inspector, Selectmen and Highway Surveyor seeking their assistance in furnishing the proper planning for the town. Most of the ground work has been completed and we hope to have a complete long range program ready for March 1954.

### *DEVELOPMENTS*

Many public hearing have been hold on Housing Developments with the result of approximately 500 new homes either completed, under construction or on approved plans. In all cases 100% bonds covering road construction and drainage have been filed with the Board guaranteeing the Town that all work will be completed in accordance with rules and regulations of the Planning Board. And additional development of 500 homes now contemplated will no doubt be under construction in the Spring. Some developers have seen fit not to comply with regulations, therefore building permits have not been and will not be granted in accordance with State statute until these regulations are met. We regret that many purchasers of land in one devolopment due to lack of co-operation of the devoloper, have been unable to

## TOWN OF RANDOLPH, MASS.

secure building permits and proceed with the development of their property. Court action has been taken to protect their interests and we trust this condition will not continue. We invite the citizens to inspect the Streets and drainage in the projects bonded and now under construction.

### *BETTERMENTS*

Fuller Street, Morse Street, Ryan Street, Morgan Street, Sarah Street, Upham Street and Royal Street were all submitted for Planning Board Action and Public Hearings were held. Due to the lack of a town engineer and engineering facilities it was not possible to furnish an accurate estimate of construction costs and protective estimates were furnished. Although these estimates were high all abutters present at the hearings favor this work. Ely Street, Stoughton Street, Byron Street off Vesey Road and Charlotte Lane have been submitted too late for this report but action will be taken on these Streets. The cost of construction of all these Streets complete with necessary Drainage and water would exceed \$300,000.00 these betterments should be covered by long range planning and we feel that at this time only necessary engineering work should be completed and the Streets be referred back to the Planning Board for a proper set up under long range planning. Streets constructed under the betterment act as well, as those in new developments require little if any maintenance for at least ten years and will reduce the cost of snow plow and equipment repairs. This board will vigorously oppose the construction of any Streets unless water facilities approved by the Water Commissioners are installed before construction of said Streets.

### *ENGINEERING*

The progress of the town has been greatly handicaped for lack of proper engineering. In addition to this board the following departments also require engineering services: Board of Health, Highway Surveyor, Water Board and Assessors. A full time planning engineer would prove an

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

asset and is necessary due to the fast growth of the town. The preparation of a master plan study is mandatory under the state statute the estimated cost being \$100,000.00. A Planning Engineer could develop this plan and keep the Assessors plans up to date, over a period of years at no extra cost. Street layout and engineering of Streets under construction plus developments would also be covered. The existing sewage plans could be brought to date. No department no matter how willing can function efficiently unless you the citizens are willing to furnish the proper tools.

### *SITES*

Many parcels of land falling to tax title have been disposed of without thought of future development. New school sites - Fire and Police stations - Town Officers - Playgrounds and filter beds must be set aside for the future. Industrial sites must be zoned and business zones extended. Industry must be encouraged or Randolph will have a tax rate far beyond the citizens ability to pay. We suggest to the citizens that consideration be given in long range planning to the construction of new and modern Town Officers, perhaps including combination police and fire station to be located on the site of the present Town Hall and fire station. We recommend that the land on which the Prescott schools now stand be held by the town for future school purposes.

We wish to extend our thanks to the department heads for their co-operation and efforts. We particularly extend our thanks and appreciation to John Frederickson, Highway Surveyor and to John Hannon, engineer for their untiring efforts without which our work would have been much more difficult.

LIBRARY TRUSTEES

To the Citizens of Randolph:

Pursuant to the provisions of Article 3 of the By-Laws of the Turner Free Library, this Report for the calendar year 1952 and being the seventy-seventh report is submitted, showing the condition of the Trust consisting of the building, library and funds, together with the reports of the Librarian and of the Treasurer, and so much of reports submitted to the Trustees by the various committees as seem to be of general interest.

The Library Committee reports that the books, charts and furnishings are in good condition and that all books owned by the Library are accounted for by the Librarian.

The appropriation in the amount of \$2600 voted by the Town for 1952 was expended in its entirety for necessary repairs and expenses.

For the year 1953 the Trustees are requesting an appropriation in the amount of \$2,000. for the general repairs

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

of the building, furnishings and fixtures and for the general purposes of the Library.

A copy of each of the following reports is hereunto subjoined: Report of the Librarian, Report of the Treasurer showing receipts and expenditures and the Report of the Finance Committee.

It is with a feeling of sadness that the Trustees record the passing of Mr. Benjamin P. Crowell, who so ably and conscientiously filled the position of Library Trustee from 5-4-31 to 7-18-52 the date of his death. An appropriate Resolution evidencing his labors on the Board, as well as other associations in the Town, was adopted and a page in the minutes set aside for insertion therein.

The Trustees wish to express their appreciation to all those who contributed in any manner to the Library during the past year.

Respectfully Submitted

Frederick E. Knebel

President

## TOWN OF RANDOLPH, MASS.

To the Trustees of the Turner Free Library

I have the honor to submit the annual report of the Librarian for the year ending December 31, 1952. —

The Library has been open to the public Monday, Wednesday and Saturday afternoons from 2:00 to 4:30 and every evening from 7:00 to 9:00 with the exception of Sundays and holidays. —

During July and August the Library was open evenings only. —

There have been 241 books added the past year - 233 purchased, 8 gifts. —

Number of books loaned 10,362. Fiction 5482. Juvenile 2384. General 2496. March had the largest circulation 1206 having been loaned. —

Number of Magazines loaned 275. Borrowers cards issued 463, renewals 168, new applicants 295. —

The Children's Story was very successful. There were 6 sessions during July and August. On November 22 in observance of Children's Book Week we had a well attended session.

Mrs. George Komich was in charge of the Story Hours and told many interesting Stories in her delightful manner. —

Books have been borrowed through the Inter—Library Loan for students and others. —

The reference room has been used for Study by Junior High, Randolph High and College students. —

Two new magazines have been added to our list News-week and Collier's, American Legion and Rotarian were gifts. —

# ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

## REPORT OF TREE WARDEN

To the Citizens of the Town of Randolph.

I hereby submit the following report of the work of your Tree Department for the year 1952.

*Report of the Dutch Elm Disease in Randolph, Mass.*

### The Situation in Randolph

Randolph is in the unfortunate position of being located in one of the areas in the state most severely infected with the Dutch Elm Disease. In 1952, at total of 415 Elms are known definitely to have been infected with this disease in adjoining towns of Holbrook, Braintree, Quincy, Milton, Canton, and Stoughton. Randolph itself will have to take down 28 Elm Trees stricken with Dutch Elm Disease in 1953.

In Randolph, the town is faced not only with prospect of having to remove many of its beautiful Elms, but also with additional financial burden of having to plant new trees. It would be conservative to say that for every public Elm which must be taken down and a young tree planted in its place, the average cost to the town will be \$100.00. The aesthetic value of the large old Elm cannot be measured in terms of dollars.

To combat this condition your Tree Warden, Joseph J. Hart, has taken samples of all Elm Trees and submitted them to the Shade Tree Laboratory at Amherst College. Their report shows that 28 trees in the town are affected by this disease and orders from the State Department of Conservation demand that these trees be removed and all branches and bark burned.

Thirty four dead trees were removed during the Year and a great many pruned. These trees were replaced where possible with new ones. All areas where children pass to and

## TOWN OF RANDOLPH, MASS.

from school, and all school yards and parks, and thickly settled areas throughout Randolph where Poison Ivy is present, I have sprayed and remedied this situation to best of my ability.

The never ceasing work of eliminating bushes because of view obstruction constitutes a dangerous menace to car drivers, has been taken care of.

Respectfully submitted,

JOSEPH J. HART

Tree Warden

---

## REPORT OF MOTH SUPERINTENDENT

To the Honorable Board of Selectmen

Citizens of the Town of Randolph

I submit the following report of the Moth Department for the year of 1952.

D. D. T. in both liquid and powder forms were used on several colonies of Gypsy Moth as a spray with excellent results. Japanese Beetle was found in locations all over town. You may expect them anywhere this coming season. Remedies; lead arsenate spray or powder or D. D. T. spray or dust. Heavy concentration of Fall Web Worms were found during the months of August and September. Lack of money prevented proper spraying, but provision has been made in the budget to remedy this condition.

The sprayer is in very bad condition, and the town must buy a new sprayer.

The Commonwealth of Massachusetts, through its Insect Pest Control Department has notified this Department

ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

that our liability for Gypsy Moth work for the coming year is \$3,330.00 and have recommended that this Department ask for an appropriation of \$3,330.00 to be expended solely for control against those insects specified in Section 11, as public nuisances.

Respectfully submitted,

JOSEPH J. HART

Moth Superintendent.

## REPORT OF THE WATER COMMISSIONERS

The sixty-seventh annual report of the Board of Water Commissioners is herewith submitted, covering activities of the Department for the year ending December 31, 1952

Organization of the Board was as follows:

Frederick D. Driscoll .....	Chairman
Martin E. Young .....	Clerk
William J. Almond .....	Associate
<i>Appointment by Board</i>	
Marion L. Bailey .....	Clerk-Collector

During the calendar year 1952, the Department received applications for two hundred and two services. These have all been installed.

### *Department Maintenance*

Thirty-seven service leaks were repaired, twenty-six services were renewed from main to curb, nineteen were cleaned out, and fifteen service boxes found broken were replaced.

Twelve hydrants were broken, nine of those by automobiles. Most of the damages incurred have been collected for through insurance. Five additional hydrants found leaking were repaired. One of these was a complete replacement.

In conjunction with the continued widening of North Main St., eight services were renewed and two hydrants were relocated and raised to new road grade.

With the completion of the building of Liberty St., twenty-one services were renewed. Thirty services on Warren St. were also renewed ahead of the resurfacing of Warren St. The balance to be completed in 1953.

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

### *Meter Department*

In the meter department, eighty-six meters were removed from service, fifty-seven not registering, three were frozen and burst, five for test, and twenty-three for various other reasons, also twenty-two outmoded meters were junked. Seventy meters were reset after repairs and cleaning. Two hundred fifty-three new meters were set, two hundred thirty-four were new services and nineteen as replacements.

Approximately 1000 ft. 6" J. M. Asbestos pipe, three gates, one hydrant.

CHESTNUT CIRCLE

Approximately 1180 ft. 6" C. I. pipe, four gates, two hydrants.

MAPLE LANE

44 ft. 6" C. I. pipe, 300 ft. 2" wrought iron, two gates, one hydrant.

MARTINDALE ROAD

Approximately 1280 ft. 6" C. I. pipe, seven gates, two hydrants.

CHRISTY LANE

Approximately 1150 ft. of 6" C. I. pipe, three gates, one hydrant.

*JOINT*

Work on the pumping alteration and replacements at the station, after considerable delay due to delivery difficulties, is now progressing rapidly and completion of the entire installation is expected shortly. The oil burners were installed in September and are expected to reflect a substantial saving in steam operation costs.

## RECORD OF PUMPING

To the Water Commissioners of Randolph and Holbrook:

The following is a report of pumping for the year 1952:

	Gallons Pumped	Lbs. Coal Burned	Gal. of oil used
January	28,175,000	85,810	
February	27,575,000	87,660	
March	32,575,000	93,290	
April	32,025,000	76,665	
May	35,575,000	94,080	
June	39,575,000	106,510	
July	56,825,000	151,590	
August	40,100,000	104,053	
September	39,700,000	11,060	11,470
October	39,525,000		12,026
November	35,530,000		13,033
December	35,975,000		13,361
Total	443,155,000	810,718	49,890

July, with 56,825,000 was the largest month.

There were several 2,500,000 gallons "24 hour" days.

I wish to thank the Joint Superintendent for his cooperation.

# TOWN OF RANDOLPH, MASS.

Because of it extensive repairs were possible without serious interruption of service.

Respectfully submitted  
Hugh P. McKiernan

# ANNUAL REPORT

*of the*

## SCHOOL DEPARTMENT

*of the*

## TOWN OF RANDOLPH

For the year Ending December 31st

# 1952

TOWN OF RANDOLPH, MASS.

**REPORT OF THE SCHOOL COMMITTEE**

To the Citizens of the Town of Randolph:

The Randolph School Committee submits herewith the annual report of the year 1952.

It is to be noted that during the year of 1952 the structure of our school department as it is related to its physical facilities, received the greatest amount of attention. Our new Randolph High School was completed and occupied on September 2, 1952, and on Nov. 9 dedicatory exercises were held, at which time the new school building was officially turned over by the Randolph School Planning and Building Committee to the School Committee.

The renovation of Stetson High School was completed for occupancy of elementary grades, and the pupils who formerly attended the Prescott School buildings are now housed in the newly named Stetson School.

By action of the citizens of Randolph, appropriations were made for an addition to the Devine School, and contracts were awarded under the supervision of the Randolph School Planning and Building Committee for construction of this new addition which is currently in progress. Over the past twenty-four months the building program for Randolph schools has been the largest in the long history of the Town.

Your Committee acknowledges with sincere gratification the cooperation given by the citizens of the Town, and by various committees designated to assist us in carrying out the many programs with which we are faced. We express our sincere thanks to the Randolph School Planning and Building Committee for its cooperation.

Reports by the heads of the various departments including the annual report of the Superintendent of Schools, will be found in this over-all report, and will give the citizens

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

of the Town a clear insight of the activities and progress made in your schools during the year. Your Committee recognizes the various changes and methods to be used for the education of the students, and are making every effort to keep abreast of these changes. The need for alertness on the part of your School Committee to the growth of our school system is recognized and focused more clearly by the ever expanding growth of our Town. A cursory review of the school population reveals an increase of more than 700 pupils in a ten-year period.

We extend our sincere congratulations to Mr. I. D. Reade, Superintendent of Schools, for his efficient administration during a most trying and complicated change-over period.

Our congratulations are extended also to all administrators, teachers, supervisors, secretaries and custodians for their cooperation during the past year.

Your School extends to all a sincere welcome to visit the schools at your convenience, and welcome any suggestions or criticism that may in the end serve as a guide for better education of our children.

Respectfully submitted,

WILLIAM F. MAGUIRE, Chairman  
CLARK W. FREEMAN, Secretary  
MURRAY LEWIS  
JAMES H. MACDONALD  
HAROLD L. WHITE

## TOWN OF RANDOLPH, MASS.

### *REPORT OF THE SUPERINTENDENT OF SCHOOLS*

To The Randolph School Committee

Chairman, Dr. William F. Maguire and Members

I have the honor of submitting to you my annual report of the Randolph public schools for the year 1952. This report includes also the reports of the high school principal, supervisors, nurse and the necessary school statistics. Each report endeavors to give a short account of school activities with some outstanding achievements and suggestions worthy of study.

This year saw the opening of our long awaited and desperately needed new junior-senior high school. We now have the facilities necessary to provide the type of secondary education that the youth of today must have if they are to become intelligent, responsible citizens of tomorrow. Appreciation is acknowledged to the many citizens of the Town who have given unselfishly of their time and talent to aid in the development of this unit of our educational system.

An elementary workshop was introduced for the first time under the helpful guidance of the elementary principals and Mrs. Christine Gaughen, Supervisor of Elementary Reading. As a result of the success of this program, plans are being made to make this an annual event.

Considerable improvements and repairs were done this year. They were greatly needed. The practice of deferring repairs of school buildings always proves wasteful, increasing the cost at each postponement.

We lost by death our School Physician, Dr. Charles E. Wells, who had endeared himself to all connected with our schools. His years of service have left a deep and lasting influence for good on our boys and girls.

Of necessity, much of an annual report deals with as-

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

pects of the operation of a school department. It is statistical and says but little concerning the aims, responsibilities, and ideals of the educational program, or of the vital role played by the efficient work of the teaching staff, which is the basis of accomplishment and progress in the educational process.

In an address at the annual convention of The American Association of Schools Administrators in 1950, Senator Margaret Chase Smith of Maine has presented many of these other factors from a national point of view and has stressed the role of Education as a Hope for Peace in meeting the problems with which we are confronted. The following quotations are from that address:

"Too little attention has been given to the public school system by the public as a whole." .....

"We preach the importance of education, but we don't do so well on practicing it." .....

"The young people of our nation are our greatest national asset. They are our nation's future.

But they can easily become a liability. If the young people are to carry the burden set up through years of depression, war, and inflation, they must be given the best possible tools with which to meet this challenge. We must provide those tools in order to give real meaning to the saying that education is not a means of life; education is life. Education is our best hope for peace." .....

"American education must produce leaders and a thinking body of citizens which can aim our country in the future, as in the past, with a just and righteous policy, prejudiced toward none, friendly and helpful to all. That is your job, my job, the job of this great nation of ours, and the people of the world."

The interest, help and co-operation of the parents, teachers, and citizens is deeply appreciated.

## TOWN OF RANDOLPH, MASS.

We shall continue our program to make Randolph's educational system serve the young people in the best possible manner.

I. D. Reade  
Superintendent of Schools

---

### *REPORT OF THE PRINCIPAL OF RANDOLPH HIGH SCHOOL* HUBERT F. GILGAN, PRINCIPAL

This report is intended to cover the entire fiscal year of 1952, but any reference to the first six months in the old building under the two platoon system was made in my last report. We believe no more need be said other than to mention that it is our earnest hope that the citizens of this town will be foresighted enough to see to it that a double session in any part of the school system in the future would be a grave mistake and should be avoided. The children of Randolph are entitled to the best and we do not believe this can be accomplished with an abbreviated day.

We are now settled in our new quarters in the new six-year high school, but it is with a feeling of nostalgia that we must realize that Stetson High School has gone out of existence. we hope that the thousands of Stetson graduates, including the writer, will realize that progress and the growth of the population of the town have made this step necessary, that their alma mater is still here and even though Stetson High is now Randolph High, it is still their school and they are not exactly "men without a country".

Our new school is really a thing of beauty. Architecturally it is as modern as can be, there is scarcely an inch of wasted space, and it includes all kinds of facilities which we have never had before, facilities which will help us to offer to our students a broader horizon of varied types of

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

activities, all of which go into the makeup of a modern school. Space does not permit us adequately to describe this building with its spacious classrooms, perfectly lighted, its many specialized rooms, its beautiful auditorium, gymnasium, library, cafeteria, and many other features. We can truthfully report that the pupils are thrilled with it and have responded to it in a thoroughly grown-up and satisfactory way. We know that many hundreds of people saw this building the day of dedication, but we wish to invite any and all citizens to come to the school, if they can, to see it actually in operation.

Last year we spoke of the library and suggested we needed books and an annual budget for the purchase of library books. Nothing came of it. We still have a beautiful library with row upon row of empty shelves. We are not even within hailing distance of the minimum requirements of the State Department of Education. The library, at present, gets little or no use by the pupils because there are no books there for them to use. We hope this will be remedied.

Some idea as to how the town and the high school has grown may be obtained from the idea that in 1949 the high school building housed 380 pupils with 19 teachers. The present high school building houses (including grades 7 and 8) 857 pupils and 36 teachers. Next year, by graduating 80 seniors and taking in 240 sixth graders, plus children of new families moving into town before September 1953, we will see our high school enrolment take another upward stride. We will then have approximately 1,000 pupils in the new building.

Our shop for boys is only partially functioning at the present time. We are offering now, woodworking twice a week to the boys of grades 7 and 8. It is our hope that the near future will see this department operating on a full scale basis as originally planned with courses in general shop and machine shop, including some automotive repair.

## TOWN OF RANDOLPH, MASS.

It is expected that this department will be available to boys of grades 9 through 12 as well as at present operated, but this will mean more equipment and more shop instructors. It is not our aim to graduate finished cabinet makers, electricians or auto mechanics, but we do aim to give as many boys as possible as much know-how in as many of these trades as we can so that they will know how to do the various things necessary for any householder when he has his own home. If, then, a boy wishes to specialize in a particular trade, he can do so, but it is far too expensive for a school such as ours to try to compete with a regular trade school. We hope to operate the shop course for boys as we do the household arts course for girls.

At present, our household arts facilities are inadequate. We give some superficial experiences in the work to grade 8 girls once a week; nothing for grade 7 girls. We are operating a full time program for girls of grades 9 and 10, with very little elective work for other girls. This is due to a need for another teacher and another room. We recommend that room 167, which has all the necessary facilities already installed, be furnished with equipment stored from the old building and set aside for use by the girls of grades 7 and 8 two periods a week, and another teacher be provided for these girls. Our present two teachers could then be used for the girls of grades 9 through 12 for both regular and elective work.

Randolph High School gratefully acknowledges its thanks to the following organizations for their generous underwriting of a years subscription to the following magazines, now being used in our library:

St. Bernadette's Holy Name Society - Popular Mechanics  
McNeil School P. T. A. - The National Geographic  
Odd Fellows - Holiday  
V. F. W. Auxiliary - Foreign Affairs  
American Legion - New Republic  
Randolph-Holbrook Rotary Club - The Rotarian

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

Randolph Civic Improvement League - Musical America  
Knights of Columbus - America  
Women's Guild, Trinity Episcopal Church - Consumers  
Research Bulletin  
Amvets - Americas  
Lions Club - Science News Letter  
The Hilltop Club, Congregational Church - Harpers  
Monthly  
V.F.W. - Christian Science Monitor.  
Randolph Teachers Union, A.F.L. - Survey  
Randolph Manufacturing Co. - Life

We sincerely hope that these subscriptions will be renewed and that other organizations will follow suit so that the young people of this school will have available the best type of literature dedicated to a wide variety of fields of interest.

That we may offer to our pupils a well rounded list of varied extra curricula activities, already there are operating in this school the following clubs and activities: Rifle, Public Speaking, Hobby, Ski, Hook & I, French, Current Events, Ceramics, Nature, Book, Future Homemakers of America, Dramatic, Handicraft, Newspaper, (8 issues a year). It is expected that as the students interests develop, more clubs will be added during the year.

Our band has grown tremendously. We now have a 55 piece band and with an equally large junior band, thus 55 members will increase. Our band is second to none musically speaking, but the uniform situation is in need of attention. Our uniforms are 15 years old, they are out of style, and we haven't enough to go around. We have begun a drive for \$3,000. for new uniforms, of which \$2,000. has been secured to date. We are hopeful that before the school year is over, we will have the rest of the money and a senior band which will look as fine as they sound.

It is extremely difficult to find good substitute teachers

## TOWN OF RANDOLPH, MASS.

for the high school because of the rate of pay for such teachers. We have had far too many days without teachers for our pupils because of this low rate and we would suggest the rate of substitute pay be raised to a level on a par with other communities.

We are pleased to acknowledge that through the efforts of Mr. Joseph Cohen of the Randolph Manufacturing Company, a new scholarship has been made available to us. It is called the Joe Lapchick Scholarship. We are very pleased about this because we do not have enough scholarships for our young people and we hope other groups will follow suit.

---

### *REPORT OF THE GUIDANCE DIRECTOR*

JOSEPH W. DALY, DIRECTOR

The guidance program expanded to provide the most broad and comprehensive service so far available to our pupils. The new equipment is a tremendous aid in this work.

Interviews were held with all students in the school and a second interview was held with Seniors, Juniors, and Freshman. At the second interview with the Juniors and Freshmen, the result of their vocational tests were given them. Also all year long students constantly came in for help on vocational plans, education plans, part-time employment, personal problems, etc.

Our students again were greatly aided by attendance at the college day at Thayer Academy, Open House at various nursing schools, business colleges, etc.

We made follow-up study of the class of 1952 and find that all members are either employed, married, or in college. Colleges they are attending include University of Massachusetts, Stonehill, Boston College, Boston University, North-

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

eastern, Framingham Teacher's College, Bridgewater Teachers' College, and Tufts.

Approximately sixty students were aided in securing part-time employment in manufacturing plants, stores, farms, and homes in Randolph, Milton, Brockton, and surrounding towns. Excellent employment relations have been maintained with the Massachusetts Employment Office in Brockton.

During the year, talks were provided on such fields as mechanical jobs, office work, nursing, engineering, retailing, music, home economics, business administration, laboratory technician, etc.

Group work was done in the Junior High, covering such fields as study habits, hobbies, making friends, etc. Interviews were also held with students.

We express our appreciation to the School Committee, Mr. Reade, Mr. Gilgan and our counselors, Miss Winifred Brennan, Miss Anna Good, and Mr. Lloyd Clark for their cooperation and assistance.

—————:—————

### *DRIVERS EDUCATION REPORT*

L. J. WALLACE, INSTRUCTOR

During the school year 1951-1952, 33 pupils received their driver's licenses as a result of their taking the Driver Education Course.

A car was once more made available to Randolph High School in October 1952, which is being used to prepare pupils for the Massachusetts Registry of Motor Vehicles license examination.

It is hoped that during the present school year at least 34 pupils will receive their driver's license.

TOWN OF RANDOLPH, MASS.

*REPORT OF THE ART SUPERVISOR*

ETHEL B. ATWOOD

Change and progress marked the work of the Art Department for the past year. Change because of the division of the work of art supervision at the Sixth Grade . . . and progress because of several innovations.

The Junior High and the High School grades entered two widespread competitions . . . The Annual Poster Contest and the American Humane Education Society; and, Scholastic's Art Awards Competition, and won awards in both.

Once again we worked with Mr. Myron B. Thomas the Director of Music, and pupils from the High School Art Class produced the modernistic and colorful backdrop in the spring Festival of Music.

During Education Week — through the courtesy of the Weymouth Power and Light Company — children from each grade were to be seen in the store window, at work on various art projects. This was an innovation that proved of wide public interest, judging from much favorable comment aroused.

The present schedule of the Art Supervisor includes weekly visits to the forty-five classroom in the first six grades. Art Work in the Junior High and High School grades is under the direction of Mr. Samuel Polio who conducts his classes in the Art Room in the High School Building.

The art program is a full and busy one. The things we have done and the things we plan to do are made possible and pleasant because of the co-operation received from those with whom and for whom we work . . . to them, our hearty thanks.

ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

*REPORT OF THE REMEDIAL READING*

MARY C. GAUGHEN, SUPERVISOR

To the Members of the School Committee:

I respectfully submit my fourth report as Supervisor of Remedial reading.

On October 2, 1953 all pupils in grades one through six were given a reading readiness test. This is a diagnostic test that helps the teacher diagnose class weaknesses as well as individual weaknesses.

Mr. Reade has analysed the tests of each grade and has reported to the teacher the general reading weaknesses of her class. This gives each teacher an opportunity to provide the needed work and drill.

There are approximately 225 pupils receiving remedial help in reading. Because of the continual increase in enrollment, this number is constantly subjected to change. The large number of pupils in need of help presents a problem, because the "slow learner" has a tendency toward a short attention span. Consequently, small groups and frequent lessons prove more beneficial to learning.

A reading series has been purchased for the "slow learners" from grades two through six. This series is not numerically marked as to grade. This should help in removing any feeling of inferiority.

Research has shown that many people reach maturity without realizing there is more than one way to read a given piece of material. One of the ways in which we can provide for versatility in reading method is the differentiation of directed reading assignments. The development of a story presents an opportunity for the teacher to observe the way in which each child adjusts his rate of reading to suit different purposes. Reading to find the general idea and

skimming for the purpose of review may be done rapidly; reading to find proof requires more time; and reading for the sequence of the steps in the solution of a problem demands very careful reading. This is the reason reading books are not permitted to be taken home. However, supplementary readers may be taken home. I hope, in the near future, there will be supplementary readers available for all pupils.

---

*REPORT OF THE SUPERVISOR OF ATTENDANCE*

STEPHEN J. HART

My report as an attendance officer for the year 1952.

I wish to state that the situation is normal and I think with closer supervision can be kept so. The truancy cases have increased somewhat and it was necessary for me to take four cases to Quincy for disposition.

---

*PHYSICAL EDUCATION*

JOSEPH J. ZAPUSTAS

Physical Education is the training of the muscles and physical organs by means of athletic or other exercise.

Health is conceived of as a composite of mental, physical, emotional, social and ethical forces, all of which together determines the health and maturity of the individual.

What our future will be, individually or as a nation, depends on a larger part on our health. Certainly the natural safety depends on the daily energy we bring to our work. The discovery of health defects serious enough to disqualify large numbers of men for military service in recent years has startled the American public. During these years medical research has discovered many new weapons to combat disease, while low cost health clinics and hospitals and

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

medical insurance have brought health closer to millions of our people. These facts combine to make us realize that good health for all is now possible and that the health of all is the concern of all.

The program of Physical Education in the elementary schools has consisted of relays, involving the fundamental motor skills, such as running, hopping, jumping, and skipping. A great deal of emphasis has been placed upon the ball handling skills, stressing the low of opposition, the proper techniques of throwing, catching, rolling, dodging and bouncing.

Games of law organization, including the chase and tag games, which involve usage of the large muscles of the body, have been used very frequently.

Rhythmics in the form of singing games have been popular in the primary grades and the fundamental motor skills previously learned are about to be presented through the use of the elementary rhythm records.

The total program of the year will include a progression of the activities above and will also include marching, square dancing, creative rhythmics, stunts and tumbling, softball teams, games for the intermediate grades, contests, skill tests, minetics and other activities.

The eight grade program has consisted of the fundamental ball skills and leadup games to soccer, which includes dribbling, kicking, running, throwing, and all soccer relays. Ball skills have been greatly emphasized at this level.

Marching which contributes to good posture and carriage is one of the activities stressed for the class.

Ball games of high organizations and relay races have been used very frequently.

The total program of the year will include stunts and tumbling, a progression of some of the activities above,

## TOWN OF RANDOLPH, MASS.

square dancing, social dancing, modern dance techniques, team games, basketball, badminton, volley ball, soft ball, and track and field events.

The high school girls have been participating in the following competitive activities for physical education classes; soccer, fieldball, field hockey, volleyball, basketball, and relay races involving skills. In the field of dance they have been having square and country dancing, social dancing and modern dance techniques.

This year the girls have been enjoying tumbling and apparatus work which is made possible by the addition of new equipment to our department.

The high school boys physical education program consists of participation in competitive sports such as football, basketball, baseball and track. Class work consists of various types of indoor and outdoor games involving skills, tumbling and apparatus work.

At the present time physical education is being taught in every school to some extent but the physical education staff is not sufficient in numbers. I recommend strongly a need for another physical education man and girl instructors. Another recommendation is to have the school yards fixed so that the children could avoid any hazards of danger.

I want to thank Miss Lappen, Miss MacEachern and Mr. Savard for their co-operation and loyalty to the children of the town, also the school committee for their foresight of the Physical Education and Health Department towards the future.

---

### *REPORT OF THE MUSIC SUPERVISOR* MYRON B. THOMAS

I herewith submit my annual report as Director of

## Music in the Public Schools of Randolph.

We are all aware of the tremendous growth in our community and of the increase it has caused in our school enrollment. The music department has also felt this growth and should secure in the near future the services of a full-time assistant.

Seventy new instrumentalists from grades 4 through 8 have begun study this year. When these students have successfully completed their training they are promoted to the elementary and junior bands. There are approximately 200 children in the entire system studying a band instrument. This means that 10% of the total enrollment of the Randolph school system is now in the instrumental classes.

To insure proper instrumentation in our junior and senior bands it is necessary for the school department to own instruments which are rarely purchased by the student himself. These might include the larger instruments and members of the horn family which are seldom used as solo instruments as well as some of the conventional ones which could be made available to any student with a serious desire to learn an instrument but who might not be able to afford one.

All instrumentalists in grades 4 through 6 desiring free instruction receive 15 minutes private instruction per week. This is a practice which is employed to my knowledge, only in our school system. All instrumentalists in grades 7 through 12 receive instruction during their free or study period.

We have been developing only band students to date and have insured a good basic band program, but I feel that this system has grown to a point where the need for a string program is indicated. Many grade pupils have already asked about this phase of the music program and made known their desire to participate and I must inform

## TOWN OF RANDOLPH, MASS.

them that at present the music department is understaffed and enlarging the program at this point would be impossible. Due to the tremendous task of overseeing the whole music system, the directorship of the bands, the high school chorus, the glee clubs and instruction of many of the instruments, the school department has engaged Miss Jeanne Norris, a graduate of Stetson High School and Boston University College of Music to assist me in the teaching of instruments in the grades two days per week.

I should like to recommend that the music curriculum be expanded in the future to include more theory courses in the high school and more glee club activity in the junior high.

This year I have brought Miss Quimby into the high school to assist me with the teaching of general music in the eighth grade. Miss McGerrigle is also teaching all the seventh grade general music. There are twelve of these classes which meet once per week.

Last year, due to the heavy instrumental enrollment, we had a beginners' band, which appeared at the annual Spring concert.

The junior band has one weekly rehearsal. Members from grades 5 through 8 are eligible. At present there are 48 members. The junior band appeared at the Mass. regional festival held at Middleboro last spring. The band also played at the annual concert and marched in the Memorial Day parade.

The senior band rehearses twice each week. There are 55 members this year. A campaign has been launched for the purchase of new uniforms to replace the 15 year-old ones, but the progress to date has been slow and I regret to report that there is a balance of \$1400.00 still to be raised.

The band participated in the festival at Middleboro and at the spring concert, marched in the Memorial Day parade,

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

played at several assemblies, assisted at the Driver-training program and played at the home football games.

The high school chorus meets once each week. This group has grown from 60 voices to 90 this year, a phenomenal increase for this sort of organization. The chorus auditioned at the regional festival at Middleboro, the annual concert, graduation and the dedication of the new building. As this is written the chorus is just about to present a Christmas vocal program — a new venture for the music department.

The high school glee club rehearsed once each week. This group is composed of female voices, all selected, and forms the girls' section of the chorus.

Once a week a visit is made to each of the first six grades by Miss Frances S. Quimby, grade supervisor. This is supplemented by the daily music periods conducted by the classroom teacher. A varied music period is given then, ranging from the singing of songs already familiar to them, to the more technical problems of music reading. First lessons in music reading are introduced in the first grade and are added to each year with two part music being introduced at the end of the fourth grade. With this preparation, they are ready for three part music in either the sixth or seventh grade depending upon the aptitude of the class. This music reading program helps to lay the foundation for both the instrumental and choral programs in the Junior and Senior High Schools which prepare them to be able to contribute to all the music in the community after finishing school.

I am grateful, as always, for the cooperation of all the school officials and teachers, without which I could not successfully discharge the duties of the music department. I wish to express my sincere appreciation to the school department for the securing of Miss Norris to assist in the instrumental teaching. I believe it will make possible a much greater efficiency in our department which has now developed far beyond the capacities of two teachers.

TOWN OF RANDOLPH, MASS.

*REPORT OF THE PLAYGROUND DIRECTOR*

GRACE M. WELCH

Summer Playground Activities for the year 1951 consisted of many different types of handicraft work, namely, Tray Painting, Sewing, Modeling with Clay and Plaster of Paris, Weaving, Crepe Paper Construction, the plaiting of Laniards and Bracelets of Gimp, and Small Baskets and Coasters of Raffia.

Under the supervision of Miss Barbara Maguire at the High School, Miss Patricia Copeland at the Devine School, and Mrs. Grace Welch at the McNeill School, several hikes, picnics and Weenie Roasts were enjoyed, and trips were taken twice a week. Competitive games and other sports were part of the daily program.

Because of Construction and excavating work going on at both the High School and Devine School, no Softball League was formed this year.

It is to be hoped, that, if a successful Summer Program is to be our aim for the next year, suitable Playground Equipment should be installed at each school, for the use and enjoyment of our children.

—:—

*FALL WORKSHOP*

MARY McLAUGHLIN

The teachers in the elementary schools of Randolph held a most successful workshop preceding the opening of schools this fall. The objectives of this workshop, as set up by the committee in charge, were: to achieve greater efficiency in our schools through the sharing of methods, materials and experiences; to foster a professional approach to the learning problems of the child; to develop a better understanding of the intellectual, physical, emotional and

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

moral needs of the child; to strengthen feelings of friendship and understanding among the school personnel; to help new teachers in their approach to teaching situations.

Beginning on September 3rd. the teachers met for four daily sessions at Stetson school. Each day's program included a general meeting and several group meetings arranged according to grade interest. These sessions provided the opportunity to discuss the school program, sharing ideas and profiting by material brought in by guest consultants who spoke at the general meetings and attended the group meetings to give more specific help at each grade level.

Each group meeting had a leader and recorder and the project was co-ordinated by Mrs. Christine Gaughen, assisted by a committee of teachers representing each grade.

It was felt by the teachers that this opportunity provided in the workshop to plan together at the beginning of the school year was of benefit to both the new and experienced teachers.

### *REPORT OF THE SCHOOL NURSE*

HELEN F. CONLON, R.N.

Following is a report of my work during the year 1952:

Assisted Dr. Wells with the Health Examinations in grades 1-4-7-11. Recorded results on Health cards and sent notices of defects found to the parents.

Arrangements were made for health examinations of students in the upper grades who were entering competitive sports.

Seventy students who were eligible for the dental clinic conducted by the Board of Health were referred to Dr. Maguire for dental care.

## TOWN OF RANDOLPH, MASS.

It is suggested that children attending pre-school registration be given a Dental Examination Request card to take to the dentist and that they present the card to the teacher at the opening of school with the birth and vaccination certificates. Upon entrance to the elementary school, attention should be directed to the care of the first permanent teeth often referred to as the six-year molars. It is in this group that care of the first permanent molars should begin, as these teeth are so subject to decay that neglect can lead to their loss by extraction by the age of 10 years. Dental caries continue to be highly active in the Junior and Senior High School Students. Decay of teeth can be controlled by regular visits to the dentist, early treatment of small cavities, proper diet, proper and regular cleaning, topical applications of sodium fluoride.

The General Laws of Massachusetts now require that the vision and hearing of school children be tested with the Massachusetts Vision Test Kit and the Pure Tone Audiometer.

The Massachusetts Vision Test will help to uncover visual difficulties not found by the Snellen Test, thereby making possible early referrals to qualified eye specialists.

The Pure Tone Audiometer test may be briefly described as a determination of a child's ability to hear soft sounds at different pitches. Hearing loss is responsible for defective speech in many cases.

Letters will be sent to parents of children failing these tests urging them to take child to eye or ear specialist for advice and treatment.

158 children who failed the vision test given by the teacher were retested and 53 children failed this test. Parents were notified.

48 children failed the hearing test and were retested with the audiometer. 8 of these children failed and notices

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

were sent to parents. One child is now receiving lip reading lessons.

The Diphtheria - Tetanus - Immunization clinics were held in April and May in all elementary schools. A total of 325 shots were given by Dr. Wells.

227 children in grades one and six had booster shots.

48 pre-school and first grade children had the series of 3 shots. Two did not complete their series.

There were eight new names added to the list of physically handicapped children making a total of 45 handicapped children in our schools. At present two children are unable to attend school due to illness. Arrangements have been made for them to have a visiting teacher until they are able to return to school.

The Norfolk County Chest-X-Ray program was carried on in October, when the mobile unit came to the Randolph High School to x-ray the senior class.

74 senior students and new personnel were X-rayed.

There was no evidence of Tuberculosis found.

5 students who were absent that day were taken to the Norfolk County Hospital for their chest X-Ray.

In closing this report, I wish to thank Mr. Reade, the School Board and all personnel who have helped to make this year a pleasant one.

---

### *SCHOOL CALENDAR 1953—1954*

Open Jan. 5, 1953      Close Feb. 20, 1953

Open Mar. 2, 1953      Close Apr. 17, 1953

Open Apr. 27, 1953      \*Close June 12, 1953 for grades 1 to 6

                                 \*Close June 19, 1953 for grades 7 to 12

## TOWN OF RANDOLPH, MASS.

### SUMMER VACATION

Open Sept. 9, 1953 for grades 7 to 12 Close Dec. 18, 1953

Open Sept. 16, for grades 1 to 6

Open Jan. 4, 1954 Close Feb. 19, 1954

Open Mar. 1, 1954 Close Apr. 16, 1954

Open Apr. 26, 1954 \*Close June 11, 1954 for grades 1 to 6

\*Close June 23, 1954 for grades 7 to 12

*Schools will also be closed on the following days:*

Good Friday — April 3, 1953

Columbus Day — October 12, 1953

Armistice Day — November 11, 1953

and closing at noon, November 25, 1953 for Thanksgiving Day and the day following, November 27 and 28.

\*The State law requires that the High School shall be in session at at least 180 days of each school year and for the grade schools, 160 days.

### NO SCHOOL SIGNALS

By courtesy of the Randolph Fire Department, three blows repeated three times will be sounded at:

7:00 A.M. — No school all schools all day

7:30 A.M. — No school all day the first six grades

By courtesy of WBET, WJDA, and WNAC Broadcasting Stations, no school announcements will be given by radio as near to the local hours as is convenient and possible for the station announcer.

There will be days when schools are in session because conditions are not severe enough to cause a complete halting of all activities. On such days it is the parents responsibility to determine whether their children shall report to school.

### SCHOOL STATISTICS, JUNE 30, 1952

## REPORT OF THE BOARD OF SELECTMEN AND OVERSEERS OF PUBLIC WELFARE

During the past year, we have encountered the many and varied problems which have confronted other towns of extremely rapid growth.

Abnormal increases in population necessitated the expanding of many public services in the towns to meet the needs and demands of a fast growing community, and we fear, this will have to continue to best serve the interest of the people, even though it definitely will prove a bit more expensive.

Your present board, Chairman Orrin B. White, Clerk Joseph J. Semensi, and Associate Member Ralph H. Hutchinson, have carried out the remaining mandates of the previous board, and have strived to carry out the mandates and decisions rendered by you, the people, at our immediate past Annual Town Meeting and subsequent Special Town Meeting.

The usual comment of the citizenry, both local and of surrounding towns, plus business men carrying on business within the town, or those who merely pass through, has been most gratifying.

Because of limited space, just a few of the many accomplishments of the past year are listed:

Installation of the new Mercury Vapor lights at various intersections in the town, with eventual installation of these wonderful lights at, at least, all the intersections.

Further expansion of street lighting in all sections of the town where needed, with the eventual installation of street lights everywhere practicable.

Civil Defense, under the able leadership of Colonel Ralph E. MacLeod, has been further expanded, and is considered one of the very best units in the state. We sincerely hope that the true value of this organization will never be

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

shown, but if an emergency does arise, we are absolutely confident that the emergency will be successfully met and discharged.

All jobbing, let out by this office, has been on a bid basis. This is a business practice with which the board is unanimously in favor.

In every case where practicable, our Senators and Representatives have been contacted for aid in benefiting the Town of Randolph.

The demolition of the Prescott Primary School Building is now underway, and an article now appears in this year's warrant for disposal of the land on which the building has been situated.

Committees appointed by the Moderator, were called together by your Selectmen for organizational purposes. The reports of these committees are contained within this book.

Many safety signs have been placed where needed and more are scheduled for placing.

The New School was accepted for the Town and turned over to the School Department for use.

Every effort to invite business to our town has been made, by scheduling appointments and meetings, and by accompanying representatives of industry to various locations about town, plus attending meetings of their scheduling in their offices. The result of one group appears in this year's warrant, which asks for an Industrial Zone.

The sidewalk on the westerly side of North Main Street from Pond Street to the Randolph Line was begun and is under construction. Plans call for its completion this year. Much more street and sidewalk work has been planned and will be carried out in the near future. Widening of some present streets is already in the process, and will be accelerated with the coming of fairer weather.

Old Street was returned to its original one-way status.

## TOWN OF RANDOLPH, MASS.

after due investigation and recommendations by state and local authorities.

The State drain on South Main Street, in front of the Randolph Manufacturing Company plant, is in process of completion. Plans call for an entirely new drain going through both Stetson and Randolph High School land and emptying into the brook which crosses Warren Street. The former drain is to be by-passed, but will still lie in place, so the terrible water condition that has existed here for so long will finally be corrected. This project was studied and completed by your Selectmen, State Engineers and architect of the Randolph High School.

The loan for the addition to the Devine School was made and the Selectmen spent half a day in a Boston bank signing 445 notes, of \$1,000 apiece.

The Selectmen were represented at every function they were asked to attend, both local and otherwise, carrying the greetings of our town and townspeople.

The History of the Town of Randolph was completed and is now on sale at the Selectmen's Office and Lyons' Card Shop. The money received for these books is being returned to the town treasury, balancing off the appropriation allowed by the voters in 1950. Reverend Harry R. Butman is to be commended on his fine and diligent work.

All hearings required by law were held and every citizen was allowed to be heard.

All of the insurance of the Town of Randolph was revised and completely revalued. This includes both contents and property. It was then submitted to the Rating Bureau for a new and much lower premium rate. The new school was a great factor in this reduction of premium rate because of its fireproof construction. Even though the reduction was over 35%, coverage was increased, and the town can expect over a \$1500.00 rebate on its premiums. Local insurance men are to be thanked for their tremendous aid

## ONE HUNDRED AND SEVENTEENTH ANNUAL REPORT

in this matter.

We have tried to sell all the tax title land to return it to revenue bearing property. We have been moderately successful at this.

In passing we would like the citizens to take note of the increase in dog complaints. These complaints are difficult to handle as they usually involve neighborhood difficulties, and the owner generally will believe no evil of his pet. The law makes the position of the Selectmen very clear, in that if we receive written, notarized complaint, we are required to have it investigated by the Dog Officer, and if the complaint appears to be justified, to restrain the dog to the premises of its owner. Failure to abide by the restraining order can result in the destruction of the animal.

In closing, we wish to state that we have made every effort to make Randolph better by our services. We have tried to give good government. We have tried to attain top efficiency, and have practical economies.

We have met the challenge of this last year as adequately and progressively as our limited resources have allowed us to. We would like to remind all the citizens of the town that it is your obligation to be present at the town meetings. Here, and here alone, is where your tax dollars are appropriated and spent, and your tax rate is established.

We sincerely appreciate the interest shown by all organizations in the civic problems of our community. Greater interest in Town Government will result in better and more economical town services.

The cooperation received from State, County and local officials and departments has been extremely profitable, even beyond monetary gains. We are deeply grateful to all for this splendid example of team work.

ORRIN B. WHITE, Chairman

JOSEPH J. SEMENSI, Clerk

RALPH H. HUTCHINSON,

Associate Member

Selectmen of Randolph, Massachusetts.

Article 7. VOTED: To hear and act on the report of any committee and choose any committee the Town may think proper.

Drainage Committee Report read by Mr. Edward J. Roycroft. Committee to re-write the By Laws of the Board of Health reported that the new By Laws are in the process of being printed.

School Planning Committee report given by Mr. Clark W. Freeman.

Committees to be appointed:

A Committee of 5 (five) voters of the Town to investigate the advisability of the purchase of a bus or buses for the transportation of school children to the Randolph Public Schools and that this Committee report back to the School Committee before December 21, 1953.

That a 10 (ten) man Committee be appointed by the Moderator to check to see if the recommendations and standards of valuation of the Cleminshaw reports are complied with. The findings of this Committee are to be announced at a public meeting Friday evening, May 8, 1953, at the Town Hall. The Committee is to be appointed before the close of the 1953 Annual Town Meeting.

A Committee of 9 (nine), including the Board of Selectmen, the Chief of Police and five citizens to be selected by the Moderator, to be known as the "Pedestrian Safety Committee" be appointed to study and make rec-

## TOWN OF RANDOLPH, MASS.

ommendations at the next Town Meeting as to what should be done about Pedestrian Safety in our business area; and a Committee of 7 (seven) to include the Chief of Police be appointed to study the pedestrian situation and lack of curbing in the north end of Randolph and from there to study and recommend other portions of the Town that are in need of safety measures.

A Committee of five (5) members to be appointed by the Selectmen preferably one member with professional experience in the Personnel and Job Classification field, for the purpose of making a comprehensive study of job classification and salaries with a view of establishing a uniform schedule for the Town Employees. This committee is to submit its recommendations at the next Annual Town Meeting.

A Committee of one (1) to compile and bring up to date all the By Laws and Amendments of the Town. Moderator Pemberton appointed himself to this one-man Committee.

A motion was passed that the Moderator suggest that all Committees appointed at this meeting have a written report in the Annual Town Report of next year.

Article 8. VOTED: That the Town authorize the Water Commissioners to appoint one of their members to another office or position under their control, and fix the salary of such person in accordance with the provisions of Chapter 36, Acts of 1929.

Article 9. VOTED: That the Town raise and appropriate the sum of \$35.00 for the maintenance and lighting of the clock in the tower of the First Congregational Church.

Article 10. VOTED: That the Town raise and appropriate the sum of \$35.00 for the maintenance and light-

ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT

ing of the clock in the Tower of the First Baptist Church.

Article 11. VOTED: That the Town raise and appropriate the sum of \$2,500.00 for the maintenance and upkeep of the Town Hall, as petitioned for by the Trustees of the Stetson School Fund.

Article 12. VOTED: That the Town transfer the sum of \$2,904.86 from the Parking Meter Fees to the Parking Meter Expense Account.

Article 13. VOTED: That the Town accept a gift of \$1,000.00 from M. B. Claff & Sons, Inc. to be used to purchase books, under the direction of the Superintendent of Schools, for the Library of the new High School.

VOTED. That the Selectmen be instructed to send a letter of appreciation for the Town of Randolph to M. B. Claff & Sons, Inc. for their most generous gift.

Article 14. VOTED: That the Town will not transfer the care, custody, management and control of a parcel of land on the southerly side of Memorial Parkway, adjacent to the Turner Free Library and running westerly approximately two hundred (200) feet, and thence southerly approximately two hundred (200) feet, to the Board of Selectmen for the purpose of constructing a combination Police and Fire Station, upon notification by the School Committee that said land is no longer needed for school purposes.

Article 15. VOTED. That no money be raised or appropriated for the purpose of construction, furnishing and equipping of a new combination fire and police station.

Australian Ballot: Yes: 33 — No: 162

Article 16. VOTED: That the sum of \$29,735.00 be appropriated for the purchase of a new ladder truck for the Fire Department, and to meet said appropriation

TOWN OF RANDOLPH, MASS.

the sum of \$29,735.00 be transferred from the Excess and Deficiency Account, to be expended by the Board of Selectmen for the type of ladder truck recommended by the Chief of the Fire Department.

Article 17. VOTED: That the Town raise and appropriate the sum of \$550.00 for a new chain saw.

Article 18. VOTED. That the Town raise and appropriate the sum of \$2,577.50 for the purpose of purchasing a 35Mt Bean Royal Sprayer complete with starter, generator and battery for the sum of \$2,300.00; 250 feet of hose for \$240.00; 1 fig. 785 Gun for \$37.50; making a total amount of \$2,577.50; to meet said the sum of \$2,577.50 be transferred from the Excess and Deficiency Account.

Article 19. VOTED: That the Town raise and appropriate the sum of \$1,000.00 for the control, care and eradication of the Dutch Elm Disease in the Town of Randolph under Chapter 716 of the General Laws, Acts of 1949 (effective August 27, 1949).

Article 20. VOTED: No action.

Article 21. VOTED: That the sum of \$6,000.00 be raised and appropriated to build an addition to the Town Highway Barn.

Hand Vote: Yes: 108 — No: 41

Article 22. VOTED: That the Town allow the name changed on permit held by Blue Hill Sand and Gravel Company, Inc. to Linwood Memorial Park. Said permit was previously granted to the Blue Hill Sand and Gravel Company, Inc. at a Special Town Meeting held October 24, 1949 and approved by the Randolph Board of Health to operate a non-sectarian cemetery on a parcel of land comprising about eighty (80) acres, adjoining lands

ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT

of the Central Cemetery Corporation in accordance with the laws of the Commonwealth.

Article 23. VOTED: That the Town petition the Massachusetts State Legislature to authorize the Town of Randolph to employ a Town Manager. It is further petitioned that the Town of Randolph petition the legislature for permission to operate under a charter similar to that of the Town of Saugus. The Moderator is to appoint a committee to draw up the Charter consisting of members of the Planning Board, the Moderator, and the Chairman of the 1950 Town Committee on the Manager Form of Town Government.

Article 24. VOTED. No action.

Article 25. VOTED: That the Town include in the record of each Town Meeting, in the Annual Town Report, the names of those Town Meeting Members and Town Officials, absent from such Town Meetings.

Article 26. Article withdrawn — No action.

Article 27. VOTED. That the Town accept as a gift, free and clear, when it is deemed completed by the Board of Selectmen, the Building erected under the sponsorship of the Civic Improvement League of Randolph, on Town property in Belcher Park.

## NOTICE

The attention of parents is called to law relating to the registering of births. The present requirement is as follows:

Chapter 29, Sec. 6, of the Revised Laws. Parents within forty days after the birth of a child . . . shall cause notice thereof to be given to the clerk of the town or city in which such child is born.

Section 8. A parent . . . who neglects to do so for ten days after the time limited therefor . . . shall forfeit not more than five dollars for each offense.

Attention of PHYSICIANS and MIDWIVES is called to Chapter 280, Section 1, Acts of 1912: Section 1. Physicians and midwives shall, within forty-eight hours after the birth of every child in cases of which they are in charge, mail or deliver to the clerk or registrar of the city or town in which the birth occurred, a notice stating the date and place of the birth, giving the street number, if any, the number of the ward in a city and the family name. Failure to mail or deliver the said notice shall be punished by a fine not exceeding twenty-five dollars for each offense.

In accordance with the provisions of the law, the Town Clerk is prepared to furnish parents, physicians, and midwives applying therefor, blanks for return of births as required by law.

Town Treasurer

# Report of the Selectmen and Overseers of Public Welfare

During the past year all hearings required by law were held and every citizen has been allowed to be heard.

This year your Town Government has functioned efficiently with the complete co-operation of every department head and employee.

It was with reluctance and regret that the Board was called upon to accept the resignation of Town Counsel Walter F. Stephens, who served this community for many years with honor and distinction.

Attorney George N. Welch, who was appointed to fill this position, has given invaluable service and has been present at every session of the Board.

Your Board has endeavored to conduct the affairs of the Town which are under their jurisdiction in an economical and just manner.

We take this opportunity to express our appreciation to all Officials and Committees who have given their every co-operation.

Joseph J. Semensi, Chairman

Ralph H. Hutchinson, Clerk

Theodore S. Luddington

# Report of the Assessors

## For the Year 1953

To the Honorable Board of Selectmen:

Board of Assessors.

## Report of Board of Health

The Board of Health respectfully submit its annual report for the year ending December 31, 1953.

The majority of the nuisance complaints investigated by the Board during the past year have been related to overflowing cesspools or improperly functioning local sewage disposal units located on private property, or have been related to the very inadequate surface water drainage in this community. It is a fact that the catchment area for the water supply of the Town is located in a densely settled portion of the Town. Many inadequate local sewage disposal units are overflowing into this catchment area. Each new housing development within this area results in increasing numbers of sewage disposal units, which, if they function inadequately, become potential contaminants of our water supply. Your Board of Health has become aware of this problem and intends to submit a request for funds for the salary of a part time professional sanitarian to accomplish, as soon as possible, a sanitary survey of the Town, which will include consideration of this and other related problems.

It is obvious to the members of the Board that surface and ground water drainage constitutes a problem in this community which is of public health interest. Innumerable cellars in this town are flooded during several months of the year. In our inspections we have observed that there are hundreds of townspeople who would be benefited by a well conceived and properly engineered drainage project. Since drainage and sewage are related problems, is the opinion of this Board that the services of a well qualified sanitary engineer should be procured to submit plans for adequate sewage and drainage systems through-

## TOWN OF RANDOLPH, MASS.

out the town. Your Board of Health would favor the procurement of a Town Engineer, provided that the person appointed shall be a qualified Sanitary Engineer approved by the Division of Sanitary Engineering of the Mass. Department of Public Health, and provided that 50 % more of his time is devoted to drainage and sewage problems.

One of our health nurses, Mrs. Signe Heath resigned her position and is now a school nurse. Mrs. Janet Dimmick was appointed to fill the vacancy, she and Miss Beatrice Scannell have answered many calls and are performing an increasing amount of Public Health nursing duties.

A swab test of utensils at eating and drinking establishments was made and an analysis of all milk sold in the town was made. The majority of the food handling establishments were found to be in good condition. Specific recommendations for improvement were made to several.

The dental clinic was conducted by Dr. William F. Maguire, assisted by the school nurses.

The diptheria clinic was conducted by the school physicians, Dr. William Sloane and Dr. Justin V. McGuirk.

Permits for 175 cesspools have been issued; and 24 permits for septic tanks have also been issued.

Communicable diseases for the year 1953 were as follows; Poliomyelitis 2; Chicken Pox 8; Dog-bite 58; German measles 6; Mumps 3; Scarlet fever 3; Whooping cough 2; and cat bite 1.

Many hours have ben spent with the committee on re-writing the new Rules and Regulations. Several new policies have ben adopted.

## ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT

The sum of \$2520.67 was taken in including \$2248.67 for Hospitalization; Regular licenses \$69.00 and permits for septic tanks and cesspools \$203.00 Subsidy for the year 1953 has been billed for \$301.42.

The Board is very fortunate to have acquired the services of Dr. F. Randolph Philbrook to fill the unexpired term of the late Frederick Diauto. Dr. Philbrook is a retired medical captain of the U.S.N., who has a post graduate medical degree in Public Health and is a Research Associate on the teaching staff of the Harvard School of Public Health.

## Report of Dental Clinic

The Dental Clinic was conducted this year with special emphasis being stressed upon the preservation of the six year molar. This is most important to a child because around this tooth evolves the alignment of the dental arch and helps to prevent faulty occlusion.

While the appropriation to carry out this work was meager, it did allow treatment to be carried out on those selected by the School Nurses as being in need of dental rehabilitation.

The school dentist should be considered just as much a part of the over all health team as the school physician, for dentistry cannot be divorced from medicine. It is as much a specialty of medicine as the eye, ear, nose and throat. The relationship between the oral cavity and the body in general, is just as intimate as that existing between the body and any specialized tissue or tissues.

The ideal role of the school dentist in our fast growing community, would be to conduct a dental examination on every child through the fourth grade. This examination should note any deviations from normal; the occlusion should be noted as well as the development of the upper and lower jaws; the child's susceptibility to attack by caries; the overall picture of mouth hygiene; and the general physical development which will give to the dentist a knowledge which can be passed on to the parents. They, in turn, can then have any defects cared for by the clinic or by their own private dentist.

The school physicians and nurses are to be congratulated on their alertness to gross dental conditions. By referring this type to the clinic, absenteeism can be kept at a minimum.

DR. WILLIAM F. MAGUIRE

# Report of Inspector of Milk

To the Town of Randolph;

Report of the Milk Inspector for the year ending  
December 31, 1953;

2 Pasteurization Permits	\$20.00
35 Store Licenses	17.50
22 Vehicle Licenses	11.00
24 Oleomargarine Registrations	12.00
	<hr/>
	\$60.50

HENRY MERRILL,  
Milk Inspector

# Report of Inspector of Plumbing

Honorable Board of Selectmen

Randolph, Mass.

I hereby submit my yearly report. In the year 1953 the following fixtures were installed — 244 water closets — 224 sinks — 133 wash bowls — 190 tubs — 10 shower baths — 24 wash trays — 36 urinals — 147 tankless heaters — 36 pressure boilers and 5 drinking fountains.

Early in the year I appeared before the Board of Health and asked to have the plumbing fees changed. Instead of the regular five dollar fee, I was given permission by the members of the Board of Health, upon the advice of Town counsel, to change the fee to two dollars for the first fixture and one dollar for each fixture thereafter.

This brings our system in comparison with most of the other small towns. In my opinion it is a fair method whereby a small home owner would pay a fee according to the number of fixtures installed. The new rate really pays for the amount of work done. The small home owner is protected and the town benefits on larger buildings such as the new telephone building, or any other such business as may have to be installed in the future.

The year 1954 should be a busy one as far as the building trade in Randolph is concerned. There are several projects already under construction and several others are to be started in the spring.

Respectfully submitted,

THOMAS O'RILEY,  
Plumbing Inspector.

# Report of Inspector of Animals

Honorable Board of Selectmen

Randolph, Mass.

I hereby submit my report as inspector of animals for the year 1953.

There have been 60 dogs and 1 cat quarantined by me. There are 84 cows — 64 horses — 6 goats and 3176 Swine.

Respectfully submitted,

CORNELIUS J. CROWLEY,  
Inspector of Animals.

# Report of Inspector of Slaughtering

To the Board of Health of Randolph

Gentlemen;

I hereby submit my report for the official year of 1953 as follows; Total number inspected — 80.

Number of Swine 65 — Cattle 7 — Calves 3 and Sheep 5.

Respectfully submittd,

CORNELIUS J. CROWLEY,  
Inspector of Slaughtering.

# Report of Water Commissioners

The sixty-eighth annual report of the Board of Water Commissioners is herewith submitted, covering activities of the Department for the year ending December 31, 1953.

Organization of the Board was as follows:

Frederick D. Driscoll .....	Chairman
Martin E. Young .....	Clerk
William J. Almond .....	Associate

## Appointment by Board

Marion L. Bailey .....	Clerk-Collector
------------------------	-----------------

## DEPARTMENT MAINTENANCE

During the calendar year 1953, one hundred and eighty-one applications for new services were received and were added to the system.

Fifty-two service leaks were repaired, thirty-two services were renewed from main to stop, and ten were renewed throughout. Twenty-eight services were cleaned out, four were discontinued and five were relocated. One service frozen, was thawed out by electricity. Seventeen service boxes found broken, were repaired.

## METER DEPARTMENT

In the meter department, one hundred thirteen meters were removed from service, eighteen were leaking, eighty not registering, four frozen and burst, two to be junked and nine for test. Seventy-nine meters previously removed were placed back in service. The department

## TOWN OF RANDOLPH, MASS.

purchased two hundred fifty new meters during the year and these have all gone into service—in addition thirty-three meters were set as replacements.

In connection with the widening of Warren Street, forty-three services were renewed from the main to curb line, and one hydrant (faulty) was replaced by a new hydrant and relocated. There are approximately twenty services to be renewed and set back on the balance of Warren Street.

Eight hydrants were broken by automobiles during the year. Some have been settled through insurance, and the balance are pending.

### MAIN BREAKS

Pipe Line (Swamp)	14"—3—	All blown joints
Waldo Street	6"	Cracked pipe
Pond Lane	8"	Blown joint

# Report of The Planning Board

Board of Selectmen

Town Hall

Randolph, Mass.

Gentlemen:

Please consider the Randolph Planning Board's report for the year 1953.

Thanking you,

RANDOLPH BOOTHBY,

Clerk.

At the March 3, 1953 meeting of the Randolph Planning Board, Edward J. Roycroft was re-elected chairman, Randolph O. Boothby, clerk, and Charles E. Preble, Frank A. Young, Raymond T. Wall, associate members.

The regulations of the Planning Board required meetings bi-monthly, the second and fourth Tuesdays of each month, but due to the overwhelming amount of work required of this board, we have found it necessary to meet every Tuesday, and quite often special meetings have been held to serve the citizens as part of various committees, such as Rewriting the Board of Health Rules and Regulations, Master Plan Study, Town Manager Act, and Drainage Study.

Considerable time has been spent with control of new sub-divisions, a number of which have been completed in the last year. Many new sub-divisions have been approved and are now under construction in all sections of

## ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT

the town. Working in conjunction with the Randolph Veterans Council, names of all deceased veterans dying in service have been allocated this board, and all new streets shall bear the name of a Randolph son who paid the supreme sacrifice. A preliminary plan for over one hundred and fifty homes located in the vicinity of North and Oak Streets has been approved, and building is expected to start as soon as weather conditions permit. Well over two hundred building permits were issued this past year, the large majority of same in various new areas. With the continued fast growth of our town every possible precaution must be taken by all town officials to insure the citizens well constructed homes, in properly planned developments, with streets, public utilities and drainage that require the least possible maintenance.

Several changes are being made on the types of road, developers are to build. The Planning Board is to give to the town as a finished street, a well constructed way, easy to maintain, and yet do so on an economical basis. The A1 and A2 types of road are both considered by this board as necessary. The type road each developer shall build will depend a great deal as to location, and connecting points with other streets, this at the discretion of the board. On a lightly traveled road the A2 type would prevail, and only a secondary connecting link, the A1 type would be considered. Specifications for both roads have been altered and at present the standards of the A2 road are again being changed to a higher class of construction for the town's protection. Although the original rules and regulations were adequate at the time of their adoption, the board deemed it necessary to revise these to meet current needs and establish improved administrative and business procedure. After considerable study the Board has what it now feels to be a complete set of Rules and Regulations, having incorporated the Mass. Dept. of Public Works Standards and Specifications into

## TOWN OF RANDOLPH, MASS.

these. Sample drawings and Typical Cross Sections of proposed roadway types as well as additional technical information, has been provided to assist subdividers in the proper submission of applications.

It is the feeling of the Board that even though a developer be bonded and his roadway building program supervised, that within three years these streets need maintenance. This Board strongly urges the Highway Surveyor request, and the Townspeople allocate a much larger repair and maintenance budget to the Highway Department, to properly care for the so-many deserving old roads and to keep up the new streets that each year are being accepted. A man or department cannot be criticized for the failure of lack of properly maintaining town property unless given the financial aid needed.. With the exception of the State and the Chapter Ninety roads, all other town ways should have attention every third year.

As part of extra work given this board, they were appointed to a committee to assist certain individuals and the Board of Health in re-writing the Health rules. This committee made a detailed study of the then existing rules, and in accordance with the General Laws, Chapter 111, Section 31 as amended by Chapter 285 of the Acts of 1937, the Board of Health adopted a revised set of Rules and Regulations which have set up a much improved set of standards for the food handling, control of diseases, piggeries, sewage disposal, and housing standards. Particularly applicable to the Planning Board activities is the rule and also the State Law that all plot plans for a sub-division must first be approved by the Board of Health in regards to sewage disposal units, the extent of which is determined by a percolation test to establish the permeability of the soil. The linear footage of leaching trench necessary directly affects the required lot area for the

## ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT

proper disposal field beds. With the revised Board of Health Rules and Regulations now in force, and enforced, the citizens of Randolph have much better protection and recourse to law regarding health and living conditions.

Work on the preparation of a Master Plan of the Town of Randolph is progressing according to schedule. The necessary preliminary studies have been made, and the ground work laid for the projection of a town plan which will be of great value to all town departments as well as the Planning Board. Meetings have been held with State and Town engineers experienced in the make-up of Master Plans and invaluable advice gained and money saved by their suggestions.

Commitments have been made for obtaining aerial photographs, base maps and highway plans, and photographic enlargements. These, when co-ordinated and assembled much in the manner of fitting a jig-saw puzzle together, will result in a plan of the Town with a scale of 400' (four hundred feet) to the inch. Copies of this Master Plan will then be distributed to various Town Departments for posting and delineation of information particular to that department or group.

The preliminary outline of the Plan should be ready sometime in July of 1954, and this plan fully completed and in the hands of the Planning Board by the end of 1954. It appears at this time that the entire work can be completed well within the limits of the amount appropriated at the 1953 Town Meeting. It might be interesting to note here that the Town will acquire in the process of this work, an aerial photograph of the town which two years ago would have cost in the vicinity of 15,000 dollars.

The Board is working in conjunction with the School Planning and Building Committee on proposed school sites, and have at this time under consideration land in the vicinity of North Street, suitable for the construction

## TOWN OF RANDOLPH, MASS.

of an elementary school. This location has been selected as being central to the area. It will serve all pupils from the Braintree line, too, and including the Belcher District without transportation problems. The Board has also under consideration another tract of land in the Tower Hill District for future expansion of the Tower Hill School.

At this time the Board is considering a preliminary plan of development located in the central business area of the town, which when completed, would enhance the beauty of the town, and solve many traffic and parking problems now in the present center, and ultimately would be a large contributor to the tax revenue of the town. The Board also has had numerous meetings with individuals interested in industrial sites, and it is recommended here that an Industrial Commission be established to study and recommend to the Planning Board suitable and available sites for industry.

To help the townspeople and developers, and to present a more organized agenda, the Planning Board wishes to state meeting nights will be every Tuesday except holidays. These meetings to be held in the G.A.R. hall, opening with executive session from eight P. M. till eight forty-five, after which time the meeting will be open to the public.

We wish at this time to extend our thanks to all departments for their co-operation and efforts, who have with their help made our job easier.

Randolph Planning Board:

EDWARD J. ROYCROFT, Chairman  
RANDOLPH O. BOOTHBY, Clerk  
CHARLES E. PREBLE  
FRANK A. YOUNG  
RAYMOND T. WALL

# Report of The Trustees Of The Turner Free Library

---

\*Elected as Secretary and Treasurer May, 1953.

To the Citizens of Randolph:

Pursuant to the provisions of Article 3 of the By-Laws of the Turner Free Library, this Report for the calendar year 1953 and being the seventy-eighth report, is submitted, showing the condition of the Trust consisting of the building, library and funds together with the Reports of the Librarian and of the Treasurer, and so much of reports submitted to the Trustees by the various committees as seem to be of general interest.

## TOWN OF RANDOLPH, MASS.

The Library Committee reports that the books, charts and furnishings are in good condition and that all books owned by the Library are accounted for by the Librarian.

The appropriation in the amount of \$2,000 voted by the Town for 1953 was expended in its entirety for repairs and expenses. For the year 1954 the Trustees request an appropriation of \$3,000 for general repairs and expenses.

A copy of each of the following reports is herein to subjoined: Report of the Librarian, Report of the Treasurer, showing receipts and expenditures, and the Report of the Finance Committee.

At the May meeting, Mr. Joseph D. Wales, who had held the position of Secretary and Treasurer for many years, submitted his resignation for these two positions. The Trustees greatly appreciate his fine efforts and diligent service and accepted his resignation with reluctance. Mr. John L. Porter was then elected as Secretary and Treasurer to fill the vacancy.

The Trustees wish to thank all persons who contributed in any manner to the Library during the past year. Our appreciation is also hereby extended to Mrs. Blanche Hazard Sprague of Brockton, Mass., for the 18 books written by Mary Wilkins Freeman and 32 Annual Reports of the American Historical Association; also to Miss Joan Gibson of North Stoughton, Mass., for 60 juvenile books.

FREDERICK E. KNEBEL,  
President.

To the Trustees of the Turner Free Library:

I have the honor to submit the annual report of the Librarian for the year ending December 31, 1953.

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

Library hours are Monday, Wednesday and Saturday afternoon from 2:00 to 4:30; every evening from 7:00 to 9:00, except Sundays and holidays. During July and August we are open evenings only.

Number of books loaned—8,568.

Fiction, 4,378; Juvenile, 2,291; General, 1,899.

Magazines loaned, 160.

Registration—New, 318; Renewals, 160.

Two hundred ninety-one (291) books have been purchased and many gifts received from the following:

Mrs. Blanch Hazard Sprague

Miss Joan Gibson

Mrs. Sunderland

Mrs. Carl Gove

Mrs. Lind.

Mrs. Alberta Komich and Mrs. Helen Morrison told the stories at the four sessions of the Children's Story Hour.

There was an average attendance of 21 children.

Book Week—November 16-21—was observed by having a display of books (old and new) in the window of Lyon's Card Shop.

On November 21, there was a Children's Story Hour with an attendance of 105.

Mrs. Alberta Komich was the story teller. At vacation time we were fortunate to have Miss Nellie Desmond with us.

The Librarian thanks all those who have donated books and who have helped in any way. Also, Miss Massie for her interest and the Trustees for their advice.

EUNICE B. MARTIN,  
Librarian.

TOWN OF RANDOLPH, MASS.

To the Trustees of the Turner Free Library:

Your Finance Committee has audited the accounts of the Treasurer for the year 1953 and found them to be correct. All receipts have been accounted for, and vouchers approved for all payments.

We have examined the securities representing investment of funds and find them to be as represented.

The investment portfolio has not been greatly changed this year except for slight additions in shares of: First National Bank, Chemical Bank & Trust, National City Bank, Great American Insurance, and Western Mass. Companies, as a result of stock dividends.

Respectfully submitted,

RAYMOND L. MASON,  
Chairman.

# Report of Civil Defense Agency

January 21, 1954

To the Board of Selectmen

Randolph, Massachusetts:

In this third annual report of the Civil Defense Agency it is to be noted that the Legislature has extended the Civil Defense Act (Chapter 639 of the Acts of 1950) indefinitely as amended by Chapter 491 of the Acts of 1953 effective June 16, 1953, as follows:

“Section 22: This act or any part hereof shall become inoperative by the adoption of a joint resolution to that effect by the House and Senate acting concurrently.”

In his first State of the Union message, delivered February 2, 1953, to the United States Senate and House of Representatives in joint session, President Dwight D. Eisenhower declared civil defense preparedness becomes sheer necessity if the cold war is to be won. He said further: “Because the building of a completely impenetrable defense against attack is still not possible, total defensive strength must include civil defense preparedness.”

The need for an active civil defense organization is still a predominant factor in our town affairs. During the past year our initial First Aid class under the able leadership of Miss Jeanne Ethel Norris was held in the Randolph High School.

The course started the evening of February 16, 1953 and consisted of a thorough indoctrination in various phases of first aid procedures with a test at the conclu-

## TOWN OF RANDOLPH, MASS.

sion of each phase. The time element was two hours one evening each week for twelve weeks.

Twenty-six persons registered for this class and six members satisfactorily completed the course, and received certificates.

The membership of the American Legion were of great assistance in securing permission from property owners and custodians of buildings for their use as "shelter" in an emergency caused by enemy attack. The Weymouth Light and Power Company approved the use of their light poles, for posting the metal "shelter" signs, which were placed thereon. Accordingly, twenty-three signs were strategically located by May 6, 1953.

Our signal alarm system is sixty percent completed.

During this past year the radio communications system has been organized on an efficient basis. The network is in need of many more amateur radio operators, who have their own station set-up. However, under the direction of Mr. Ernest J. Evans, and Mr. George R. Carroll, together with the able assistance of Mr. Joseph F. Brewster of the Randolph Fire Department, commendable progress has been made, and weekly communication drills are held in conjunction with the Sector No. 5 net.

The Auxiliary Firemen of the Civil Defense Agency have been supplied with ten pairs of Firemen's boots; ten Firemen's helmets, and ten black fleece lined rubber coats, for emergency use, at a cost of \$399.50. At least this is a start in the right direction.

On October 23, 1953, five cases and one carton of medical supplies, together with 54 litters, were received for equipping our first aid stations. These supplies are properly stored, where they will be available in time of emergency need.

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

At the present time there are 398 members in the Civil Defense organization, and 92 members in the Ground Observation Corps. These men and women have all taken the oath as required by Section 18, Chapter 639, Acts of 1950.

The Ground Observation Post has been operating on a twenty-four hour basis since July 14, 1952. Recently, two of its members were awarded Merit Badges with credit for 8,750 hours service each; one other member for 500 hours, and one for 250 hours. This department for defense is considered of great importance by higher authority, and the need for constant observation and report of all planes passing over our station cannot have too much emphasis at this time.

One group of girls from Hølbroom under the direction of Mrs. Alma T. Aldrich have not missed a week since November 1952, at which time, they spend an afternoon observing and reporting all planes to our filter station at Manchester, New Hampshire. Their faithfulness to this duty is commendable.

Every person in Randolph becomes subject to the accidents of war, should an enemy attack strike our neighborhood. For the benefit of all of us the following are cited as Three Purposes of Civil Defense:

- 1—To save lives, by minimizing the effects of attack on civilian population.
- 2—To deal with emergency conditions immediately following attack
- 3—To keep production going at a level, which will enable us to defend ourselves, and fight back.

Note: Four-fifths of all destruction in World War II by aid raids, was due to fire.

RALPH E. MacLEOD.

# Report of The Highway Supervisor

To the Citizens of the Town of Randolph:

The Highway Department completed one of the heaviest programs in the history of the Town of Randolph in the year 1953. Starting early in the Spring with sweeping, patching, hauling gravel, repairing and replacing street signs, and sidewalk repairs; work of cleaning brooks, drainage lines, catch-basins, building sidewalks and new drainage systems continued through the Summer and Fall.

Following are the streets that received surface treatment during the year: Highland Avenue, Woodlawn Street, Norfolk Road, Martin Terrace, Fairview Avenue, Waldo Street, Fairmount Street, Russ Street, Curran Terrace, Vine Street, Gold Street, Lafayette Street, Old Street, Forrest Street, Saratoga Street, Bennington Street and Jane Street. Gravel highways were graded and treated with calcium chloride as a dust layer.

## CHAPTER 90 MAINTENANCE

Work completed under Chapter 90 Maintenance consisted of basins cleaned, streets swept, brush and grass cut, patching, repairing shoulders and regrading and resurfacing with bituminous concrete a section of Union Street.

## CHAPTER 90 CONSTRUCTION

Construction of another section of Warren Street between the railroad crossing and Silver Street was completed under the Chapter 90 Construction program. The widening and resurfacing work in this section has done much to make safer driving conditions.

## ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT

### NORTH MAIN STREET SIDEWALK

The Highway Dept. completed and paved a section of sidewalk between Pauline Street and Hills Street eliminating a hazard to children in the north end of the town walking to the Devine and Pauline Schools.

### DRAINAGE SYSTEMS

Drainage systems completed by the Highway Dept. were Lafayette Street, Grove Street, Old and Forrest Streets, Fowler Street, Stacy-Waldo Streets, and Himoor Circle. The system on Cedar Drive could not be completed this year due to abnormal ledge conditions. The system on the north end of Old Street was completed by Contract. The small amount of work remaining on the Vesey Road-Beverly Circle-Charlotte Lane system will be completed by the Contractor as soon as weather permits.

### ENGINEERING

The money expended on engineering during 1953 has been of great value to the town. A good start has been made in relieving some of the worst drainage conditions in the town. Studies have been made for future drainage projects. Plans and construction of all new developments have been checked. This work should be continued.

### NEW PROJECTS

Drainage construction should continue until that problem is eliminated. Sidewalks should be constructed in all hazardous areas. Extension of the work of widening and reconstructing Warren Street has been approved by the State and County authorities and work should start early in the Spring.

### SNOW AND ICE

During the year 1953 we carted snow away after 5 storms. Plowing was completed during 5 storms, sanding

# TOWN OF RANDOLPH, MASS.

streets and sidewalks during 8 storms. A great amount of sanding was necessary due to freezing rain and cold weather. All sand used was treated with salt to cut roadway ice and prevent freezing in stock-pile. The salt is a great help in maintaining the roads for safe winter driving.

## LIST OF STORMS IN 1953 AND TYPE OF WORK DONE

Date	Plowing	Sanding	Carting	Depth
Jan. 1	No	Yes	No	2½"
Jan. 7 & 8	Yes	Yes	Yes	11½"
Jan. 21	Yes	Yes	Yes	4½"
Jan. 30	No	Yes	No	2½"
Feb. 3	Yes	Yes	Yes	5"
Feb. 8	Yes	Yes	Yes	5"
Feb. 12	Yes	Yes	Yes	6"
Feb. 15	No	Yes	No	2"
Total.....				39"

I wish to thank the Town officials and citizens for the fine cooperation given to the Highway Department during the past year.

Respectfully submitted,

JOHN A. FREDERICKSON,  
Highway Surveyor.

# Report of Tree Warden and Moth Superintendent

To Honorable Board of Selectmen  
and Citizens of Randolph:

I herewith submit my report as Tree Warden and Moth Superintendent for the year of 1953.

The regular program of repairing storm damage, trimming and removal of dead and dangerous trees was carried on during the year. As this work is spread over seventy-five miles of road, it limits the amount of work to any one street.

The never ceasing work of eliminating bushes which, because of view obstruction constitutes a dangerous menace to car drivers, has been carried on this year.

The Dutch Elm Disease is increasing each year. There is no doubt but what this disease is here to stay. We are making every effort to keep it a minimum. Our only means of control right now is to keep the remaining Elms as healthy as possible by constant care in pruning and spraying. A great deal of extra work was necessary because of the number of storms and high winds during the year 1953.

Forty-two dead trees were removed during the year and a great many pruned. These trees were replaced where possible with new ones.

The Commonwealth of Massachusetts, through its Insect Pest Control Department has notified this department that our liability for Gypsy Moth work for the coming year is \$3,330.00 and have recommended that this de-

TOWN OF RANDOLPH, MASS.

partment ask for an appropriation of \$3,330.00 to be expended solely for control against those insects specified in Section 11 as public misances.

At this time I wish to thank the Board of Selectmen, various Town Departments, and Citizens of Randolph for their splendid co-operation during the past year.

Respectfully submitted,

JOSEPH J. HART,  
Tree Warden and Moth Superintendent.

# Report of Police Department

To the Board of Selectmen

Randolph, Mass.

Gentlemen:

I herewith submit report of the work done by the Police Department of the Town of Randolph, for the year ending December 31, 1953:

Calls answered and investigations made	9947
Summons served	235
Arrests	192
Arraignments in Court	173
Held for the Grand Jury	4
Pending in District Court	21

TOWN OF RANDOLPH, MASS.

Engine 4 with a voluntary crew of men visited the Worcester disaster area on nine consecutive nights using our lighting plant to good advantage.

Our Central station and Fire alarm system are in very poor condition. The building is not safe for habitation, and the alarm system has failed us several times during the past year. The members of the department would greatly appreciate favorable action on the articles in the 1954 Town Meeting Warrant concerning these items.

Yours respectfully,

HAROLD L. BAILEY,  
Chief of Fire Department.

# Report of The Department of Veterans' Services

To the Honorable Board of Selectmen:

The Department of Veteran Services takes pleasure in submitting to you a Summary of service rendered to the veteran and his dependent's, of the Town of Randolph, for the past year.

This office has processed and developed 87 cases for veteran benefit's which were authorized by the Commonwealth under Chapter 115 as amended by Chapter 584 of the acts of 1946, granting qualified veterans and dependents financial aid when in need also 14 cases which were disallowed because no need was shown, had 3 cases for war allowance under Chapter 797, acts of 1950 handeled eight cases for other cities and towns where veteran's resident was Randolph, making a total of 112 cases. The Commonwealth of Massachusetts reimbursed the Town of Randolph during the year 1953 the amount \$17,551.69 in the above cases.

As Director of Veteran Services filed, developed and processed 289 claims for all types of benefits allowed by the veteran's administration.

The following is an enumeration of claims for services handled by this office.

Number of claims for burial allowance	6
Number of claims for burial allowance awarded	6
Number of claims for head stones	6

## TOWN OF RANDOLPH, MASS.

Number of claims for head stones awarded	6
Number of claims for widow's pension's	8
Number of claims for widow's pension's awarded	8
Number of claims for Service Connected disability	137
Number of claims for Service Connected disability awarded	90
Number of claims for Service Connected disability Pending	32

World War II Number of claims under P L 16 for on the job training and Education awarded	14

## KOREAN WAR

Number of claims under P L 550 & 894 for on the job training & education	87
Number of claims awarded	87
Number of Veterans sent to Soldier Home & Vet- eran administration for out patient Treatment	71
Number of Veterans admitted to Soldiers Home & Veterans Administration hospitals for medical & Surgical care	69
Total value of pension's and compensation's awarded to Randolph Veterans & Widow's of all war's	\$19,041.45

ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

'Total number of applications filed for pension's compensation', insurance, education on the job training & burial allowance for the year ending Dec. 31, 1953 429

In conclusion, I would take this opportunity to thank you, the Board of Selectmen, the veteran organizations of the town and the local doctor's, for their co-operation, without it the services rendered to the veteran and his dependent, by this office, would not be possible.

Respectfully submitted,

WILLIAM S. COLE,  
Vets Agent & Director of Vets Services.

## Report of The Board of Registrars

During the past year, the Board of Registrars held sessions at the Belcher School, Devine School and Town Hall. Outside of the regular sessions, quite a number of people were registered at the Town Clerk's office.

We now have 5949 registered voters in the town, listed as follows:

Precinct One	1453
Precinct Two	1495
Precinct Three	1297
Precinct Four	1704

We have on file, approximately 8000 cards of persons twenty years of age and over, whether citizens or not.

Board of Registrars,

HELEN C. SULLIVAN, Chm.  
ELIZABETH R. CUNNINGHAM  
ETHEL McDONALD

# Report of Building Inspector

Appropriation

\$300.00

Respectfully submitted,

ROBERT C. JOPE,  
Sealer of Weights  
and Measures.

ANNUAL REPORT  
*of the*  
SCHOOL DEPARTMENT  
*of the*  
TOWN OF RANDOLPH

For the Year Ending December 31st, 1953

1953

# Report of The School Committee

To the Citizens of the Town of Randolph:

The Randolph School Committee submits herewith the annual report of the year 1953.

This marked the first full year during which the new Randolph High School has been in use. The facilities available for academic, athletic and social activities were utilized to fullest extent by students and by the many and varied organizations of the Town. The building program of the Randolph schools continues with the addition of the Devine School nearing completion. Upon completion of this program, twelve additional rooms will be available to house more than 400 pupils. It is planned that the inadequate facilities now being used at the Pauline Street School be closed.

Your Committee urges that the citizens of the Town read and study the various reports submitted by the heads of the departments and the annual report of the Superintendent of Schools.

Your Committee continues to recognize the ever-changing methods being used in the education of students and will make every effort to keep abreast of these changes. Randolph school population has reached an all-time high, with 2,558 students enrolled as of Oct. 1, 1953, and, with the continuing growth of the Town, your Committee feels that it is not amiss to look forward to an expanding building program.

It is with sincere regret that we include in our report the sudden and untimely death of Mr. Francis A. Niccolls.

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

While his service on the Committee was of short duration, the impact of his sincerity, clear thinking and sound advice was felt by all.

Your attention is called to the report in which the amount of moneys refunded through the various laws and regulations of the Commonwealth, as they relate to its educational program, is shown. This amount is estimated to be approximately \$125,000 for the year 1953. It is to be noted that a refund of nearly \$5,000 will be made for transportation of school children.

Your Committee acknowledges with sincere gratification the gift made by C. Lloyd Claff for the purchase of library books. It is hoped that proper appropriations will be made by the citizens of the Town to augment this program.

Your Committee also acknowledges with sincere gratification the establishment of the "Joe Lapchick Award" by Mr. Joseph Cohen of the Randolph Manufacturing Company.

We extend our sincere congratulations and thanks to all administrators, teachers, supervisors, secretaries and custodians for their cooperation during the past year.

A sincere welcome to visit the schools at your convenience is extended by your Committee, and we seek any suggestions or criticisms that may serve as a guide for better education of children.

Respectfully submitted,

MURRAY LEWIS, Chairman  
CLARK W. FREEMAN, Secretary  
DR. WILLIAM F. MAGUIRE  
HAROLD L. WHITE

# Report of The Superintendent of Schools

To the Randolph School Committee

Chairman Mr. Murray Lewis and Members:

I respectfully submit to you, my annual report of the Randolph public schools for the year 1953. This report also includes the reports of the supervisors, nurse, high school principal and the necessary school statistics. These reports are worthy of reading for they show basically the problems and ideals sought, as well as the educational means to achieve results.

Our school enrollment continues to show a steady annual increase. Our present enrollment of twenty-five hundred fifty-eight pupils is one hundred ninety-four over last year. This increase was housed by opening two first grade rooms in the high school building and distributing the balance in classrooms throughout the town irrespective of school districts. This has greatly increased our transportation problem.

The steady growth of new homes in Randolph makes it apparent that immediate steps must be taken to provide additional classroom space. Present figures would seem to indicate that unless additional classroom space is available by September 1955 it will be necessary to operate some classes on a double session program.

Repairs and improvements to our school buildings are a heavy but necessary yearly expense. In spite of our new buildings and an anticipated additional new building in the near future, our existing school buildings must be kept in proper condition and safe for occupancy. In keep-

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

ing with our policy of repairing and improving school buildings and sites, much needed blacktop work was done at Stetson and Tower Hill Schools.

At this time, I wish to pay tribute to two members of the Radolph Public Schools who retired after years of faithful service.

First, Miss Jane C. Good, Commercial Teacher in the high school, retired after nearly twenty-eight years of service. Her understanding of the needs of boys and girls and her interest in pupil development made her an outstanding teacher.

Second, Mr. Stephen J. Hart, Supervisor of Attendance for the Town of Randolph, retired after many years of service. Steve, as he is known to thousands, believed that boys and girls are basically good. He spent many an hour overcoming some difficulty that might otherwise make necessary a court appearance and record for some youth.

Both, Miss Good and Mr. Hart carry with them in their retirement the best wishes of all who have been privileged to know them .

The continued help, cooperation and interest of the parents and citizens is appreciated.

I wish to express to you my sincere appreciation for your cooperation and guidance in this public service and to the teaching staff and pupils for their valued assistance.

Respectfully submitted,

I. D. READE,  
Superintendent of Schools.

## REPORT OF THE HIGH SCHOOL PRINCIPAL

Hubert F. Gilgan, Principal

Our peak enrollment for this year is exactly 1,000 pupils. We said in our last report "it is our earnest hope that the citizens of this town will be foresighted enough to see that a double session in any part of the school system would be a grave mistake and should be avoided." We are fast approaching the time when serious thought must be given to the idea that the new building is not going to be adequate. The high school provides 1,100 pupil stations. A station means any place where a pupil may sit, excluding, of course, the gymnasium and the auditorium. It does include the music room (80 pupils), the Oral English Room (80 pupils), and the Library (60 pupils). These rooms are not suited for ordinary class work. We are now using the Oral English Room for a homeroom and study hall; the Library for a homeroom and classroom. We believe that because of the increased enrollment, now in the lower grades, this is the time to think of the future and not wait until the emergency is here and then go on double session until the situation has been met.

We wish, at this time, to pay tribute to a veteran teacher who retired during the past year. Miss Jane C. Good was appointed to this school in 1925 and after more than twenty-five years of conscientious, selfless service to the youth of the town we find it difficult to believe she is no longer with us. We will miss her but we wish her many years of peace and contentment in her retirement.

Again we say we need books for our school library. Again we hope the citizens of the Town will furnish these books through an annual budget. We have not minded using the library for a classroom up to now because since we have so few books the room is of no value as a library.

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

It should be made useable; there should be a complete library service, including a Librarian (when there are sufficient books) to give to the young people of this school, adequate training in the use of books, to give them the books which they need to carry on their school work more successfully. We are very grateful to the Claff Memorial Book Fund, for the superb gift of one thousand dollars to be spent on books over a period of four years. This is a fine start. Also the Stetson High School Scholarship Committee, now out of existence, has donated two hundred dollars for the purchase of books for our library. The class of 1953 left a cash gift to be used for this purpose, and the present grades seven and eight, through their profits from a magazine subscription campaign, have netted a sizeable sum for library use. However, as can be readily understood, additions of new books must be made from year to year and this is where a budget enters the picture. We hope the School Board, Finance Committee, and citizens can, and will, help us.

We are pleased to announce that we are now operating our household arts work for the girls of the seventh and eighth grades, two periods per week. Their instructor, Miss Rose Sliby, is doing a nice job with these girls.

Our shop space is still being used to one-third of its capacity, only. The rest of the area is unused for the purpose for which it was intended. We urge attention in this area as quickly as possible. As a matter of fact, we will need another shop instructor for next year to take care of the extra seventh grade divisions we are going to have.

Our campaign for funds, with the invaluable assistance given to us by the Band Parents was highly successful and our band is equipped with new uniforms. This group now makes a smart appearance as those who have seen it can testify.

We are pleased to note an increased interest by the parents in the school and what we are trying to do, as well as a wholesome spirit of cooperation with us in our work. This has been shown by the discontinuance of the detention room plan whereby all pupils who had violated regulations were sent to a detention room each day. This usually meant the same ones were present day after day and usually it resulted in a continuance of the defect which caused them to be there in the first instance. Now, under the new arrangement, an office report is made of each case and when a definite number of reports is compiled on any one pupil he is sent home to return with a parent. We have kept a record of the results of these visits by the parents, which indicates that the great majority of them are appreciative of our efforts and express the desire to be of close help to us on behalf of their children.

During the past year a new school publication called "The Blue and White Banner" made its first appearance and filled a long felt need. It is issued several times a year under the able sponsorship of Miss Martha Foley of the faculty and has made a decidedly favorable impression on all who have seen it.

All members of the faculty are now at work on a course of study plan whereby the scope of all subjects may be better co-ordinated not only within the school but also with the subjects of the other grades. It is hoped that such a project will bring about more economy and efficiency of instruction, and that it will enable us to find and eliminate weak spots and therefore beneficial to the pupil. Along this line we would like to recommend the serious consideration of the establishment of department heads. When we were in the old building and our staff was small we could, and did, operate without such department heads. But now that the school and faculty have

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

grown—and will continue to grow it is our belief that the efficient operation of most departments would be helped by such an arrangement.

Sincerely yours,

HUBERT F. GILGAN.

### REPORT OF GUIDANCE DIRECTOR

Joseph Daly — Director

The guidance department provided a wide range of service to the students. Aid was given in educational, vocational and social problems.

This was accomplished by at least one interview with every student in the school and as many as twenty or thirty with some students when requested as needed by the students. Special work was done in aiding many students secure admission to various colleges and schools and etc. throughout the year.

Our testing program provided information on student reading ability, mathematical ability, mechanical ability, clerical aptitude and potential achievement. It enabled us to try to stimulate some students to greater achievement and to encourage others.

Results of their tests will be explained to parents by calling Ra-6-1771 for an appointment.

A follow-up study of the class of 1953 showed that no member is unemployed and that students of the class are now at many different colleges in the East. Twenty-four per cent of the class have been employed in offices and the remainder are with the telephone company, the armed forces, mechanical work, college, industry and trade, retail work, and various types of schools. We have

## TOWN OF RANDOLPH, MASS.

had the largest number of college applications ever in the present Senior Class of 1954.

The number of students coming in to use the services of the department has increased tremendously in the past three years. It is not uncommon for as many as three students being helped by the department at one time and many more in the waiting room.

Talks on such fields as airline hostess, teaching, office work, trades, colleges, advertising, nursing, retail store work, engineering, beauty culture, mechanics and a great many others were held during the year.

Group work covering a wide variety of school and personal problems, was handled by Miss Good in the eighth grade and by Mr. Clark in the seventh grade.

The cumulative record being used in the elementary schools, is very helpful and valuable work in social guidance is being done at that level. This is possible to the student due to the efforts and work of the elementary school teachers.

May I express my thanks to the school committee, Mr. Reade, Mr. Gilgan and counselors, Miss Winefred Brennan, Miss Anna Good and Mr. Lloyd Clark for their aid and co-operation.

## DRIVER EDUCATION REPORT

L. J. Wallace, Instructor

During the school year 1952-1953, 36 pupils successfully completed the course in Driver Education and Training and received their licenses from the Massachusetts Registry of Motor Vehicles.

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

In October 1952, a car was made available to Randolph High School for use in the Driving Training section of the course.

The present schedule will introduce to the highways approximately 40 safe drivers by June, 1954.

### REPORT OF THE ART SUPERVISOR FOR 1953

Ethel B. Atwood — Supervisor

Routine visits have been made regularly to the Elementary Grades during the year. Instructions have been given to the pupils and suggestions for further art projects or correlation of art with social studies, literature, etc., . . . . to the teachers.

At the September Work Shop, teachers and principals were supplied with mimeographed, illustrated outlines for the entire school year. These outlines covered the over-all aims and purposes of the Art Program in general and also stated the specific requirements of the particular grade level.

Special recognition was given during Education Week to "live" exhibits when children were to be seen each day in a local store window actually at work on art activities. The increased interest of the public was evidence that this project, tried for the first time last year, merited repetition. A plan to try out simple crafts in group work has been introduced this year with apparent favorable results.

As we review the record already made we also look ahead and feel that it is important that the well-functioning Art Department should have headquarters where the supplies, examples of completed work, reference books on art, prints of famous paintings and visual (art) educa-

tional films are available for the use of teachers. With modern school facilities and the growth of the town, these needs will eventually be supplied.

I believe art furnishes the individual with a practical knowledge which can be permanently useful to him. However, the responsibility of careful and intelligent guidance along art lines rests with art teachers today lest in promoting freedom of expression we become too free and the development of real skills, basic principals and cultural appreciation become lost.

I wish to gratefully acknowledge in this report, the interest and co-operation given to me by all with whom I have worked in the school system.

## REPORT OF REMEDIAL READING

Mary Christine Gaughen, Supervisor

It is with pleasure and a feeling of accomplishment that I submit this report on Remedial Reading in the Public Schools in Randolph.

At present there are 244 pupils in the second, third, and fourth grades receiving help in Remedial Reading twice each week.

Before a child is ready to read, he has a lot of "growing up" to do. Since children do not grow at the same rate, they are ready for reading at different times. Readiness for reading, then, is an individual matter. This year we have taken our first major step in making sure our first graders are ready for reading, by introducing a reading readiness program.

The reading readiness program is essential for through it each and every child has the opportunity to come to the point where he is thoroughly prepared to step

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

ahead into reading, instead of having reading thrust upon him. Developing readiness for reading by no means ends in the first grade. It is a continuous process through all the grades.

In October all pupils in grades one through six were given a readiness test. This is a diagnostic test which helps the teacher to group her class, and to know individual and group weaknesses.

We have been most fortunate in receiving much needed materials to carry on our reading program. I feel this in turn has given us enthusiastic teachers of reading and well motivated pupils.

### REPORT OF THE SUPERVISOR OF ATTENDANCE

Dec. — June — Stephen J. Hart

The attendance problem is under control. It has been necessary to make numerous calls at various homes, but I am happy to report that out and out truancy cases requiring court proceedings are on a steady decline.

There are one or two cases that still need constant close attention in order to improve the attendance records of these pupils.

I would like, at this time, to thank all who have assisted and co-operated with me during my years as attendance supervisor for the Randolph Public Schools. Without their co-operation, my task would have been much greater.

Sept. — Dec. — Edward V. Lloyd

I wish to state the situation is normal. And with the same co-operation, it can be maintained.

It became necessary for me to take one case before the Probation Officer at the Juvenile Court in Quincy, Mass. for his consideration and disposal.

### REPORT OF THE PHYSICAL EDUCATION DIRECTOR

Joseph J. Zapustas, Director

Probably no statement of principles or objectives has had more influence in curricular philosophy than the Cardinal Principles of Secondary Education. These and other similar statements are in rather general accord. They furnish the sociological objectives for all education. No subject makes a complete contribution to all these objectives and unless each subject makes a unique contribution to them, its existence in school curriculum lacks justification.

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

Physical education should primarily contribute to three of these objectives, namely: Health, worthy use of leisure time, and ethical character.

Our school program, concerning physical education, is gathering momentum whereby every child in the Randolph School System is partaking in the program to some degree. The grade school children are being taught rhythms, ball skills, singing games, mimetics and games of low organization. Posture work is also emphasized in the elementary grades.

The junior high program has included a mixture of individual and group activities.

The individual activities that the girls have participated in include badminton, tumbling, apparatus work, gymnastics, folk and square dancing.

The dual or group activities include soccer, fieldball, softball, volley ball and basketball.

The boys pace is stepped up, including tumbling, apparatus work, field and track, soccer, tag football, softball and basketball. Skills in all sports are being taught for co-ordination and effectiveness.

The high school program for girls consists of soccer, field hockey, volleyball, softball and basketball. Social dancing, square dancing and badminton is something for those whose interest is centered around more individual activities. Good posture has been stressed. In carrying out this project, the features of good posture have been discussed and demonstrated.

The boys program consists of softball, tag football, soccer, basketball, track and field, tumbling, apparatus work and skills in all phases of sports.

## TOWN OF RANDOLPH, MASS.

Varsity sports for both girls and boys are plentiful and the system of the seventh and eighth grades partaking in sports will shortly bear fruit.

Common interests, common loyalties, common enthusiasm; these are the integrating factors in any culture. In America, sports have provided this common denominator in as great a degree as any other single factor.

Throughout this country, the many groups with their various racial backgrounds and cultural heritages are often conscious of their differences from one another and eager to find a common meeting ground. When these groups unite in an interest in an athlete or a team, they feel a sense of homogeneity which they can acquire in no other way.

The democratizing influence of spectator sports in American culture can scarcely be over-estimated. In furnishing a common cultural interest, fostering understanding across class lines, and increasing the intimacy of association with different classes, spectator sports contribute to those integrating forces which are vital and indispensable in the preservation of our democratic way of life.

The lowliest individual in the economic or social scale may participate with equal benefit and pleasure in the spectator sports. The bleachers are equally cordial to coal miners, politicians and bank presidents.

I wish at this time, to thank the school committee for their co-operation towards the physical education program, to Dr. William C. Sloan and Dr. Justin V. McGuirk for their interest in the girls and boys on the athletic teams and to the physical education instructors for their excellent work.

## REPORT OF THE DIRECTOR OF MUSIC

Myron B. Thomas, Director

I herewith submit my annual report as Director of Music. During the past year a dream of several previous years was fulfilled when the high school band appeared for the first time in their new uniforms. Thanks to many interested citizens and due to the efforts of the Band Parents' Club the goal was finally reached at a cost of \$3200.00. According to the Bureau of Uniform Standards the uniform selected is the best obtainable as to quality and the most practical as to style.

On February 28th the high school was host to the Southeastern Massachusetts School Bandmasters' Association which held its first concert in the new auditorium. I was honored to have been unanimously elected to direct this composite band of 100 players from eleven communities on the South Shore. Of these 100 players twenty-five were from Randolph high school.

Several of our students were selected to participate in the All-State Concert Festival at Springfield and the all-New England Festival at Brookline. The Southeastern Massachusetts Competition Festival was held this year at Norwood and 200 of our students took part in the auditions and parade.

The high school band and chorus, the junior high school and elementary bands and selected soloists were presented at the annual spring concert in the auditorium on May 22nd and the Randolph Veterans' Council selected the high school band, color guard and twirling corps to officiate at the Memorial Day exercises. The high school chorus sang appropriate selections at the baccalaureate and graduation exercises in the auditorium. The band has played at all home football games this fall.

## TOWN OF RANDOLPH, MASS.

Aptitude tests were given in all grades from five through eight and instrumental study was recommended for those obtaining the highest results. Instruction is given on all instruments.

The 1953 season ended with the second annual Christmas concert on Dec. 10th. The presentation was "The Night Before Christmas" a seasonal musical written and directed by me and featuring the High school chorus, glee club, Jr. high school chorus, boys' choir and soloists. The newly-organized chorus of 150 voices from grades 7 and 8 made its first appearance at this concert.

In the grade music program the goal is to provide the pupil with a pleasant musical experience while helping him to become musically self-reliant by means of note-reading and mastery of rhythms. Only in this way can we supply the student with the necessary tools for any future music participation.

The music department is grateful to the entire school organization for its support.

## ELEMENTARY WORKSHOP — 1953

Mary McLaughlin

The teachers in the elementary schools of Randolph held a four day workshop preceding the opening of schools in September. Sessions were held at Stetson school on September 9, 10, 11, and 14.

The basic topic for this year's workshop was arithmetic and the major portion of the time was devoted to work in this subject. Teachers of each grade met together and group chairmen were assigned from the arithmetic committee which has been working during the past year.

## ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT

Each group worked on the evaluation of sample textbooks, the establishment of basic arithmetic content for each grade level, and the establishment of a time schedule for the introduction of this content during the school year.

In addition to the work on the arithmetic program, general meetings were scheduled at which Mrs. Ethel Atwood, supervisor of art, and Myron Thomas, music supervisor, met with the teachers and presented their outlines for the year's work. Joseph Daly, guidance director, gave a report of the development of the guidance program for the benefit of the children in the grade schools. He spoke of the important role of the classroom teacher in this field and the library of reference material now available from his department.

Each teacher was provided with mimeographed material on all subjects discussed during the conference to be used as a guide in planning the teaching program for the year.

### REPORT OF SCHOOL NURSES

Helen F. Conlon R. N.

Signe H. Heath R. N.

The regular program of weighing, measuring and routine inspections with follow-up in all areas of the health program was carried out during the year.

Health examinations were given to all students entering competitive sports.

The newly appointed school physicians, Dr. Justin V. McGuirk and Dr. William S. Sloane started a program of physical examinations of the school children. As of this date they have completed the examinations of all pupils

## TOWN OF RANDOLPH, MASS.

in grades 1 and 4. Results of these examinations were recorded and notice of defects found have been sent to the parents.

The diphtheria immunization clinics were held in the Health Unit at the high school. 68 children attended these clinics. 283 pupils in the first and sixth grades throughout the town were given a booster shot of diphtheria-tetanus toxoid.

After a preliminary inspection, a card was sent to the parents of children needing dental care, requesting them to arrange for dental examination by the family dentist. A good percentage of the cards have been returned by the family dentist and stated that treatment has been started. Dental Certificates are issued by the dentist when all necessary work is completed. We hope every child will have a certificate before school closes in June.

The dental clinic sponsored by the Board of Health and conducted by Dr. William F. Maguire cared for about 75 children whose parents were unable to have defects corrected.

Pupils who failed the screening tests which were given to discover vision and hearing defects were re-tested with the Massachusetts Vision Test and the Pure Tone Audiometer tests. Parents of pupils failing these tests were notified, and in most cases necessary steps towards the correction of the defects were taken.

There were ten new cases of physically handicapped children in our schools. Three of these children were unable to attend school and arrangements were made for a home visiting teacher.

The number of cases of communicable diseases has been low.

## ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT

The Norfolk County Chest X-Ray Program was carried out in October. It is a pleasure to report that no evidence of Tuberculosis was found.

Fewer and better health examinations are being made. Improved methods of screening children in need of health services are increasingly being used in the school.

We are striving to help our children to become happy, well-adjusted, and useful adults.

We wish to take this opportunity to express our appreciation for the splendid co-operation extended to us by all school personnel.

### SCHOOL CALENDAR 1954-1955

Open January 4, 1954	Close February 19, 1954
Open March 1, 1954	Close April 15, 1954
Open April 26, 1954	*Close June 11, 1954 for grades 1 to 6
	*Close June 23, 1954 for grades 7 to 12

### SUMMER VACATION

Open September 8, 1954 for grades 7 to 12—Close December 17, 1954

Open September 15, 1945 for grades 1 to 6—Close December 17, 1954

Open January 3, 1955	Close February 18, 1955
Open February 28, 1955	Close April 15, 1955
Open April 25, 1955	*Close June 10, 1955 for grades 1 to 6
	*Close June 22, 1955 for grades 7 to 12

School will also be closed on the following days:

Good Friday, April 16, 1954; Decoration Day, May 31, 1954; Columbus Day, October 12, 1954; Armistice Day, November 11, 1954.

## TOWN OF RANDOLPH, MASS.

and closing at noon November 24, 1954 for Thanksgiving Day and the day following November 25 and 26.

\*The state law requires that the high school shall be in session at least 180 days of each school year and for the grade schools, 160 days.

### NO SCHOOL SIGNALS

By courtesy of the Randolph Fire Department, three blows repeated three times will be sounded at:

7:00 a.m. — No school all schools all day

7:30 a.m. — No school all day the first six grades

By courtesty of WBET and WJDA Broadcasting Stations, no school announcements will be given by radio as near the local hours as is convenient and possible for the station announcer.

No school signals apply ordinarily to grades one through six only. Randolph High School will always be in session, except at times of a catastrophe or when extreme safety factors are involved.

“No School” (grades 1-6) will be signaled only on cold, stormy winter days when health and safety factors are generally involved. Heavy rain at other times of the year will not be considered a cause for closing school.

In the final analysis, each parent can best decide whether or not to send his child to school on a stormy day. Individual factors of health, distance from school, available transportation, etc. can be considered in making the decision.

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

### SCHOOL STATISTICS, JUNE 30, 1953

Population, Randolph, census 1951	9,982
Valuation	\$15,582,872
School Enrollment	2,287
Average Membership	2,358
Average Daily Attendance	2,162
Average Number of Days in Session, all schools	170
Cost per pupil, grades 1 to 8, average membership	\$122.60
Cost per pupil, grades 9 to 12, average membership	\$252.00
Non-resident pupils, ½ year or more in attendance	74
Number of teachers and principals	88
Number of supervisors	6
Number of School Doctors	2
Number of School Nurses	2

### ENTERING AGE TO GRADE ONE

Entering age to grade one, five years and eight months on or before September 1, 1954.

Vaccination and birth certificates required.

### HEALTH CERTIFICATE

Children absent from school five or more days because of a contagious disease, or because of illness of an unknown nature must obtain a health certificate from the School Physician or their own attending physician before they may return to school.

## Report of The Pedestrian Safety Committee

The Pedestrian Safety Committee appointed by the Moderator following the last annual Town Meeting to study and make recommendations as to what should be done to improve pedestrian safety in our business area held four meetings. After due consideration two reports were submitted to the Board of Selectmen stating recommendations which in the opinion of the Committee would greatly improve pedestrian safety.

The Committee was of the opinion that we should restrict our activity primarily to that area bounded by Crawford Square and the bridge. However, it was unanimously agreed that we would be negligent in our duty to the town if we failed to recommend corrective measures at any point where it was considered a definite safety hazard existed.

Following is a summary of the recommendations presented to the Board of Selectmen for their consideration:

(1) That the following crosswalks be installed:

(a) at the corner of Conrad's store directly across Main Street.

(b) In front of the Randolph News Store at corner of entrance to parking lot, directly across Main Street.

(c) On the opposite side of the entrance to above mentioned parking lot, approximately at a point where the bus stop is located, directly across Main Street.

ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT

(d) At a point in front of Crovo's store directly across Main Street.

(2) That a white circle be painted in the center of Main Street, midway between the crosswalks numbered (b) and (c) above, for the traffic officer to stand when directing traffic, and that a light be installed with the beam directly on the circle.

(3) That a 20-mile per hour speed limit be inaugurated to apply from the bridge entering Main Street to Crawford Square and that block painting in the street similar to that used in the Town of Waltham indicating "SLOW—20 MILES PER HOUR" be installed at the following locations:

(a) At a point at the entrance to Main Street by Whitehouse Service station for traffic approaching from the south.

(b) At a point on the south side of the bridge for traffic approaching from the north.

(c) At a point near Warren Street near Good Brothers store, also for traffic approaching from the north.

(4) That a double white line be painted down the center of Main Street from the bridge to Crawford Square with proper openings for crosswalks and intersections, and that each section be separated by broken white line corresponding to the double white line.

(5) That additional crosswalks be installed as follows:

(a) At the corner of Memorial Drive where same enters Main Street to a point directly across Memorial Drive.

(b) At a point on Memorial Drive on the east

## TOWN OF RANDOLPH, MASS.

side of the high school driveway across the street at an angle to a point near the west side of the driveway into the grounds of the telephone building.

(c) On Liberty Street opposite Belcher Street, with a block sign painting in the street on either side of the crosswalks, reading "SLOW—CHILDREN."

The Committee also unanimously recommended that two push button traffic signals be installed at the crosswalks numbered (b) and (c), respectively, in recommendation (1), i. e., at the Randolph News store and the First National Store. The light for southbound traffic at the crosswalk nearest the First National store on the west side of Main Street, and the light controlling northbound traffic to be in a corresponding position on the east side of the Main Street, approaching the crosswalk leading from Randolph News store directly across Main Street, with push buttons on separate posts on the two vacant corners of said crosswalks. This recommendation is basis in an article prepared for inclusion in the Town Warrant for the 1954 Town Meeting.

It was further recommended to the Board of Selectmen that the Department of Public Works, State of Mass., be contacted with regard to having speed limit signs indicating "20 MILES PER HOUR" placed in the Town of Randolph to apply from Crawford Square to the bridge and on Memorial Drive from Main Street to Highland Avenue. These signs are to be erected on posts at specific locations to be designated by the Chief of Police. This recommendation is made necessary in view of the fact that speed limit signs painted in the street cannot be enforced unless corresponding street signs on posts are erected.

The Committee is grateful for the cooperation of all concerned in the furthering of Pedestrian Safety and trust

ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

that by these measures some gain will be made in the protection of the pedestrian in the Town of Randolph.

Respectfully submitted,

# Report of Committee on Town Manager

The following act known as House Bill No. 888 is the results of many hours of work by your committee. A number of existing Town Manager Acts were studied and a great many meetings of this committee were held. The Act was presented to the Massachusetts State Legislature by our Representative Mr. Ralph Cartwright and will be heard by the Committee on towns on January 26th. We of the committee feel that if the Town is to choose Town Manager form of Government, that we have given them the best possible form. We trust that the citizens will make a complete study of the following report so they will be in a position to vote on same when Act is placed on the Ballot.

Respectfully submitted,

CHARLES E. PREBLE, Chairman  
RANDOLPH O. BOOTHBY, Clerk  
EDWARD J. ROYCROFT  
FRANK A. YOUNG  
RAYMOND E. WALL  
JAMES L. PEMBERTON  
GEORGE F. CULLEN

To the Selectmen:

We respectfully request that the complete Town Manager Act as presented by this committee together with the above remarks be published in the Town Book.

Respectfully,

CHARLES E. PREBLE,  
Chairman

**AN ACT ESTABLISHING A SELECTMEN-TOWN  
MANAGER FORM OF GOVERNMENT FOR THE  
TOWN OF RANDOLPH**

Section 1. BOARD OF SELECTMEN—At the first town election following the acceptance of this act the registered voters of the town of Randolph shall elect five selectmen of whom two shall serve for terms of three years, two for terms of two years, and one for a term of one year. At each annual town election thereafter the voters shall elect in place of those selectmen whose terms are about to expire a like number of selectmen to serve for terms of three years. When a vacancy occurs in the office of selectmen, the remaining selectmen may at any time prior to the next town election appoint a qualified person to serve as selectmen until such election, at which election the voters shall elect a selectmen to serve for the unexpired portion, if any, of the original term. The selectmen in office at the time of said first election shall continue in office until their successors are elected and qualified.

Section 2. OTHER ELECTED OFFICIALS — In addition to the selectmen, the registered voters of the town shall continue to elect the following officials in accordance with any applicable statutes, by-laws and votes of the town.

- (a) A moderator.
- (b) A school committee.
- (c) Trustees of Stetson school fund.
- (d) Town meeting members.

The term of office of any elective office, board or committee so continued, under this section, shall not be

## TOWN OF RANDOLPH, MASS.

interrupted. Every other elective office, board or, commission shall be terminated as hereinafter provided, any other provisions of law to the contrary notwithstanding. The term of office of any person elected to any office, board or commission existing at the time of such acceptance and terminated hereunder shall continue until such first town election and until the appointment and qualification of his successor, if any, and thereafter the said offices, boards and commissions shall be abolished and all powers, duties and obligations conferred or imposed thereon by law, except as provided by this act, shall be conferred and imposed upon the selectmen and exercised by the town manager to the extent hereinafter provided. The powers, duties and responsibilities of elected officials shall be as now or hereafter provided by applicable statutes and by-laws and votes of the town, except as otherwise expressly provided herein.

Section 3. APPOINTED OFFICIALS—(a). The selectmen shall appoint a town manager as provided in section six who may thereafter be removed as provided in section eight.

(b) The selectmen shall appoint a board of appeals, constables, election officers and registrars of voters other than the town clerk, and may, after such notice and hearing as they may deem advisable, remove any person so appointed for cause.

(c) The moderator shall appoint such boards, committees and officers, including a finance committee, as he may now or hereafter be directed to appoint by any applicable law, by-law or vote of the town.

(d) The town manager shall appoint, upon merit and fitness alone, and may, subject to the provisions of chapter thirty-one of the General Laws where applicable remove for cause:

## ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT

(1) A board of public health, a board of public welfare, a planning board, a board of assessors, town accountant, town clerk, town treasurer, tax collector, board of library trustees and town counsel.

(2) All other officers, boards, committees and employees of the town, with the exception of the elected officials specified in section two, and officers and employees of such elected officials.

Section 4. MEMBERSHIPS; TERMS; POWERS; DUTIES AND RESPONSIBILITIES—The number of members of boards, commissions and committees so appointed as provided in the proceeding section, the length of the term of each member thereof and of officers so appointed. and the powers, duties and responsibilities of the same shall be as now or hereafter provided by any applicable law, by-law or vote of the town, except as herein otherwise provided. Upon appointment and qualification of the various officials as provided for in section three, the term of office and all powers and duties of each person therefor holding each such office shall cease and be terminated.

Officers, boards, commissions and committees appointed by the town manager shall possess all the powers and rights and shall be subject to all the duties and liabilities specifically conferred or imposed by any applicable provisions of law upon them or upon officers, boards, commissions or committees having corresponding powers and duties, but in the performance thereof they shall be subject to the general supervision of the town manager.

Section 5. MULTIPLE OFFICES—A member of the board of selectmen, or of the school committee, or of the finance committee, shall, during the term for which he was elected or appointed, be ineligible to hold any other elective or appointive town office or position other than town meeting member. Any person elected or appointed

## TOWN OF RANDOLPH, MASS.

to any other office, board, commission or committee under the provisions of this act or of any general or special law, shall be eligible, during his term of office, for election or appointment to any other town office, board, commission or committee, except that the town accountant shall not be eligible to hold the office of town treasurer or town collector.

Subject to the approval of the selectmen the town manager may, but without additional compensation therefor, assume the powers, duties and responsibilities of any office which he is authorized to fill by appointment, such assumption to be evidenced by and effective upon the filing with the town clerk of a written declaration of such assumption signed by the town manager, except he shall not appoint himself as a member of any board or committee.

### Section 6. APPOINTMENT OF TOWN MANAGER

—The selectmen shall appoint, as soon as practicable after the first town election following the acceptance of this act or after the occurrence of any vacancy, for a term of three years, a town manager who shall be a person especially fitted by education, training and by previous full time paid experience in municipal government as a town or city manager, assistant manager or administrative assistant, to perform the duties of his office. The town manager shall be appointed without regard to his political beliefs. He shall not be a resident of the town when appointed, but shall be a resident of the town during his term of office. He may be appointed for successive terms of office. Before entering upon the duties of his office the town manager shall be sworn to the faithful and impartial performance thereof by the town clerk, or by a justice of the peace. He shall execute a bond in favor of the town for the faithful performance of his duties in such sum and with such surety or sureties as may be fixed or

approved by the selectmen, the premium for said bond to be paid by the town.

Section 7. ACTING MANAGER.—The town manager may designate, by letter filed with the town clerk, a qualified officer of the town to perform his duties during his temporary absence or disability. Pending the appointment of a town manager or the filling of any vacancy or the failure of the town manager to designate a temporary manager, or during the suspension of the town manager, the selectmen shall appoint a suitable person to perform the duties of the office.

Section 8. REMOVAL OF MANAGER—The selectmen, by a majority vote of the full membership of the board, may remove the town manager. At least thirty days before such proposed removal shall become effective, the selectmen shall file a preliminary resolution with the town clerk setting forth in detail the specific reasons for his proposed removal, a copy of which resolution shall be sent registered mail to the town manager. The town manager may reply in writing to the resolution and may request a public hearing. If the manager so requests, the board of selectmen shall hold a public hearing not earlier than twenty days nor later than thirty days after the filing of such request. After such public hearing, if any, otherwise at the expiration of thirty days following the filing of the preliminary resolution, and after full consideration, the selectmen, by a majority vote of the full membership of the board, may adopt a final resolution of removal. In the preliminary resolution, the selectmen may suspend the manager from duty, but in any case his salary shall continue to be paid until the expiration of one month after the date of the final resolution or removal.

Section 9. COMPENSATION OF MANAGER—The town manager shall receive such compensation for his

## TOWN OF RANDOLPH, MASS.

services as the selectmen shall determine, but it shall not exceed the amount appropriated by the town.

Section 10. POWERS AND DUTIES OF MANAGER  
—In addition to other powers and duties expressly provided for in this act, the town manager shall have the following powers and duties:

(a) The town manager shall supervise and direct and shall be responsible for the efficient administration of all offices, boards and committees appointed by him and their respective departments.

He shall, in addition, supervise and direct and shall be responsible for the efficient administration of any agency of the town not subject to his appointment or control, but only at such time and to such extent and for such period as the elected officials having control of such agency or activity may, with the consent of the selectmen, determine.

(b) The town manager, in accordance with the provisions of this act and except as otherwise expressly prohibited by the General Laws, may, reorganize, consolidate or abolish departments, commissions, boards or offices under his direction and supervision, in whole or in part, may establish such new departments, commissions, boards or offices as he deems necessary, and in so doing, may transfer the duties and powers, and, so far as possible in accordance with the vote of the town, the appropriation of one department, commission, board or office to another.

(c) The town manager shall fix the compensation of all town officers and employees appointed by him, subject to any applicable provisions of chapter thirty-one or section one hundred and eight A of chapter forty-one of the General Laws.

(d) The town manager shall keep full and complete records of his office and shall render as often as may be

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

required by the selectmen a full report of all operations during the period reported on.

(e) The town manager shall keep the selectmen fully advised as to the needs of the town, and shall recommend to the selectmen for adoption such measures requiring action by them or by the town as he may deem necessary or expedient.

(f) The town manager shall have jurisdiction over the rental and use of all town property, except schools. He shall be responsible for the maintenance and repairs of all town property, including school buildings and grounds. Except as otherwise voted by the town, he shall be responsible for the preparation of plans and the supervision of work on all construction, reconstruction, alterations, improvements and other undertakings authorized by the town, subject, however, to the approval of the school committee with respect to plans for the construction or improvement of school buildings or property.

(g) The town manager shall administer, either directly or through a person or persons appointed by him in accordance with this act, all provisions of general and special laws applicable to said town, all by-laws and all regulations established by the selectmen.

(h) The town manager shall, with the approval of the selectmen, have the authority to prosecute, defend or compromise all litigation to which the town is a party.

(i) The town manager shall perform such other duties consistent with his office, as may be required of him by the by-laws or vote of the town or by the vote of the selectmen.

(j) The town manager shall have access to all town books and papers for information necessary for the proper performance of his duties, and may, without notice, cause

## TOWN OF RANDOLPH, MASS.

the affairs of any department or activity under his control, or the conduct of any officer or employee thereof to be examined.

(k) The town manager shall purchase all supplies, materials and equipment, and shall award all contracts for all departments and activities of the town under his supervision; and he shall make all purchases for departments or activities not under his supervision but only upon and in accordance with a requisition duly signed by the head of any such department.

Section 11. APPOINTMENT OF ASSESSORS. — The town manager shall appoint a principal assessor, who shall devote his full time and attention to the duties of his office and shall serve as chairman of the board, and two additional assessors.

Section 12. APPROVAL OF WARRANTS — The town manager shall be the chief fiscal officer of the town. Warrants for the payment of town funds prepared by the town accountant in accordance with the provisions of section fifty-six of chapter forty-one of the General Laws shall be submitted to the town manager. The approval of any such warrant by the town manager or in his absence the acting town manager shall be sufficient authority to authorize payment by the town treasurer, but the selectmen shall approve all warrants in the event of the absence of the town manager, acting town manager or a vacancy in the office of town manager.

Section 13. FEES PAID TO TREASURY—The aggregate compensation of each town employee appointed by the town manager shall be limited to the amount established in accordance with the provisions of this act and all fees received in accordance with the provisions of any general or special law shall be paid into the treasury of the town.

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

Section 14. INVESTIGATIONS OF CLAIMS — Whenever any payroll bill or other claim against the town is presented to the town manager, he shall, if the same seems to him to be of doubtful validity, excessive in amount, or otherwise contrary to the interests of the town, refer it to the selectmen, who shall immediately investigate the facts and determine what, if any, payment should be made. Pending such investigation and determination by the selectmen, payment shall be withheld.

Section 15. CERTAIN OFFICERS NOT TO MAKE CONTRACTS WITH THE TOWN—It shall be unlawful for any selectmen, the town manager, or any other elective or appointive official of the town, directly or indirectly, to make a contract with the town, or to receive any reward from, or any share in the profits of, any person or corporation making or performing such contracts, unless the official concerned, immediately upon learning of the existence of such contract, or that such a contract is proposed, shall notify the selectmen and the town manager, by registered mail, of the contract and of the nature of his interests therein, and shall abstain from doing any official act on behalf of the town in reference thereto. In case such interest exists on the part of an officer whose duty it is to make such a contract on behalf of the town, the contract may be made by another officer of the town duly authorized thereto by vote of the selectmen.

Violation of any provision of this section shall render the contract in respect to which such violation occurs voidable at the option of the town. Any person violating any provision of this section shall be punished by a fine of not more than one thousand dollars, or by imprisonment for not more than one year, or by both such fine and imprisonment.

Section 16. ESTIMATE OF EXPENDITURES—A board, officers and committees of the town shall annually

## TOWN OF RANDOLPH, MASS.

at the request of the town manager, submit to him in writing a detailed estimate of the appropriations required for the efficient and proper conduct of their respective departments and offices during the next fiscal year. On or before the first day of December of each year, the town manager shall submit to each member of the finance committee and of the board of selectmen, a copy of his annual the probable expenditures of the town for the ensuing budget, which shall contain a careful, detailed estimate of fiscal year, including a statement of the amounts required to meet the interest and maturing bonds and notes or other indebtedness of the town, and showing specifically the amount necessary to be provided for each office, department and activity, together with a statement of the expenditures for the same purpose in the two preceding years and an estimate of expenditures for the current year. He shall also submit a statement showing all revenues received by the town in the two preceding years, together with an estimate of the receipts of the current year and an estimate of the amount of income from all sources of revenue exclusive of taxes upon property in the ensuing year. He shall also report to said committee and to the selectmen the probable amount required to be raised by taxation to defray all of the proposed expenditures of the town, together with an estimate of the tax rate necessary herefor.

Section 17. BY-LAWS, RULES ETC.— All laws, by-laws, votes, rules and regulations in force in the town of Randolph when this act takes effect, or any portion thereof, not inconsistent with its provision, whether enacted by authority of the town or any other authority, shall continue in full force and effect until otherwise provided by law, by-law or vote; all other laws, by-laws, votes, rules and regulations, so far as they refer to the town of Randolph, are hereby repealed and annulled, but such repealed shall not revive any pre-existing enactment.

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

Section 18. CONTRACTS—No contract existing and no action at law or suit in equity, or other proceeding pending at the time this act is accepted, or at the time of revocation of such acceptance, shall be affected by such acceptance or revocation.

Section 19. SUBMISSION OF ACT AND TIME OF TAKING EFFECT.—This act shall be submitted for acceptance to the qualified voters of the town of Randolph at the annual town election or state election first after passage of his act. The vote shall be taken by ballot in accordance with the provisions of the General Laws, so far as the same shall be applicable, in answer to the question, which shall be placed upon the ballot to be used at said election:

“Shall an act passed by the General Court in the year nineteen hundred and fifty four, entitled ‘An act to establish the selectmen town manager form of government in the town of Randolph’ be accepted by the town ” If a majority of the voters voting on this question shall vote in the affirmative, said act shall take effect immediately for the purpose of the next annual town election, and for all things relating thereto, and shall take full effect beginning with said following election. It shall be the duty of all town officials having to do with elections and holding office at the time of acceptance to do, in compliance with law, all things necessary for the nomination and election of officers first to be elected under this act.

If this act is rejected when first submitted it shall again be submitted at the next following annual town election and if accepted shall take effect as hereinbefore provided.

If this act is rejected for the second time it shall be again submitted at the annual town election in the year nineteen hundred and fifty six and if accepted shall take

## TOWN OF RANDOLPH, MASS.

effect as hereinbefore provided. If this act is again rejected when so submitted for the third time, it shall thereupon become void.

### Section 20. REVOCATION OF ACCEPTANCE.—

At any time after the expiration of three years from the date of acceptance of this act, and not less than ninety days before the date of an annual meeting, a petition signed by not less than ten per cent of the registered voters of the town may be filed with the selectmen, requesting that the question of revoking the acceptance of this act be submitted to the voters. No such petition shall be valid unless notice thereof shall be published by the selectmen for at least two consecutive weeks in a newspaper having a general circulation in the town, the last publication to be at least thirty days prior to said annual meeting. The selectmen shall thereupon direct the town clerk to cause the said question to be printed on the official ballot to be used at the next annual election in the following form:—"Shall the acceptance by the town of Randolph of an act passed by the General Court in the year nineteen hundred and fifty four, entitled 'An act establishing the selectmen town manager form of government for the town of Randolph' be revoked?" If such revocation is favored by a majority of the voters thereon, this act shall cease to be operative on and after the annual meeting following such vote. All general laws respecting town administration and town officers, and any special laws relative to said town, the operation of which has been suspended or superseded by acceptance of this act, shall be revived by such revocation and shall continue to be in full force and effect. By-laws, votes, rules and regulations in force when such revocation takes effect, so far as they are consistent with the general laws respecting town administration and town officers and with special laws relating to said town shall not be affected thereby, but any other by-laws, voted, rules and regulations inconsistent

ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

with such general or special laws shall be annulled. If such revocation is not favored by a majority of the voters voting, no further petition therefor shall be filed under this section oftener than once in every three years thereafter.

# Report of The North Randolph Pedestrian Committee

This Committee was appointed by the Town Moderator on authority of a motion passed at the Town Meeting in March 1953.

The purpose of the Committee was to review the following conditions from West Street to the intersection of Routes 128 and 28:

1. Pedestrian Safety
2. Lack of Curbing

From the information that this Committee can gather, we were to study and make recommendations for needed safety measures.

The Committee submits the following recommendations with the hope that they will be given the careful consideration of the Town Meeting Members. We hope that the recommendations that require expenditures will not be put aside at the expense of the pedestrians particularly the recommendations affecting the school children. We have found that additional safety measures are imperative to meet the rapid growth in this section.

1. Old Street—remain a One Way Street—for the safety of the school children in the Devine School.

2. Pauline Street—School Area—teachers to lead the children from the School to the intersection of Old and North Main Street at the traffic lights—children to cross North Main St. under the supervision of the officer on duty.

ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT

3. Install safety signs on North Main St. and Pond St. to control speed and warn motorist of children in the school area.

4. Crosswalks on North Main St. at—Dan's Barber Shop, Havey's Market, Sunset Market, Papp's Building, Oak St., Chestnut St., Canton St., and at Scottie Variety Store.

5. Install a Pedestrian Traffic Light at West Corners (North Main-Oak-Chestnut-Canton Sts.)

6. Install Mercury Vapor Lights from Pond St. along North Main to Foley's Garage to eliminate blind spots and to slow down traffic during later hours of the day.

7. Install Blinker—caution light—at top of hill near Foley's Garage.

8. Present Police coverage inadequate — section should be covered from 8 a. m. to 2 p. m. by a patrolman on foot for traffic and pedestrian safety and from 2 a. m. to 6 a. m. patrol car should cruise the area.

9. Need Curbing and Sidewalks from Pauling St. along the west side of North Main St. to Old St. and Continuing down Old St. for safety of the school children as cars are usually parked on what is supposed to be the sidewalk.

10. Coasting—additional streets be closed so that the children will stay in their own area to coast and will not have to cross the main streets with their sleds. A survey should be made to determine what streets should be assigned for coasting.

11. Snow Removal—St. Bernadette's Church Area—Highway Surveyor has agreed to remove the snow from both sides from Old St. along North Main to Intervale Terrace.

TOWN OF RANDOLPH, MASS.

12. State has agreed to paint white lines on Pond St. from North Main St. to Braintree line. Request also that white demarcation lines be painted on Pond St. and from Rtes 128 and 28 in a southerly direction towards Russ St.

13. Have State Engineer check Traffic Lights at Pond-Old and North Main Sts. to correct the flow of traffic coming out of Pond and Old Sts. on the green lights at the same time.

14. If possible to do so, safety signs should be painted on the streets to make the motorist more safety conscious.

The Committee has been advised by the State Public Works Department that a Safety Engineer will be available to assist us when we begin our Safety Program.

The Committee realizes that other safety measures should be adopted. A comprehensive study of the District safety problems would require considerably more time than this Committee was allowed. This is a partial report because we were unable to study completely the present safety conditions of our grade school children.

Respectfully submitted,

FRANK EVERY,  
Chairman and Secretary

# Report of Committee Committee To Study Assessing Procedures

On March 9, 1953 at town meeting the following motion was made under Article 7: "That a 10 (ten) man committee be appointed by the Moderator to check and to see if the recommendations and standards of valuation of the Cleminshaw reports are complied with. The findings of this committee to be announced at a public meeting Friday evening, May 8, 1953, at the Town Hall. The committee is to be appointed before the close of the 1953 annual Town Meeting."

At its first meeting on April 23, 1953, in determining the scope of the task, the committee decided that in order to fulfill its mandate and to make a comprehensive study, that more time was necessary than was allowed in the original motion. It was agreed that this report would be made as early as possible, and that the date was of secondary importance to consideration of the task, and the determination of the committee to in no way impede the work of the Board of Assessors in setting the tax rate prior to June 14th as required by State Statute.

In making this study it can readily be realized that every parcel of land and every building could not be reviewed. Therefore, the committee had to spot check available records and pick properties at random.

At the time of making these checks, over 250 properties were checked, and errors of omission and/or commission were found in approximately 10% of the parcels checked such as the following:

## TOWN OF RANDOLPH, MASS.

1. That some newly constructed properties, entirely completed, were not being assessed when due resulting in at least a one year loss of tax revenue.
2. That some partial assessments were not being made for buildings incomplete on January 1st with the same result as above.
3. That properties listed as incomplete by the Cleminshaw Co., as of January 1, 1951, even though completed during that year were still assessed at the same value in 1952.
4. That land taxed as pasture land was not being assessed as residential land when subdivided into lots.
5. That, although we made no attempt to study the abatement records, one case was brought to our attention where an abatement had been made on property without due cause in the opinion of the committee.
6. That the record system set up by the Cleminshaw Co. was not being kept up to date and we found that in some cases the Board of Assessors did not know the current owner and therefore no taxes were levied.

The failure of the Board of Assessors to adhere to the recommendations and standards set fourth in the Cleminshaw Report, as shown above, result in the following:

1. The tax rate, which must be set early enough so that tax bills shall be sent out not later than June 14th as required by the 1947 General Laws, Chapter 522, was not set until a much later date in 1952 and 1953.
  - a. The fact that the tax bills are not sent out on time has a great bearing on the amount of money borrowed in anticipation of revenue. We have spent approximately \$3,600.00 in interest charges for such monies in the years '50 thru '53.

ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT

- b. This causes poor relations between the town and the taxpayer and the town and banking institutions.
2. The tax rate which is set does not reflect the true total valuation.
  - a. The rate is higher than it should be because some property owners are not taxed and others are not taxed to the value of their holdings.
  - b. Some of the taxpayers, knowing these conditions exist, are encouraged to take advantage of the situation, which results in a breakdown of morale in civic responsibility.
3. The taxpayers will, in a few years, be faced with the necessity of another revaluation, at a greater cost than the \$13,500.00 spent in 1951, if present practices and procedures are continued.

Your committee makes the following recommendations:

1. That members of the Board of Assessors be ineligible to serve in any other town office whether elective or appointive.
2. That serial-numbered duplicate copies of building permits be on file in the assessors office within 7 (seven) days of issuance by the Building Inspector as required in the 1949 General Laws, Chapter 143, Section 61.
3. That on the fifteenth of every month contact be made with the Dedham Registry of Deeds to insure prompt notification of deed abstracts.
4. That here-in-after the Board of Assessors shall consist of 1 (one) full time assessor and 2 (two) part time associated.

TOWN OF RANDOLPH, MASS.

5. That minutes be kept of all Board meetings, said minutes to include an attendance record. The committee has been informed that at the present time no minutes are kept.
6. That the Building Inspector assist the Board of Assessors by stopping, or keeping ahead of, construction alterations now being done without the issuance of building permits.
7. That occupancy permits be issued to the builder or owner, by the Building Inspector when a structure is completed and that a duplicate be sent to the assessors' office to notify them to complete the appraisal of the structure.
8. That the recommendations and standards set fourth in the Cleminshaw Report be adhered to.

# Report of The Town Accountant

Randolph, Mass.

To the Honorable Board of Selectmen:

In accordance with Section 61, Chapter 41 of the General Laws I herewith submit my annual report of all receipts and disbursements for the year ending December 31, 1953. There is attached a list of monies received from every source of income, a detailed statement of all appropriations and balances, and all expenditures therefrom; a balance sheet, report of the funded or fixed debt, a table of debt maturities, information as to borrowing capacity and an account of all trust funds.

Respectfully submitted,

RAYMOND E. LYONS,  
Town Accountant.

# 1954 Town Meeting Warrant

Commonwealth of Massachusetts

Norfolk, ss.

To Either of the Constables of the Town of Randolph in  
said County,

Greetings:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Randolph, qualified to vote in elections therein, to meet at the polling places in their respective precincts, to wit:

**Polling Place in Precinct No. 1  
STETSON HALL, IN SAID TOWN**

**Polling Place in Precinct No. 2  
STETSON HALL, IN SAID TOWN**

**Polling Place in Precinct No. 3  
BELCHER SCHOOL, IN SAID TOWN**

**Polling Place in Precinct No. 4  
DEVINE SCHOOL, IN SAID TOWN**

**ON MONDAY, THE FIRST DAY OF MARCH, 1954**

**at 8:00 o'clock in the forenoon**

then and there to bring in to the wardens of their respective precincts, their votes on the official ballot for a Moderator for one year, Town Clerk for one year, Town Treasurer for one year, three Selectmen and Overseers of the Public Welfare for one year, one Assessor for three years, two members of the School Committee for three years, one member of the School Committee for one year, one member of the Trustees of the Stetson School Fund for three years, one member of the Board of Health for three years, one Tax Collector for one year, one Water Com-

## TOWN OF RANDOLPH, MASS.

missioner for three years, one member of the Planning Board for five years, eighty Town Meeting Members for three years, and to fill vacancy, two Town Meeting Members for two years, and two Town Meeting Members for one year; and on the following question:

### QUESTION 1

Shall the Town of Randolph vote to place under Civil Service the Labor Service Employees of the Town in conformance with the revelant provisions of Chapter 31 of the Massachusetts General Laws? Yes\_\_\_\_\_ No\_\_\_\_\_

**THE POLLS WILL BE OPEN AT EIGHT O'CLOCK IN THE FORENOON AND WILL BE CLOSED AT EIGHT O'CLOCK IN THE EVENING.**

You are directed to notify and warn the inhabitants qualified to vote as aforesaid to meet at the Randolph High School Auditorium, Memorial Parkway, in said Randolph on Monday, the fifteenth day of March, 1954 at 7:45 o'clock in the evening, and then and there to act on the following articles:

Article 1. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1954 and to issue a note or notes therefor, payable within year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 2. To see if the Town will vote to raise and appropriate money to defray the General Town Expenses for the current year, as recommended by the Selectmen and the Heads of the various Departments.

Article 3. To see if the Town will vote to raise and appropriate money for unpaid bills of previous years in

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

various departments.

Article 4. To hear and act on reports of Town Officers.

Article 5. To hear and act on the report of any committee and choose any committee the Town may think proper.

Article 6. To see if the Town will authorize the Water Commissioners to appoint one of their members to another office or position under their control, and fix the salary of such person in accordance with the provisions of Chapter 36, Acts of 1929, or take any other action relative thereto.

Article 7. To see if the Town will appropriate the sum of \$35.00 for the maintenance and lighting of the clock in the tower of the First Congregational Church.

Article 8. To see if the Town will appropriate the sum of \$35.00 for the maintenance and lighting of the clock in the tower of the First Baptist Church.

Article 9. To see if the Town will vote to raise and appropriate a sum of money for the maintenance and upkeep of the Town Hall, as petitioned for by the Trustees of the Stetson School Fund.

Article 10. To see if the Town will vote to transfer the care, custody, management and control of a parcel of land on the southerly side of Memorial Parkway, adjacent to the Turner Free Library and to the land set aside for a War Memorial to the Veterans of All Wars, running westerly approximately two hundred (200) feet, and thence southerly approximately two hundred (200) feet, to the Board of Selectmen, under the provisions of Section 15-A of Chapter 40 of the General Laws, for the purpose of constructing, furnishing and equipping, with site development a combination fire and police station, or take any other action in relation thereto.

## TOWN OF RANDOLPH, MASS.

Article 11. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing, furnishing and equipping, with site development a new combination fire and police station on land owned by the Town of Randolph on the southerly side of Memorial Parkway, adjacent to the Turner Free Library and the land set aside for a War Memorial for the Veterans of All Wars, and to determine if the money shall be raised by taxation, by borrowing under Chapter 44 of the General Laws, or by transfer from available funds, or take any other action in relation thereto.

Article 12. To see if the Town will vote to raise and appropriate a sum of money for the installation of a new and extended fire alarm system under the provisions of Chapter 100 of the Acts of 1953, and to determine if the money shall be raised by taxation, by borrowing under Chapter 44 of the General Laws, or by transfer from available funds, or take any other action in relation thereto.

Article 13. To see if the Town will vote to discontinue and abandon the use of parking meters and arrange for the disposition by public sale to the highest bidder of all parking meters and equipment relating thereto or take any other action relative thereto.

Article 14. To see if the Town will eliminate all future payments of the Belcher Park Fund, until the Town elects a Park Commissioner or Commissioners, and three additional members to be appointed by the Moderator, as Article 2 of the Special Town Meeting of 1947.

Article 15. To see if the Town will vote to instruct the Selectmen to review bounds of precincts in accordance with the General Acts of 1947, Chapter 324 and wholly or partially revise said boundaries.

Article 16. To see if the Town will vote to author

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

ize that the maximum compensation to be paid for the use of private automobiles for town purposes be established at the rate of 7 cents per mile operated for such purposes, and that the Town Accountant furnish a form for the use of all departments, officials and employees for reporting mileage accumulated on Town business.

Article 17. To see if the Town will vote to establish a vacation plan for Town employees (except the School Department) to provide as follows:

Town employees who work on a twelve month basis upon reaching their first anniversary date of service are eligible for a two week vacation with pay.

Article 18. To see what action the Town will take to establish a policy regarding payments for private home phones used for Town business.

Article 19. To see if the Town will vote to instruct all Town committees to give progress reports in writing every two months to the appointing agent. The appointing agent shall replace inactive members.

Article 20. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to establish a reserve fund in accordance with Chapter 40, section 6 of the Massachusetts General Laws.

Article 21. To see if the Town will vote to raise and appropriate a sum of money to purchase and install a fire signal for the North Randolph Fire Station.

Article 22. To see what action the Town will take to establish a plan of sick-leave for Town employees, except the school department, for those employees working on a 12-month basis.

Article 23. To see if the Town will vote to transfer the care, custody, management and control of a parcel

## TOWN OF RANDOLPH, MASS.

of land situated on the northerly side of Pond Street, bounded easterly by Randolph and Braintree line; northerly by land of Metropolitan Park Commission, westerly by land of unknown owners, southerly by Pond Street, to the Randolph Water Department, for the purpose of protecting the water supply, or take any other action in relation thereto, as requested by the Randolph Water Commissioners.

Article 24. To see if the Town will vote to raise and appropriate the sum of Four Thousand Two Hundred and Eighty Dollars (\$4,280.00) to cover the award of land damages by the County Commissioners of Norfolk County to Sundry Owners, as per list filed with the Town Clerk, on South Street, between Union Street and the Holbrook Town Line, in the Town of Randolph, for the purpose of establishing future building lines, the rebuilding of Street and establishing boundary lines.

Article 25. To see if the Town will vote to raise and appropriate the sum of Eight Hundred and One Dollars (\$801.00) to cover the award of land damages by the County Commissioners of Norfolk County to Sundry Owners, as per list filed with the Town Clerk, on Centre Street, between South Main Street and Union Street, in the Town of Randolph, for the purpose of establishing future building lines, the rebuilding of Street and establishing boundary lines.

Article 26. To see if the Town will vote to raise and appropriate a sum of money for the purchase of Zoning Maps.

Article 27. To see if the Town will vote to raise and appropriate the sum of One Hundred and Forty Five Dollars (\$145.00) to cover the award of land damages by the County Commissioners of Norfolk County to Sundry Owners, as per list filed with the Town Clerk, on Warren Street in the Town of Randolph for the purpose of estab-

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

lishing future building lines, the rebuilding of Street and establishing boundary lines.

Article 28. To see if the Town will raise and appropriate money for shop equipment for the High School.

Article 29. To see if the Town will raise and appropriate money for the completion of the Athletic Field on the High School Grounds.

Article 30. To see if the Town will raise and appropriate a sum of money for the taking of the State Census.

Article 31. To see if the Town will vote to raise and appropriate money to purchase or take by eminent domain, a parcel of land about 10,000 feet in area located at the northerly end of Bossi Ave. and the end of Fuller St. formerly Morgan St. land now or formerly owned by Philip Good or others.

Article 32. To see if the Town will vote to raise and appropriate a sum of money to purchase a new sidewalk tractor, the old sidewalk tractor to be traded in.

Article 33. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the control, care and eradication of the Dutch Elm Disease in the Town of Randolph under Chapter 761 of the General Laws, Acts of 1949 (Effective August 27, 1949).

Article 34. To see if the Town will vote to continue the widening of Warren Street under Chapter 90 construction, and to raise and appropriate a sum of money for same.

Article 35. To see if the Town will vote to raise and appropriate a sum of money to construct South Street under Chapter 90 construction.

Article 36. To see what action the Town will take in employing a Town Engineer, including Salary and

TOWN OF RANDOLPH, MASS.

Expenses. Engineer to be under the supervision of the Board of Selectmen.

Article 37. To see if the Town will vote to appoint four additional police officers, as requested by the Chief of the Police Department, and to raise and appropriate a sum of money therefor, or take any other action in relation thereto.

Article 38. To see if the Town will vote to appoint two (2) additional permanent firefighters and to raise and appropriate a sum of money therefor, as requested by the Chief of the Fire Department, or take any other action in relation thereto.

Article 39. To see if the Town will vote to renew a lease for a period not exceeding five years for the purpose of providing suitable quarters for the Randolph Post of the American Veterans of World War II, in conformance with Chapter 40, Section 9 of the Massachusetts Annotated Laws, the premises owned by the Town, now occupied under a lease by the said AMVETS, or take any other action in connection therewith.

Article 40. To see if the Town will vote to accept the provisions of section sixteen C of Chapter one hundred and forty seven of the General Laws providing for a five day week for members of the police department in the Town of Randolph, or take any other action in relation thereto.

Article 41. To see if the Town will vote to accept Chapter 386 Act of 1953.

Article 42. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be administered by the highway department under the terms of Chapter 386 of the Massachusetts acts of 1953 with the further provision that a sum not to exceed \$200.00 per thousand feet be expended to make the ways passable.

## ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT

Article 43. To see if the Town will vote to adopt a by-law providing for the numbering and re-numbering of houses and buildings in the Town of Randolph on all public or private streets and ways in the Town of Randolph, under the jurisdiction of the Board of Selectmen, and appropriate a sum of money for services and expenses in connection therewith, or take any action relative thereto as may appear indicated, in conformance with the provisions of Chapter 40, Section 21, sub-paragraph 10 of the Annotated Laws of Massachusetts, said by-law to read as follows:

Effective as of the date of approval by the Attorney General all buildings and homes on all public or private streets or ways shall be numbered or renumbered in numerical sequence beginning at the entrance to the street, said numbering to be done by using the even number on the left-hand side of the street and the odd number on the right-hand side of the street.

Article 44. To see if the Town will vote to amend its By-Laws by adding thereto a new Section to read as follows:—

Article 4 Section 4. Every officer or board in charge of a department and every Committee of the Town, when authorized to purchase any supplies or property, or to do any public work, or erect, construct or repair any building, in each case where the estimated cost of the entire property, work, or other matter in question does or may exceed Five Hundred Dollars, shall, before letting any such contract, invite sealed written proposals on identical specifications therefor by advertising in one or more newspapers, published in the Town, such invitation to state the time and place for opening the proposals, and reserving the right of such officer, board or committee to reject any or all proposals.

## TOWN OF RANDOLPH, MASS.

Article 45. To see if the Town will vote to accept the provisions of Chapter 98 of the Acts and Resolves of the Massachusetts Legislature for the year 1949, amending General Laws, Ter. Ed., Chapter 40, Section 21, which is an act prohibiting or regulating the removal of soil, loam, sand or gravel from land not in public use in the whole or in specified districts of the Town.

Article 46. To see if the Town will vote to adopt the following by-law for the purpose of implementing the provisions of Chapter 98 of the Acts and Resolves of the Massachusetts Legislature for the year 1949: "No person shall remove any soil, loam, sand or gravel from any land in the town not in public use unless such removal is authorized by a permit issued by the Board of Selectmen, except in conjunction with construction of a building on the parcel and except for the continued operation on the same parcel of an existing sand and gravel pit. No such permit shall be issued until an application therefor is filed with said board, said board shall hold a public hearing on the application and notice of the filing of such application and the date and time of the public hearing thereon shall be advertised in a paper published in the county, seven days at least before the public hearing."

Article 47. To see if the Town will raise and appropriate a sum of money and vote to transfer from the Parking Meter Fund a sum of money for the purchase and installation of two traffic lights and push button pedestrian controls on North Main Street.

Article 48. To see if the Town will vote to amend Article 1 Section 7 of the Town By-Laws by Section 7-B to read as follows: All articles for insertion in the Annual Town Meeting Warrant shall be submitted to the Board of Selectmen not later than January 10th.

## ZONING

Article 49. To see if the Town will vote to amend the

## ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT

Zoning By Laws changing the area listed from Residential to Business. Beginning at the northerly junction of Russ St. and North Main St. and running northerly to the Quincy Line a Depth of 200, two hundred feet.

Article 50. To see if the Town will vote to zone the following described area from Residential to Industrial. The property is a piece of property which is to the east of 482 to 536 South Main Street and north of Center Street is described as follows:

**Description**—Land in Randolph, Norfolk County, Massachusetts—being that shown on the Town of Randolph Assessors Map being:

Parcel No. 96 Plan 20

Parcel No. 99 Plan 20

Parcel No. 105 Plan 20

Parcel No. 107 Plan 20

Article 51. To see if the Town will zone for Industry the following premises: Beginning at a point on Billing St., 200 feet westerly of No. Main St. and then running Southerly to the Northeast corner of lot 304, Mitchell St., running westerly on the back lot lines from 304 to 300. Then approximately 188 feet Southerly on the Easterly Lot Line of 300. Then running Southwesterly 100 feet depth from Mitchell St. to an open Brook at the back Northeasterly corner of sub-divided lot 296. Continuing Southeasterly from the center of the Brook to the Culvert on High St. and then Northerly to the Northwesterly corner of lot 369, High St. This property is recorded at end of Book 1773 Sunset Park. Surveyed by C. E. Wetherbee, August, 1927.

Article 52. To see if the Town will vote to amend the Zoning By-Laws of the Town, having to do with Zoning, to change the Zoning Map (which by the provisions of Section B is declared a part of this By-Law) so

## TOWN OF RANDOLPH, MASS.

that the area described substantially as set forth below shall be changed from Residential District or Zone, to Industrial District or Zone: A parcel of land situated on the westerly side of North Street, Randolph, Norfolk County, Massachusetts, bounded and described as follows:

Easterly on North Street;

Southerly on the stone wall on land of the Town of Randolph known as the Alms House Farm:

Northwesterly on the location of the New York, New Haven and Hartford Railroad Company:

Northerly on land of the Central Cemetery Association;

Excepting from the above description Lots A, 2A, 3A, 4A, 2,3,4, and 5 as shown on plan filed with Norfolk Deeds Book 2835, Page 59.

Article 53. To see if the Town will vote to Zone the following described areas from residential to industrial as provided in Chapter 40 of the General Laws: The property of the Randolph Mfg. Co. Inc. bounded and described as follows: NORTHWESTERLY: On South Main Street, one hundred three and  $\frac{8}{10}$  (103.8) feet; NORTHEASTERLY: On a ten foot right of way on land formerly of Charlotte Hill three hundred thirteen (313) feet; SOUTHEASTERLY: and Southerly on land formerly of John T. Boyle, by two courses measuring respectively two and  $\frac{85}{100}$  (2.85) feet and sixty-eight (68) feet; EASTERLY: On land now or formerly of said John T. Boyle, Effie A. White, Mary E. Henry et al and Beulah A. Tirrell, two hundred ninety-nine (299) feet; SOUTHERLY: Twenty-two (22) feet; SOUTHWESTERLY: By a stone wall on land formerly of Timothy Kelliher, two hundred four and  $\frac{3}{10}$  (204.3) feet; NORTHWESTERLY: And Southwesterly on land formerly of Ellen F. Sheridan by two courses measuring forty-five (45) feet and eighty-eight and  $\frac{5}{100}$  (88.05) feet respectively: NORTHWEST-

ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT

ERLY: Westerly and Southwesterly on Lot B by five (5) courses measuring respectively eighteen and  $70/100$  (18.70) feet, twenty-five and  $93/100$  (25.93) feet, twenty-one and  $20/100$  (21.20) feet, thirty-two and  $97/100$  (32.97) feet, and eighty-six (86) feet. Containing 59,306 square feet of land. Excepting therefrom, however, such portion of the same as was taken by the County of Norfolk for the relocation of South Main Street by a Taking recorded with Norfolk Registry of Deeds in Book 1314, Page 550.

And the rear portion of the land owned by Joseph Cohen and Mary B. Cohen, the entire frontage of said portion being one hundred forty-four (144) feet easterly from South Main Street, bounded and described as follows: WESTERLY: by land of Joseph and Mary B. Cohen sixty-five and  $6/100$  (65.06) feet.

NORTHERLY: On land now or formerly of Nora T. Harris, One Hundred Sixty-One and  $23/100$  (161.23) feet. EASTERLY: On land formerly of Alice M. Granger Sixty and  $13/100$  (60.13) feet; and SOUTHERLY: On land of the Randolph Mfg. Co. Inc. One hundred Sixty-Eight and  $87/100$  (168.87) feet.

Article 54. To see if the Town will vote to amend the zoning by-laws by making the following revisions:

Sections 5, paragraph 1, (a) ; Minimum lot area.

"In residential district or zone no dwelling shall be erected or maintained except on lots containing not less than 12,000 sq. feet each and having a frontage of not less than 100 feet each. Not more than one dwelling shall be erected on each such lot."

Article 55. To see if the Town will vote to amend the Zoning By-Laws of the Town having to do with zoning and to change the Zoning Map, Section 2-B, of the

TOWN OF RANDOLPH, MASS.

Zoning By-Laws so that the area hereinafter described shall be changed from a residential district or zone to a business district or zone.

Beginning at the present business line on the Westerly side of North Main St., one hundred (100) feet, more or less from said Westerly side of said North Main Street and running

SOUTHWESTERLY sixty-two and 50/100 (62.50) feet, more or less, by land now or formerly of E. A. Kane and M. I. Pearlstein, thence running

NORTHWESTERLY fifty-one and 93/100 (51.93) feet, again by said land now or formerly of E. A. Kane and M. I. Pearlstein, thence running

WESTERLY two hundred sixty-two and 50/100 (262.50) feet, more or less, again by said land now or formerly of E. A. Kane and M. I. Pearlstein, thence turning and running

NORTHERLY three hundred seventy (370) feet, more or less, by land now or formerly of Frank Diauto, Inc. thence turning and running

SOUTHEASTERLY eighty-five (85) feet, more or less, by part of the land now or formerly of Theresa Burns and by land now or formerly of Samuel J. Burns, thence turning and running

SOUTHERLY one hundred sixty-seven and 86/100 (167.86) feet by land now or formerly of Leavitt, of Mollie F. Howard and of land now or formerly of the Church of the Unity, thence turning and running

SOUTHEASTERLY again seventy-eight and 50/100 (78.50) feet, more or less, again by land now or formerly of the Church of the Unity, thence turning and running

EASTERLY on hundred seventy-five (175) feet, more or less, again by land now or formerly of the Church of

ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

the Unity, thence turning and running

SOUTHEASTERLY again one hundred seventy-five (175) feet, more or less by land now or formerly of Frank Diauto, Inc., to the point of beginning.

Being a part of the same premises conveyed to Frank Diauto, Inc. by the deed of Jennie C. Brennan, dated October 5, 1953, and recorded in the Norfolk County Registry of Deeds, Book 3209, Page 233, and being part of the same premises described in the Certificate of Title No. 49337 and recorded in Book 247, Page 137 in the Norfolk County Registered Land Division.

Article 56. To see if the Town will vote to amend the Zoning By-Laws of the Town having to do with zoning and to change the Zoning Map, Section 2-B, of the Zoning By-Laws, so that the area hereinafter described shall be changed from a residential district or zone to an industrial district or zone.

Beginning at the stake on the Easterly side of Highland Avenue and running

NORTHEASTERLY two hundred forty-eight and 55/100 (248.55) feet by Highland Avenue, thence turning and running

EASTERLY one hundred eighty-seven (187) feet by land now or formerly of James McCarthy, thence turning and running

NORTHERLY again one hundred forty-eight (148) feet by land now or formerly of James McCarthy, thence turning and running

EASTERLY again three hundred seventy (370) feet, more or less, by part of the land now or formerly of Fred Hibbett, et al, and by land now or formerly of Hiram W. Freeman, et al, of Mary Farrell, of William Sargent, of Elizabeth G. Shedrick, of Henry F. McCarthy, et al, and

TOWN OF RANDOLPH, MASS.

by part of the land now or formerly of Theresa Burns, thence turning and running

SOUTHERLY three hundred seventy (370) feet, more or less, by land now or formerly of Frank Diauto, Inc., thence turning and running

WESTERLY six hundred forty (640) feet, more or less, by land now or formerly of E. A. Kane and M. I. Pearlstein and of Edward S. and Mildred G. McGlaughlin to the point of beginning.

Being a part of the same premises conveyed to Frank Diauto, Inc. by the deed of Jennie C. Brennan. dated October 5, 1953, and recorded in the Norfolk County Registry of Deeds, Book 3209, Page 233, and being part of the same premises described in the Certificate of Title No 49337 and recorded in Book 247, Page 137 in the Norfolk County Registered Land Division.

Article 57. To see if the Town will vote to amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: That the area at Forrest and North Main Streets, title for which is in the name of Ignazio DiPasqua, be included in the business district.

Article 58. To see if the Town will vote to amend the Zoning By Laws of the Town, having to do with Zoning, to change the Zoning Map (which by the provision of Section 2B is declared a part of this By Law) so that the area described substantially as set forth below shall be changed from Residential District or Zone, to Business District or Zone;

To the business zone at (a) add:: the west side of North Main Street from Billings Street south (769 feet) to a point opposite Russ Street a depth of 200 feet from the sideline.

Article 59. To see if the Town will vote to amend

## ONE HUNDRED AND EIGHTEENTH 'ANNUAL REPORT

the zoning laws as provided for in Chapter 40 of the General Laws as follows: That the area at 208 Chestnut Street title for which is in the name of Charles McCorkle and Beulah McCorkle be included in the business district for the purpose of opening a small variety store.

Article 60. To see if the Town will vote to Zone for Business the following premises: BEGINNING at a point being the northwest corner of Lot No. 11, as shown on Plan of Land in Randolph, surveyed by D. G. Clarke in 1923, and recorded in Norfolk Registry of Deeds; thence running in a NORTHERLY direction by the easterly side of North Main Street, forty (40) feet more or less, to the land of one Doherty, thence EASTERLY by land of said Doherty, one hundred eighty five (185) feet, more or less, to a stonewall, thence SOUTHWESTERLY by said stonewall, one hundred sixty five (165) feet, more or less, to a point; thence WESTERLY one hundred forty (140) feet, more or less, to North Main Street, thence NORTHERLY by said Main Street, sixty (60) feet, more or less, to the southerly side of said Lot No. 11 and land of one Sproul, thence EASTERLY by said Sproul's land, one hundred (100) feet, more or less, to a point, thence NORTHERLY by said Lot No. 11, sixty (60) feet more or less, to a point thence WESTERLY one hundred (100) feet to North Main Street and the point of beginning.

Being part of premises shown as Parcel 19, Plan 400, Randolph Assessors' Plan, and part of premises as shown as Lot 12 on Plan of Land surveyed by D. G. Clarke in 1923, heretofore referred to, and including the land shown on said Plan as Lincoln Road.

Article 61. To see if the Town will vote to amend the Zoning By-Laws, by making the following revisions: Section 5. paragraph A. Minimum Lot Area. In a residential district or zone no dwelling shall be erected or maintained except on lots containing not less than 10,000

## TOWN OF RANDOLPH, MASS.

square feet each and having a frontage of not less than 100 feet, and a depth of not less than 100 feet, and not more than one dwelling shall be erected on each such lot. The foregoing provision shall not apply to lots recorded as such with Norfolk Deeds or registered as such in Norfolk Registry District on the effective date of this By-Law.

Notwithstanding the above provisions, where the literal enforcement of this section would substantially diminish the value of the land, because of the conformation of the land, the shallowness or other irregularity of the lot boundaries, or the curved or other peculiarity of street location, or other valid reason, the owner thereof may apply to the Board of Appeals for relief and the said Board shall grant, upon equitable terms and conditions, such relief as will carry out the intent of this By-Law, but in no event to reduce the frontage to less than 75 feet.

### STREET LAYOUTS

Article 62. To see if the Town will vote to raise and appropriate a sum of money to layout Cole Terrace between Junior Terrace and Willard Terrace.

Article 15. VOTED: That the Town instruct the Selectmen to review bounds of precincts in accordance with the General Acts of 1947, Chapter 324, and wholly or partially revise said boundaries.

Article 16. VOTED: No action.

ONE HUNDRED AND NINETEENTH ANNUAL REPORT

Article 17. VOTED: That the Town to establish a vacation plan for Town employees (except the School Department) to provide as follows:

Town employees who work on a twelve month basis upon reaching their first anniversary date of service are eligible for a two week vacation with pay.

Article 18. VOTED: That the Town establish a policy regarding payments for private home phones used for Town business as follows: Payment of base rate only for the Police Chief, Fire Chief, Highway Surveyor, Water Supt., Welfare Agent, Veterans' Agent, and that no additional payments to be made.

Article 19. VOTED: That the Town instruct all Town Committees to give progress reports in writing every two months to the appointing agent. The appointing agent shall replace inactive members.

Article 20. VOTED UNANIMOUSLY: That the Town transfer from the Excess and Deficiency Account the sum of \$5,000.00 to establish a reserve fund in accordance with Chapter 40, Section 6 of the Massachusetts General Laws.

Article 21. VOTED: No action.

Article 22. VOTED: That the Town adopt a plan that would provide 15 days sick leave for all full Town employees per calendar year, accumulative to 30 days.

Article 23. VOTED UNANIMOUSLY: That the Town vote to transfer the care, custody, management and control of a parcel of land situated on the northerly side of Pond Street, bounded easterly by Randolph and Braintree line; northerly by land of Metropolitan Park Commission, westerly by land of unknown owners, southerly

TOWN OF RANDOLPH, MASS.

by Pond Street, to the Randolph Water Department for the purpose of protecting the water supply, as requested by the Randolph Water Commissioners.

Article 24. VOTED UNANIMOUSLY: That the Town raise and appropriate the sum of \$4,280.00 to cover the award of land damages by the County Commissioners of Norfolk County to Sundry Owners, as per list filed with the Town Clerk, on South Street, between Union Street and the Holbrook Town Line, in the Town of Randolph, for the purpose of establishing future building lines, the rebuilding of Street and establishing boundary lines.

Article 25. VOTED UNANIMOUSLY: That the Town raise and appropriate the sum of \$901.00 to cover the award of land damages by the County Commissioners of Norfolk County to Sundry Owners, as per list filed with the Town Clerk, on Centre Street, between South Main Street and Union Street, in the Town of Randolph, for the purpose of establishing future building lines, the rebuilding of Street and establishing boundary lines.

Article 26. VOTED UNANIMOUSLY: That the Town raise and appropriate \$75.00 for the purchase of Zoning Maps.

Article 27. VOTED UNANIMOUSLY: That the Town raise and appropriate \$145.00 to cover the award of land damages by the County Commissioners of Norfolk County to Sundry Owners, as per list filed with the Town Clerk, on Warren Street in the Town of Randolph for the purpose of establishing future building lines, the rebuilding of Street and establishing boundary lines.

Article 28. VOTED: No action.

ONE HUNDRED AND NINETEENTH ANNUAL REPORT

Article 29. VOTED: No action.

Article 30. VOTED UNANIMOUSLY: That the Town raise and appropriate the sum of \$1,000.00 for the taking of the State Census.

Article 31. VOTED UNANIMOUSLY: That the Town raise and appropriate \$500.00 to purchase or take by eminent domain approximately 10,000 square feet of land, part of a parcel of land deeded by the Town of Randolph to William J. Good, Jr., by deed of Randolph to extend Fuller Street, formerly Morgan Street, and to extend Bossi Avenue, said extensions to permit the laying out, draining and constructing of Fuller Street and the remainder of Bossi Avenue as and for a town way under the provisions of law authorizing the assessment of betterments.

Article 32. VOTED: No action.

Article 33. VOTED UNANIMOUSLY: That the Town raise and appropriate \$2,000.00 for the control, care and eradication of the Dutch Elm Disease in the Town of Randolph under Chapter 761 of the General Laws, Acts of 1949 (Effective August 27, 1949).

Article 34. VOTED UNANIMOUSLY: That the Town transfer the sum of \$4,000.00 from the Excess and Deficiency Account to continue the widening of Warren Street under Chapter 90 construction.

Article 35. No action.

Article 36. VOTED: That the Town instruct the Moderator to appoint a committee to include the following: Chairman of the Board of Selectmen, Chairman of Board of Health, Chairman Planning Board, Chairman

TOWN OF RANDOLPH, MASS.

of the Finance Committee, Highway Surveyor, Town Accountant, plus 3 citizens at large, to see what action the Town will take in employing a Town Engineer, including Salary and Expenses, under the Supervision of the Board of Selectmen. This Committee to report back at the next Annual Town Meeting.

Article 37. VOTED UNANIMOUSLY: That the Town appoint four additional police officers, as requested by the Chief of the Police Department, and raise and appropriate \$10,063.56 therefor.

Article 38. VOTED UNANIMOUSLY: That the Town appoint two (2) additional permanent firefighters and raise and appropriate \$5,250.00 therefor, as requested by the Chief of the Fire Department.

Article 39. VOTED: That the Town renew a lease for a period not exceeding five years for the purpose of providing suitable quarters for the Randolph Post of the American Veterans of World War II, in conformance with Chapter 40, Section 9 of the Massachusetts Annotated Laws, the premises owned by the Town, now occupied under a lease by the said AMVETS.

Article 40. VOTED UNANIMOUSLY: That the Town vote to accept provisions of Section sixteen C of Chapter one hundred and forty-seven of the General Laws providing for a five-day week for members of the Police Department in the Town of Randolph.

Article 41. VOTED UNANIMOUSLY: That the Town accept Chapter 386, Acts of 1953.

Article 42. VOTED UNANIMOUSLY: That the Town raise and appropriate \$3,000.00 to be administered by the Highway Department under the terms of Chapter

ONE HUNDRED AND NINETEENTH ANNUAL REPORT

386 of the Massachusetts Acts of 1953 with the further provision that a sum not to exceed \$200.00 per thousand feet be expended to make the ways passible.

Article 43. VOTED: No action.

Article 44. VOTED UNANIMOUSLY: That the Town amend its By-Laws by adding thereto a new Section to read as follows:

Article 4, Section 4. Every officer or board in charge of a department and every Committee of the Town, when authorized to purchase any supplies or property, or to do any public work, or erect, construct or repair any building, in each case where the estimated cost of the entire property, work or other matter in question does or may exceed Five Hundred Dollars, shall, before letting any such contract, invite sealed written proposals or identical specifications therefor by advertising in one or more newspapers, published in the Town, such invitation to state the time and place for opening the proposals, and reserving the right of such officer, board or committee to reject any or all proposals.

Note: Approved by George Fingold, Attorney General, May 12, 1954.

Article 45. VOTED UNANIMOUSLY: That the Town accept the provisions of Chapter 98 of the Acts and Resolves of the Massachusetts Legislature for the year 1949, amending General Laws, Ter. Ed. Chapter 40, Section 21, which is any act prohibiting or regulating the removal of soil, loam, sand or gravel from land not in public use in the whole or in specified districts of the Town.

Article 46. VOTED UNANIMOUSLY: That the Town adopt the following by-law for the purpose of im-

## TOWN OF RANDOLPH, MASS.

plementing the provisions of Chapter 98 of the Acts and Resolves of the Massachusetts Legislature for the year 1949: "No person shall remove any soil, loam, sand or gravel from any land in the town not in public use unless such removal is authorized by a permit issued by the Board of Selectmen except in conjunction with construction of a building on the parcel and except for the continued operation on the same parcel of an existing sand and gravel pit. No such permit shall be issued until an application therefor is filed with said board, said board shall hold a public hearing on the application, and notice of the filing of such application and the date and time of such public hearing thereon shall be advertised in a paper published in the county, seven days at least before the public hearing.

Note: Approved by George Fingold, Attorney General, May 12, 1954.

Article 47. VOTED UNANIMOUSLY: That the Town transfer \$1,283.89 from the Parking Meter Fund and transfer the sum of \$1,446.11 from the Excess and Deficiency Account for the purchase and installation of two traffic lights and push button pedestrian controls on North Main Street.

Article 48. VOTED UNANIMOUSLY: That the Town amend Article 1, Section 7 of the Town By-Laws by Section 7-B to read as follows: All articles for insertion in the Annual Town Meeting Warrant shall be submitted to the Board of Selectmen not later than ten (10) days before the close of the calendar year and further providing that the Complete Warrant be submitted to the Finance Committee not later than Jan. 25th.

Note: Approved by George Fingold, Attorney General, May 12, 1954.

Article 49. VOTED: No action.

Article 50. VOTED UNANIMOUSLY: That the Town zone the following described area from Residential to Industrial. The property is a piece of property which is to the east of 482 to 536 South Main Street and north of Center Street described as follows:

Land in Randolph, Norfolk County, Massachusetts, being that shown on the Town of Randolph Assessors Map being:

Parcel No. 96—Plan 20

Parcel No. 99—Plan 20

Parcel No. 105—Plan 20

Parcel No. 107—Plan 20

Note: Approved by George Fingold, Attorney General, May 12, 1954.

Article 51. VOTED UNANIMOUSLY: That the Town zone for Industry the following premises: Beginning at a point on Billing St. 200 feet westerly of No. Main St. and then running Southerly to the Northeast corner of lot 304, Mitchell St., running westerly on the back lot lines from 304 to 300. Then approximately 188 feet Southerly on the Easterly lot line of 300. Then running Southwesterly 100 feet depth from Mitchell St. to an open brook at the back Northeasterly corner of subdivided lot 296. Continuing Southeasterly from the center of the brook to the culvert on High St. and then Northerly to the Northwesterly corner of lot 369 High St. This property is recorded at end of Book 1773 Sunset Park. Surveyed by C. E. Wetherbee, August, 1927.

Article 52. VOTED UNANIMOUSLY: That the Town amend the Zoning By-Laws of the Town, having to do with Zoning, to change the Zoning Map (which by the provisions of Section B is declared a part of this By-Law) so that the area described substantially as set

TOWN OF RANDOLPH, MASS.

forth below shall be changed from Residential District or Zone, to Industrial District or Zone: A parcel of land situated on the westerly side of North Street, Randolph, Norfolk County, Massachusetts, bounded and described as follows:

Easterly on North Street;

Southerly on the stone wall of land of the Town of Randolph known as the Alms House Farm;

Northwesterly on the location of the New York, New Haven and Hartford Railroad Company;

Northerly on land of the Central Cemetery Association:

Excepting from the above description Lots A, 2A, 3A, 4A, 2, 3, 4, and 5 as shown on plan filed with Norfolk Deeds Books 2835, Page 59.

Note: Approved by George Fingold, Attorney General, May 12, 1954.

Article 53. VOTED UNANIMOUSLY: That the Town Zone the following described area from residential to industrial as provided in Chapter 40 of the General Laws: The property of the Randolph Mfg. Co., Inc., bounded and described as follows: Northwesterly: on South Main Street, one hundred three and  $8/10$  (103.8) feet; Northeasterly: On a ten foot right of way on land formerly of Charlotte Hill, three hundred thirteen (313) feet; Southeasterly and Southerly on land formerly of John T. Boyle, by two courses measuring respectively two and  $85/100$  (2.85) feet and sixty-eight (68) feet; Easterly: On land now or formerly of said John T. Boyle, Effie A. White, Mary E. Henry et al and Beulah A. Tirrell, two hundred ninety-nine (299) feet; Southerly: twenty-two (22) feet; Southwesterly: by a stone wall on

ONE HUNDRED AND NINETEENTH ANNUAL REPORT

land formerly of Timothy Kelliher, two hundred four and 3/10 (204.3) feet; Northwesterly and Southwesterly on land formerly of Ellen F. Sheridan by two courses measuring forty-five (45) feet and eighty-eight and 5/100 (88.05) feet respectively; Northwesterly, Westerly and Southwesterly on lot B by five (5) courses measuring respectively eighteen and 70/100 (18.70) feet, twenty-five and 93/100 (25.93) feet, twenty-one and 20/100 (21.20) feet, thirty-two and 97/100 (32.97) feet and eighty-six (86) feet. Containing 59,300 square feet of land. Excepting therefrom, however, such portion of the same as was taken by the County of Norfolk for the relocation of South Main Street by a Taking recorded with Norfolk Registry of Deeds in Book 1314, Page 550. And the rear portion of the land owned by Joseph Cohen and Mary B. Cohen, the entire frontage of said portion being one hundred and forty-four (144) feet easterly from South Main Street, bounded and described as follows: Westerly: by land of Joseph and Mary B. Cohen sixty-five and 6/100 (65.06) feet. Northerly: On land now or formerly of Nora T. Harris, one hundred sixty-one and 23/100 (161.23) feet. Easterly: On land formerly of Alice M. Granter, sixty and 13/100 (60.13) feet; and Southerly on land of the Randolph Mfg. Co., Inc., one hundred sixty-eight and 87/100 (168.87) feet.

Note: Approved by George Fingold, Attorney General, May 14, 1954.

Article 54. VOTED: That the Town amend the zoning by-laws by making the following revisions: Section 5, paragraph (a) Minimum lot area. "In residential district or zone no dwelling shall be erected or maintained except on lots containing not less than 12,000 sq. ft. each, having a frontage of not less than 100 feet each and a depth of not less than 100 feet. Not more than one dwelling shall be erected on each such lot. The fore-

## TOWN OF RANDOLPH, MASS.

going provision shall not apply to lots recorded as such with Norfolk Deeds or registered as such in Norfolk Registry District on the effective date of this By-Law. Notwithstanding the above provisions, where the literal enforcement of this section would substantially diminish the value of the land, because of the conformation of the land, the shallowness or other irregularity of the lot boundaries, or the curved, or other peculiarity of street location, or other valid reason, the owner thereof may apply to the Board of Appeals for relief and the said Board shall grant, upon equitable terms and conditions, such relief as will carry out the intent of the By-Law but in no event to reduce the frontage to less than 85 feet.

Hand Vote: Yes 77

No 21

Note: Approved by George Fingold, Attorney General, May 12, 1954.

Article 55. VOTED UNANIMOUSLY: That the Town amend the Zoning By-Laws of the Town having to do with zoning and to change the Zoning Map Section 2-B, of the Zoning By-Laws, so that the area hereinafter described shall be changed from residential district or zone to a business district or zone.

Beginning at the present business line on the Westerly side of North Main St., one hundred (100) feet, more or less from said Westerly side of said North Main St. and running: Southwesterly sixty-two and 50/100 (62.50) feet, more or less by land now or formerly of E. A. Kane and M. I. Pearlstein, then running Northwesterly fifty-one and 93/100 (51.93) feet, again by said land now or formerly of E. A. Kane and M. I. Pearlstein, thence running Westerly two hundred sixty-two and 50/100 (262.50) feet, more or less, again by said land now or formerly of E. A. Kane and M. I. Pearlstein, then turning

Article 3. VOTED UNANIMOUSLY: That the Town accept Chapter 143 of the Acts of 1954, which reads as follows:

“Section 1. Notwithstanding the provisions of sections one and two of chapter eighty (80), and section twenty-seven (27) of chapter eighty-three (83) of the General Laws, assessments for betterments may be validly made by the Town of Randolph on all construction for betterments which were completed during the calendar years nineteen hundred and fifty-one, nineteen hundred and fifty-two and nineteen hundred and fifty-three.

Section 2. This act shall take full effect upon its acceptance by a majority of the Town Meeting Members of said Town present and voting thereon at a regular or special town meeting, but not otherwise.”

Article 4. VOTED UNANIMOUSLY: That the Town transfer from the Excess and Deficiency Account the sum of \$3,850.00 to purchase or take by eminent domain for public school purposes plots of land described and located as follows:

A plot described as Lot #6 owned by John Melinas consisting of some ten acres located adjacent to Beverly Circle and Vesey Road and that the sum of \$1,600.00 in payment therefor and a plot of approximately ten acres, title to which is one Graziano and the sum of \$2,250.00 in payment therefor, which plot is adjacent to plot of land of some twelve acres owned by the Town of Randolph and a plot of land of some four and five-tenths acres owned by the Town of Randolph, formerly owned by one John J. Doyle.

Article 5. VOTED UNANIMOUSLY: That the Town purchase or take by eminent domain, and that \$500.00 be transferred from the Excess and Deficiency

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

Account for public school purposes, a strip of land running from Liberty Street in said Town in a northwesterly direction, which is now a part of Lot 21 and Lot 20 adjacent to said Liberty Street for a distance of six hundred feet (600), more or less, so as to provide a right of way and access for a proposed school site.

Article 6. VOTED UNANIMOUSLY: That the Town raise and appropriate \$726.00 to care for Graves of Veterans under the jurisdiction of an Agent to be appointed by the Selectmen in conformance with the provisions of Section 9 of Chapter 584, Acts and Resolves of the Massachusetts Legislatures 1946.

---

## SPECIAL TOWN MEETING

**June 21, 1954**

Article 1. VOTED: That the Town confirm action of Articles 4 and 5 of Special Town Meeting of March 15, 1954, regarding the taking by Eminent Domain for School Construction purposes, certain plots of land north of Liberty Street, consisting of some 30 acres, more or less, a plan of which is being prepared, and without further appropriation of the adoption of said plan.

Description of Land in Proposed Taking for Access Road to Proposed School Building Site:

"Beginning at a point on the North sideline of Liberty Street 20.00 feet Easterly of the line between the land of the Doyle heirs and Howard Reilly, thence North by the Easterly side of an existing 20 feet Right of Way on the land of said Reilly a distance of 575 feet to a corner, thence turning South on a line parallel to the Easterly sideline of the aforementioned Right of Way a distance of 580.76 feet to the North sideline of Liberty Street,

## TOWN OF RANDOLPH, MASS.

thence East along the North sideline of the aforementioned Liberty Street, a distance of 40.00 feet to the point of beginning, and containing 23,115 sq. ft.

### Description of Land in Proposed Taking for School Building:

“Beginning at a point on the Easterly side of an existing Right of Way between the land of Howard Reilly and the Doyle heirs 575 feet from the North sideline of Liberty Street; thence running N 81-06-40 W a distance of 1449.52 feet to a point on a stone wall between the land now or formerly of John Melinas and Ture Ingemanson, thence N 12-18-47 E a distance of 218.70 feet to a drill-hole in said wall, thence N 15-27-59 E along said wall a distance of 484.90 feet, thence N 14-38-12 E a distance of 232.58 feet to a corner, thence N 89-50-10 E a distance of 373.88 feet to a stake in the center of a brook, thence S 88-40-32 E a distance of 366.02 feet to a stake near the Westerly sideline of Pond Avenue, thence North-easterly by several short courses a total of 581.69 feet to a stake, thence S 2-12-28 W a distance of 683.70 feet to land of Howard Reilly, thence down the Easterly sideline of the aforementioned Right of Way a distance of 459.28 feet to the point of beginning; and containing 31.5 acres.

Article 2. VOTED: That the Moderator appoint a seven (7) person committee composed of four (4) men and three (3) women to study the recreational needs of Randolph and to report their finding at the next annual Town Meeting in March, 1955.

Article 3. VOTED: No action.

Article 4. VOTED: That the Town grant permission to Lindwood Memorial Park, Inc., a cemetery permit to operate a segregated, non-sectarian cemetery on several parcels of contiguous land, consisting of 90 acres,

ONE HUNDRED AND NINETEENTH ANNUAL REPORT

fronting on North Street, Randolph, and adjacent to St. Mary's Catholic Cemetery and Central Cemetery.

Article 5. VOTED: That the Town accept Byron Street as laid out by the Board of Selectmen and Approved by the Planning Board.

Article 6. VOTED: That the Town accept Waldo Street from Mitchell Street to High Street as laid out.

Article 7. VOTED: That the Town accept Alfred Terrace as laid out by the Board of Survey and petitioned for by the Board of Selectmen.

Article 8. VOTED: That the Town accept Lind Terrace as laid out by the Board of Survey and petitioned for by the Board of Selectmen.

Article 9. VOTED: That the Town accept Stoughton Street as laid out by the Board of Selectmen and approved by the Planning Board as petitioned for by the Board of Selectmen.

Article 10. VOTED: That the Town accept Royal Street as laid out by the Board of Selectmen and approved by the Planning Board and petitioned for by the Board of Selectmen.

Article 11. VOTED: No action.

Article 12. VOTED: That the Town amend the Zoning Laws as provided for in Chapter 40 of the General Laws as follows: That the area of Forrest and North Main Street, title for which is in the name of Ignazio DiPasqua, be included in the business district, 100 feet on North Main Street and 100 feet on Forrest Street at the southwest corner of North Main Street.

**TOWN OF RANDOLPH, MASS.**

**Hand Vote: Yes: 102 No.: 25**

**Article 13. VOTED: No action.**

**Hand Vote: Yes 102 No: 52**

## SPECIAL TOWN MEETING

December 6, 1954

Article 1. VOTED: No action.

Article 2. VOTED: That the Town transfer from the Board of Health Hospitalization Account, the sum of \$250.00 to the Board of Health Expense Account.

TOWN OF RANDOLPH, MASS.

Article 3. VOTED: That the Town give a deed to a triangular shaped piece of realty, owned by the Town, located on Memorial Parkway, the dimensions of which are 21.06 at the widest part, running in a westerly direction, from 400.12 on the longest side and 399.70 on the shortest side to a point of "0" width, in payment for a claim for land damages filed in the Superior Court against the Town by Edward A. Kane, et al and the Randolph Amusement Company, Inc., for land damages involved in a taking by the Town for street widening purposes of Main Street, dated September 6, 1950, and involving some 3,085 square feet of realty, said claims being represented by actions No. 51091 and No. 51092, in the Superior Court for Norfolk County.

Article 4. VOTED: That the Town transfer the sum of \$311.93 from the Parking Meter Fees Account, to the Parking Meter Maintenance Expense Account.

Article 5. VOTED: That the Town transfer the sum of \$500.00 from the Board of Health Hospitalization Account, the sum of \$121.30 from the Lock-up Repairs Account, and the sum of \$163.14 from the Accounts Payable Account, and the sum of \$35.14 from the Memorial Day Expense Account, a total of \$819.58 to the Costs and Claims Account.

Article 6. VOTED: No action.

Article 7. VOTED: That the Town transfer the sum of \$1,200.00 from the Lafayette Street Drainage Account to the School Planning and Building Committee for the expense of preliminary plans for the proposed new elementary school.

Article 8. VOTED: No action.

Article 9. VOTED: No action.

ONE HUNDRED AND NINETEENTH ANNUAL REPORT

Article 10. VOTED: That the Town transfer the sum of \$5,000.00 from the School Salary Account to the School Committee Expense Account for the purpose stated in their request.

Article 11. VOTED: That the Town zone the following described area from residential to industrial: Land in Randolph, Norfolk County, Massachusetts, being that shown on the Town of Randolph Assessors map as Parcel 8, Plan 50, owned by Allen Clark. To zone from this parcel of 27,900 square feet a piece of land 50 feet by 50 feet, bordered on the North by Lancaster Road, on the East by a stone wall, on the South and West by land owned by Allen Clark. Said parcel of land to be used solely for the manufacture of doughnuts by said Allen Clark and upon his discontinuance of the manufacture of doughnuts upon said premises said parcel to revert back to residential zoning.

VOTED UNANIMOUSLY: Yes.

Article 12. VOTED: That the Town transfer the sum of \$1,763.79 from the Additional Police Officers Salary Account, established at the 1954 Annual Town Meeting under Article 37 of that date, to the Police Department Salary Account.

Article 13. VOTED: To hear and act on the report of any committee and to choose any committee the Town may think proper.

Article 14. VOTED: That the Town transfer the sum of \$750.00 from the Lafayette Street Drainage Account to the Civilian Defense Expense Account for the purchase of equipment to generate, transmit and receive messages in any time of local emergency.

## NOTICE

The attention of parents is called to law relating to the registering of births. The present requirement is as follows:

Chapter 29, Sec. 6, of the Revised Laws. Parents within forty days after the birth of a child . . . shall cause notice thereof to be given to the clerk of the town or city in which such child is born.

Section 8. A parent . . . who neglects to do so for ten days after the time limited therefor . . . shall forfeit not more than five dollars for each offense.

Attention of PHYSICIANS and MIDWIVES is called to Chapter 280, Section 1, Acts of 1912: Section 1. Physicians and midwives shall, within forty-eight hours after the birth of every child in cases of which they are in charge, mail or deliver to the clerk or registrar of the city or town in which the birth occurred, a notice stating the date and place of the birth, giving the street number, if any, the number of the ward in a city and the family name. Failure to mail or deliver the said notice shall be punished by a fine not exceeding twenty-five dollars for each offense.

In accordance with the provisions of the law, the Town Clerk is prepared to furnish parents, physicians, and midwives applying therefor, blanks for return of births as required by law.

# Report of The Selectmen and Overseers Of Public Welfare

During the past year your Board of Selectmen have endeavored to complete all matters that were voted by the Town Meeting Members at the Annual Town Meeting and the Special Town Meetings.

Ten Mercury lights were transferred from Memorial Drive to the business area in North Randolph, which has materially increased the safety of 'pedestrians in this locality.

The Parking Meters were removed as directed under Article 13 and have been stored in a suitable place in the Town Hall.

The widening of Warren Street under Chapter 90 has been extended and further progress is expected in the near future.

Three permanent patrolmen and a provisional patrolman have been appointed and Civil Service Examinations have been set up by the Commonwealth in the early part of March so that Randolph will have men on the Civil Service List, if the citizens desire additional patrolmen.

Two additional firefighters have been added to the Fire Department.

The Pedestrian Flasher Signal has been installed in the uptown business district fulfilling a long needed safety necessity.

## TOWN OF RANDOLPH, MASS.

The Public Works Department of the Commonwealth installed a Pedestrian Flasher Signal in front of the Boston School for the Deaf at no cost to the Town, at our request.

The additional transportation service from Crawford Square to Liberty Street and to South Braintree Square was approved by the Department of Public Utilities on our petition to allow the Eastern Massachusetts Street Railway Company to serve this area.

The extension of the present lease for 5 additional years to the AMVETS of the former Town Infirmary was granted as per vote of the Town Meeting.

Your Board stepped up the installation of street lights in all parts of the Town to insure the safety and protection of the citizenry.

Because of the complaints received at a public hearing that many of our citizens were disturbed by prowlers, the Board immediately granted an emergency of additional funds to the Police Department, and up to the present time we have not received a single complaint since this measure was taken.

All properties that were voted to be purchased or taken by eminent domain were attended to as directed.

In Belcher Park a skating rink has been constructed and floodlights have been installed. We appreciate the cooperation given to us on this matter by the Jaycees.

We commend the Jaycees for their untiring efforts in furthering the Little League which provides recreation to the youth of the community.

On December 18, 1954, Mr. Frank R. Gaffney, Public Welfare Agent since March 15, 1939, resigned. Mr. Gaffney has served faithfully and conscientiously in the interest of the Taxpayers of the Town. His diligence to

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

his office has resulted in considerable savings for our local Government.

Mr. I. William Trostel was unanimously appointed to assume the position of Public Welfare Agent to take effect on January 3, 1955. We feel confident that his background and experience in this office will be of value to the Town.

In September, due to the vacancy that existed in the offices of Town Clerk and Treasurer, Selectman Joseph J. Semensi was appointed to assume the duties of these offices. His record in these offices since his appointment speaks for itself.

The accomplishments during the year have been the result of harmonious cooperation of all three of the members of the Board.

Representative Ralph W. Cartwright Jr., has been most co-operative and has assisted us on many occasions.

Director of Civil Defense Ralph E. MacLeod with his volunteers have been active in this most necessary program. The Board appreciates their efforts.

Especially do we desire to commend Town Counsel George N. Welch who has attended all of our meetings and has cooperated to the fullest extent with the problems that have confronted us.

All Department Heads and Town Officials and Committees have worked untiringly in conducting the affairs of the Town. We extend our grateful appreciation to all for their splendid example of teamwork. **RANDOLPH MARCHES ON!**

THEODORE S. LUDDINGTON,  
Chairman

RALPH H. HUTCHINSON,  
Clerk

# Report of Medical Advisory Council to The Board of Health

The undersigned practicing doctors and dentists in the Town of Randolph, acting collectively as the Medical Advisory Council to the Board of Health, make the following statement regarding the need for a sewerage system in the Town:

In years past when the population of the Town of Randolph was not as great as now, and when houses were spaced further apart, the method of waste disposal by individual household sewerage units (cesspools and leaching fields) was reasonably adequate. It represented a very much safer method than that which preceded it, the outhouse. In many parts of our Town, however, it has never been an entirely satisfactory method because the soil characteristics are such that percolation of liquid sewage has not been rapid enough. In such soils, cesspools or leaching fields clog within a year or two, and overflow has resulted in potentially dangerous conditions.

With the population now grown to around 15,000 and with a marked increase in house proximity, as well as population density, this method of disposal is no longer entirely suitable. We now have more people and more overflowing cesspools within the same area; with a greater chance that children (especially, but also adults and house pets) can be contaminated and infected by im-

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

properly functioning disposal units. It is estimated that within the next generation the population of the Town will increase to at least 30,000 with a commensurate increase in our pollution problem.

During the past few years each of the undersigned physicians has observed occasional cases of illness among residents of this Town which may have resulted from some of the insanitary conditions of local sewage disposal which are known to exist. It is difficult, if not impossible, in most individual cases to determine the exact mechanism of transmission of diarrheal diseases and certain other sicknesses of which the germs may be present in raw sewage. In a few instances some of us have actually advised improvements in local sanitation; and have reported certain overflowing cesspools to the Board of Health as possible sources of infection.

The undersigned dentists also are familiar with, and feel qualified to make recommendations regarding environmental sanitation. The Dentists join with the physicians in calling attention to the reported fact that approximately one-third of all local household sewage disposal units in the Town of Randolph were functioning inadequately during the past year. This indicates the extensiveness of the insanitary conditions in our Town. We are fortunate that a lot more recognized infection from such sources has not occurred in the recent past. It is conceivable that this poor sanitary condition could favor the spread of a virulent germ if and when it might be introduced into our community.

A major proportion of the catchment area of our water supply is located within a heavily populated portion of the Town. Improperly functioning local sewage disposal units are contributing to increasing pollution of our drinking water reservoir (Great Pond). Our drink-

## TOWN OF RANDOLPH, MASS.

ing water is safe at present because of filtration and chlorination, but the raw source in the reservoir should be maintained as pure as possible. In a well managed water treatment plant, such as ours, a breakdown of filtration or chlorination is very rare. However, such emergencies can occur and, elsewhere, have caused water-bourne outbreaks of disease. If the raw source of water can be kept relatively pure there is much less chance of illness resulting from such a breakdown.

The above facts and opinions lead us to advise our Board of Health and the citizens of the Town of Randolph to consider a system of sanitary sewers as an increasingly urgent solution to the problem. We call attention to the fact that this is consistent with repeated recommendations from the Massachusetts Department of Public Health.

We advise that the population located in the water supply catchment area of the Town should be the first to receive the benefit of sewerage since the entire town will receive indirect benefit from the protection of our water supply.

We also advise that the entire Town should become sewerred within the shortest possible time consistent with our financial situation.

For reasons of savings in health in our rapidly increasing population it is urgent that citizens determine the most equitable and feasible means of financing this important project, lest it be defeated for reasons of monetary cost. We appreciate that what we are recommending is not **inexpensive**.

We advise that optimal health for our citizens, our children and the population of the next generation is

# Report of The Board of Health

The Board of Health respectfully submits its annual report for the year ending December 31, 1954.

For the third consecutive year the majority of the nuisance complaints investigated by the Board have been related to overflowing cesspools or improperly functioning local sewage disposal units located on private property. Many have been related to the very inadequate surface water drainage in this community. Again, we call attention to the fact that the catchment area for our reservoir is located in a densely settled portion of the Town. Many inadequate local sewage disposal units are overflowing into this catchment area. Each new housing development within this area results in increasing numbers of sewage disposal units, which, if they function improperly, become potential contaminants of our water supply. We have made stringent requirements regarding sewage disposal works for each new house and housing developments. Nevertheless, with increasing density of settlement and increasing population, we can expect increasing pollution of our reservoir. By stringent standards the water in our reservoir will soon become unsafe for swimming, although swimming is prohibited now because it is our drinking water supply.

A brief and rapid survey by this Board of a few properties, located within catchment area of our water supply revealed that approximately twenty per cent were functioning inadequately, or had overflows which drain into a tributary of the reservoir. Action is pending regarding some of these. Others have already been corrected. An indication of the unsatisfactory conditions of

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

local sewage disposal in this Town is the information received from operators of cesspool pumping equipment. One operator claims to have pumped over 500 local units; another claims 700 and a third (out of town) operator claims 80 during the past year. Even if repeat pumpings of these installations be included it indicates that certainly 20 to 30% of local disposal works are inadequate.

Unless the town decides to install a sewerage system all of these owners of presently unsatisfactory units soon will be required to install expensive replacement units.

A policy was established to require septic tanks of concrete and of a minimum of 500 gallon capacity, and with at least 150 feet of leaching bed, installed at new homes. This has improved the situation somewhat as there have been less complaints, and the builders have cooperated in installing better units. The same requirements will be made for replacement of presently inadequate units.

A sewage survey has been completed by Camp, Dresser and McKee, consulting engineers of Boston. It is hoped that the townspeople will vote in favor of this project. A sanitary sewage system for the Town of Randolph seems to be the only adequate solution of the increasingly hazardous but spotted contamination of our Town. Space does not permit the inclusion of their entire report, but a summary is appended here—See appendix A.

During the past year several brooks have been lowered as suggested by this board and it has lowered the water table and helped in the drainage problem.

Swab tests have been made of the eating and drinking establishments and a marked improvement has been shown, with only a minor amount of offenders.

A resuscitator was purchased and presented to the Firefighters.

## TOWN OF RANDOLPH, MASS.

Our Health Nurses, Miss Beatrice Scannell and Mrs. Janet Dimmick have answered many calls and are performing an increasing amount of Public Health nursing duties.

The dental clinic was conducted by Dr. William F. Maguire, assisted by Miss Helen Conlon and Mrs. Signe Heath, school nurses.

Arrangements have been completed with the Board of Health of Holbrook to bring the matter of Fluoridation of our joint water supply before the people of Holbrook at their next Town Meeting. We in Randolph cannot have the benefits of this important Public Health advance unless they vote in favor of it.

Permits for 277 septic tanks have been issued.

Communicable diseases for the year 1954 were as follows: Meningitis, 2; Anterior Poliomyelitis, 3; Chicken Pox, 7; Dog Bite, 115; Measles, 102; Mumps, 49; Whooping Cough, 3; Hepatitis, 3; and Salmonellosis, 1.

The sum of \$719.42 was taken in including \$277.00 for septic tanks; regular licenses, \$39.00, and \$403.42 for hospitalization.

Subsidy for the year 1954 has been billed for \$391.43.

The reports of other agencies or clinics or specialized personnel who are under the supervision or sponsorship of the Board of Health are appended to this report as follows:

Appendix A—Summary of report on comprehensive plan for sanitary sewers.

Appendix B—Dental Report.

Appendix C—Inspector of Animals.

ONE HUNDRED AND NINETEENTH ANNUAL REPORT

Appendix D—Inspector of Slaughtering.

Appendix E—Inspector of Milk.

Appendix F—Inspector of Plumbing

Respectfully submitted,

HENRY J. ROTA, Chairman

SETH W. SWAIN,

# Report on Comprehensive Plan For Sanitary Sewers

September 30, 1954

Mr. Henry J. Rota, Chairman  
Board of Health  
Town Hall  
Randolph, Massachusetts

Dear Mr. Rota:

In compliance with the terms of our proposal by letters dated May 10, 1954 and June 8, 1954, which were duly accepted in your letter of June 23, 1954, we have made a preliminary engineering study to develop a long-range plan for sanitary sewers for the Town of Randolph, the proposed system to discharge into the Metropolitan system. The results of our studies are presented in detail in the following report. Our findings and recommendations are summarized below.

## Summary

Our studies of population trends indicate that the current population of Randolph is approximately 13,000 and that a population of about 30,000 may be expected about the year 2,000. It is proposed to construct the main sewers with adequate capacity for 30,000 people. We find that Randolph, Holbrook and Braintree are all growing at a much greater rate than was estimated in 1948 when it was contemplated that Holbrook and Randolph could be connected to the South Metropolitan Sewerage System through the Braintree trunk sewer. We find that the Braintree trunk sewer is not now adequate for this pur-

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

pose and that the Metropolitan District Commission will have to construct an extension from its Quincy branch through Braintree to serve Randolph.

The Town of Randolph may, by agreement with the Metropolitan District Commission, make arrangements for entering the South Metropolitan Sewerage District. Legislation will be required for an appropriation for a new Metropolitan sewer which will be necessary to receive Randolph sewage. Legislation will also be required to permit the town to borrow outside the debt limit to construct its own sewerage system. We recommend joint sponsorship by the town and the Metropolitan District Commission of an enabling act to permit the town and the Commission to proceed.

If the agreement between the town and the Metropolitan District Commission conforms with previous precedent, the town must pay an entrance fee of approximately \$94,000 which may be spread over a 10-year period in equal annual installments. The town must also pay its share of the annual interest and sinking fund costs of the District, which, based on the latest figures available, is estimated at approximately \$2,530 per year. The Town must also pay its share of the total annual cost of operation and maintenance for the District which we estimate at approximately \$12,260 per year, based on the latest cost figures available.

The estimated first cost of the proposed comprehensive system of sanitary sewers for the Town of Randolph is approximately \$4,377,600 based on current construction costs. We recommend an initial construction program estimated to cost \$1,619,300 for the Martin Brook system serving North Randolph. This system will care for most of the area tributary to the water supply, but it will not

## TOWN OF RANDOLPH, MASS.

include Randolph Center. It is proposed to construct the remainder of the comprehensive system in stages so as to stay within a total bonded indebtedness of \$2,000,000 for sanitary sewers. It is recommended that the enabling act provide for this limit outside the normal debt limit. With such a program the entire plan can be completed in about 21 years, based on financing by 20-year serial bonds.

It is proposed to assess all the charges of the Metropolitan District Commission against the town's general tax together with the capital charges for one-fourth of the cost of the town's system and the cost of maintenance and operation of the town's system. If this procedure is followed, we estimate that approximately 41% of the initial annual cost will be assessed against the general tax. We recommend that the remainder of the cost of the town's system and all of the cost of the house connections be assessed against the property owners by means of betterment assessments at \$9 per front foot and assessments for the actual costs of the house connections. We further recommend that the property owners be permitted to pay betterment assessments and assessments for the cost of services in ten equal installments annually.

If the above assessment plan is followed we estimate that the general tax rate will be increased by approximately \$4.20 for the initial construction program and that the average householder will pay approximately \$126 annually for the sewer tax, betterment assessment, and house connections.

We wish to acknowledge with thanks the information and assistance furnished us by Henry J. Rota, Randolph Philbrook, and Seth W. Swain, Members of the Board of Health; William J. Almond, Water Commissioner; John A. Frederickson, Highway Surveyor; Charles W. Green-

ONE HUNDRED AND NINETEENTH ANNUAL REPORT

ough, Chairman of the Metropolitan District Commission;  
and Clarence I. Sterling, Jr., Chief Engineer of the Massachusetts Department of Public Health.

Very truly yours,

CAMP, DRESSER & MCKEE,  
By THOMAS R. CAMP

## Report of Dental Clinic

The Dental Clinic was conducted this year with an increase of many children taken care of. Emphasis was stressed upon the preservation of the six year molar. This is most important to a child because around this tooth evolves the alignment of the dental arch and helps to prevent faulty occlusion.

The appropriation to carry out this work was meager and only the ones selected by the school nurses as being in need of dental rehabilitation were treated.

The school dentist should be considered just as much a part of the over all health team as the school physician, for dentistry cannot be divorced from medicine. It is as much a specialty of medicine as the eye, ear, nose and throat. The relationship between the oral cavity and the body in general, is just as intimate as that existing between the body and any specialized tissue or tissues.

The ideal role of the school dentist in our fast growing community, would be to conduct a dental examination on every child through the fourth grade. This examination should note any deviations from normal; the occlusion should be noted as well as the development of the upper and lower jaws; the child's susceptibility to attack by caries; the overall picture of mouth hygiene; and the general physical development which will give to the dentist a knowledge which can be passed on to the parents. They, in turn, can then have any defects cared for by the clinic or by their own private dentist.

The school physician and nurses are to be congratulated on their alertness to gross dental conditions. By referring this type to the clinic, absenteeism can be kept at a minimum.

DR. WILLIAM F. MAGUIRE

# Report of Inspector of Animals

Honorable Board of Selectmen  
Randolph, Mass.

I hereby submit my report as inspector of animals for the year 1954.

There have been 115 dogs quarantined by me.

There are 62 horses—1 sheep—87 cows and 3156 swine.

Respectfully submitted,

CORNELIUS J. CROWLEY,  
Inspector of Animals.

---

# Report of Inspector of Slaughtering

To the Board of Health of Randolph  
Gentlemen;

I hereby submit my report for the official year of 1954 as follows; Total number inspected—78.

Number of Swine 65—Cattle 4—Calves 3 and Sheep 2.

Respectfully submitted,

CORNELIUS J. CROWLEY,  
Inspector of Slaughtering.

TOWN OF RANDOLPH, MASS.

# Report of Inspector of Milk

To the Town of Randolph;

Report of Milk Inspector for the year ending December 31, 1954;

23 Oleomargarine Registrations	\$12.50
36 Store Licenses	18.00
22 Vehicle Licenses	11.00
2 Pasteurization Permits	20.00
	<hr/>
	\$61.50

HENRY MERRILL,  
Milk Inspector.

# Report of Inspector of Plumbing

Honorable Board of Selectmen  
Randolph, Mass.

I hereby submit my yearly report for 1954. More than two hundred permits for plumbing installations in new and old houses were issued during that period.

The following installations were installed;—240 wash basins—200 sinks—150 tankless heaters—150 tubs—50 washtrays— pressure boilers, showers etc.

The year 1955 should be a busy one according to plans already on file with the Board of Health. There are several projects already under construction and several others are to be started in the spring.

Respectfully submitted,

THOMAS O'RILEY,  
Plumbing Inspector.

# Report of The Civil Defense Agency

15 January, 1955

Board of Selectmen  
Randolph, Massachusetts

It is fortunate that in this great country of ours there are a few people who, realizing their responsibility, are willing to give a part of their spare time to preserve and maintain the way of life that has made this country great. Someone has said, "Eternal Vigilance Is the Price of Liberty." At no time in our history has that been more true than right now—today.

The two hurricanes, Carol and Edna, which took place recently brought out a few things that can upset our routine living to an extent where the only business for all of us becomes that of repairing the damage. We were concerned with destruction by wind and rain only. With loss of electric power and telephone service, there was individual inconvenience, but small personal damage. We were not to be harassed by a follow-up of enemy attack, where loss of life and property would assume major proportions.

During Hurricane Edna, telephone communications were broken in the Ground Observation Corps for two days, between our observation post, and the filter station in Manchester, New Hampshire, thereby reducing the effectiveness of this station to zero. The need for communications in time of crisis was clearly demonstrated, in that one phase of civil defense, which required immediate attention. When this weakness was presented to the Board of Selectmen, they were unanimous in approving recom-

mendations for a generator, transmitter and a receiver, at a cost of \$750.00 for material and equipment, to be installed and operated by Civil Defense personnel.

This communications unit will be coordinated with the Police Department, and in an emergency of catastrophic proportions assure contact with surrounding cities and towns. In other words, Randolph will not become isolated, and will be in a position to give and receive help, should it become necessary.

At present, the personnel of the Civil Defense agency numbers about four hundred. The Ground Observation Corps is made up of about one hundred persons, of which only about ten per cent are active in plane spotting. Considering the fact that only five stations in Massachusetts, one of which is Randolph, are doing twenty-four hour, around the clock service, out of roughly four hundred stations, there is need for much work if our warning system is to accomplish its purpose.

An effective Civil Defense in the United States rests ultimately on an informed American public—a public that understands the nature of the threat; a public that, individually and collectively, takes appropriate precautionary steps, and knows what to do, and how to do it, if disaster strikes. The task of getting Civil Defense information to 160 million Americans is the biggest public education program ever undertaken in our country. No Government agency could do it by itself. We must all do our part.

Certain broad considerations which must be borne in mind in the organization of our Civil Defense Agency in Randolph, in framing future plans are:

- (1) The H-Bomb is a vastly more powerful weapon than anything yet known to mankind, but its

TOWN OF RANDOLPH, MASS.

effects are not different in kind, from those of atomic weapons. The difference is in degree and magnitude.

Damage from ordinary high explosive bombs, results from two effects—blast and heat. The atomic bomb added a third feature—radioactivity. There is no new danger peculiar to the H-Bomb, only a great increase in the area of damage.

- (2) The importance of early warning of pending air attack takes on increasing urgency, day by day, as our only potential aggressor develops longer range aircraft.
- (3) Because of the wider areas of damage that are now possible, mutual aid between communities, large and small, takes on added importance.

Respectfully submitted,

RALPH E. MacLEOD,  
Director.

# Report of Tree and Moth Department

December 31, 1954

Board of Selectmen and Citizens of Randolph  
Town of Randolph, Massachusetts

The Tree and Moth Department activities for the year 1954 have been generally along the order of other years.

The amount of emergency work has increased at an alarming rate due to the hurricanes. While we endeavor to head off this type of work by concentrating on what appears to be dangerous, it is my observation that approximately three-fourths of the trees involved are physically on the decline. Thirty of these trees were in a state of good health above ground, but the root systems were badly affected with dry rot, causing the whole tree to break off at the ground line in hurricane winds.

Emergency work can only be prevented by a stepped-up tree trimming and tree removal program. This would require additional manpower, which costs money; but one lawsuit might cost the Town the year's wages of two or three men. This is a warning which should be heeded. Although some damage has been done to private property indirectly, and the public utilities have suffered a great deal of expense in repairing overhead wires and a tremendous loss in customer service due to these trees by the two hurricanes.

This Town lost over four hundred trees on the streets by the hurricanes.

## TOWN OF RANDOLPH, MASS.

The Commonwealth of Massachusetts, through its Insect Pest Control Department, has notified this department that our liability for Gypsy Moth Work for the coming year is \$3,330.00 and have recommended that this department ask for an appropriation of \$3,300.00.

The problems we are facing here in Randolph with the rapid growth of the Town brings me to wonder: "Where do we go from here?"

Ten or more trees should be planted on every street in this Town. This Town should plant over fifteen hundred new trees.

Every resident is a prospective client for service of some kind.

Every tree in a residential area, be it public or private, is a prospective patient of ours if only for a diagnosis of its ills.

Tree planting has moved on, but not at the rate that I anticipated. Here again labor is needed in too many places at once to devote a proper concentration on any one phase of the work.

One spraying by airplane over the woodlands and streets of this Town proved so successful for the Control of Gypsy Moth, Tent Caterpillar, Elm Leaf Beetle, Elm Bark Beetle, Mosquito, and other insects that I recommend this program to be extended in the future.

Seven miles of roadside were sprayed with weed killer as an experiment. Various formulas were tried and found to be very effective on Poison Ivy, weed and brush. I recommend a more extensive program to be carried on next year.

ONE HUNDRED AND NINETEENTH ANNUAL REPORT

I want to thank the Weymouth Light Department for the great work they done during the hurricane.

At this time I wish to thank the Citizens of Randolph Town Department that have cooperated during the year.

Respectfully submitted,

JOSEPH J. HART,  
Tree Warden and Moth Superintendent.

# Report of The Highway Surveyor

To the Citizens of the Town of Randolph:

The Highway Department under the Highway Maintenance completed the following type of work in 1954. Sweeping streets, patching, hauling gravel, repairing and painting fences, street signs and posts replaced, sidewalk repairs, cleaning drainage lines, catch basins, manholes, and gravel roads treated with calcium chloride, graveling new accepted streets, and five streets were scarified, graded, rolled and T 3 treatment applied. The following are the streets that received tar treatment: Byron Street, Russ Street, Abbey Street, Silver Street, Waldo Street, Highland Avenue, Ballard Street, Vine Street, Druid Hill Avenue, Wilmarth Road, Pauline Street, Hall Street, and Stacey Street. The five streets that were reggraded are Oliver Street, Vesey Road, Beverly Circle, Lind Terrace, Alfred Terrace, and Webster Street.

## CHAPTER 90 MAINTENANCE

Work completed on our Chapter 90 Highways consisted of cleaning basins, cutting roadside brush, patching, sweeping gutters, repairing shoulders; also another section of Union Street was resurfaced with bituminous concrete.

## CHAPTER 90 CONSTRUCTION

Construction of the third section of Warren Street was completed in 1954. This plan of widening Warren and West Streets is a vast improvement over the old narrow highway, and improves the driving conditions and the safety of pedestrians. We have been advised to dis-

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

continue further construction on this project until definite location of the Fall River Expressway is established.

### DRAINAGE SYSTEMS

Drainage systems completed by the Highway Department were Union Street, Norroway Avenue, Pond Street, Lafayette Street, Wales Avenue and two by contract under supervision of the Highway Surveyor; these were School and Moulton Streets, also South Street.

### CLEANING TOWN BROOKS

This project proved to be of great value to the Town as it helped to lower the water level in many places. The sections where brooks were cleaned are the Brook between Pleasant and North Street, Brook between North and Town barn, also a forty-eight inch concrete pipe across Pleasant Street, Brook from Vine to High Street, Brook from Canton line to a point near High Street, Brook back of Overlook Road, Brook from North Main to Webster Street, Brook from between Webster Street and North Main Street, Brook on North Main Street that is the outlet of Old Street drainage system, Brook crossing Druid Hill Avenue, Brook from West to Warren Street, and the Brook between West and Grove Streets.

### CHAPTER 386 PRIVATE ROAD APPROPRIATION

We have been able to do a job that helped taxpayers who live on private ways, and proved to be of great help for plowing snow. Gravel was hauled and spread with the Town grader on following streets: Greenmount Street, on both sides of Woodlawn Road, Cole Terrace, Jones Avenue, Charles Street, Clark Street, Harriette Street, Powdrell Avenue, Druid Hill Avenue to Millhouse Lane, Millhouse Lane, Soren Street, Edwin Street, Irving Road, Lancaster Road, Prospect Avenue, and Hildegarde Street.

## TOWN OF RANDOLPH, MASS.

### ENGINEERING APPROPRIATION

The funds expended on engineering in 1954 have been of great value to the Town. We were able to follow up our drainage plans, develop check-up and Highway study.

### HIGHWAY GARAGE APPROPRIATION

We are building the new garage with our own men, with the help of a few masons and carpenters. This work is being done in spare time, and when completed it will be worth much more than the appropriation made in 1954.

### SNOW AND ICE

During the year of 1954 we carted snow away, after seven storms, plowing during and after seven storms, sanding streets and sidewalks during and after eleven storms. A great amount of sanding was necessary due to freezing rain, wet snow and continued cold weather. All sand used was treated with salt to keep our stock pile from freezing, and to provide a melting action during slippery highways. Our front end loader and hydraulic sand spreaders have been of great help in providing a better service to our town.

### LIST OF STORMS IN 1954 AND TYPE OF WORK DONE

### HIGHWAY PLANNING

#### CHAPTER 90 CONSTRUCTION

Again may I call your attention to the fact that we have been advised to discontinue further construction of Warren and West Streets until the State Department of Public Works have decided where the Fall River Expressway will cross. I have been informed that it may affect the intersection of Warren and West Streets, and that it is possible that a part of West will be in the construction plans.

#### SOUTH STREET CHAPTER 90 CONSTRUCTION

At a joint meeting with the State Public Works and County Commissioners we requested funds to rebuild South Street. With the cooperation of your Board of Selectmen and Highway Surveyor we have been granted nine thousand dollars by the State, forty-five hundred dollars by the County, and our share will be forty-five hundred dollars, making a total of eighteen thousand dollars. Work on this project will start after favorable action at the Town Meeting.

### OTHER RECOMMENDATIONS

I wish to recommend the continuation of Chapter 386, Private Road Assistance, Sidewalk Construction,

TOWN OF RANDOLPH, MASS.

Cleaning Brook Program. I also recommend a ten-year Class A Highway Construction Plan, streets to be built in each section of the Town. There is a possibility that we may be granted funds under the Government Ten-Year Highway Improvement Program.

I wish to thank the Town Officials, Officers and Citizens for the fine cooperation given me as your Highway Surveyor.

Respectfully submitted,

JOHN A. FREDERICKSON,  
Highway Surveyor

# Report of The Water Commissioners

To the Citizens of the Town of Randolph:

The sixty-ninth annual report of the Board of Water Commissioners is herewith submitted, covering activities of the Department for the year ending December 31, 1954.

Organization of the Board was as follows:

Frederick D. Driscoll.....Chairman

Martin E. Young.....Clerk

William J. Almond ..... Associate

## APPOINTMENT BY BOARD

Marion L. Bailey.....Clerk-Collector

## DEPARTMENT MAINTENANCE

During the calendar year 1954, two hundred and fifty-three applications for new services were received and were added to the system.

Sixty-five service leaks were repaired, thirty services were renewed from main to stop, five were renewed throughout. Twenty-one services were cleaned out, and twelve frozen services were thawed out by electric generator. Also, twelve service boxes found broken, were replaced. Five services were relocated.

Six hydrants were broken by automobiles, mostly hit and run. Three hydrants were relocated, and one other was added to the old system.

In conjunction with the continued widening of Warren St., twenty-one services were renewed and the curb

## TOWN OF RANDOLPH, MASS.

stops relocated to the new lines. The department also relocated two hydrants on this job. One of the old hydrants had to be replaced.

### METER DEPARTMENT

The department removed from service one hundred and seventy-one meters; one hundred and one were not registering; twelve removed to be junked; twelve others were frozen and burst, and eighteen were removed for tests. The balance were removed for miscellaneous reasons. Twenty-five new meters were set as replacements and three hundred thirty-five new settings were made. One hundred and forty-two meters were reset.

### MAIN BREAKS

Clark St.	2"	Broken by contractor
Grove St.	6"	Cracked pipe
Milton Terr.	6"	Cracked pipe
Upham St.	6"	Blown joint
King Crest Terr.	2"	Broken by contractor
Moulton St.	6"	Broken by contractor
Woodlawn Rd.	6"	Cracked pipe
Force feed line in swamp	14" (2)	Blown joint

### NEW MAIN INSTALLATIONS

To the Trustees of the Turner Free Library:

Your committee on Finance submits the following report:

The committee has audited the accounts of the Treasurer for the year 1954 and found them to be correct. All money has been accounted for as received and no money has been paid out except on vouchers properly approved.

The committee has examined the securities representing the investment of the Library funds and have found them to be intact as represented.

January 10, 1955.

Respectfully submitted,

RAYMOND L. MASON, Chairman.

- 12 Shares Commonwealth Edison Co.

The appropriation in the amount of \$3,000 voted by the Town for 1954 was all expended, excepting for \$4.15, for general repairs and expenses. Hurricane damage to the building and roof amounted to \$238.67.

## TOWN OF RANDOLPH, MASS.

For the year 1955 the Trustees request the same amount, \$3,000, for general repairs and expenses. The larger doors at the entrance to the building are to be replaced by new smaller doors, easier for children and elderly people to operate. It is proposed to lay a linoleum on the wood floor in the Reference Room, as well as to hang drapes at the windows therein, similar to those in the Reading Room.

A copy of each of the following reports is hereunto subjoined: Report of the Librarian, Report of the Treasurer, showing receipts and expenditures, and the Report of the Finance Committee.

The Trustees, in common with all the citizens of Randolph, were shocked by the sudden death of Mr. Herman W. French. In addition to the many organizations with which he had been connected he was also for many years an esteemed member of the Trustees of the Turner Library, and rendered valuable service while acting as such.

The Trustees wish to express their appreciation to Mr. Joseph J. Semensi for his co-operation while a Selectman and ex-officio member of the Library Trustees.  
January 10, 1955

FREDERICK E. KNEBEL,  
President.

To the Trustees of the Turner Free Library, I have the honor to submit the annual report of the Librarian for the year ending December 31, 1954.

The Library hours are: Monday—Wednesday and Saturday afternoons from 2:00 to 4:30. Every evening from 7:00 to 9:00 except Sunday and holidays. During July and August we are open evenings only.

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

We were closed nine sessions, at the time of the hurricanes, Carol and Edna.

Number of books added	227
Books loaned	10,755
Number of magazines loaned	102
Borrowers cards issued	728
New applicants	469
Renewals	259

There were four sessions of the Children's Story Hour: July 10th attendance 35. July 17th attendance 17: July 24th attendance 21: July 31st attendance 16. Making an average attendance of 23 children. The story tellers were Mrs. Roland Stetson, Miss Anna Ginnity and Mrs. San Martin (Shirley Duke)..

On November 20, in observance of Book Week we had a story hour with an attendance of 86 children.

Miss Stella Krupka entertained the children with stories and games.

Many new cards have been issued to young people for school use. Books for 5th and 6th grades also Junior High and High School have been added. Some of them chosen from the list of the State Board of Education.

The reference room has been used by students and others to good advantage also the reading room where the current magazines are displayed.

The Librarian takes this opportunity to thank those who helped at the Story Hour, Miss Desmond at vacation time and her assistant Miss Massee.

Also the Trustees, for their advice and co-operation.

EUNICE B. MARTIN, Librarian.

# Report of The Police Department

To the Board of Selectmen  
Randolph, Mass.

Gentlemen:

I herewith submit report of the work done by the Police Department of the Town of Randolph, for the year ending December 31, 1954:

*Some arrests and summonses were served for out of Town Police.	
**Of the 24 cases dismissed for want of prosecution the police were com- plainant on	
	8
***Of the 10 cases released 8 were juven- iles and were turned over to their parents.	

I wish to take this opportunity to thank the Town Officials, the Finance Committee and the citizens of the town for the assistance and co-operation rendered during the past year, and to express my appreciation to the members of the regular police department and the Special Officers for there fine work and co-operation in the affairs of the department.

Respectfully submitted,

PATRICK T. McDONNELL,  
Chief-of-Police.

# Report of The Fire Department

To the Honorable Board of Selectmen

Gentlemen:

I hereby submit my report of the Fire Department for the year ending December 31, 1954.

The department responded to 376 calls classified as follows:

Number of calls	376
Building fires	73
Automobiles	15
False alarms	13
Inhalator calls	6
Miscellaneous	23
Aid calls out of town	1
Brush & grass	245
American Legion Ambulance calls	186
Inspections made	403
Feet of hose used—6250-2½—6200-1½. 650-1&1/8—35,400-Booster.	
Feet of ladders used	904
Assessed value of property damaged by fire	\$140,130.00
Insurance on property damaged	297,700.00
Damage to property	30,204.40
Insurance paid on damage	27,894.40
Loss not covered	2,310.00
Value of contents involved	53,400.00
Insurance on contents	35,400.00
Damage to contents	12,188.59
Insurance paid on damage	10,843.59
Loss not covered	1,345.00

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

Because of the rapid growth of the Town the needs of the department are many.

Our great need is a new Central Fire station. We have out grown the present building which will only house two of the three active trucks that respond from this station. The third truck is housed in a two car garage at the rear of the Town Hall that is not Town property. I also wish to call to your attention the fact that the present building is in a very shaky condition which was greatly increased by the two 1954 hurricanes.

The new Fire alarm system voted us at the annual meeting of 1954 has been installed and is in full operation.

I wish to take this opportunity to thank the Town Officials, the Finance Committee and the citizens of the town for their co-operation during the past year, and to express my appreciation to the members of the fire department for their co-operation during the year, and especially for the fine work done in restoring the fire alarm wires so badly damaged by the two hurricanes.

Yours respectfully,

CARLTON P. HARRIS,  
Chief of Fire Department.

# Report of The Board of Registrars

During the past year, the Board of Registrars were in session for registration of new voters at the Devine School, Belcher School and the Town Hall.

The total number of registered voters in Randolph is now 6109, listed as follows:

Precinct One	1472 Men—708	Women—764
Precinct Two	1511 Men—743	Women—768
Precinct Three	1303 Men—606	Women—697
Precinct Four	1823 Men—921	Women—903

On the street listing completed in 1954 by the Board of Registrars, more than 8,000 people were listed and books compiled with the names and addresses of persons 20 years of age and over, whether citizens or not.

Board of Registrars,

HELEN C. SULLIVAN,  
ELIZABETH R. CUNNINGHAM.  
ETHEL McDONALD.

# Report of The Department of Veterans' Services

To the Honorable Board of Selectmen:

This Department takes pleasure in submitting to you a Summary of services rendered to the veteran and his dependent's, of the Town of Randolph, for the past year.

1954 has been a very busy year for this office, having developed and processed 117 Claims for veteran benefit's which were authorized by the Commonwealth of Massachusetts under Chapter 115 as amended by Chapter 584 of the acts of 1946. Received reimbursements from Commonwealth of Massachusetts to the amount of \$17,232.28 for the year 1954.

As Director of Veteran Services filed, developed and processed 535 claims for all types of benefits allowed by the veteran's administration an increase of 246 claims over the previous year.

I would take this opportunity to thank you, the Board of Selectmen, the veteran organizations, local doctor's and finance committee for their splendid co-operation, without it the services rendered to the veteran and his dependent, by this office, would not be possible.

Respectfully submitted,

WILLIAM S. COLE.

Vets Agent & Director of Vets Services.

# Report of Building Inspector

To the Board of Selectmen

Gentlemen:

I herewith submit my report as Building Inspector for the year ending December 31, 1954:

New Residences	223
Additions	27
Garages	32
Screen Building	1
Industrial Buildings	2
Green Houses	2
Office Building	1
Gas Station	1
Insurance Building	1
Total	290

Respectfully submitted,

FRANK F. TEED,  
Building Inspector

# Report of Inspector of Wires

To the Honorable Board of Selectmen

Randolph, Massachusetts.

I hereby submit my report for the year of 1954 as Inspector of Wires.

A total of 512 Permits were issued and the sum of \$1260.00 deposited with the Town Treasurer.

# ANNUAL REPORT

*of the*

## SCHOOL DEPARTMENT

*of the*

## TOWN OF RANDOLPH

For the Year Ending December 31, 1954

# 1954

## Report of The School Committee

The Randolph School Committee submits herewith the annual report of the year 1954.

1954 has marked the second full year during which the new Randolph Junior-Senior High School has been used. The facilities available for academic, athletic and social activities were used by many local organizations. The building, itself, is in use almost every night.

The Devine School addition was completed this fall and the twelve additional classrooms, with cafeteria and auditorium, have been put into use. The total enrollment at the Devine School is now 710, which means that this building is nearly filled to capacity.

The School Committee plans to use the Pauline Street School for special classes next September.

Your Committee urges that the citizens of the Town read and study the various reports submitted by the heads of the departments and the annual report of the Superintendent of Schools.

Your Committee continues to recognize the ever-changing methods being used in the education of students and will make every effort to keep abreast of these changes. Randolph school population has reached an all-time high, with 2847 students as of Oct. 1, 1954, and with the continuing growth of the Town, your Committee feels that it is necessary to produce more space for teaching.

Your attention is called to the report in which the amount of moneys refunded through the various laws and regulations of the Commonwealth, as they relate to its educational program, is shown.

ONE HUNDRED AND NINETEENTH ANNUAL REPORT

Your Committee acknowledges with sincere thanks the awards, scholarships, equipment and books that have been so generously donated by various citizens and organizations to aid the students and graduates of The Randolph Public Schools. The Committee wishes to thank Mr. John Frederickson, Superintendent of the Highway Department, for his cooperation and help.

Your Committee regrets the resignation of Mr. Irvin D. Reade as Superintendent of School upon his appointment as Superintendent of Schools at Hingham, Mass. Mr. Reade has done considerable work in the planning and building of the Junior-Senior High School, and the addition to the Devine School. The best wishes of the Committee go to him and his family, in his new position.

With the resignation of Mr. Rede it becomes necessary to elect a new Superintendent of Schools. The Committee spent long hours interviewing candidates and sorting recommendations. From a field of about thirty candidates from Massachusetts and other New England States, they appointed Mr. E. Perley Eaton, Superintendent of Schools in Athol, Mass., with 16 years experience as Superintendent of Schools in various Massachusetts towns, to become Superintendent of Schools in Randolph.

We extend our sincere congratulations and thanks to all administrators, teachers, supervisors, secretaries and custodians for their cooperation during the past year. A sincere welcome to visit the schools at your convenience is extended by your Committee, and we seek any suggestions or criticisms that may serve as a guide for better education of children.

Respectfully submitted,

HAROLD L. WHITE, Chairman

RALPH D. GARDNER, Secretary

CLARK W. FREEMAN

EDWARD T. CLARK

DR. WILLIAM F. MAGUIRE

## Report of The Superintendent of Schools

I hereby submit the annual report of the Superintendent of Schools for the Randolph Public Schools for the year 1954. This report includes the reports of the Supervisors, the Principals and all other school statistics. It is hoped that the townspeople will read the reports carefully as they tell of the work that is being done in the schools.

School enrollments continue to show steady increases. The present enrollment is 2840 pupils which is a net gain of 282 pupils over last year. This fall the new Devine School addition opened and twelve new classrooms were put into use for the first time. Even now there is only one room left at the Devine School, and a basement hall has been made into a classroom at the McNeill School. At Tower Hill School no more pupils can be taken in the first grade as it is now overcrowded with 40 pupils. The High School building with 1058 pupils is using every room. Next year the enrollment will increase about 71 pupils. Next fall that will tax

the High School building to its full capacity which is said to be 1200 pupils. There is a definite need for more school rooms as in the near future there will not be desks enough for the children in the schools.

There has been much work accomplished in the repair of the older buildings, and much more to be done, however, a definite schedule is being formulated so that repairs can be made over a period of years to keep down the costs, and at the same time take the best possible care of the buildings. The two hurricanes, Carol and Edna struck the schools hard but when they had passed not too much damage was reported, except for damage

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

to the Stetson School roof and to the pumps in the sewer beds at the High School, other damage was relatively slight. The McNeill School yard needs repairs and it is hoped that with the help of the Street Department that some of this play area can be resurfaced. There is also need for repairs on Stetson field, to put the field into condition for all sports. For example, little league baseball, High School baseball, football, track, and Town team football.

I wish to thank the members of the School Committee for their help and cooperation during the past few months. We have been able to get some projects started that will not only aid the children in their school work but will also, over a period of time, cause the townspeople to get more for its money in the purchase of supplies and the upkeep of the buildings. I also wish to thank the teaching staff, the janitors, parents and pupils for their helpful assistance.

Respectfully submitted,

E. PERLEY EATON,  
Superintendent of Schools

## REPORT OF THE HIGH SCHOOL PRINCIPAL

HUBERT F. GILGAN, PRINCIPAL

We wish to extend to our new Superintendent of Schools, Mr. E. Perley Eaton, on behalf of all the faculty of the school, a cordial welcome to the Randolph School System and we want him to know that all of us are anxious to work cooperatively with him in the best interests of the pupils in the school. At the same time, we wish to express our sincere thanks to our former superintendent, Mr. I. D. Reade, Jr. for all the help and guidance he provided for us in the short time he was with us as our superintendent. We wish him the best of everything in his new field of endeavor.

The enrollment in our new school is growing so fast it is almost frightening from the point of view of how to provide ample quarters for all the pupils we expect in a very short time. It would seem that within two years, at the latest, we will be faced with the prospect of double sessions.

We entered this school two years ago with thirty-five teachers; this year we have forty-eight including all personnel. This was made necessary by the growth in enrollment. Of these forty-eight teachers, sixteen have masters degrees, while twenty-eight of the remaining thirty-two have Bachelor degrees. Our teachers are constantly taking courses, either on their own or enrolling in courses arranged by the school department. It is folly to claim that any organization or group is perfect, but by large, we feel that the faculty of the high school and grade schools is among the best in the area. Constantly, specialists in the educational field are brought to Randolph, bringing the latest teaching techniques developed through intensive study. The teachers and prin-

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

cipals meet frequently in separate groups, to discuss problems peculiar to the classes they teach, to exchange ideas, and in general to make them better public servants.

In recent years, it has become a popular public pastime to throw verbal rocks at our schools and we feel that the most vicious enemy of any school system today is the unfounded rumor which starts either innocently or maliciously and can sweep a whole community into doubt and mistrust. The only weapon against such rumor is knowledge that comes through personal visits to the schools and personal conversation with the teacher. Every good teacher welcomes such visits. The public owes its teachers a vote of trust and confidence. The public owes them a promise it will not believe any rumor which comes to its ears unless it is personally able to establish its truth. No person, least of all a teacher charged with the moulding of the minds of youngsters, can operate well in an atmosphere of suspicion. We believe in our schools; we believe our teachers are doing a good job. We would like to have the public visit our schools in session to see firsthand the work our schools are doing.

Approximately thirty percent of our graduates of 1954 are continuing their education and although this is not as high as we would like to see, nevertheless it is growing, which is an encouraging fact. Comparing the number of pupils who finish grade eight with the number who graduate from high school, there would seem to be a large drop-out from school. However, there is a reasonable explanation if one digs into the reasons for this drop-out. First, we have no shop work in the high school grades and many boys of high school age are attending trade schools in Boston, Quincy, and Brockton. As a matter of fact, we have had to limit the junior high boys to a half year of shop instead of a full year because our one shop instructor cannot handle the number of boys

## TOWN OF RANDOLPH, MASS.

involved. We recommend here that the two additional shops be equipped and staffed so that we can enlarge the scope of our work in this field. Secondly, many more pupils than generally believed are enrolled in parochial high schools because their parents wish a religious education for them along with their academic work. This became quite evident with the opening of the parochial regional high school in Braintree and when the new school is opened in Brockton, we expect to see these numbers increased. There is nothing to be done about this, but these youngsters are mostly college bound youngsters who, if they were in our local high school, would increase our percentage of pupils continuing their education. The percentage of pupils attending private preparatory schools from Randolph, we believe to be of no greater percentage than from any city or town in the area. Always, in all schools, will be those who cannot and will not benefit from high school training and so leave to go to work.

We wish to call attention of the School Department and citizens of Randolph, the fact that the facilities of the playground at the rear of the school are far from adequate and that the work started there during the past couple of years should be carried through to completion. There just doesn't seem to be enough play area in the town for the youngsters to use during their leisure time. The fields and pastures they used to play on now have homes on them, leaving no place to play except the streets. It would help the situation somewhat, to finish the enlargement of our athletic field and to improve the part which is now available to us, which at present, is in a rather deplorable condition.

We are pleased to report that the appropriation by the town for school library books was wonderful. It will

help us make a fine start on a good selection of books for our pupils to use. This, plus five hundred dollars from a one thousand dollar Claff Memorial Library Fund will furnish valuable educational aids for our childrens' use. We are, at present, cataloging these books but by the time this report is printed, our library will be in operation—at least one half of it, because we are forced to use the other half of it for junior high classes all day long. We hope the town will continue to appropriate money for the purchase of library books.

During the past year, the pupils of Randolph High have acted as hosts for state conventions of various school groups such as the F.H.A., Regional Drama Festival, Eastern Massachusetts Division of Student Councils, among others. We have the facilities now to do this and along with the fact that it is a wonlerful experience for our youngsters, it has done much to promote fine inter-school relations.

HUBERT F. GILGAN, Principal.

## REPORT OF THE GUIDANCE DIRECTOR

JOSEPH W. DALY

During the past year efforts were made to expand all services in educational, vocational, and social guidance. Toward this goal great stress was placed on the counseling area of guidance.

The key note of counseling is individualization, and in order to gain this point of view, one needs to have a thorough knowledge of the child. This can be gained through cumulative school records, case studies, intelligence tests, achievement tests, parent conferences, visits to the home, observation of the child and assistance from trained experts.

## TOWN OF RANDOLPH, MASS.

Counseling needs can be divided into two parts—that of prevention of problems, and also of analyzing and correction of problems. In the past, formal guidance work has been largely concerned with the problems of the maladjusted child. The new guidance program has a more positive emphasis. In the presentation of problems, guidance tries to create an educational environment in which each child can develop to the fullest of his inherent capacities. We interview every one in the school at least once during the year and are encouraged by the large increase in the number of students, parents, and community agencies taking advantage of the service.

The cumulative records are becoming more and more useful and complete as they have now been in operation for four years. Maximum benefit will be reached when the present fourth graders are Seniors as we will then have complete records of grade one through twelve.

During the year arrangements were made for interviews and visits of the students to many schools and colleges. Talks were given on many occupations such as office work, engineering, scientific work, technician, drafting and many others too numerous to mention.

A great number of students were placed in part time jobs in plants, stores, farms and homes in Randolph, Boston, Brockton. This placement enabled our students to receive thousands of dollars worth of help for the home or in furthering their education.

A follow-up study was made of last year's class and we found that all members of the class were either employed or in school at the time of the survey with the exception of one student who was ill.

I wish to express my thanks to the elementary and Junior-Senior High teachers, our counselors Miss Wini-

fred Brennan, Miss Anna K. Good, and Mr. Lloyd Clark for their co-operation and valued aid in the work. I also wish to express my thanks to Mr. Gilgan, Mr. Eaton, and the School Committee for their aid and co-operation.

JOSEPH W. DALY

## REPORT OF THE ART SUPERVISOR

**Ethel B. Atwood, Supervisor**

Believing that a report should make clear to the reader—the purpose, the accomplishments, and the needs of the service being reported . . . I submit the following for 1954.

The Art Department aims to teach this fact—art is a part of everything! In learning to recognize, to appreciate, to make intelligent selection and to create interest in designing, through art— all school studies are better understood and life after graduation made more interesting.

This year, for the third consecutive year, pupils were privileged to be actually at work, in the windows of a local store. This was a feature of the school's observance of American Education Week. During the week each grade, from the first through the eighth, was represented. Interest in this project has increased every year since its inception several years back. It offers those who find it difficult, not to say, impossible, to visit the Open House evening programs . . . to see a part of the school program in action.

The Art Department has supplied each teacher with an illustrative and definite course of study. This course seeks to correlate art with Social Studies; Science; and other Grade subjects. The Art Supervisor has made

## **TOWN OF RANDOLPH, MASS.**

regular routine visits to all elementary grades throughout the year endeavoring to make the Art Department a vital, progressive part of the School System.

In regard to needs: there exists a real need for a variety and sufficient quantity of materials if Randolph school children are to have the advantages enjoyed by most modern school art programs. Books purchased serve the grade for several years . . . but art materials such as paints, crayons, brushes, modelling material, drawing paper etc. are immediately consumed leaving a similar demand for the following year. Fundamental principals can, and will be, taught in Art just as they are in other subjects . . . but . . . as music must be heard to be enjoyed and evaluated, art must be seen to be enjoyed and evaluated.

**ETHEL B. ATWOOD**

### **REPORT OF REMEDIAL READING**

**Mary Christine Gaughen, Supervisor**

To the Members of the School Committee:

I respectfully submit my sixth report as Supervisor of Remedial Reading.

Growth in reading is dependent upon the growth of the whole child. Each child is an individual with individual differences. All children, therefore, do not progress at the same rate of speed.

Readiness for each new level of reading will depend upon the child's mastery of the preceding level of reading achievement and his emotional and physical ability to accept further growth.

Reading is getting meaning from printed symbols. Good reading means clear thinking. The ability to think

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

clearly, to sift fact from opinion, to evaluate what we read is not only good reading, but is important for successful living.

We have tried to meet the needs of our pupils in the first four grades by grouping each class, according to reading achievement, into three or more groups.

In the second, third, and fourth grades there are approximately 235 pupils reading below grade level. These pupils have two extra reading periods each week.

Unfortunately learning to read is a continuous process and does not stop in the fourth grade. Many pupils in the fifth through twelfth grades would profit greatly by receiving remedial help in reading.

MARY C. GAUGHEN

### REPORT OF DIRECTOR OF MUSIC

Myron B. Thomas, Director

Mr. E. Perley Eaton

Superintendent

School Dept.

Dear Sir:

I herewith submit my annual report as Director of Music.

The importance of note-reading in the grade program cannot be over-emphasized. Note-reading is a parallel of word-reading and just as a child's learning to read words opens up new vistas and experiences in reading both for study and pleasure, so does the mastery of the reading of musical characters called notes afford the child the opportunity of enriching his life through the

medium of self-expression. Note-reading in our grade system leaves much to be desired at present, due only to the fact that our department is under-staffed.

Grades I through VI are visited every other week by the elementary supervisor. At the end of the lesson she leaves an assignment for the grade teacher to carry out during the following two weeks in daily periods. Learning to read music like learning to read words cannot be accomplished in a day or even a year, but only by daily conscientious practice. This responsibility must be shared by the grade teacher and the elementary supervisor. Many of our grade teachers though willing and competent feel that they are inadequately prepared to teach a daily music class. I should like to recommend that the problem be solved by the assigning of a teacher of elementary music theory to each building in the system, to teach all daily music classes in that building between the supervisor's visits. This would allow Miss Anderson time to concentrate on other areas of the grade program now not fully explored.

This year for the first time an elementary glee club has been formed at both Devine and Stetson schools. These organizations are open to all boys and girls who excel in the grade singing program. One period per week is devoted to glee club practice. The glee clubs will perform at the Christmas concert and at the P. T. A. in January. Miss Anderson, grade supervisor is in charge of the groups.

Over 40 new grade instrumentalists were started this year and will be ready for the elementary band following the Christmas recess.

The 7th and 8th grade general music classes meet once each week. The junior high chorus of 140 voices

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

rehearses one period per week. The junior high band composed of players from grades 6, 7, and 8 meets each Monday for one period.

It is recommended that the junior high school chorus meet at least twice a week and the Junior band 3 times per week. This policy was adopted last year but due to a heavy enrollment in these grades other classes are now scheduled in the time formally devoted to music. If we continue in this manner the result will be that we shall be unable to maintain as high standards of achievement and performance as were heretofore enjoyed.

The Devine school is in need of a piano which I hope may be purchased in the near future. Singing classes are rather difficult at this level without accompaniment.

The junior band played at the Spring concert, marched in the Memorial Day parade and demonstrated at parents' instrumental night in the Fall.

The High school chorus of 85 voices meets on Mondays and Wednesdays. They will sing at the Christmas concert and we are hopeful that the proceeds will be sufficient to purchase robes for the group. The chorus sang at the State festival at Fall River in May receiving high ratings for singing but severe criticism from the judge because of the lack of uniform dress. The season was ended at graduation.

Six chorus members were selected to participate in the all-State concert festival at Worcester and seven members in the New England festival at Hyannis.

The High school band played at the Spring concert, the State festival at Fall River, the home football games and marched in the Memorial Day parade. On invitation from the music department of Hingham high school the band presented a concert there in April. Plans had

## **TOWN OF RANDOLH, MASS.**

been made for the band to participate in the New England competition festival at Durham, N.H. in June but due to unforeseen circumstances the festival was cancelled, much to the chagrin of our young people.

The current season was opened on Nov. 19th when the band gave a joint concert with the Post 35 American Legion Glee Club of Brockton in the high school auditorium. We shared sponsorship of this event with our own Lt. Thomas Desmond Post.

I am grateful as always to the school department, Supt. Eaton, principals and teachers for their untiring efforts to answer the demands of the music department which I realize are usually rigorous. Your cooperation is much appreciated.

Yours respectfully,

MYRON B. THOMAS, Director.

## **REPORT OF THE SCHOOL NURSE**

**Helen F. Conlon, R. N.**

Mr. E. Percy Eaton  
Superintendent of Schools, Randolph, Mass.

Dear Mr. Eaton:

I herewith submit a report of my work in the McNeill, Tower Hill, Belcher and Devine schools during the year 1954.

Health has been defined by the World Health Organization as "a state of complete physical, mental and social well-being, not merely the absence of disease or infirmity.

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

In the field of health the school has a triple responsibility—to promote the health of children, to protect them from disease and ill health and to aid in securing the correction of such physical defects and illnesses as exist or develop.

The school learns the physical, mental and emotional status, limitations and needs of children through appropriate health examinations by physicians, dentists and other qualified specialists, through daily observation by the teachers and by vision and hearing procedures.

When physical defects and departures from normal health are found the school has the responsibility of telling the parents what was found to be wrong and of encouraging them to secure their prompt correction.

The children in grades 1 and 4 had examinations by the school physicians Doctors J. V. McGuirk and William S. Sloan. Defects of tonsils, teeth, eyes, ears, lungs and heart were found. Several children were found to have weakened arches. Notices of defects found were sent to parents advising them to seek early medical or clinical service.

Diphtheria immunization clinics were held in the Spring. 315 children between the ages of four months and seven years attended the clinics. 126 children had the series of three shots. 189 children had a booster shot.

Vision and hearing tests were given to all children in grades 1, 3 and 5 with special testing equipment. 109 children failed the vision test and 33 failed the hearing test. Of this number all but 12 children were examined by eye or ear specialists.

The names of five children were added to the Physically handicapped list. Three of these children were un-

## TOWN OF RANDOLPH, MASS.

able to attend school because of illnesses of several months duration. They were provided with visiting teachers.

There are two children receiving lip reading lessons at The Boston School for the Deaf and two children are attending sight conservation classes.

Dental inspections were completed in all grades. Parents of children needing dental care were notified. About 70 children who were unable to have their teeth cared for were referred to the school dentist Dr. William Maguire. This service is sponsored by the Randolph Board of Health.

Children in all grades were weighed and measured. Those not showing a gain were placed on the follow-up for further observation and study.

Individual inspections were done on all pupils referred by teachers and exclusions were recommended when necessary.

In closing this report I wish to express my appreciation to all school personnal for their fine co-operation during the year.

HELEN F. CONLON, R. N.  
School Nurse

## REPORT OF SCHOOL NURSE

**Signe H. Heath, R. N.**

This report covers my work for the year 1954, for the Randolph High School and the Stetson School.

Time was scheduled as follows: Monday, Wednesday and Friday at the High School; Tuesday and Thursday at the Stetson School.

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

Health examinations were given to all students entering competitive sports.

Physical examinations by the school physicians were completed in the first and fourth grades at the Stetson School, and the seventh and tenth grades at the High School, also, all new pupils entering both schools. Results of these examinations were recorded and notice of defects found have been sent to the parents.

Students eligible for the dental clinic conducted by the Board of Health were referred to Dr. Maguire.

The Massachusetts Vision Test and the Pure Tone Audiometer Tests were completed at both the High School and Stetson School. Parents of students failing these tests were notified, and in most cases necessary steps towards the correction of the defects were taken.

There were 5 new physically handicapped children in the two schools.

The number of communicable diseases was low.

The diphtheria immunization clinics were held in the Health Unit at the High School for pre-school, and first grade children.

The Norfolk County Chest X-Ray Program was carried out in November. There was no evidence of Tuberculosis found .

In January, 1954, the Future Nursing Club was formed at the High School. The object of the club is to promote interest in nursing careers. At the present time there are twenty-five members.

During the months of April, May and June, 1954, a program in home nursing was given to members of the Household Arts Class.

SIGNE HEATH

## PHYSICAL EDUCATION REPORT

An effective physical education and health program must start at the beginning of life and continue throughout its duration. Thus school physical education and health is not a separate entity but it is a part of a complete public program. On the one hand it is dependent upon the care which the child receives in the home through the intelligence and co-operation of the parents. On the other hand, it is dependent upon the facilities offered by the community. It involves many people, children, parents, superintendent of schools, principals, teachers, physicians, nurses, physical educators, dentists, custodians, public and private organizations. These varied elements must be welded into a team which will produce a balanced program.

There must be one person who has a definite responsibility for the total school physical education and health program as has been emphasized, this program concerns not only the school, but also the home and the community groups.

Under the guidance of the superintendent of schools, with the help of educators and health specialists the evaluation should be done by all members of the staff who have contributed to the school physical education and health services.

This school year we have set up our physical education and health program so that all the youngsters in our school system are receiving limited instructions and play. The physical education department is short handed and more personnel is desired in order to conduct the program more adequately.

The physical education staff is doing a wonderful job and should be commended for their work with the

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

boys and girls in the Randolph School System.

Sincerely,

Joseph J. Zapusta,  
Director of Physical Education.

### SCHOOL CALENDAR 1954-1955

September 8, 1954	Grades 7-12 School Opens
September 15, 1954	Grades 1-6 School Opens
October 12, 1954	Columbus Day
October 29, 1954	Norfolk County Teachers' Convention
November 11, 1954	Veterans' Day
November 24, 1954	Schools close at noon for Thanksgiving Recess
November 29, 1954	Schools Re-open
December 21, 1954	Schools Close for Christmas Recess
January 3, 1955	Schools Re-open
February 18, 1955	Schools close for winter vacation

June 10, 1955	Grades 1-6 School Closes
June 22, 1955	Grades 7-12 School Closes

## TOWN OF RANDOLPH, MASS.

### NO SCHOOL SIGNALS

By curtesy of the Randolph Fire Department, three blows repeated three times will be sounded at:

7:00 a. m.—No school all schools all day

7:30 a. m.—No school all day the first six grades

11:30 a. m.—No school—afternoon session in first six grades

By courtesy of WBET and WJDA Broadcasting Stations, no school announcements will be given by radio as near the local hours as is convenient and possible for the station announcer.

No school signals apply ordinarily to grades one through six only. Randolph High School will always be in session, except at times of a catastrophe or when extreme safety factors are involved.

“No School” (grades 1-6) will be signaled only on cold, stormy winter days when health and safety factors are generally involved. Heavy rain at other times of the year will not be considered a cause for closing school.

In the final analysis, each parent can best decide whether or not to send his child to school on a stormy day. Individual factors of health, distance from school, available transportation, etc. can be considered in making the decision.

### SCHOOL STATISTICS, JUNE 30, 1954

Population, Randolph, census 1951	9,982
Valuation	\$16,589,350
School Enrollment	2,615
Average Membership	2,472
Average Daily Attendance	2,344

# Report of The Town Accountant

To the Honorable Board of Selectmen:

In accordance with Section 61, Chapter 41 of the General Laws, I herewith submit my annual report of all receipts and disbursements for the year ending December 31, 1954. There is attached a list of monies received from every source of income, a detailed statement of all appropriations and balances, and all expenditures therefrom; a balance sheet, report of the funded or fixed debt, a table of debt maturities, information as to borrowing capacity and an account of all trust funds.

Respectfully submitted,

RAYMOND E. LYONS,

Town Accountant.

JOSEPH J. SEMENSI,  
Town Treasurer

# Report of The Planning Board

The Planning Board has actively functioned during 1954, and are happy to report their progress and plans. Altho interpreting and enforcing the Sub-division Control Act has been the greatest single function of the Board, much time has been devoted to future plans for Industrial sites, zoning, roads, and the revision of Rules and Regulations.

Working closely with the Highway Department, the Water Department, the Board of Health, and the Building Inspector, the board has established an efficient control over all new developments in the town which have been authorized during the year. Also the new Master Plan has been completed and is being made ready for use.

The board wishes to extend its sincere appreciation to all those who so helpfully cooperated during the year.

Respectfully submitted,

CHARLES E. PREBLE, Chairman  
HUGH McGINNESS, Clerk  
RANDOLPH O. BOOTHBY  
RALMOND T. WALL  
PAUL D. AUCHTER

# 1955 Town Meeting Warrant

Commonwealth of Massachusetts

Norfolk, ss.

To Either of the Constables of the Town of Randolph, in  
said County, Greetings:

In the name of the Commonwealth of Massachusetts,  
you are hereby directed to notify and warn the inhabitants  
of the Town of Randolph, qualified to vote in  
elections therein, to meet at the polling places in their  
respective precincts, to wit:

**Polling Place in Precinct No. 1  
STETSON HALL, IN SAID TOWN**

**Polling Place in Precinct No. 2  
STETSON HALL, IN SAID TOWN**

**Polling Place in Precinct No. 3  
BELCHER SCHOOL, IN SAID TOWN**

**Polling Place in Precinct No. 4  
DEVINE SCHOOL, IN SAID TOWN**

**ON MONDAY, THE SEVENTH DAY OF MARCH, 1955  
at 8:00 o'clock in the forenoon**

then and there to bring in to the wardens of their respective precincts, their votes on the official ballot for a Moderator for one year, two Selectmen for a term of three years, two Selectmen for a term of two years, one Selectman for a term of one year, two Members of the School Committee for three years, one Member of the Trustees of the Stetson School Fund for three years, eighty Town Meeting Members for three years, and to fill vacancy, two Town Meeting Members for two years, and seven Town Meeting Members for one year; and on the following question:

## QUESTION 1

Shall the Town of Randolph vote to place under Civil Service the Official Service Employees of the Town in conformance with the revelant provisions of Chapter 31 of the Massachusetts General Laws? Yes——. No——.

**THE POLLS WILL BE OPEN AT EIGHT O'CLOCK IN THE FORENOON AND WILL BE CLOSED AT EIGHT O'CLOCK IN THE EVENING.**

You are directed to notify and warn the inhabitants qualified to vote as aforesaid to meet at the Randolph High School Auditorium, Memorial Parkway, in said Randolph, on Monday, the twenty-first day of March, 1955 at 8:00 o'clock in the evening, and then and there to act on the following articles:

**Article 1.** To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1955 and to issue a note or notes therefor, payable within year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

**Article 2.** To see if the Town will vote to raise and appropriate money to defray the General Town Expenses for the current year, as recommended by the Selectmen and the Heads of the various Departments.

**Article 3.** To see if the Town will vote to raise and appropriate money for unpaid bills of previous years in various departments.

**Article 4.** To hear and act on reports of Town Officers.

**Article 5.** To hear and act on the report of any committee and choose any committee the Town may think proper.

Article 6. To see if the Town will authorize the Water Commissioners to appoint one of their members to another office or position under their control, and fix the salary of such person in accordance with the provisions of Chapter 36, Acts of 1929, or take any other action relative thereto.

Article 7. To see if the Town will appropriate the sum of \$35.00 for the maintenance and lighting of the clock in the tower of the First Congregational Church.

Article 8. To see if the Town will appropriate the sum of \$35.00 for the maintenance and lighting of the clock in the tower of the First Baptist Church.

Article 9. To see if the Town will vote to raise and appropriate a sum of money for the maintenance and upkeep of the Town Hall, as petitioned for by the Trustees of the Stetson School Fund.

Article 10. To see if the Town will vote to accept a special act of the 1955 Legislature relating to the construction of a sewage system in Randolph, and the financing thereof, and vote to raise and appropriate a sum of money to install a sewage system in conformance with a survey plan completed by the engineering firm of Camp, Dresser and McKee, and to determine if the money shall be raised by taxation, by borrowing under Chapter 44 of the General Laws and any special act of the Legislature that may be enacted in the current year, or by transfer from available funds, or take any other action in relation thereto.

Article 11. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing, furnishing and equipping, with site development, a new fire station on land owned by the Town of Randolph on the southerly side of Memorial Parkway, adjacent to the Turner Free Library and the land set aside for a War

## TOWN OF RANDOLPH, MASS.

Memorial for the Veterans of All Wars, and to determine if the money shall be raised by taxation, by borrowing under Chapter 44 of the General Laws, or by transfer from available funds, or take any other action in relation thereto.

Article 12. To see if the Town will vote to raise and appropriate a sum of money to purchase land to be used as a Town Dump.

Article 13. To see if the Town will vote to raise and appropriate a sum of money to purchase a Sidewalk Plow, the old Sidewalk Plow to be turned in, in trade.

Article 14. To see if the Town will vote to raise and appropriate a sum of money to loam, re-seed and lay out the High School football and baseball field, or take any other action thereon.

Article 15. To see if the Town will vote to raise and appropriate a sum of money to purchase three busses to transport school children, or take any other action thereon.

Article 16. To see if the Town will vote to appoint four (4) additional permanent firefighters, as requested by the Chief of the Fire Department, and to raise and appropriate a sum of money therefor, or take any other action in relation thereto.

Article 17. To see if the Town will vote to amend the By-Laws so as to provide for an average weekly tour of duty, not exceeding fifty-six (56) hours in any one year, for the permanent members of the uniformed fire-fighting force of the Town of Randolph, in conformance with the provisions of Sections 42 and 56 of Chapter 48 of the Massachusetts Annotated Laws, or take any other action relative thereto.

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

Article 18. To see if the Town will vote to appoint four additional police officers, as requested by the Chief of the Police Department, and to raise and appropriate a sum of money therefor, or take any other action in relation thereto.

Article 19. To see if the Town will vote to instruct the Selectmen to dispose of a parcel of land on which the Prescott Primary School building was situated.

Article 20. To see if the Town will vote to raise and appropriate a sum of money to purchase two new trucks, the old trucks to be turned in, in trade.

Article 21. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 (a like amount to be appropriated by the Town of Holbrook) for the development of a well to be used as an auxiliary water supply for the towns of Randolph and Holbrook. This sum is also to be used for the taking of necessary land together with the purchase of necessary pumps, motors, controls, meter, pump house, power connections and piping, as petitioned for by the Board of Water Commissioners.

Article 22. To see if the Town will raise and appropriate funds for the construction of two tennis courts on the High School Grounds, or take any other action thereto.

Article 23. To see if the Town will vote to accept Section 65 of Chapter 44 of the General Laws which provides for the payment of vacation pay in advance of the regular vacation.

Article 24. To see if the Town will authorize and instruct the Board of Health to notify the owners of all commercial piggeries that their licenses will not be re-issued on or after January 1, 1956 and that then and thereafter it shall be unlawful to operate a commercial

## TOWN OF RANDOLPH, MASS.

piggery within the confines of the Town. A commercial piggery for purposes of this Article is defined as any piggery which maintains more than one pair of pigs plus one litter.

Article 25. To see if the Town will vote to raise and appropriate the sum of \$300.00 for the installation of a new underground conduit service for St. Bernadette's Church, which was damaged during the installation of drainage on Old Street.

Article 26. To see if the town will vote to repeal the Betterment Acts, Chapter 80, Sec. 1-9 of the General Laws or take any action relative thereto.

Article 27. To see if the Town will vote to raise and appropriate a sum of money for the salary of the Town Manager.

Article 28. To see if the Town will vote to raise and appropriate a sum of money for the expenses of the Town Manager.

## ZONING

Article 29. To see if the Town will amend the zoning by-laws changing the area listed from residential to business.

Beginning at the northerly junction of Russ Street and North Main Street, approximately 300 feet, then easterly approximately 300 feet along land formerly owned by Hilda C. Snow, then approximately 300 feet southerly, then approximately 300 feet westerly. Title of which is in the name of Charles G. Snow.

Article 30. To see if the Town will vote to amend the Zoning By-Laws of the Town having to do with zoning and to Change the Zoning Map, Section 2-B of the Zoning By-Laws so that the area hereinafter described shall be changed from a residential district or zone to an industrial district or zone:

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

Being Lots 787 to 800 inclusive, as shown on a plan of Randolph Farms, H. A. Millhouse, C. E., dated September 1911, and filed with Norfolk Plans, Plan-Book 61, Plan 2913 and bounded and described as follows:

WESTERLY on South Main Street, two Hundred ninety seven (297 feet;

NORTHERLY on Woodlawn Road, two Hundred (200) feet;

EASTERLY on Greenmount Street, Three Hundred and Sixty Two (362) feet; and

SOUTHWESTERLY on land of Anderson or of owners unknown, Two Hundred Twelve (212) feet;

Article 31. To see if the Town will vote to extend the present zone in the following described area from Residential Zone to Business Zone; the Land at 409 North Main Street owned by Louis C. Curhan, bounded and described as follows:

WESTERLY by North Main Street, 50 feet;

SOUTHERLY by land, now or formerly of Billingham, 120 feet;

EASTERLY by land now or formerly of DiStasio, 50 feet;

NORTHERLY by land of Cartwright, 120 feet, containing 6,100 square feet of land more or less.

Article 32. To see if the Town will vote to adopt the use of Roberts Rules of Order Revised as the rules of procedure in Town Meetings or to take any other action relative thereto.

## STREET LAYOUTS

Article 33. To see if the Town will vote to raise and appropriate a sum of money to layout Soren Street from Mitchell Street to High Street.

**STREET ACCEPTANCES**

Article 34. To see if the Town will vote to accept Morse Street as laid out.

Article 35. To see if the Town will vote to accept Ely Street as laid out.

Article 36. To see if the Town will vote to accept Edwin Street as laid out.

Article 37. To see if the Town will vote to accept Nelson Drive as laid out.

Article 38. To see if the Town will vote to accept Diauto Drive as laid out, or take any action thereto.

Article 39. To see if the Town will vote to accept Clark Street, at foot of Bartlett Road for a distance 500 feet, as petitioned for.

Article 40. To see if the Town will vote to accept Soren Street from Mitchell Street to High Street as laid out.

Article 41. To see if the Town will vote to accept Fitch Terrace from Highland Ave. in a westerly direction a distance of 600 ft. as laid out by the Selectmen in 1937.

Article 42. To see if the Town will vote to accept Fitch Terrace as laid out. Beginning at the Easterly side of Beverly Terrace and going in an easterly direction about 600 feet to a stone marker as set out in 1937.

Article 43. To see if the Town will vote to accept Cole Terrace extension as laid out. Beginning about 600 feet west of Highland Ave., and continuing in a westerly direction about 1,000 feet to a stone wall bound.

Article 44. To see if the Town will vote to accept Garen Terrace as laid out. Beginning from the south side of Cole Terrace in a Southerly direction about 600 feet to Fitch Terrace.

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

Article 45. To see if the Town will vote to accept Beverly Terrace as laid out. Beginning from the southerly side of Cole Terrace in a southerly direction about 700 feet to Fitch Terrace.

Article 46. To see if the Town will vote to accept Willard Terrace as laid out. Beginning at the Southerly side of Cole Terrace and going in a southerly direction about 650 feet to Shirley Terrace.

Article 47. To see if the Town will vote to accept Shirley Terrace beginning from the westerly side of Beverly Terrace and going in a westerly direction about 450 feet to Willard Terrace, as laid out.

### WATER MAINS

Article 48. To see if the Town will vote to instruct the Board of Water Commissioners to install an additional 1,000. feet of six-inch water main on High St., and raise and appropriate money therefor, as petitioned for by the Board of Water Commissioners.

Article 49. To see if the Town will vote to instruct the Board of Water Commissioners to install 300 feet of six-inch water main on Emeline Street, and raise and appropriate money therefor, as petitioned for by the Board of Water Commissioners.

Article 50. To see if the Town will vote to instruct the Board of Water Commissioners to install 350 ft. of six-inch water main on Canton Street (under new expressway) and raise and appropriate money therefor, as petitioned for by the Board of Water Commissioners.

Article 51. To see if the Town will vote to raise and appropriate the sum of \$4,400.00 for the relocation and renewal of fifty-two services and six hydrants, in conjunction with the widening, relocating and resurfacing of approximately 3000 ft. of South Street, as petitioned for by the Board of Water Commissioners.

Article 52. To see if the Town will vote to install a 6-inch water main on Irving Road, with gates and hydrants for a distance of 2850 feet, and to raise and appropriate the necessary sum of money therefor, or take any other action thereto.

Article 53. To see if the Town will vote to raise and appropriate a sum of money to install a six (6) inch **water main with the necessary gate sand hydrants**, a distance of approximately 800 feet or Soren St. from Mitchell St. to High St. as petitioned for.

Article 54. To see if the Town will vote to instruct the Board of Water Commissioners to install a 6-inch water main with necessary fittings and hydrants if any, on Fitch Terrace from Highland Ave., a distance of 600 ft. in a westerly direction and to raise and appropriate money for the same.

Article 55. To see if the Town will vote to take by Eminent Domain for the installation, serving and repair of Water Lines or Pipes, an easement on Irving Road, so called, an unaccepted street or way, and raise and appropriate money therefor.

Article 56. To see if the Town will vote to take by Eminent Domain, for the installation, servicing, and repair of Water Lines or pipes, an easement on the following unaccepted streets or ways, so called, or on such parts of said streets or ways, so called, which have not been accepted: Druid Hill Avenue (running Northerly from Center Street) and Millhouse Avenue (running Northerly from Druid Hill Avenue), and to raise and appropriate the sum of twenty-five dollars (\$25.00) therefor, or take any other action relative thereto.

Article 57. To see if the Town will vote to raise and appropriate \$2,003.00 to install a 6-inch water main with necessary gates and hydrants on Millhouse Avenue

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

(running Northerly from Druid Hill Avenue) from Druid Hill Avenue a distance of approximately 445 feet, or to take any other action relative thereto.

Article 58. To see if the Town will vote to raise and appropriate \$1,823.00 to install a 6-inch water main with necessary gates and hydrants on Druid Hill Avenue (running Northerly from Center Street) from Center Street a distance of approximately 405 feet, or take any other action relative thereto.

### DRAINAGE

Article 59. To see if the Town will vote to raise and appropriate a sum of money to defray the expense to establish a comprehensive plan for storm drainage for the Town of Randolph, or take any other action relative thereto.

Article 60. To see if the Town will vote to raise and appropriate a sum of money to extend the present drainage system on Abbey Street for a distance of approximately five hundred (500) feet to Lindberg Avenue.

Article 61. To see if the Town will vote to raise and appropriate a sum of money to install a drainage system on Webster Street or take any other action thereto.

Article 62. To see if the Town will vote to raise and appropriate a sum of money to extend the drainage system on Selwyn Street.

Article 63. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury a sum of money for Chapter 90 Highway Maintenance, or take any other action in relation thereto.

Article 64. To see if the Town will vote to raise and appropriate a sum of money or transfer from un-

appropriated available funds in the Treasury, to rebuild South Street from Union Street under Chapter 90 Construction.

Article 65. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system on Allen Street.

Article 66. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system on Amelian Road.

Article 67. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system between Belcher Street and Liberty Street.

Article 68. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system on Canton Street.

Article 69. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system on Cross Street.

Article 70. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system on Eugenia Street.

Article 71. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system on Fencourt Avenue.

Article 72. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system on High Street between Canton Street and Soren Street.

Article 73. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system between Highland Avenue and Warren Street.

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

Article 74. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system on Highland Avenue between Woodlawn Street and the Brook on Highland Avenue.

Article 75. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system on Hills Street.

Article 76. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system on Mt. Pleasant Square.

Article 77. To see if the Town will vote to raise and appropriate a sum of money to continue the Old Street drain from the rear of Hanson's Property to Stacy Street.

Article 78. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system between Oliver Street and Russ Street.

Article 79. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system on Pond Lane.

Article 80. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system on Roel Street.

Article 81. To see if the Town will vote to raise and appropriate a sum of money to put in a drainage system on Soren Street from Mitchell to High Street as petitioned for.

Article 82. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage system on Ward Street.

Article 83. To see if the Town will vote to raise and appropriate a sum of money to construct a drainage

## TOWN OF RANDOLPH, MASS.

system on Woodlawn Street, Norfolk Road, Fairview Avenue and Fairmount Street. This system to be constructed as one project.

### STREET CONSTRUCTION

Article 84. To see if the Town will vote to raise and appropriate a sum of money to start a ten year construction plan to build Class A Highways in each section of the Town.

Article 85. To see if the Town will vote to raise and appropriate a sum of money for the layout out, draining, grading and constructing of streets under the provision of law authorizing the assessment of betterments, and to determine if the money shall be raised by taxation, by borrowing under Chapter 44 of the General Laws, or by transfer from Available Funds, or to take any other action relative thereto.

Article 86. To see if the Town will vote to raise and appropriate a sum of money to lay out, grade and construct Morse Street from Ryan Street to Pond Street as and for a Town Way under the provisions of law authorizing the assessment of betterments, as petitioned for.

Article 87. To see if the Town will vote to raise and appropriate a sum of money to lay out, grade and construct Ely Street from Fitzgerald Street to Pond Street as and for a Town Way under the provisions of law authorizing the assessment of betterments, as petitioned for.

Article 88. To see if the Town will vote to raise and appropriate a sum of money to lay out, grade and construct Edwin Street from North Main Street to High Street, as and for a Town Way under the provisions of law authorizing the assessment of betterments, as petitioned for.

## ONE HUNDRED AND NINETEENTH ANNUAL REPORT

Article 89. To see if the Town will vote to raise and appropriate a sum of money to grade and construct Ryan Street from Morse to Fuller Streets, as and for a Town Way under the provisions of the law authorizing the assessment of betterments as petitioned for.

Article 90. To see if the Town will vote to raise and appropriate a sum of money to grade and construct Fuller Street, formerly Fuller & Morgan Streets, as and for a Town Way under the provisions of the law authorizing the assessment of betterments as petitioned for.

Article 91. To see if the Town will vote to raise and appropriate a sum of money to grade and construct Upham Street from N. Main to Mitchell Streets, as and for a Town Way under the provisions of the law authorizing the assessment of betterments as petitioned for.

Article 92. To see if the Town will vote to raise and appropriate a sum of money to grade and construct Byron Street from Vesey Road to Charlotte Lane as and for a Town Way under the provisions of the law authorizing the assessment of betterments as petitioned for.

Article 93. To see if the Town will vote to raise and appropriate a sum of money to grade and construct Stoughton Street from Highland Avenue west 500 ft. as and for a Town Way under the provisions of the law authorizing the assessment of betterments as petitioned for.

Article 111. To see if the Town will vote to raise and appropriate a sum of money for sidewalk construction on Highland Avenue between Warren Street and Memorial Drive.

## TOWN OF RANDOLPH, MASS.

Article 112. To see if the Town will vote to raise and appropriate a sum of money for sidewalk construction on North Street from the Bridge to Maitland Avenue.

Article 113. To see if the Town will vote to raise and appropriate a sum of money for sidewalk construction on Lafayette Street from West Street to High Street.

## MISCELLANEOUS

Article 114. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to be administered under the terms of Chapter 386, Acts of 1953, with the further provision that a sum not to exceed \$200.00 per thousand feet be expended to make the ways passable.

Article 115. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to continue the operation of cleaning town brooks.

Article 116. To see if the Town will vote to raise and appropriate a sum of money to construct two catch basins at the corner of North and Cottage Streets.

Article 117. To see if the Town will vote to Zone the following described area from residential to industrial, this property is a piece of property which is to the east and south side of Machine Shop and Foundry on Pleasant Street and is described as follows: Date Recorded: November 19, 1947, 1:52 P.M.; Book 2723; from Assunta Puzone to Walter J. Good, Trustee;

Description: Land in Randolph, Norfolk County, Massachusetts, being part of that shown on a plan entitled "Plan of Land In Randolph, Massachusetts, March, 1924, Hartley L. White, Civil Engineer," said plan being recorded with Norfolk Deeds, Book 1768, Page 444, and said parcel being bounded:

ONE HUNDRED AND NINETEENTH ANNUAL REPORT

Northerly, by Pleasant Street 104.62 feet as shown on said plan:

Westerly, by land now or formerly on the Randolph Foundry Company, 258.17 feet, and by a straight line which is a continuation of the westerly boundary, 97.23 feet more or less to a brook:

Southerly by said brook and by a stone wall which is in part the northerly boundary of land now or formerly of John Everett, 356 feet more or less to a corner of said stone wall:

Easterly by said stone wall by two courses one of 191.09 feet, and the other 69.05 feet, both as shown on said plan.

Northerly again by land now or formerly of Madden, Mahoney and DeCota, 311. feet:

Easterly again by land now or formerly of Madden 125.93 feet as shown on said plan.

And you are directed to serve this Warrant by posting attested copies thereof at the Town Hall, at the Town Clerk's Office, at the Post Office and at six other public places in the Town, seven days at least, before day and hour of said meeting.

Hereof, fail not, and make return of this Warrant, with your doings thereon, to the Town Clerk, on or before the day and hour appointed for holding said meeting.

Given under our hands at Randolph, this tenth day of January, A.D. 1955.
